

**Local Schools to Close for Holiday Starting Thursday**

Pupils of the Barrington public and St. Anne parochial schools will enjoy a two-day holiday Thanksgiving Day and the following Friday of next week, according to announcements made by E. S. Smith, superintendent of public schools, and Father P. J. Hayes, pastor of St. Anne.

In addition to the Thanksgiving holiday announcement, Superintendent Smith stated that Christmas holidays for the public school will be from December 24 until January 4.

Mr. Smith and T. C. Hoshford, assistant principal of the high school, will attend a conference of teachers at Northwestern university at Evanston Friday and a group of instructors will attend the sessions Saturday. A meeting of principals of schools in the Northwest conference is being held Wednesday afternoon and evening.

Miss Annette Sheel, instructor for Junior high school, is arranging a program for Christmas parties to be given by pupils of that division for their parents December 11. An all-high school party is being planned for December 12.

**Suggests Precincts for Local Elections**

Village Clerk A. C. Burandt indulged a question of dividing the village into ten precincts at municipal elections at the regular meeting of the board Monday night.

Mr. Burandt recommended this change to help elevate the too heavy duty on the shoulders of village and clerks at the elections. At the last one 1600 votes were tallied.

He stated that at the village election next April there will be a complete slate of trustees, six vacancies with a possibility of several candidates for each office. The office of village president and village clerk is also open for election as is the office of police magistrate.

Members are to be elected to the library board at the same time as there will be two vacancies for that organization.

On the basis of the total number of offices on the ballot for the April election, Mr. Burandt reported the job of tallying will be heavy. It was suggested by members of the board to make the division of the village by counties, Cook and Lake, for the precincts. The board took the matter under advisement.

**Karstrom Home on Honey Lake Looted**

Six valuable rugs, a piano drape and a dozen bed sheets valued at \$500 were stolen from the residence of Mrs. C. E. Karstrom at Honey Lake some time between 8 p. m. Thursday and 9 a. m. Friday, it was learned Friday.

The house, located on Honey Lake road at Honey Lake, had been occupied by tenants up to Armistice Day. The tenants moved out of the place Mrs. Karstrom had the house inspected Friday.

Burglars had forced a window on the southeast side of the house and had entered there. The place had been in order when it was looted on Thursday evening.

The burglars apparently rolled up the rugs and passed them

through the window to an automobile, according to Deputy Sheriff Stanley M. Christian, who investigated the burglary.

Mrs. Karstrom has been making her home during the past months at the North hotel, Evanston.
