"The Last of the Mohicans" Billed Sunday, Monday

"Give Me Your Heart" Comes Wednesday to Catlow Theatre

"Ladies in Love," playing the local theatre Friday and Saturday pictures the man's search for a hunt for the most girls ever planned. Starting Janet Gaynor, Loretta Young, Constance Bennett and Simone Simon, the film is a brilliant story of four wise little innocents with but a single thought in their minds in their slogan: "One for all—and all for a man—for each one."

Don Amechi, Paul Lukas, Tyrone Power Jr. and Alan Mowbray furnish the man power in this interesting venture into the realm of romantic adventures.

Cartoon oddity and news will precede the showing of the feature.

James Fenimore Cooper's cross section of young America, "The Last of the Mohicans," is scheduled to play the Catlow Sunday and Monday.

This glorious Leatherstocking tale, with its deeds of valor and scenes of love and sacrifice, returns to life by the great cast chosen to depict its leading characters.

Hawkeye (Colonel Scott) is played by Randolph Scott; the Munro sisters, by Binnie Barnes and Dorothy McGuire; the Mohicans is cast as Magua, the treacherous spy; the Mohican chief, Chingachook, and his son, Uncas, are played by Robert Barrat and Phillip Reed; and the British officers, by Henry Wilcoxon and Hugh Buckner.

A new Popere cartoon, band act and late news are short subjects to be shown with the Sunday-Monday feature.

Barney night, next Tuesday, will offer mortgagors a double feature bill.

The first number, "Three Married Men," with Rosemary Karns and Mary Brian, is a comedy of young married life, with in-laws playing the leading parts.

The second feature, "End of the Trail," is a new western yarn from the pen of Zane Grey. The story opens in the west, moves to Cuba for the Spanish-American war, then returns to finish it in its original setting.

Two complete showings of each feature will be given, with feature changes at approximately on the hour.

In the picture, "Give Me Your Heart," playing Wednesday and Thursday, Kay Francis is presented with the problem of turning over her son to his grandparents.

whose position promises much more for his future.

This story calls for a master of comedy, and demand for Kay Francis in this role of the young sophisticate, sows a harvest which she must reap in secret.

"Give Me Your Heart" will be sure to be an eminently worthwhile picture, with a definite appeal for those seeking mature drama. It is a picturization of the famous stage play, "Sweet Aloes," by Jay Mallory.

This is a busy week as we are having examinations. Our students have made models of turkeys to represent Thanksgiving. Our windows have new decorations of turkeys, stars, and even paper turkeys. Mrs. Lorraine and Miss Kirby are receiving a certificate issued by the county superintendent, W. C. Pott, as their spelling award for having 100 in review, spelling, learning, and the third, fifth and sixth grades are now making booklets of Thanksgiving. Seventh and eighth grades have made a large tree for nature study with replicas of leaves of every known tree.

Mr. and Mrs. Ray Daley of Waukeonda are the proud parents of a baby girl born October 28. Mrs. Daley was formerly Ruth Wiemuth.

Miss George Sage, Mrs. Mary Kelsey and son Muho motored to Woodstock Monday.

Mr. Frank Rasmussen of Cary was a Monday evening caller at the home of Mrs. Frank Lageschulte.

Mr. William Reeg was hosted on six tables of cards and bunco Monday. Mrs. Reeg and Sonny were the winners with the major award. Mrs. Mayme Mitch will be the December hostess. Each guest is asked to bring a gift for the Christmas bag.

Mrs. Mary Kelsey, Mrs. George Sage and Harry Johnson of Detroit spent the weekend with Mr. and Mrs. Norris Iverson of Downers Grove.

For Lowest Cost Firing, You Can Not Go Wrong on a

FREE-MAN Automatic Coal Stoker

Coal is conceded to be the least expensive of any fuel burned, even using the inefficient method of hand firing. Now, the automatic stoker has revolutionized coal burning, making automatic firing even cheaper than hand firing.

THE FREE-MAN STOKER gives you the same automatic control of heat as gas or oil. In addition, the FREE-MAN STOKER saves enough over present methods of firing to pay for itself in a short time, often within a year. Let us estimate your home heating cost.

**Charles Drussel
Named President
of College Class**

**Sophomore Classmates Ele
Him Leader at Bradley
Tech at Peoria**

Charles Drussel, son of Revs. Mr. and Mrs. Charles R. Drussel, 497 Grove avenue, was honored by classmates when he was elected president of the sophomore class Bradley school of Technology, Peoria, at school elections this week.

His election was made further impressive, a bulletin from the school reported, by the large majority he received, compared with other margins registered in the races for various offices at the election.

Charles' popularity on the campus is due to other activities he has participated during his two years at Bradley.

At the present time, he is a student manager of student employment, a member of the Commuter Club, a member of the band numbering 40 pieces.

All students seeking employment this year have been placed in positions through the efforts of Mr. Drussel.

Mr. Drussel, a business man, has four assistants taking care of 100 students in permanent jobs.

In a campaign to find homes for boys from the State School for Boys at St. Charles, Drussel has been contacting newspapers and group leaders in all sections of the state.

Mr. Drussel, a former member of the Pankratz foster home, has been a popular figure in the community.

Charles Drussel Named President of College Class

Sophomore Classmates Elect Him Leader at Bradley Tech at Peoria

Charles Drussel, son of Rev. and Mrs. Charles R. Drussel; 467 Grove avenue, was honored by classmates as the elected president of the sophomore class of the University School of Technology, Peoria, at school elections this week.

His election was made further unanimous, a bulletin board in the school reported, by the large turnout he received compared with other margins registered in the races for various offices at the Bradley school.

Balloting was started at a general interest on the campus and voting was unusually heavy, the report stated. Balloting took place under the supervision of the student council.

Drussel's popularity on the campus is due to other activities in which he has participated during his two years there, it was learned. At the present time, he is a member of the student government, a member of the Commerce club, glee club and school newspaper.

All students seeking employment this year have been placed in positions by Drussel, who has driven at business houses in various parts of the city. He has six assistants taking care of the many details and has placed over 100 students in permanent jobs.

State School for Boys Seeks Foster Homes in Locality

In a campaign to find foster homes for boys from the State School for Boys at St. Charles, representatives have been contacting various organizations and individuals in all sections of the state.

E. B. Pankratz, foster-home placement department, was in Barrington last week and issued the following statement that explains the project:

"Each boy coming forward for a foster home has completed a carefully arranged program at the school with credit to himself.

"Before actual placement is made a boy's case is passed upon by a foster placement committee, which consists of a group of individuals foremost in Chicago's leading welfare agencies. Previous to this the advisability of placement is considered by the boy's own committee.

"Following his placement, an experienced man case worker makes semi-monthly supervisions at the foster home to assist the foster mother when needed in the care of the child.

"The foster home will pay \$20 per month for board and all boys placed and an additional \$5 per month for clothing other incidentals.

"We are especially interested in those homes where high social position exists. However, we are just as interested to hear from small town homes and in Elgin Saturday evening.

other farm homes where elementary education only is available.

"Wherever these are available we would be pleased to call to more thoroughly evaluate our foster home placement plan. If interested, write to W. T. Harmon, managing officer, State School for Boys, St. Charles, Ill."

road turntable at the foot of Spring street early Saturday morning and overturned.

Neither of the occupants nor the truck was injured. According to information given W. Behrens, the policeman who investigated, the driver was under the impression that the snow continued across the tracks and failed to notice the turntable.

Cars Collide

Cars driven by N. L. Nielsen, residing three miles east of Wauconda, and Mrs. Emma Walter Elmer, 210 W. Main street, collided at the Chicago and North Western railroad crossing at Hough street late Monday afternoon.

Nielsen was held on a \$100 driving charge and fined by Police Magistrate A. D. Church Tuesday. Mrs. Elmer was driving south on Hough street and Nielsen was going north at the time. Neither driver was injured, although the Elmer car was heavily damaged.

Overturns at Bridge

A truck driven by Sam Rubin, 3524 Gresham avenue, Chicago, overturned at the Flint creek bridge on the Northwest highway Tuesday morning, driving south on Elgin street. The truck, which had turned over, was seen by the Elmer car as going south to the Northwest highway and Elmer turned west.

Baptist Church

Have Bazaar, Supper

The annual bazaar and chicken dinner at the Baptist church will be held Tuesday, Nov. 1, 1936, from 2 p.m. to 1 a.m. and will include a variety of articles suitable for Christmas gifts, it was reported. Supper will be served from 5 to 8 p.m. and the bazaar will continue through the evening. Ladies of the church are in charge of arrangements.

Births

Mr. and Mrs. Clayton Watkins of Jewel Park are the parents of a 3 1/2 pound daughter, Caroline Karkkila, born Sunday at the Evangelical hospital.

We are especially interested in those homes where high social position exists. However, we are just as interested to hear from small town homes and in Elgin Saturday evening.

Mr. and Mrs. Ray Tate, 336 W. Lake street, announced the birth of a son, a pound baby daughter, Sandra Jean, at the Sherman hospital in Elgin Saturday evening.

BARRINGTON REVIEW, BARRINGTON, ILLINOIS, THURSDAY, NOVEMBER 26, 1936

Rated Master Merchandiser After Winning Standard Oil Contest

Burton Hoffman (above right) manager of Standard Oil company service station, South Hough street, was honored by the Standard Oil Company of Indiana as master merchandiser for the Joliet division which embraces Barrington, when he received a certificate of merit and merchandise pin as well as a Universal Mixer-Heater from K. C. Meiner, (above left), salesman of the Joliet division Tuesday.

Mr. Hoffman won the award by being the most outstanding member of his division in a contest held during the month of October. His success was based on best use of modern sales and service methods.

The certificate of award is signed by Allen Jackson, vice president; Amos Bell, general manager of sales, and H. E. Hanson, Joliet division manager. It reads as follows:

"A report driven by Sam Rubin, 3524 Gresham avenue, Chicago, overturned at the Flint creek bridge on the Northwest highway Tuesday morning, driving south on Elgin street. The truck, which had turned over, was seen by the Elmer car as going south to the Northwest highway and Elmer turned west.

The truck, enroute from Michigan to Minneapolis with a load of apples, was on the icy pavement and tipped over, breaking the road and scattering its load.

Driving While Intoxicated

Harold Ellerthorpe, Channel Lake, was fined by J. Goldman, magistrate of the peace, when he appeared before a charge of driving while intoxicated, driving his car with a car driven by Otto Braun, 1811 N. Lawndale avenue, Chicago, on Elgin road south of the Cook-Lake county line road, Tuesday evening.

The Elmer car was going south to the Northwest highway and Ellerthorpe was traveling north.

Baptist Church

Have Bazaar, Supper

The annual bazaar and chicken dinner at the Baptist church will be held Tuesday, Nov. 1, 1936, from 2 p.m. to 1 a.m. and will include a variety of articles suitable for Christmas gifts, it was reported. Supper will be served from 5 to 8 p.m. and the bazaar will continue through the evening. Ladies of the church are in charge of arrangements.

MINORITY PARTY SERVICE

After reviewing the recent landslide and democratic
victory, Congressman Ralph Church summarized the duty of
the minority party, in a letter to newspapers, as follows:"The important question now is, how will this popular
endorsement be interpreted by the president and those who
surround him?"With the honor has come a grave responsibility. It will
be entirely his decision whether the government will continue
with schemes for planned economy, loose fiscal policies and
warfare with the supreme court. It will be entirely his
decision whether there will now be a program for improving
the reforms started, consolidating the gains and putting the
monetary house in order. There will be those who will tend to
push him still further into experimentation and there will
be those who will strive toward conservatism."With this responsibility on the president, who has com-
plete control of both the senate and the house of represen-
tatives, an increased responsibility has come to the small
minority in both these bodies. If that responsibility is fully
recognized and effectively discharged, this small minority
will render a distinct service to the nation. In criticizing, in
seeking to eliminate defects, in pressing for moderation, in
presenting opposing facts to the people, this small minority
will thereby render an invaluable service to the president
himself.""Out of 435 there will be only 89 republicans in
the house, and in the senate there will be 17 out of a total
of 96 (at the last session there were 104 republican members
of the house and 23 republican senators). Many of the
senators and the majority of the house owe their election to
the Roosevelt landslide. It can be expected that they had
and support every administration proposal. They will simply
accept it as such, lend it their support and close their eyes
to any possible defects. In that respect the overwhelming
majority in the house and senate constitutes a serious handi-
cap to the president."Those schooled in the science of parliamentary govern-
ment know that the best laws are those which meet with an
alert opposition. They are the results of extended debate
and careful analysis. They are the results of compromises
and amendments. While it may not be effective in numbers,
by offering intelligent and constructive opposition to meas-
ures, the minority will be giving the president and the nation
a great service."It is the role of the minority to oppose. That does not
mean that it should oppose everything for opposition's sake.
It does not mean that the opposition should be stupid and
vindictive. It means that it should be alert, militant, cour-
ageous, intelligent and constructive."

WHAT'S

GOING ON

(Courtesy The United States News)

The spotlight of governmental
attention is focused on Wall street,
where stock prices have been
shaken by the political situation
since the election. Reason for the
attention is to see whether tem-
porary influences are at work that
may later cause a precipitate de-
cline.In temporary influence chief-
ly in mind is declared by the presi-
dent to be the presence of large
amounts of foreign funds sent
here for safety or profit and invest-
ment purposes. Such funds are es-
timated to be more than \$7,000,-
000,000, a larger total than was
present in 1929.Being subject to immediate re-
call, these funds, it is feared, are
an unusual factor in the present
situation. President Roosevelt, ac-
cording to his officials of the
Federal Reserve board and the Se-
curities and Exchange commission,
gave thought to possible legal
action for removing or limiting the
danger.Officials point out that the
studies being carried on do not
imply that the market itself is
subject to manipulation. M. C. E. Eccles,
governor of the Federal Reserve board,
reports that bank loans to brok-
ers are little above their low point
for the depression. The market
he declares, is almost a cash mar-
ket.As the government's current
deficit tops a billion dollars for the
first time in its history, the begin-
ning of the bookkeeping year (July 1),
treasury officials go to conference
with the president to produce
a budget estimate to be made
public in January.The president estimates that the
estimates for relief will have
to be separated and reported later
than the rest of the budget. The
reason assigned is that employ-
ment is increasing rapidly,
changing the relief picture so that
forecasting over a longer period is
difficult.Two new items of expenditure
are asked by the department of
commerce, an outlay of
about 15 million dollars to finance
a census of the unemployed, call-
ing for information on those actively
seeking jobs and case histories
of those employed during the
depression. The department also
wants \$140,000 to set up a bureau
of industrial economics. Its func-
tion would be to study industry as
intensively as agriculture is now
studied, and to issue "industrial
forecasts" to guide business
men in their plans.The ten unions under consider-
ation are those already mentioned
in the convention. Their officers, with those of
CIO unions, meet before the con-
vention and refuse to join in peace
processions, but the suspension
is lifted, and the unions are
associated with the committee
for industrial organization, which
demands aggressive tactics in organizing
employees in mass production
industries on the basis of one
union per industry. The CIO

High School Basketball Teams Swing Into Action With Practice Tilts

Bronchos to Meet Warren, Waukegan, Over Week-End

Broncos Cagers Dump St. Mary's; Lose Two to Elgin in Practice

SPECIAL MATCH

Bronchos received their taste of basketball over the weekend with hopeful results. Friday the lights went to Woodstock and defeated St. Mary's 50-44. Saturday night the Elgin Guards, Gaare, and Johnson, forwards; Elmer, center; Rice and Olmsted, guards, represented the Bronchos. These boys played a nice game, showing some skill in defense as cagers. Saturday morning the Elgin broncos and lights went to Elgin for a scrimmage. Neither of the local teams seemed to be going very strong, taking a defeat in both games.

The lights were off on shooting as the Elgin Guards, Gaare, and Johnson, forwards; Elmer, center; Rice and Olmsted, guards, made up the Elgin broncos. Saturday night the Elgin broncos were making practice for the locals giving them chance to warm up before the start of the conference season.

The local cagers will open their conference slate Wednesday, Nov. 25, with Warren on the home court. Bronchos are predicted to have a tough match with the Blue Devils.

C. Phillips and Porteysa, forwards; W. Phillips, center, are back from last year's line-up and with the locals plenty of competition Wednesday, Saturday, Nov. 25, the cagers will travel to Waukegan.

They made a fine showing last week holding Palatine to a 15 to 14 score. The cagers are now the only contender for the conference title, defeated Benetaville 13-16, Leyden and Lake Forest are experienced teams and will be in the line for honors.

Complete information on the various conference teams will be in the Review in the near future.

Church Cagemen Will Hold First Games December 7

Church league cagers held their first practice Monday night with a full season of games in view. The church leaguers will have a series of games every Monday night starting Nov. 27.

These games have always drawn a large group of basketball fans and they are predicted to be even more interesting this season as several new men will be in the league. The games were on the BHS floor last year.

New men in the league are as follows: Salem—Buck Condill, George Condill, Harry Etter, Andrewson and Smith; Methodist—Klemm, St. Paul—Reik, Frazee and Johnson.

Selection of officers was also held Monday night and David Etter was elected president. Edie Blechle was named secretary-treasurer.

Complete lineups will be run in the Review next week.

"Little Englands" The term "Little Englands" came into prominence at the time of the South African war of 1899-1902, and was applied to the English-speaking colonies in South Africa who preferred to see England contented and self-contained rather than a world empire with all the attendant dangers.

Leyden Wins 1936 N. W. Conference Football Honors

Possible Tie-Up for Honors Avoided; Arlington Is Runner-Up

Leyden has done it again. For two consecutive years Leyden has succeeded in capturing the N. W. Conference honors in football. Conference coaches picked Leyden to take the conference at the beginning of the season and they were throughly compensated. Leyden has outdistanced its opponents in defense this year with a strong line allowing only 19 points to be scored against it while they rolled up a total of 74 points during the season. Leyden's offense consisted of a fast running line and a fast shift backfield.

Three Couples Celebrate Wedding Anniversaries Totaling 130 Years

Three Barrington couples passed another milestone this week as they celebrated anniversaries marking long years of married life.

They are: Mr. and Mrs. G. F. Stiephenhofer, 300 S. Cook street, who observed their fortieth anniversary.

They are: Mr. and Mrs. G. F. Stiephenhofer, 300 S. Cook street,

where they have lived since their marriage.

Mr. Stiephenhofer, nee Laura Frye, was born in Barrington July 21, 1872. Mr. Stiephenhofer was born in Ohio, September 18, 1858 and came to Barrington as an apprentice blacksmith.

settlement that is now the village of Arlington Heights May 29, 1859. His father was Robert Stiephenhofer, a Swiss who retired from farming. Mr. Nightingale is still active and has been engaged in various types of employment while living in the village.

They have seven children, Miss Mamie of Park Ridge; Miss Florence of Barrington; Roy of California; William Jr. and Harry of Barrington; Mrs. Henry Yeager of Chicago, and Ray of Lake Zurich.

The family planned to visit the happy couple Thanksgiving day in celebration of the momentous occasion.

S. Landwer Anniversary

Another unique feature of Mr. and Mrs. Landwer's anniversary is the fact that both attended the wedding of Mr. and Mrs. Stiephenhofer a week previous to their own and that the Stiephenhofer's in turn attended theirs.

Mr. Landwer is a junior member of the film of Weithansen and Landwer, general merchandisers, at the time of his wedding but shortly afterwards started his business as rural mail carrier and continued his advertising business until his retirement in July, 1924.

Mr. Landwer was born at the home of Samuel L. Landwer at the time of his parents' marriage. Mr. and Mrs. William Thiel of Palatine, Illinois, were his parents.

Mr. Landwer was a junior member of the film of Weithansen and Landwer, general merchandisers, at the time of his wedding but shortly afterwards started his business as rural mail carrier and continued his advertising business until his retirement in July, 1924.

He worked for J. Ehrlich first, then went into business with John Landwer on Main street. Mr. Hattie started his own shop after a few years and Mr. Stiephenhofer continued to conduct the business until his retirement in 1924.

They have made their home in the village of Barrington for 10 years. By Christmas they hope to have the complete results of the test plots tabulated.

This show comes at the very time of the year when the boys are home and won a total of \$71.00 in prize money. The 22 boys who showed at Plate Center won approximately \$70.00, making the total winnings for the year \$141.

The amount of the money won is only one angle of the work. To the boys, their whinnings and ribbons are an indication of the quality of their work.

With the fairs now a thing of the past the boys are turning their attention to practicing for the judicating of the fairs. This year the competition will be held at the J. C. Caldwell fair.
