P.O. Department
Lists Rules for
Holiday Mailing

Authorities Anticipate Heavy Increase in Christmas Business

The United States postal department through its local unit has issued the cooperation of mail carriers in mailing holiday mail in order to relieve the heavy load encountered each year by the post office.

Mr. C. Snyder, local acting postmaster, estimated the volume of mail to be many times in excess of normal volume. In order to insure constant service, additional help is to be employed and window hours arranged.

On All Day December 19, mail will be carried all day Saturday, Dec. 19, from 7 a. m. to 7 p. m. and on Sunday, Dec. 20, from 7 a. m. to 12 p. m. Mr. Snyder reported. On Christmas eve the regular daily hours will be kept. No mail will be given Christmas morning and on Dec. 25, mail will be carried forward to one of the Christmas seasons in years.

The Railway Express Agency, Inc., will have extra help and the post office will be open continuously from 7:30 a. m. to 6:30 p. m. daily beginning December 22, according to H. H. Bates, local postmaster.

Foreign Mailing
The latest date for foreign mail is December 16 and postal authorities require proper declaration of contents for foreign parcels to expedite delivery.

Intoxicating Liquors
Intoxicating liquors are barred from the mails, postal regulations state. The mail of that nature is to be sent by express and subject to a penalty. In mailing unaccounted photographs, the postmaster requests heavy pieces should be used to protect the package and to prevent creasing or breakage.

Christmas Seals
Seals of seals on mail or packages are permissible if used on the reverse or opposite side of the address. If placed on the address, the parcel or package is subject to inspection. Seals are often used with stamps, a bulletin station, and for the reason the department has issued their use in that manner.

Add New Train
Effective Monday, Dec. 7, a new train was placed in service daily Saturday and Sunday between Chicago and North Western railway in its suburban service between Harrington and Chicago. It leaves Harrington at 8:50 a. m. and arrives in Chicago at 9:33 a. m. Stops are made at Palatine, Arlington Heights, Mt. Prospect, Des Plaines, and Park Ridge.

Shoppers Pleasantly Surprised by Large Stocks of Gift Merchandise

Shoppers in Harrington are delighted by artistically decorated windows behind which are displayed a variety of merchandise and with shelves and counters piled high with Christmas goods.

The spirit of Yuletide shopping is different this year. It is noticeably different from the December shopping of nearly every season. With 1929 with the possible exception of last year when the first signs of recovery were felt. Now persons are shopping in Harrington this December—probably more are shopping in every community. A large and more varied variety of merchandise is ready, and among this are many good money bargains. From necessities, prosperity has returned.

Readers of the Harrington Review will be interested in the statistics of the shopping in stores offered in the advertising columns this week. The directory of merchants follows:

McLure Bakery

School Projects Meeting Approval

Ralph Budd, district supervisor for the works progress administration, reported the two proposed projects drafted by the school board for the Harrington public school are meeting favorable comment in Washington and approval is expected shortly. E. R. Smith, superintendent of schools, stated Wednesday.

The two projects were drafted recently by the school architects. One is for finishing the interior of the addition now under construction and the second is for the installation of a new playground.

The addition being built now is not being completed on the interior by the project. To do this, the school board asked for assistance from the federal government in another job.

The construction of a new playground was made necessary by the new building program that has taken over the majority of the school grounds. The school board purchased the property owned by T. Peckham and B. Frye on Lincoln avenue west of the school early this spring.

The space made available by the purchase is to be converted into a larger and better equipped playground. The property is being landscaped the front of the present school site on Hough at. Mr. Budd reported the projects should be returned by January 15.

552 Applications Filed Here Under New Pension Act

Extend Time to December 15 for Filing of Social Security Blanks

Although an extension of time has been granted by postal authorities in charge of registrations in charge of the social security act, the majority of persons in Harrington eligible for pension benefits have already registered, figures taken from the Harrington post office reveal.

There are 552 persons here who filed application forms as employees and 120 applications for identification numbers by employers. There were 116 applications by employers that were sent into the post office later than the closing date, December 5. The number of employers registered under the social security act here is not the full amount, it is believed. A survey estimates 158 employers in the village.

The extension of time was granted Monday to both employers and employees who have not filed applications. The new time limit is December 15. The deadline for employers to file was several weeks ago and that for employees last Saturday.

C. C. Snyder, acting postmaster, estimates that the figure of 552 is very near the entire amount of applications in the village that is eligible for pension benefits.

Henry O. Sott and Two Others Hurt in Auto Accident

Madison Woman Is Seriously Injured at Hough and Highway Crossing

A collision between cars driven by Henry O. Sott, 320 W. Lake street, and Francis J. Allen Jr., 411 Patterson avenue, Madison, Wis., at the intersection of Hough street and Northwest highway Wednesday afternoon inflicted injuries on three persons, in one case serious.

Mr. Sott received three rib fractures, a scalp wound at the back of the head and body bruises while John Brommickamp, riding with Mr. Sott, also suffered several fractured ribs. Mrs. E. Andrew Allen, mother of the driver, was taken to a local physician and then to the Frances Willard hospital in Chicago where it is believed she is suffering from a possible concussion of the brain, internal injuries and lacerations about the body.

Mr. Sott was driving north on Hough street and the Allen car was going east on the highway. The impact of the collision skidded Mr. Sott's car about 75 feet north-east of the intersection into the shrubbery in Jewett Park. The Allen car was skidded about the highway for 50 feet following the collision.

Mr. Sott and Mr. Brommickamp were taken to a local physician for treatment and then permitted to go to their homes. Mrs. Allen was taken to a local physician and then taken to Chicago by ambulance.

Hold Services for Hayden Bell Friday

Funeral services for Hayden B. Bell, Cook county assistant state's attorney in charge of tax matters and resident of Cuba township for the last 10 years, will be held at the Methodist church in Harrington at 1:30 o'clock Friday afternoon. Rev. H. L. Eagle will officiate.

Mr. Bell died of heart disease at his home in Cuba township Tuesday after an illness of eight months. He had been in the Washington Boulevard hospital in Chicago for three weeks and had returned to his home in Harrington. His condition had been reported as having improved until the family residence was destroyed by fire December 1. The shock of that experience is believed to have hastened his death.

Hayden Bell was born in Montgomery county, Va., and was graduated from Emory and Henry college. He married Miss Mary C. Britton in 1891 and in 1906 moved to Chicago where he practiced law until 1912, when he was appointed assistant state's attorney. He rapidly gained a reputation as an expert in tax affairs and was instrumental in improving the chaotic tax situation in Cook county during the last several years.

His death brought many expressions of regret and tribute from his associates. John S. Clark, Cook county assessor, described Mr. Bell's loss "as a civic loss."

"Mr. Bell's loss to Cook county," Mr. Clark stated, "is a general public, although keenly felt at this time, will continue to be felt for many years to come."

Mr. Bell is survived by his widow, who is living in a residence rented near the former home in Cuba township, and six children: William, Frank and Charles Berkley Bell, Mrs. Wilson Britton, Mrs. Agnew Darragh and Miss Sarah Bell.

Given New Post
Ralph A. Bennett who is serving as government engineer on the new sewer project has been assigned to the post of resident engineer inspector on the construction of the city hall at Des Plaines, a public works administration project, according to announcement made by O. L. Rounds, state engineer inspector of the PWA.

Stanley Corb, manager of the meat department at Stubbins and
Barrington, has purchased several head of prize winning cattle from the International Livestock exposition in Chicago. He reported Wednesday, Mr. Corb had them butchered and dressed at one of the large packing plants and will place the meat on sale next Monday.

125 Take Part in Training Course Held at Deer Grove

Noel Hyster of Harrington was among 24 scouts and cubbers of the Northwest Suburban Council who joined 125 boys from seven councils of this vicinity in a scouts and cubbers training course held at Camp Evanston, Deer Grove forest preserve, Saturday and Sunday.

The following councils participated in the training course: DuPage area, Elgin, Evanston, North Shore area, Northwest suburban, Oak Park area and West Suburban.

All who attended were so enthusiastic over the course that it was decided to make it an annual event, according to reports.

C. Franke Severely Lacerated in Crash

Clarence Franke Jr., Algonquin, was seriously injured when his car skidded and left the road near Ringwood on route 12 last Wednesday night.

He was hurled against the windshield and the broken glass cut several long and deep gashes in his neck.

He was removed to a physician's office in Ringwood and then taken to the Sherman hospital in Elgin where he is reported to be getting along well despite his weakened condition due to the large amount of blood lost.

Trustees to Study Main Street Plans at Monday Meeting

Property Owners Invited to Session Monday; Contract January 15

Spurred up by events of the past week the project to widen Main street from Northwest highway to the west village limits will be discussed at the meeting of the village board Monday night. Property owners along Main street have been invited by the board to attend this session and express their views.

George A. Quinlan, superintendent of the Cook county highway department, reported to Trustee J. J. Carroll this week that the contract on the project is to be let by January 15. Completion of the work must be accomplished by July according to his statement.

Village President Earl Hatje favors the improvement and has taken an active part in furthering its development. He is confident all parties concerned with the improvement to be present Monday night in order to obtain an opinion. If the plan meets favorably with all parties, the highway department will continue rapidly ahead with its program. It has been reported.

The project calls for adding strips of concrete paving to the present road to widen it to 42 feet. At Main street now is 24 feet wide, the additions would be 9 feet wide on each side.

Motion to Dismiss School Suit Filed

A motion to dismiss the suit filed by the village of Harrington against school trustees and officials for financial claims was entered in the superior court of Cook county in Chicago Monday by the law firm of Rynard and Ishenau of Washington, representing school trustees.

The motion was heard by Judge George C. Nienau and was answered by D. H. Maloney, village attorney, either Monday or Tuesday.

The school attorneys based their petition on contention that the case should be heard in a Lake county court rather than in a Cook county court.

Mr. Maloney stated the case was filed in Cook county following an agreement reached early in the history of the case. He added that the Cook county court is more convenient for all parties concerned.

Buyers Prize Beer
Stanley Corb, manager of the meat department at Stubbins and Barrington, has purchased several head of prize winning cattle from the International Livestock exposition in Chicago. He reported Wednesday, Mr. Corb had them butchered and dressed at one of the large packing plants and will place the meat on sale next Monday.

T. E. Davis Named Member of County Pension Committee

Judge Perry Persons Appointed Attorney to Welfare Commission

T. Edward Davis, 90 Linden avenue, attorney for Jewel Tea Co., Inc., and member of the Harrington village board, was named Monday to the county pension committee.

The following councils participated in the training course: DuPage area, Elgin, Evanston, North Shore area, Northwest suburban, Oak Park area and West Suburban.

All who attended were so enthusiastic over the course that it was decided to make it an annual event, according to reports.

Countryside Garden Class Holds Party

One of the most interesting and delightful meetings of the year of the Countryside Garden class was held at the home of Mrs. Fred A. Record last Friday afternoon. As this was a special Christmas party, each member arrived with her arms full of gayly decorated packages and stockings filled with candies.

These gifts are to be given to the Chicago Plant, Fruit and Flower Guild for distribution to the needy children in hospitals at Christmas time.

Carl Anderson Is Elected S. S. Head

The annual congregational supper and business meeting was held in the church parlors of Salem church Tuesday evening.

The following officers were elected to serve in the Sunday school for the coming year: Carl Anderson, superintendent; E. A. Plague, assistant superintendent; Harold Anderson, secretary; Willard Grabenroth, treasurer. John Schaefer, J. S. Glasse, and Fred Hobson were re-elected as trustees to serve for three years.

Local Workers in Red Cross Drive Collect \$270.34

Mrs. Arnett Lines, Chairman of Workers, Reports on Membership

Mrs. A. C. Lines, chairman of the Harrington Woman's club committee for the American Red Cross drive, announced Tuesday that a total of \$270.34 had been collected by workers in the village last week. There remains a balance of \$1100 over last year and is the highest mark yet reached in the drive.

Collections in the country area were handled by a committee consisting of Mrs. J. Mark Smith, Mrs. Arnett Lines and Miss M. Grable. The committee turned over \$100 in collections.

The Harrington Junior Woman's club handled the contact work in the village and a committee from the unit made solicitations. As a result of the drive, 158 Red Cross roll call memberships were obtained. Harrington public school grade contributed \$24.08.

Those acting on the Junior Woman's club committee were as follows: Misses Priscilla DeWolf, Isabel Haase, Dorothy Heaton, Marion Jura, Lola Rieke, Emma Walbaum, Florence Cook, Frances November, Myrtle Olson, Marie Coughlin and Mrs. Harry Bergson.

Mrs. Agnes Welch had been appointed to take charge of the drive for enrollment at the public school. As in former years, grade school children made contributions and the individual grades were given memberships.

In making her report, Mrs. Lines thanked persons who contributed to the cause and also workers who devoted their time to soliciting.

Daughter Born to Local Couple Is Start of Record at Elgin Hospital

Some sort of a record is being claimed for the Sherman hospital in Elgin with the establishment of 19 births recorded since last November 18 with 18 being girls and 16 being born consecutively.

The sequence of baby girl births started when Mr. and Mrs. Ed Plague became the parents of a daughter, Mr. and Mrs. Ray Tate of Harrington also assisted in assisting the record march when they too became the parents of a daughter.

The distinction of being parents of the only boy born in the Sherman hospital since the start of the "girl majority" goes to Mr. and Mrs. J. N. Tate of Elgin. Their son was born November 29.

Parents of the 16 consecutive girl babies, beginning on November 15, were: The John Plagues of Barrington, Mr. and Mrs. Donald Mackay of Cary, the Henry Schaefer of Elgin, Mr. and Mrs. Floyd E. Hopp of Algonquin, the Melvin E. Rakova of Elgin, Mr. and Mrs. Theodore Loversen of Elgin, Mr. and Mrs. Ray Tate of Barrington, the Joseph Forester of Elgin, Mr. and Mrs. Henry W.

Sewer Work Nears Finish; Trustees Want Suggestions

Expect System Will Be Ready January 1; Residents Invited to Hearing

Village trustees are preparing to accept responsibility from the contractors for the new sanitary and storm water sewer system which is expected to be completed and in full operation by January 1, according to a report made Monday night by H. W. Olson, resident engineer. With the pending, the trustees are making a request for property owners to appear at a special meeting Monday night to offer any corrections or recommendations they may have. Village President Earl Hatje made the following statement:

"After the village has given its final approval on the new sewers' will be too late for any corrections or recommendations. I urge the presence at the meeting Monday night of anyone having a suggestion to offer. If it is not possible for anyone who has a recommendation to make to be present, a representative should be sent. If that is not satisfactory a letter to the village board is suggested. Any resident may pop up at the village hall and speak to officials there."

"After accepting the project as completed, the village board does not care to hold endless discussions at future dates on something that might be remedied now," he continued.

The A. L. Jackson company, contracting for the treatment plant, was granted an extension of time from December 16 to January 1 to complete the work. The Allied Bridge and Construction company will finish the sewers December 15. There remains a large amount of work on the Des Plaines canal under the present contract.

The work will not affect placing the system in operation.

Create Snow Scene for Xmas Party at School Friday

A snow scene will be created in the school auditorium on Friday evening when members of the Junior high school entertain their parents at a Christmas party.

At this time there remains a large amount of work on the Des Plaines canal under the present contract.

The work will not affect placing the system in operation.

Meeting Postponed

The December meeting of the Harrington Bird club has been postponed until January. The date will be announced later.

Fox River Grove

Mrs. James Kos Sr. and son Henry returned home from Silver Springs, Fla., Monday.

Mrs. Joseph Vorisak and son Jimmy with Mr. and Mrs. Joseph Kadlec and daughter, Adelaide, left Sunday morning for Alabama where they will spend two weeks. Bob Vorisak will stay at the Kadlec farm for the two weeks.

Mrs. George Kosatka returned home from a Chicago hospital Friday with her newly born daughter. The McElroy county council of the American Legion Auxiliary met at the Fox River Grove Methodist church Friday evening for its December meeting. There were 70 members present. After the business meeting each one received a gift from the grabbag which was in honor of Christmas. Refreshments were served by Fox River Grove unit after the meeting.

Confirmation was held at St. SS. Peter and Paul church Sunday afternoon.

Mr. and Mrs. Frank Murphy Jr. and family were guests of Mr. and Mrs. James Murphy over the weekend. They acted as sponsors for James and Bertha Murphy when they were confirmed Sunday.

Mrs. Gussie Catronotta was a weekend guest at the home of Mr. and Mrs. Charles Catronotta and she sponsored Alice Catronotta when she was confirmed Sunday.

Mr. and Mrs. James Dvorak of Chicago were weekend visitors of his mother, Mrs. Louise Dvorak and his sister, Lillian Dvorak. He was the sponsor for his brother John's son Jack, when he was confirmed Sunday.

Mr. and Mrs. James Robinson and Mr. and Mrs. Frank Granata and daughter of Chicago were guests of Mr. and Mrs. James Robinson over the weekend.

Mr. and Mrs. James Robinson and Mr. and Mrs. Frank Granata and daughter of Chicago were guests of Mr. and Mrs. James Robinson over the weekend.

Mr. and Mrs. James Robinson and Mr. and Mrs. Frank Granata and daughter of Chicago were guests of Mr. and Mrs. James Robinson over the weekend.

Guests at the home of Mr. and Mrs. George Green Sunday.

Mr. and Mrs. Helen Lamoureux visited with friends in Marengo Sunday.

Mrs. Joseph Sperling visited with her mother in Chicago Saturday.

Fox River Grove has organized a library board with Mrs. Joseph Sperling president, Mrs. Irene Dolan secretary-treasurer, Geo. Peretz and Milan Hromadka publicity and Mrs. Hromadka, special research committee members. Other members of the board which will meet once a month are: Mrs. Albert Billepp, Mrs. John Hoger, Mrs. Ervin Legros, Miss Ann Novak, Henry Still, Victor Ueney, S. E. Ott and M. J. Kraljack. The library has been opened every Thursday evening for the last several months and has over 700 books so far. Each organization in town will be asked to contribute something to a fund for purchasing new books in the near future.

HOLC Acquires 56 Homes in County

Thirty-six homes have either been taken over by the HOLC or are in the process of foreclosure and at least 20 others have voluntarily conveyed their property to the HOLC while 1561 other home owners in Lake county have been making monthly repayments on principal and interest of \$46,000 a month. The loans were all obtained from the Home Owner's Loan Corporation in 1934 and 1935.

Latest available home loan statistics show that 1916 distressed home owners in Lake and McHenry counties were assisted by HOLC's loans. Of that number 1451, including 34 in the Cook county section of Barrington were listed in Lake county and 245 in McHenry county.

Make savings have greater earning power. Invest lump sums or small amounts in this stable Federal Savings and Loan Association.

Save or Invest Here

Federal Savings and Loan Association of Barrington

110 E. Main Street

Insured up to \$5000 by an Agency of the U. S. Government

Stokol Again Leads—Only Stoker That Feeds From Any Angle—Fits Present Bin and Heating Plant Location—Simple, Efficient, Dependable.

Of the 1617 home loans in Lake county, 24 per cent have been taken into circuit court by the foreclosure route and 14 per cent have been defaulted and the properties voluntarily turned over to the corporation. A small number of other home owners face possible foreclosure proceedings for failure to make monthly payments.

From January 15 up to Friday 26 foreclosure suits had been started by the HOLC. Most of these suits have gone through the court procedure with master in chancery hearings and masters' sales. The HOLC did all the buying and in practically every sale the master reported a deficiency. In making a study of some of the homes put on the auction block in the foreclosure proceedings, one finds two reasons for the deficiencies. First, the court costs and master in chancery fees; and second the appraisal of the home on which the loan was made is

generally higher than the market value.

1937 State License Plates Mailed Out

The state automobile department under the direction of Edward J. Hughes, secretary of state, began the checking of applications preparatory to placing the first shipment of the 1937 license plates in the mail Monday. The re-assignment period date expired Monday.

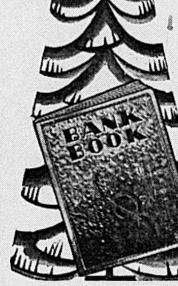

Under the Motor Vehicle act, car owners having their applications and fees in before December 1st may retain their old numbers. It is estimated that more than 100,000 such applications were made this year.

The sale of plates "over the counter" also began Monday, Secretary Hughes announced. They may be purchased either at the Springfield office in the state

house, or at the automobile branch office in Chicago, at 120 S. Ashland boulevard.

The law requires car owners to display license plates on Jan. 1.

"There is no reason why all motor vehicles should not be licensed by January 1st as required by the law," said Secretary Hughes.

The Finest Kind of GIFT

Elgin's Favorite Christmas Store

Offers Every Facility to Make Gift Shopping a Real Pleasure

GLEAMING lights... outlining the building, glowing in the display windows, brightening every floor and every aisle! Smiling faces of carefully trained salespeople, alert and friendly, ready with helpful suggestions. And gay crowds whose presence in such great numbers verifies the fact that Spiess Company is indeed Elgin's favorite Christmas Store.

But that's only part of the story. Months of careful preparation on the part of skillful buyers have assembled literally thousands of gifts suitable for everyone on your list. Every corner of the earth has yielded gift treasures. And in every purchase, Spiess QUALITY has been considered, adding value and beauty and worth. You Christmas-shop with assurance at Spiess Company.

Frequent Delivery Service to Barrington and Vicinity

From now until Christmas, Spiess Company is providing extra delivery service in Barrington and vicinity. Trips north from Elgin, their routes and dates, will be:

Dundee, Carpentersville, Algonquin, Woodstock, Crystal Lake, Cary and Barrington
December 10-12-15-17-19-22-24

Two-Hour Parking Service at Coliseum Garage

No worry about parking regulations or freezing motor, if you take advantage of Spiess Company's service at the Coliseum Garage, one block south of the store in Grove Avenue. Our year-round service entitles you to two full hours' parking, without charge. Just ask for a Spiess check, and have it okayed at men's section, main floor. No purchase necessary.

Gift Wrapping and Mailing
We'll give you every possible assistance in wrapping and mailing gifts intended to be sent away. We wrap them attractively, enclose them in protected parcel post packings and deliver them to the post office. You pay only for fancy wrappings, postage and insurance charge. Wrapping desk, basement.

WE'LL CHECK YOUR PARCELS. No need of carrying armfuls of bundles while you shop from one aisle to another. Just leave parcels to the basement wrapping desk, where they will be assembled and tied together for you. No charge!

JOSEPH SPIESS COMPANY

Personal Shopping Service
Each Christmas season, our personal shoppers select hundreds of gifts for persons unable to come to the store to make their own purchases. Each item is selected with the same degree of care as though it were for the shopper's best friend! Just write or phone Elgin 4300.

Merchandise and Glove Bonds
A ready solution of what sometimes becomes a perplexing problem! A Spiess merchandise or glove certificate couldn't possibly fail to please! Issued in any desired amount, and obtainable at cashier's desk (mezzanine) or glove section, main floor.

Visit Our Gift Shop for Unusual Ideas
If you're in quest of the gift unusual, the gift distinctive, for that hard-to-please gift person on your list, visit our Gift Shop on the fourth floor, a veritable gold mine of gift treasures, with endless selections at whatever price you wish to pay.

Begin Moving First Families Into RRA Lake County Tracts

With the first family moving into the subsidizing homestead of the Rural Resettlement Administration in Lake County Thursday, the settlement is now started. Before the winter is much advanced, according to the RRA, most of the homesteads, if not all of them, will be occupied.

That was the indication at the RRA office in Waukegan this week where heads of families who have been assigned homesteads have been consulting Mrs. Tillie Killy, in charge of the office, about temporary licenses to occupy the premises.

Only one family from Cook county, the man of which works in Waukegan, will be given leave to move into a homestead. The other 22 will be occupied by resident families of Lake county.

Before the temporary license is issued, the prospective homesteaders are given an outline of their responsibilities. The first year of occupancy is entirely on a rental basis and will give the "homesteaders" an opportunity to decide on whether he wants to go into a permanent contract. The rental payments during the first year do not apply to the contract purchase price.

The purchase price of the 52 homesteads, with an average of 10 acres of land, a house of from four to seven rooms, a barn, a garage, a well and other necessary structures, will average \$7500.

Next spring the RRA will help the homesteaders plant small orchards, with about 12 trees and grape, strawberry or tomato plants on each of the tracts.

First to be paid by the homesteaders during the first 12 months of occupancy under the temporary license will generally be equal to the installments to be paid under the purchase contract over a period of 10 years. However, homesteaders will be living on one of these tracts with an option to purchase the property and may terminate the option by moving out after trying the homestead for several months or more.

Lillie Walgren Is Elected Oracle by Royal Neighbors

Lillie Walgren was elected oracle at a regular meeting of the Royal Neighbors held in the lodge room Tuesday evening.

Other officers elected were as follows: Vice oracle, Ida May Schmidt; recorder, Rosetta Carr; secretary, Sabina Semp; chaplain, Minnie Grom; marshal, Loretta Miller; inner sentinel, Mary Wendt; outer sentinel, Johanna Jordan; manager, Lydia E. Miller; musician, Edna Hager; physician, Dr. D. F. Brooke; past oracle, Stella Strobach.

The installation will take place January 12 and is to be semi-public, each member to bring one guest.

Neighbor Sabina Semp was elected installing officer. Neighbor Minnie Grom installing chancellor and Neighbor Edna Hager installing musician.

The amendments to the local camp by-laws were put to vote also, and carried as a whole by the necessary majority.

Durazzo Ancient Port Durazzo, a port of the youthful Kingdom of Albania, was founded as Epidaurus at the end of the Seventh century B. C. Quarrels over its ownership led to the Peloponnesian war of 431 B. C. It changed hands many times until the Kingdom of Albania was created in 1913.

Diamonds for Christmas

BARRINGTON, ILL.

Lighting the Way for Santa

One of the pleasing outdoor effects possible with easily made ornaments. The shadow of a small composition board cutout Christmas tree is projected on the door by a floodlight concealed in the foreground. Colored lights around the doorway, colored paper decorations in the windows and the Christmas star add to the holiday setting.

DO YOU KNOW ILLINOIS?

By EDWARD J. HUGHES
Secretary of State

The secretary of state of Illinois is the state librarian ex-officio. Much information concerning your state. Any questions which are The state library and archives division under his jurisdiction contains of particular interest to readers and which are not covered in this series will be answered immediately. Address all communications Edward J. Hughes, Secretary of State, Public Information Department, Capitol, Springfield, Illinois.

Q. Who wrote the poem on the grave of Ann Rutledge?
A. The poem "Ann Rutledge" on the Rutledge grave was written by Edgar Lee Masters who spent his boyhood in Mendon county.

Q. Where can this poem be found?
A. In Edgar Lee Masters' work "Spoon River Anthology."

Q. What historical event in Illinois was known as the "Peoria Truce"?
A. This was a truce agreed upon by Abraham Lincoln and S. A. Douglas during their debating tour in 1854.

Q. Why was this truce made?
A. S. A. Douglas became sick in Peoria and could not fulfill his engagement with Lincoln at Lacon, Marshall County, October 17, 1854. Lincoln refused to speak without his opponent so they signed a "Truce."

Q. What was Illinois official vote in the 1932 presidential election?
A. 3,407,926.

Q. Into how many other states does Illinois ship coal?
A. According to the last survey, Illinois shipped over 7 million tons into 9 states.

Q. When was coal first discovered in Illinois?
A. The first recorded evidence

C. Catlow Explains Purpose of Benefit Matinee Saturday

One ticket purchased for the benefit matinee to be given at the Catlow theatre Saturday afternoon at 2 o'clock will supply medicine, treatment, food and a bed in a ward for one day at the Victoria hospital on the little island of St. Lucia, C. J. Catlow, who is an annual winter visitor to the island and actively interested in the hospital work, stated in discussing the matinee he is sponsoring with a number of other persons.

"Ten tickets," he continued, "will cover the cost of two weeks in the lying-in ward where young mothers learn the value and routine of hygiene. From the hospital, patients carry the knowledge to the lowliest case-thatched hut. And thus, in time, the fundamentals of hygiene will replace the age-old superstitions held by the natives."

There is a wealth of artistic and entertainment value in "The Count of Monte Cristo," the picture offered at this matinee. The work of Robert Donat, as well as that of Lilian Landi, is a joy to watch; and the translation of Alexander Dumas' novel to the screen, reveals in a series of adventures the history of a man condemned to prison without trial, who effects his escape, locates a treasure on a lone island, and returns to slay his enemies.

Tickets are now on sale at the theatre, and at the Wayfarer. The sponsors and friends of this cause feel that here is an unusual opportunity for constructive aid in

Mrs. J. Cadwallader Elected President of Mission Group

The following officers were elected for the ensuing year at the annual meeting of Salem Missionary society Thursday: Mrs. John Cadwallader, president; Mrs. V. D. Hawley, vice president; Mrs. Harold Homuth, secretary; Mrs. Clarence Plagge, treasurer; Mrs. Eugene Grebe, corresponding secretary; Mrs. Edwin Plagge, superintendent of the Little Hermitage; Mrs. John Schaefer, advisor of the Young People's Missionary club; and Miss Cora Hobel, leader of the Mission Band.

Store Fronts Can Be Decorated With Lions Club Lights

Organization Will Not Under-
take Street Christmas
Lighting

Christmas decorative light
strings owned by the Barrington
Lions club will be available to all
business firms in the village want-
ing them. The club members de-
cided Monday night.

Any merchant who wants to
decorate a string and bulbs can get
the former at the Arsenal Sash
hardware and the bulbs at Miller
hardware. A deposit of
\$1.00 for each string and 10 cents
for each bulb will be asked. The
\$1.00 will be paid back when the
string is returned. The refund on
each good bulb returned will be
50 cents—thus making a rental
charge of 50 cents per bulb. Some
merchants probably will borrow
strings and use their own col-
ored light bulbs.

The Lions club will not do any
street lighting this year as they
did on several previous years.
The original plan of placing small
Christmas trees in the flag pole
tops and decorating them with
lights proved very satisfactory. Many
trees were knocked over and more
than half the total supply of bulbs
were broken by cars hitting them
when being parked and by wind
and storm.

Fox River Hatchery Show December 15

The Fox River hatchery is
going into the 15th season of hatch-
ing baby chicks. On December
15 they will have a special open
house at their store and place of
business in Elgin for all persons
interested in poultry, its problems
of raising, equipment for hand-
ling. They will have experienced
men who can advise on poultry
matters.

There will be a complete line of
feeds for all domestic animals
(poultry, horse, cattle, hogs, fox,
and dog chow); the complete line
of equipment and remedies. Orders
will be booked on baby chicks for
the coming season. Sandwiches
and coffee will be served at all
times. The store will be open until 11
o'clock in the evening.

This will be a strictly educational
meeting.

Mrs. Lavina Burkitt, 75, Dies at Albion

Mrs. Lavina Burkitt, 75 year-
old former resident of Barrington,
died at her home in Albion, Mich.
Tuesday. Death was caused by
injuries she had received in an
automobile accident on Thurs-
day of last year in which her
daughter Myrtle Burkitt lost her
life. The car skidded on a high-
way as they were enroute to Kat-
amoon, Mich., and struck a tree,
totally injuring the two women.

Another daughter, Miss May,
who was driving the car, escaped
with minor injuries.

The Burkitts lived on a farm
in Cuba township, near Barrington,
about 30 years ago.

Funeral services were held
Thursday and burial took place at
Hartford, Mich.

Farm Sale Calendar

C. Rennack, 62, of Palatine Buried at Services Wednesday

Charles F. Rennack, 62 years
old, veteran Palatine merchant
and former president of the Pal-
atine State bank, was buried after
services held at the funeral chapel
in Palatine Wednesday afternoon.

Mr. Rennack died early Monday
morning at the home of his daugh-
ter, Mrs. Paul Pohlman, in Sun-
day. He had come here from
Barrington high school.

Women of the Methodist church
have offered to prepare the dinner
which will be served at 6:30
o'clock.

Motorists Pay Fines
A. L. Keigley, Barrington, was
fined by Police Magistrate A. D.
Church this week when he ap-
peared on a charge of reckless
driving on South Hough street.
J. Meagher, Joliet, was also
fined for reckless driving on South
Hough street. Mrs. M. H. Keel,
Barrington, was fined for driving
39 miles per hour on Hough be-
tween Russell and Station streets.

Guests to Charleston
Mrs. James Craig, 126 Grant
avenue, has gone to Charleston to
care for her mother who is ill.

Salt Superstitions Are Numerous in Other Lands

There are almost as many salt
superstitions and legends as there
are stories of bread, and it is in-
teresting to look back over them
notes a writer in the Montreal
Herald.

It is a common thing to say that
a person is not worth his salt and
that it is bad luck to spill salt, but
where did these ideas originate? In
India, people do gather the sea
water and from it evaporate their
own salt, and by their ability to
prepare the salt, their value as salt
workers is determined. Our coun-
try of this expression is, "He isn't
worth his keep."

The spilling superstition may
have come to us from the Arabs
or from the Hebrews, although they
hold somewhat divergent views as
to what causes the bad luck. In
the Hebrew language, "salty" is
synonymous with "barren," and in
the ancient biblical times it was
customary to spill salt over the site
of a destroyed city because it would
render the ground barren and the
city thereafter unfit for rebuilding.

Consequently, the idea developed
that to spill salt was bad and from
that has come the modern super-
stition.

On the other hand, among the Far
Eastern nations salt is recognized
as an emblem of friendship and so
it is easy to understand how the
spilling of salt would be construed
as an unfriendly gesture and would
lead to the superstition that such an
accident would foretell a quarrel.

They Never Fall
Chubb — I am surprised that
Parker has made such a phenom-
enal success as a weather forecaster.

Duff — I'm not. He threw away
all his scientific instruments and
depends on his hunches to tell him
when it is going to rain.—Pathfinder

Republican Club Is Planning Program for Christmas Fund

The Republican club of Cuba
township is arranging a card party
and dance to be given at Catlow
hall, 116 W. Station street, Decem-
ber 14 for the benefit of the club's
Christmas fund.

According to H. D. Kelso,
president of the club and township
supervisor, the club plans the dis-
tribution of baskets to needy fam-
ilies of Cuba township at Christ-
mas time and for this purpose it
is arranging the program.

Officers of the club are: H. D.
Kelso, president; L. Graham, vice
president; J. Duescher, secretary;
T. E. Davis, assistant secretary;
C. Miller, treasurer; N. Brandt,
assistant treasurer.

Mr. and Mrs. Harry Moore, 203
N. Cook street, are the parents
of a daughter born at the Sherman
hospital, Elgin, December 6.

"Bumping," Boat Racing
More than a hundred years ago
the British evolved a type of boat
racing which is peculiar to their
own country. This is called
"bumping." It began in 1815 at
Oxford and was later copied by
Cambridge and other universities
and schools. The reason for this
type of race was that not many
of the rivers going through college
towns were wide enough for several
boats to race alongside. The
solution was to develop some sort
of single-file racing which would
be fair to every boat taking part.

For the "Special" Names
on your Christmas List.

hospital, Elgin, December 6.

"Bumping," Boat Racing
More than a hundred years ago
the British evolved a type of boat
racing which is peculiar to their
own country. This is called
"bumping." It began in 1815 at
Oxford and was later copied by
Cambridge and other universities
and schools. The reason for this
type of race was that not many
of the rivers going through college
towns were wide enough for several
boats to race alongside. The
solution was to develop some sort
of single-file racing which would
be fair to every boat taking part.

and several boards have been unable to pay their teachers for long periods of service.

Many high schools do not offer an adequate program of studies. For instance, even in the 10 counties of highest per pupil valuation, graduates from 26 per cent of the high schools are not prepared to enter accredited colleges and universities. In the 10 counties of lowest per pupil valuation, graduates from 66 per cent of the high schools suffer from the same handicap.

The state could relieve this situation through its ability to tap sources of revenue other than the property

Afflictions of Musicians

Just as athletes have to contend with strains, sprains, and charley horses, so do musicians suffer from certain ills which come as a result of their steady playing. For instance, as a bandman points out, when players often contend with cramped lips, brass and woodwind players develop blisters on fingers used to push the strings of their instruments. Violinists suffer from swelling of the neck glands because of constant pressure of the fiddle, and are more susceptible of the saxophone players get continuous headaches from the constant vibration of their instruments in their hands.

Hold Achievement Banquet for 4-H Clubs Saturday

State and County Champions Honored at Grayslake Gathering

The first annual district 4-H banquet for 200 boys and girls with their parents and leaders was held at the Grayslake school auditorium Saturday evening.

Following the banquet, state and county champions were honored with awards of achievement.

Miss Martha Henley, district 4-H advisor, and E. J. Pilsbury, state club leader, gave short addresses on club work.

Interesting reports of the week went at the club congress and the International Livestock Exposition held in Chicago were given by Miss Margaret Edwards and Miss Mary Louie Meyer.

The Style Show put on by the Lake Zurich club with W. Miller, Elmer Kane, Charles Mills, and Gordon Grubman acting as models and their leader Charles Seitelas as judge, brought forth gales of laughter as did the stunt which E. E. Elshury's club of girls were selecting a good cow.

The names of the 1936 champions are: state champions—Harriet Edwards, 4-Leaf Clover club, and Marjorie Kane, Lucky Clover club. Mary Jo Achen, Marion Gillespie, Ruby Kane and Shirley Mills, all of the Lucky Clover club of Diamond Lake, were placed on the state honor roll. County champions were awarded to Mary Jo Achen, first year advanced; Marion Stahl, Vernon Bellis club, second year advanced; Marjorie Kane, third year advanced, and Harriet Edwards.

Awards in boys' clubs were made as follows: Eugene Green, best cattle, Mitchell Kane, Elmer Grever, hog; Willis Miller, dairy and rural electrification; Harvey Anderson, sheep; Earl Kane, best all-around 4-H club record of achievement; Raymond Panzer, poultry. All of the above named boys, with the exception of Raymond Panzer, are members of the Lake Zurich 4-H club.

Lake Zurich

The monthly meeting of the St. Peter Evangelical church was held Thursday at the parish hall. Mrs. Albert Prehn gave the reading and Mrs. Richard Schottanus the devotion. The hostesses for the day were: Mrs. L. L. Smith, Mrs. W. Hauri, Mrs. Elmer Gottschalk, Mrs. Richard Tonne and Mrs. R. Fisher. The aid is sponsoring a rummage sale Saturday, Dec. 12, in Chicago.

Mr. and Mrs. Herman Prehn and Mr. and Mrs. Ernest Goodack will leave Monday for Florida where they will spend the winter.

The honor roll for the second six weeks at Elia township high school is as follows: Seniors, Velma Heideman; Juniors, Marilyn Prehn, Evelyn Glady and Gladys Iver; Sophomores, Ruby Boegen, Mitchell Kane and Marion Scherwemann; Freshmen, Arietta Loomis and Marie Stannell.

Miss Margaret Fink spent Tuesday in Chicago.

Miss Helen Frank and Miss Grace Branding attended a meeting of the Northern Illinois Post-

The Birthday Child of the Week

Barbara Louise and Mary Ellen Filloon

Mary Louise Meyer

Fredricka Herriman

BARBARA LOUISE and MARY ELLEN FILLOON with birthdays four days apart, can each compromise a day or two and hold a celebration on the same day. As their birthdays are within two weeks of Christmas, they might as well step farther and hold a Christmas-family birthday party all on the twenty-fifth. But possibly that plan is not so popular with them. Barbara and Mary are the daughters of Mr. and Mrs. Jesse Filloon, 314 East Liberty street. Barbara will be two years old next Thursday, December 17. Mary Ellen will be five years old Sunday, December 15.

MARY LOUISE MEYER enjoyed her first birthday anniversary Monday, December 7. She is the daughter of Mr. and Mrs. August Meyer, who reside about four miles northwest of Lake Zurich.

FREDRICKA HERRIMAN, who will be four years old Friday, December 11, stepped in front of the camera on a pretty chilly day, but warm or cold weather, Freddy is the same happy youngster. She is the daughter of Mr. and Mrs. C. D. Herriman, 321 East Russell street.

International Live Stock exposition Saturday afternoon.

The basketball team of Elia township high school defeated the alumni Friday evening by a score of 11 to 26.

Mrs. L. L. Smith and Mrs. Charles Weaver attended the Woman's Relief Corps meeting at Barrington Tuesday.

Mr. and Mrs. Lester Kligley

Shop Leisuredly

—gain extra time, by letting us do the family washing

BANISH forever the irksome toil of washday; on that day go leisurely about the more pleasant duties of life.

Let us do your washing!

'A moment at the phone, a moment to gather the soiled clothing—and washday is over, when you do it the laundry way. Spend those precious hours leisurely... shopping, golfing, motoring.

Be guided by the experience of thousands of other modern women, who confidently turn to the laundry for relief from washday and all its petty annoyances.

and family and Fred Bentley left Tuesday for Phoenix, Ariz. for the winter months.

The monthly meeting of the Evangelical church council was held Sunday at the parish hall.

The Lake Zurich Masonic lodge held its annual election Friday evening. Officers were elected as follows: John Weber, worthy master; Ferguson Harkness, senior warden; Edward Ernst, junior warden; Carl Ernst, treasurer; Albert Prehn, secretary.

Mrs. W. Bollweg of West Chicago spent the week-end at the Banner home.

Mr. and Mrs. Milton Rudinski and daughter, Grace and Mrs. L. Branding were Waukegan callers Friday afternoon.

Miss Alice Washo entertained the Elite Eight at her home Friday evening. Bridge was enjoyed with first honors going to Miss Evelyn Pepper, and second to Miss Frances Frank and consolation to Miss Margaret Fink.

Completion of one year of full-time operation of the WPA program in district No. 1 in northern Illinois marked the month of November with official records showing a total of \$9,143,250 expended in the 21 counties. This amount of federal funds allotted for projects since the program's inception, plus \$2,322,314 which was contributed by sponsoring bodies, makes a total of \$11,465,564 spent up to November 15.

In addition to the amounts expended both by the WPA and sponsors a considerable amount has been pledged for the completion of the projects now in operation. Sponsors, usually city governments, counties and townships, have paid approximately one-fourth toward the work on their requested projects.

Construction of farm-to-market

WPA Reports First Year's Progress

Completion of one year of full-time operation of the WPA program in district No. 1 in northern Illinois marked the month of November with official records showing a total of \$9,143,250 expended in the 21 counties. This amount of federal funds allotted for projects since the program's inception, plus \$2,322,314 which was contributed by sponsoring bodies, makes a total of \$11,465,564 spent up to November 15.

In addition to the amounts expended both by the WPA and sponsors a considerable amount has been pledged for the completion of the projects now in operation. Sponsors, usually city governments, counties and townships, have paid approximately one-fourth toward the work on their requested projects.

Construction of farm-to-market

roads has played a predominate part in the work relief program. Hundreds of miles of highways already having been graded and gravelled. Included in this type of work are miles of city streets that have been improved.

Second in importance have been the public utilities group which includes installation of storm and sanitary sewers, water mains and related improvements.

In Lake county the WPA has

spent \$907,688 while sponsors have contributed \$208,552. These figures represent total costs on suspended, completed and operating projects up to November 15.

"Deceit will seem to succeed for awhile," said H. H. Ho, the sage of Chinatown, "but a falsehood is like counterfeit money and can go only a little way without being detected."

Northwest Conference Basketball Season Opens Friday Evening

Bronchos to Play Wauconda There Friday, Dec. 11

Heavies Lose to Niles Center 22 to 33; Ponies Drop One 25 to 47

The BHS quietest last the second consecutive non-conference basketball tilt on the schedule to the Niles Center team by a 22 to 33 score Friday night on the local floor.

Niles Center was admitted to the conference this year and judging by the game played Friday they will prove a dangerous team. Scoring by quarters gave Niles a lead over the Bronchos throughout the entire game.

The Bronchos were doing a nice job against the opponents although their team-work was not quite as efficient as the Niles team.

Ed. Gaare led the scoring for the Bronchos sinking two solid buckets and putting in three out of four charity shots. Miller got in a couple of buckets from the side after some fast plays by the locals. Grabenkov, while not playing his usual game, got in for a set of goals.

Wolf, a reserve center for the Bronchos, got in a couple of nice baskets.

The scoring for Niles was well divided among the players. Elbertson, a fast forward, was doing a spectacular job of ball handling, making passes with accuracy.

Ponies Lose

The local lightweights also took a crushing defeat losing by a 47 to 25 score. While the Ponies were not going in very good shape the Niles boys had it over the locals in height.

Athletic Policies of N. W. Conference Under New System

Bar Competition; Eliminate Titles and Trophies at Meeting

The old time conference competition between the schools which has been eliminated, was the decision reached at the conference meeting held in the Barrington High school last evening.

The immediate effect means that there will be no conference tournament this year, and trophies awarded at the end of the present season. Next year's athletic schedule is to be entirely revised under the "new" policies. A committee, composed of Bright, Antioch, Conger, Kingston Heights, Clark, Barrington, Watson, Loyola, Waukegan, and Zion, has been appointed to submit the new schedule to that sport at the March meeting for approval. They will consider the preference of individual schools and an effort will be made to make the schedule as natural as possible and trophy awards are things of the past. The press will be allowed to publish the new schedule and trophies are things of the past. The press will be allowed to publish the new schedule and trophies are things of the past.

The same principles that will be followed in compiling the basketball schedule will be followed in making new schedules for football and track and for which championships and trophy awards are things of the past. The press will be allowed to publish the new schedule and trophies are things of the past.

Niles Center was admitted to the conference bringing the number of schools up to twelve. There were no dissenting votes to the later action.

In explaining the reason for the change in policy, Mr. Drummond says in part:

The present schedule is too heavy; the principals feel that one game a week is sufficient; that the tournament between the members, coming at a normal season, is too heavy. A great number of pupils will have the opportunity to take part in sports under the new plan. The individual progress of players will be lessened, and scholastic attainments will not be so much overshadowed by athletic honors.

Zoo Leaguers Open Season With First Game Series Sat.

Fifty-seven boys, who are not on the regular high school basketball team, turned out for the annual high school season of zoo league basketball. The first series of games were played off last Saturday in a peppy fashion.

Teams are more evenly organized than they have been in previous years which promises to make the games more interesting than ever. The league consists of eight teams. Four tilts will be played every Saturday afternoon. There will, however, be no games this week, but the games will be resumed next Saturday.

First Securities Pays \$2 Dividend, Board Announces

The board of directors of the First National Securities company has a capital stock of \$100,000 and its stock is widely distributed among Barrington people. The members of the board of directors are all residents of the local community.

The board of directors of the First National Securities company today announced a regular dividend of 75¢ per share and an extra dividend of \$1.25 per share payable on December 24 to stockholders of record December 15, 1936. The dividends were voted at the meeting of the board December 8. These payments make total dividends of \$2.75 paid on \$25 par value stock during 1936, equalling 15 per cent on the capital stock.

Robert Hilton, chairman of the board, in commenting on the dividend declaration said: "The directors are happy to make this announcement at this particular time. The \$2.75 dividend for 1936 is considered quite unusual in light of conditions, but we feel this sum will be a mod-

est contribution to the prosperity of the Barrington community."

The First National Securities company has a capital stock of \$100,000 and its stock is widely distributed among Barrington people. The members of the board of directors are all residents of the local community.

8 Assistant Managers Take Course at Jewel

Eight assistant managers of Jewel Tea company have been taking a week's training at the home office and are to leave Barrington Friday. They are A. C. Peterson of Denver, C. S. Dunder of Peoria, M. Fritt of Des Moines, R. A. Hunt of Memphis, W. P. Zorn of Syracuse, and three whose headquarters are here since they travel from branch to branch. J. J. Massey, W. H. Schand and L. N. Brush, R. B. Brade of Indianapolis is a new member of the branch accounting division at the home of-

see this week and Miss Ella Buesching of Lake Zurich is another new employee, having been added to the telephone section.

Senior League of St. Paul Church to Entertain 120

The Senior league of St. Paul church will entertain members and friends at a fellowship supper and program this evening. Plans have been made for a group of 120.

A program of music and a sketch "Sauce for the Gooling" will be presented following dinner, which is to be served at 6:30 p. m. by mothers of league members.

The cast of the play will include Orville Wente, Miss Adeline Ost, Harry Linberg, Miss Florence Lindberg, Miss June Jura, Maynard Jura and Miss Vivian Jura. Miss LaKnox Jura, president of the league, has directed rehearsals.

Undergoes Operation
Miss Betty Roselle, daughter of Mr. and Mrs. Charles Roselle, 212 W. Lincoln avenue, was taken to the Frances Willard hospital Saturday afternoon, where she underwent an operation for the removal of her appendix. The same evening Miss Roselle's condition is satisfactory. It is reported.

Wins Numeral
Glenn Hager of Barrington, a student in DePaul university, Greencastle, Ind., recently was awarded his numeral in freshmen football. Hager played tackle on the team. The freshmen eleven was from Wabash but lost to Butler in their schedule this fall.

Poverty and Riches
Few things astonish us more than the fact that in the last century it was considered a sort of providential arrangement that poverty remains the lot of the many and riches of the few; and that it evoked so little criticism and moral indignation.

Rutgers University
New Jersey university, at New Brunswick, N. J., is the state university of New Jersey. It is co-educational, non-sectarian and has a school of education.

Lines 4,000 Years Old
Well-preserved linen cloths have been found in Egyptian mummy cases which were more than 4,000 years old.

Joins Sigma Xi
James Plagge of the University of Chicago was initiated into the honorary fraternity Sigma Xi of the Biological Sciences Friday evening at a dinner held at the Quadrangle club. Dr. Carl Moore, dean of Zoology, is vice president of the fraternity.

VOLUME 51, NUMBER 51

Complete Sale of Property at 105- 109 Main Street

H. E. Brown Buys Richardson
Land for Future
Store Site

A local real estate transaction of importance was completed Friday when the property owned by Mr. E. Richardson at 105 to 109 W. Main street was sold to Harry E. Brown of Chicago.

The property, according to information given Wirt Lawrence, realtor who handled the transaction, will be used for the erection at sometime in the future of modern store and office building. The construction will not be started until there is demand for the building as planned. Mr. Lawrence stated. The front footage is 11 feet.

It is planned that the building will have a store on the main floor with professional offices on the second floor.

Houses located on the site at present will be offered for sale. The price of the property was not disclosed. A definite trend of commercial expansion along West Main street is indicated by the sale of the property Friday, a mortuary under construction by Danielson and Wilmering further west of Main street, the location of the Wayfarer shop at 131 W. Main street and several real estate deals now pending.

P. T. A. to Prepare Christmas Baskets for Aged Persons

Gifts, Immunization Work
Planned After Program
Tuesday Evening

Christmas decorations in the school auditorium added a gala note to the Parent-Teacher association program Tuesday evening. In keeping with the season, also was the singing of "Christmas" music by the high school A Cappella choir and also club, with piano and string trio accompaniment. Musical numbers were under the direction of Miss Adelaide Iwing.

An illustrated lecture on safety was given by Dr. H. E. Fisher of Chicago, speaker of the evening. Dr. Fisher narrated some of his experiences as chief physician of the Public Service company of Northern Illinois for the last 15 years and showed a series of slides. At the conclusion of the program, Mrs. Hermann Koenig and her committee served refreshments.

Hundreds of Good Gifts Listed in T

A wave of Christmas gift buying, greater than anticipated is reported by local merchants. The demand for gift merchandise in the nearby every line is strong.

Specialty for toys, cosmetics, candy, practical hardware and electrical gifts, jewelry, light items of dress, tape, decorations and ornaments. Although there has been a lull in sale of heavy winter clothing because of the warm weather, the demand for this merchandise is expected to become stronger during the remaining six days of the Christmas season.

From now until the holiday there will be a steadily increasing sale of Christmas trees, lights, trimmings, candy, ice cream, poultry and other foods for Christmas dinners, and low and medium priced articles. Shoppers reading The Review will find hundreds of gift suggestions as great a variety of gift suggestions as any previously published issue of the newspaper. The advertising directory this week includes:
