Complete Sale of Property at 105-109 Main Street

Mr. Brown Buys Richardson Land for Future Store Site

A real estate transaction was completed Friday when the property owned by the Richardson family at 105 and 109 Main street was sold to Harry Brown of Chicago.

The property, according to information given by Wirt Lawrence, who handled the transaction, will be used for the erection of a store in the future on a corner store and office building. Construction will not start until there is demand for the building. The front footage is 71 feet.

It was planned that the building would be a store on the main floor with professional offices on the second floor. The site at present will be offered for sale. The price of the property was not disclosed. A definite trend of commercial expansion along West Main street is indicated by the sale of the property Friday, a property under construction by the Richardson and Willmeyer family at Main street, the location of the Wayfarer shop at 131 W. Second, and several real estate sales pending.

Part of Landscaping Program

The picture above shows the seven elm trees planted by the Garden Club of Barrington along Park avenue in the park at the Chicago and North Western railroad station as part of the landscaping program of the organization.

The planting was started the first week of December and completed within a short time. Next spring, seven more elms will go into the park as well as shrubs and flowers, according to club plans.

Tulip bulbs and several evergreen trees were planted in the triangle park at Main and Cook streets also. Considerable landscaping work was done last spring in the first step to beautify the center of town.

Mrs. John L. Bell is chairman of the committee in charge of the work.

Election Is Over—Village Officials Pay Off on Wager

The election is over—that's the opinion of the local village board following pay-off of all bets Monday night.

Prior to the presidential election a discussion of chances for election of the two major party candidates arose one evening with trustees were waiting for the session to begin.

Firm in their convictions, Trustees N. D. Piaggio, John Daeschler, H. D. A. Grebe, Village Clerk A. C. Burandt and Village Treasurer A. L. Wiedensack wagered of a dinner that candidate Alf Land would win and in order to make a bet, Village President Earl Hatje, Trustees John J. Carroll and Rudolph Koerber and Village Attorney D. H. Maloney chose candidate Roosevelt.

The results of the election were conceded by the losers after the electoral college had convened Monday and voted for candidate Roosevelt.

Prior to the election Monday evening, the winners and losers sat at one table at Greard's Grill and made a dinner disappear in perfect harmony. This election is now over, but the mail will get into the hands of the same officers may be taking bets on their own candidacies at the bi-annual village affair.

Lake Zurich Farm 32 Years in Farm Auction Business

Thirty-two years in the livestock and farm auction selling is an important chapter in the life of August Froelich, Lake Zurich meat market proprietor and member of the firm of Froelich and Wick, auctioneers.

Mr. Froelich is still "acquiring" sales has not kept an accurate record of the number of auctions.

He has officiated in part or alone, but he estimates the number at more than 1000, not including the small livestock sales and furniture auctions which he has conducted for himself and others.

As a young man 32 years ago, he started livestock selling on a farm south of Lake Zurich. Seven years later he entered the general auctioneering business as a partner of the late John Blank of Wauconda, and then entered a partnership with Mr. Wick five years ago.

A general farm auction sale brings in gross receipts of any amount up to five or six thousand dollars unless there is an unusually large amount of machinery or livestock offered on the block, when the gross may exceed that figure. Mr. Froelich's largest sale was at the M. J. Dietrich farm west of Wauconda. Although the sale did not start until 11:45 and was over at 1 p. m., the clerk had registered \$18,000 income when the hammer fell on the last piece of machinery. A herd of 12 fine cows and heifers had been sold to help establish that record.

The veteran auctioneer has had about 40 sales per year now, but 15 years ago when the land around Barrington, Palatine, Lake Zurich and Wauconda was divided into more dirt farms than today, he saw action in 60 to 65 sales in an average season.

Property Owners List Objections to Widening Main

Appeared at Meeting Monday to Offer Criticisms of Project

Property owners along Main street, most of them residing west of Hough, were present at a special meeting of the village board Monday held for the purpose of giving them a chance to express their views on the proposed widening of Main street to 42 feet.

A number of reports of the change were objected to in the discussion. Chief among them were the removal of trees, the loss of tree banks, possible cost locally, probable increase in auto parking. A suggestion was made that the new width be held to 36 feet.

In reply to the above, the board reported it would assist wherever possible to save good trees.

Village President Earl Hatje added that it would not be possible to have a street widened only to 36 feet as the county highway department has established a standard road of 42 feet and would not reduce the figure. He also offered assurance that the work will be done by the state through the county department and will not cost local property owners anything. Curbing will be replaced also, he stated. Under the present conditions would continue to be a problem whether the street were widened or not, he stated.

Fire Causes Heavy Damage at Cameron Residence Sunday

Fire, presumed to have been caused by a spark from the fireplace chimney, set fire to the first floor of the home of Mrs. Gordon Cameron's home in Barrington township Sunday afternoon. The blaze started about 1 o'clock.

One side of the roof was burned away at the attic interior. The remainder of the house was damaged by smoke and water. The timely action of Mrs. Cameron's son, who fought the blaze with a fire extinguisher, prevented the spread of the flames and gave other members of the family and farm hands an opportunity to run water lines to the roof.

No fire apparatus was called to the scene due to the quick action in checking the spread. Smoke and water were responsible for the damage done to the attic, other household furnishings, books and records.

No estimate as to the exact loss has been made.

Recommend Inquiry in Death of Chief of Police Near Here

The inquest opened in Elmhurst November 14 to determine the cause of the death of Joseph Miller, chief of police of Elmhurst, resulting from an auto accident at Barrington and Algonquin roads.

November 15 was concluded by Herman J. Vierke, Kane county coroner, Tuesday morning.

Miss Jean Volence, 2294 S. Fifty-second street, Cicero, driver of the automobile which collided with Miller's car, had already been held on a charge of manslaughter and the coroner's jury recommended that the Cook county grand jury make further investigation into the facts relative to the charge.

Miss Volence is under \$2500 bond made when a warrant charged her with manslaughter, signed by Andrew Miller, father of the dead officer. The hearing is set for December 21 in Barrington before J. Goldman, Justice of the peace.

Miss Volence is alleged to have been through a stop sign at the intersection and to have crashed into the police officer's car, both cars swerving into the ditch. Miller died shortly afterwards in the Sherman hospital.

Miss Volence appeared at the inquest Tuesday morning with her attorneys and on the advice of her counsel, stood on her constitutional rights and refused to testify. She was placed on the stand to give her name, age and address, however.

Members of Chorus

Charles Drussell and Miss Gertrude Drussell, both of Barrington and students at Bradley Institute of Technology at Peoria, have been chosen members of the Bradley Tech chorus. This is the second year that Mr. Drussell has been a member of the chorus and the first for Miss Drussell.

Declare \$90,000 Wage Extra for Jewel Employees

Directors Announce Action Monday; Payment Due December 19

Employees of Jewel Tea Co., Inc. are to share a \$90,000 special wage extra December 19, it was announced Monday by the directors of that company. This form of bonus will be the fifth wage extra declared by the company and is the third to be paid during 1936. Jewel employees have received an "extra" on all wages and salaries since January 1, 1935.

More than 2400 people, in continuous service from July 15, 1926 to December 19, 1935, will receive this Christmas award. Individual payments will amount to 1.40 times each worker's average weekly earnings during the 12th fiscal period. All officers and senior executives are excluded from participating. Employees whose average weekly income exceeded \$50 will receive the award on the \$50 (a maximum of \$75) but will receive no "extra" on that portion of their income over \$50.

In the three extras paid this year Jewel employees have received a total of approximately \$325,000 in bonus money to its workers.

Commenting on the special wage extra, President M. H. Karker said: "The fund was made available by unanimous action of the board of directors after the selflessness, alertness and initiative of the entire organization had been reviewed. The fund was voted at the November 12 meeting of the board but the announcement was withheld as a Christmas surprise for Jewel people. This special wage extra is in addition to substantial wage increases during the latter half of 1936. Loyalty, unity, and cooperation again receive practical recognition through this fine wage extra."

Arranging Benefit

Miss Jean Long, 319 Liberty street, is an active member of the committee promoting the annual Christmas charity ball sponsored by the students and alumni of the secretarial school at DePaul University. The gala party will be held the night after Christmas in the grand ballroom of the Drake hotel.

3 Ela High School Teams Qualify in Sectional Contest

Twenty-two schools in section 111 competed in the vocational agriculture judging contest at Spycroft Saturday, Dec. 12. The top 50 per cent or 11 teams in each of the judging divisions is entitled to go to the state judging contest to be held at Urbana next June. Ela township high school was one of two schools of the 22 which won all three teams entered quality for the state contest.

This elimination in sectional contests became necessary because of the large number of teams entered grown so large that there were too many participants to be taken care of at the state contest.

In the sectional contest four boys from each school are allowed to judge. The boys who were the highest score made up the team. Harvey Anderson, Warren Nebmer, Ed Carlson and Fred Osburne judged grain. Harvey Anderson

George M. Wagner Honored by Friends and Family on 81st Birthday Sunday

George M. Wagner, 267 Dundee avenue, veteran business man and democratic leader in Barrington township for 35 years, was surprised by 35 friends and relatives on his 81st birthday Sunday.

Mr. Wagner, who retired from business five years ago, came to Barrington in 1898 and opened a grocery and market. Previous to that he was in business in Bloomington, Ind., then incorporated with Roselle.

He made his residence with his family at the corner of Cook and Lincoln avenues for one year and then moved to the corner of Dundee and Station streets. He has resided in that vicinity since then.

Mr. Wagner was democratic county clerk of precinct three (until recently listed as precinct two) for 35 years. He was also a constable for 40 years. He was a member of the town of Bloomington for two years before he moved to Barrington.

He was taken from his home by friends on a pretext of visiting Fish lake to watch the fishing through the ice. When they returned he was greeted by the host of relatives and friends who had gathered during his absence.

A dinner was served to the honored guests and those present at one long table stretched through the house. The guests were from Chicago, Elmhurst and Barrington and included all the present members of his family.

Mr. Wagner is a charter member of the local Odd Fellows lodge and has filled every chair of that organization.

Except for a slight hearing defect, Mr. Wagner enjoys good health.
