To advise the administration on regulation of business, the council for industrial progress meets and recommends.

What is this council?

In the intention of its chief sponsor, George L. Berry, it is a gathering which represents industry, labor and consumers, who come together to formulate plans for making the nation's work efficiently. The plans are for consideration by the president and by congress.

Actually, many of the largest industries boycott the gathering, including the makers of automobiles, steel, textiles and chemicals. Consumer spokesmen are conspicuous by their absence. Labor is best represented of the three groups.

Recommendations of the council include:

1. Lowering of retail prices as a means of doing away with the limitation of production.
  2. Minimum wages in industry with substantial premiums for overtime work as a means of forcing the employment of more workers.
  3. Banning of unfair competitive practices, including unregulated price cutting.
  4. Establishment of a permanent economic council to advise government on economic plans, the council to represent industry, labor and the public.
- The conference subscribes formally to the view that private enterprise can not safely be permitted to administer business and to industry entirely free from government intervention.
- Let the buyer no longer expect to get bargains on goods advertised under brand names, at least

### School Children Present Christmas Plays, Programs

Christmas programs at Barrington schools started last week-end and are scheduled to continue through Wednesday afternoon which marks the closing of schools for the holidays.

Among the first celebrations at the public school was the Junior High school party in the gymnasium Friday and the high school dance the following evening.

Children of St. Ann's parochial school will have their Christmas program, including recitations, hymns, and the singing of carols Tuesday.

Lower grades in the public school will be entertained in their individual rooms and in addition, will be guests of honor at a special program Friday afternoon which has been planned by Miss Robert Miller and Miss Louise Laird. Parents have been invited to attend.

### Rebekahs and Odd Fellows to Have Christmas Party

Members of the I.O.O.F. lodge and their families and members of the Rebekahs lodge will assemble at the club rooms, 117 E. Station street, at 8 o'clock December 21 to hold a Christmas party. Rev. Charles Drusell will give a short talk, and recitations and songs will comprise the program which is for members and their families.

### Hold Funeral for Mrs. L. Comstock

Mrs. Lee Comstock, 55 years old, resident of Lake Zurich, was buried following services held at St. Anne church in Barrington Saturday morning with Rev. Father P. Hayes officiating. Burial was in Calvary cemetery in Evanston.

### Hurt in Crash at Road Intersection

Mrs. Emma Hehn, 41, and her son Kenneth, eight years old, were injured in an automobile accident at the intersection of Bartlett and Schaumburg roads Tuesday when the Hehn car collided with one driven by Frank Hoeh of Chicago. They were taken to the office of a doctor in Bartlett and later removed to their rural home near Elgin. Cuts and bruises were inflicted in their injuries.

### Two Switch Engines in Collision Saturday

A collision between switching engines of the Chicago and North Western and E. J. & E. railroads at the switching track of the two roads near the signal tower resulted in three empty freight cars being wrecked and one engine slightly damaged, Saturday afternoon.

### Celebrated Italian City

Carrara is a city of northern Italy, celebrated for its marble quarries. It is situated three miles inland from the eastern extremity of the Gulf of Genoa, a valley surrounded by marble hills. Most of the city's buildings are of marble, and there is a museum containing numerous statues and Roman antiquities.

### Three Patents First Year

Only three patents were granted the first year of the first patent act, 1790, by Thomas Jefferson, then secretary of state.

### Baptist, Salem; Methodist, St. Paul Play Next

Methodist Defeats St. Anne 23 to 20; St. Paul Trims Baptists

Another set of poppy church league games was played off Monday night. The Methodists won their first game defeating the strong St. Anne team 23 to 20 in the first of the two games. R. Both opened the scoring striking one on the first tip-off.

The Methodists were playing a strong defense during the first quarter. In the second quarter with the score 7 to 5 in favor of the Methodists Dave Capulli dropped a long shot into the basket tying the score at 9 all with about two seconds of playing time left.

### Junior High School Presents a Program for Parents

The junior high school Christmas play, "Lost Children," presented in the school auditorium Friday evening as part of the Christmas program for parents of pupils was unusual and very well

The Baptist team lost its second game to St. Paul in the second game 27 to 14. This was an exceptionally fast tilt that was played in a rather seamy fashion. Both teams going wide open in the first three quarters.

St. Paul managed to keep a lead over its opponents during the entire game. Evidently led the scoring for the Baptists sinking three field goals and two charity throws. Kuhlman and Dablow were the high scorers for St. Paul, each with six points.

Next week the Baptists will meet the Salem team in the first game of the evening. The Methodists will mix with the St. Paul team in the second game.

### High School Basketball Team Accepts Invitation to Holidays Tournament

Paul Clark, athletic director at the Barrington public high school, announced Tuesday the acceptance of an invitation to a new type of basketball tournament to be played at Arlington Heights December 29 and 30 under the approved new rules of the Northwest conference competition.

Basketball teams from high schools of Arlington Heights, Palatine, Barrington and Leyden township will play. Drawings are to be blind and will be made an hour before the playing time December 29. The losers of Tuesday's games will play Wednesday night as will the winners.

There are no trophies offered in keeping with the new conference ruling to eliminate the heavy competitive spirit in the schools.

## Bronchos

### Bronchos to Play Lake Forest Friday; Leyden Saturday

Bronchos Take Wauconda 28-21; Ponies Win 17 to 15 Friday

The BHS Bronchos won their first conference game of the season defeating the Wauconda Ponies 28 to 21 at Wauconda Friday night. The local Ponies succeeded in dumping the Wauconda lights by a 17 to 15 score in a very tight game the same evening.

The Bronchos opened rather slow in the first half, scoring a small percentage of attempted baskets. At the end of the first quarter the game was tied with a score of 4 all.

The locals then closed in around the basket and put in a group of rebound shots bringing up a 11 to 6 score in favor of the Bronchos at the half.

In the final period the game tightened up as the opponents led the game several times. As in the first half the Bronchos missed most of their long shots and finally won the game on numerous close-in shots.

Barrington was decidedly outplayed on the floor. Wauconda was more efficient in passing and shooting. The Bronchos got their heads down to the height of the players who worked in on rebound shots. If the Bronchos with the ability at hand, can improve on passing and shooting, they will prove strong competition in the conference this year.

Pony game

The Ponies played a see-saw game the first half leading at the first quarter and trailing by a point at the half.

The rest of the game was nip and tuck for both teams and at the third whistle the score was 8 and 8.

In the last period the score was tied several times and by some fast playing the Ponies ran up nine points to win the game.

Friday both teams will travel to Lake Forest to play of two contests. Saturday, the two teams from Leyden will meet the home-guard on the local floor.

## ILLINOIS SCHOOLS

THE ILLINOIS STATE CONSTITUTION PLACES THE RESPONSIBILITY OF PROVIDING COMMON SCHOOLS ON THE LEGISLATURE

THE LEGISLATURE HAS SHIFTED MOST OF THE RESPONSIBILITY TO LOCAL COMMUNITIES

**SUPPORT BY LOCAL DISTRICTS**

**RESULT-**  
 EDUCATIONAL OPPORTUNITY DEPENDS ON ASSESSED VALUATION OF SCHOOL DISTRICTS

**DISTRICT 36 CLARK COUNTY \$186,885 OF ASSESSED VALUATION FOR ELEMENTARY PUPIL**

**DISTRICT 35, SALINE CO. \$357 OF ASSESSED VALUATION FOR ELEMENTARY PUPIL**

Great inequalities in educational opportunity exist in Illinois. A tax rate of \$1 levied in District 36, East County, will produce only \$27.77 per pupil, while the same rate will produce \$1,868.85 in District 36, Clark County.

The State Constitution charges the State Legislature with the responsibility of providing a thorough and efficient system of free public schools for all the children. But such a system does not exist.

State support of schools in Illinois is so small that we rank 36th among the 48 states in the amount of the city's support per pupil in the common schools. Our State Distributive Fund is less than one-half the average amount per pupil for all the States. The State of Delaware provides \$60.00 for each child in average daily attendance. Ohio, \$20.42; New York, \$19.87; New Jersey, \$20.42; Pennsylvania, \$20.42; Utah, \$24.41; North Carolina, \$26.60, and Illinois, \$11.18.
