Complete Sale of Property at 105-109 Main Street

Brown Buys Richardson Land for Future Store Site

A real estate transaction was completed Friday when the property owned by Mr. Richardson at 105 to 109 Main street was sold to Harry Brown of Chicago.

The property, according to information given by Mr. Lawrence, who handled the transaction, will be used for the erection of a building of a two-story store and office building. Construction will not be started until there is demand for the building on the main floor.

Professional offices on the second floor. The building is located on the site at Main street is indicated by the sign of the property. Friday, a property under construction by Mr. Richardson and Wilmering further west of Main street, at 131 W. Main street and several real estate offices now pending.

P. T. A. to Prepare Christmas Baskets for Aged Persons
Gifts, Immunization Work Planned After Program Tuesday Evening

Christmas decorations in the auditorium added a festive touch to the Parent-Teacher association program Tuesday evening.

Following with the season, also was the singing of Christmas songs by the high school A Cappella choir and glee club, with piano and string trio accompaniment. Musical numbers were under the direction of Miss Adelaide King.

An illustrated lecture on safety was given by Dr. H. E. Fisher of Chicago, speaker of the evening. Dr. Fisher narrated some of his experiences as chief physician of the Public Service company of Northern Illinois for the last 15 years and showed a series of slides. At the conclusion of his talk, Mr. Hermann Koenig and his committee served refreshments.

Part of Landscaping Program

The picture above shows the seven elm trees planted by the Garden Club of Barrington along Park avenue in the park at the Chicago and North Western railroad station as part of the landscaping program of the organization.

The planting was started the first week of December and completed within a short time. Next spring, seven more elms will go into the park as well as shrubs and flowers, according to club plans.

Tulip bulbs and several evergreen trees were planted in the triangle park at Main and Cook streets also. Considerable landscaping of shrubs was done last spring in the first step to beautify the center of town.

Mr. John L. Bell is chairman of the committee in charge of the work.

Fire Causes Heavy Damage at Cameron Residence Sunday

Fire, presumed to have been caused by a spark from the fireplace chimney, set fire to the roof of Mrs. Gordon Cameron's home in Barrington township Sunday afternoon. The blaze started about 1 o'clock.

One side of the roof was burned away, and the attic interior. The remainder of the house was damaged by smoke and water. The time of the fire was about 1:30 p. m. when the fire department arrived. The fire was extinguished by a fire extinguisher, prevented the spread of the flames and gave other members of the family and farm hands an opportunity to run water into the roof.

No fire apparatus was called to the scene due to the quick action in checking the spread. Smoke and water were responsible for the damage done to the attic, other floors and household furnishings.

No estimate as to the exact loss has been made.

Travel 4000 Miles
Word has been received from Mr. and Mrs. William Gottschalk, who reached Santa Monica, Calif. Friday, after having motored 4000 miles. Enroute they stopped at several places to visit friends and spent several days in Idaho and Washington. The Gottschalks plan to spend the winter at Santa Monica.

Return From DePaul
Glenn Hager, Howard Castle and Harvey Fry will come home from DePaul university, Green-castle, Ind. Friday for the holiday vacation.

Hundreds of Good Suggestions for Gifts Listed in The Review This Week

A wave of Christmas gift buying, greater than anticipated is reported by local merchants. The demand for gift merchandise in nearly every line is strong, especially for toys, cosmetics, candy, practical hardware and electrical gifts, jewelry, light items of dress making, and household furnishings, decorations and ornaments. Although there has been a let-up in demand for the warm weather goods, because of the warm weather, the demand for this merchandise is expected to become stronger during the remaining six days before Christmas.

From now until the holiday season will be a steady increasing demand for Christmas trees, lights, trimmings, candy, ice cream, soups and other foods for Christmas dinners, and low and medium priced articles. Shoppers reading The Review will find hundreds of holiday items in the advertising. It is believed that this is the best time to buy as the carriers as great a variety of suggestions as any previously published in the newspaper. The advertising directory this week includes:

Election Is Over—Village Officials Pay Off on Wager

The election is over—that's the opinion of the local village board following a pay-off of all bets Monday night.

Prior to the presidential election, a discussion of chances for election of the two major party candidates arose one evening while trustees were waiting for the election to begin.

Firm in their convictions Trustees N. P. Plager, John Daeschler, H. D. A. Grebe, Village Clerk A. C. Burandt and Village Treasurer A. L. Wiedenbeck waded a dinner that candidate Alf Landon would win and in order to make a bet, Village President Earl Hatje, Trustees John J. Carroll and Rudolph Koerber Sr. and Village Attorney D. H. Mahoney chose candidate Roosevelt.

The results of the election were conceded by the losers after the electoral college had convened Monday and voted for candidate Roosevelt.

Prior to the board meeting Monday evening, the winners and losers sat at one table at Grebe's restaurant. The dinner disappeared in perfect harmony. These elections are now over, that is, until next April when some of the same officers may be taking bets on their own candidacies at the bi-annual village affair.

Declare \$90,000 Wage Extra for Jewel Employees

Directors Announce Action Monday; Payment Due December 19

Employees of Jewel Tool Co. are to share a \$90,000 special wage extra December 19. It was announced Monday by the board of directors of that company. This form of bonus will be the fifth wage extra declared by the company and it will be the third to be paid during 1936. Jewel employees have received an "extra" on all base salaries since January 1, 1934.

More than 2400 people, in company service from July 1, 1936 to December 19, 1936, will receive this Christmas award. Individual payments will amount to 1.40 times the normal average weekly earnings during the 12th fiscal period. All officers and senior executives are excluded from participation. Employees whose average weekly income exceeded \$50 will receive the award on the \$50 (a maximum of \$70) but will receive no "extra" on that portion of their income over \$50.

In the three extra paid this year Jewel Tool Co. Inc. had distributed approximately \$325,000 in bonus money to its workers.

Commenting on the special wage extra, President M. H. Karker said: "The fund was made available by unanimous action of the board of directors after the resources, alertness, and initiative of the entire organization had been reviewed. The fund was voted at the November 12 meeting of the board but the announcement was withheld as a surprise for Jewel people. Special wage extra is in addition to substantial wage increases during the latter half of 1935. Loyalty, unity, and cooperation again received practical recognition through this fifth wage extra."

Arranging Benefit
Miss Jean Long, 319 Liberty street, is an active member of the committee promoting the annual Christmas charity ball sponsored by the students and alumni of the sectarian college at DePaul university. The gala party will be held the night after Christmas in the grand ballroom of the Drake hotel.

Honored From Ames
Vernon Plager, Frances and Donald Bennett, and Mearl Nefts of Iowa State college at Ames, Ia., will return home the latter part of the week to spend the holidays with their parents.

Endorsement Operation
Frank Veath Jr., Barrington township, was taken to a Chicago hospital Friday by ambulance when he went an appendectomy operation.

Announce Church Services, Programs for the Holidays

Sunday Schools Will Have Special Christmas Celebrations

Christmas vespers, candlelight services and children's programs will be presented at various churches in Barrington throughout the coming week. Many are scheduled for Sunday evening and Christmas Eve, but several afternoon affairs have been planned especially for children in primary departments of local Sunday schools.

Among the latter will be a program by primary children of the Methodist Sunday school in the church parlors at 3 p. m. Saturday under the direction of Mrs. Ward Olin and Mrs. P. D. Dwyer. Tea will be served to the children and their parents following songs and recitations.

A second program by Methodist children will be presented at the church Thursday evening, Dec. 24 at 7:45 p. m. when the junior department will assist those in the primary division in giving a program.

Salem Program, Dec. 24
Eighty-five children are to take part in a Christmas drill, tableau and series of recitations at Salem church at 7:30 p. m. Thursday, Dec. 24 under the leadership of Mrs. L. Schaefer and Mrs. Edward Wagner, leaders of the Sunday school primary department.

St. Matthew December 24
Children of St. Matthew Evangelical Lutheran church will give a special program of music, arranged by Mrs. Angie Montgomery Sunday.

Children of the church will have their program Christmas Eve. Two at St. Paul.

Two programs will be given at St. Paul church this year, the first for children of the beginner and primary departments Sunday afternoon. It will begin promptly at 3 p. m. and will include songs and recitations.

Announce Vespers
The Methodist church choir will present its annual Christmas vespers service at 3:30 p. m. Sunday. As in other years, there will be Christmas anthems by the choir, an instrumental solo, and the inclusion of a group of Christmas carols to be sung by the choir.

Miss Blanche Frye who is home for the holidays will be one of the soloists. The public has been invited to attend the service.

To Give Cantata
Commenting on the special wage extra, President M. H. Lake Zurich Man 32 Years in Farm Auction Business

Thirty-two years in the livestock and farm auction selling is an important chapter in the life of August Froelich, Lake Zurich man, most market proprietor and member of the firm of Froelich and Wick, auctioneers.

Mr. Froelich, who is still "cracking" sales has not kept an accurate record of the number of auctions.

A number of results of the change were objected to in the discussions. Chief among them were the removal of trees, the loss of tree banks, possible cost locally, probable increase in auto parking. A suggestion was made that the new width be held to 36 feet.

In reply to the above, the board reported it would assist wherever possible to remove trees. He also offered assurance that the work will be done by the state through the county department and will not cost local property owners anything. Curbing will be replaced also, he stated.

Parking conditions would continue to be a problem whether the street were widened or not, the board stated.

3 Elia High School Teams Qualify in Sectional Contest

Ranks Among Best in Farm Judging Event at Sycamore

Twenty-two schools in section II competed in the vocational agriculture judging contest at Sycamore Saturday, Dec. 12. The top 50 per cent or 11 teams in each of the judging divisions is entitled to go to the state judging contest to be held at Urbana next June. Elia township high school was one of two schools of the 22 which had all three teams entered qualify for the state contest.

This elimination in sectional contests became necessary because of the large number of contestants grown so large that there were too many participants to be taken care of in one contest.

In the sectional contest four boys from each school are allowed to judge. The boys with the two highest scores made up the team of Harvey Anderson, Warren Nehmer, Ed Carlson and Fred Oehmer judged grand. Harvey Anderson.

George M. Wagner Honored by Friends and Family on 81st Birthday Sunday

George M. Wagner, 207 Dundee avenue, veteran business man and democratic leader in Barrington township for 35 years, was surprised by 35 friends and relatives on his 81st birthday Sunday.

Mr. Wagner, who retired from business five years ago, came to Barrington in 1895 and opened a grocery and market. Previous to that he was in business in Bloomington, Ind., then incorporated with Roselle.

He made his residence with his family at the corner of Cook and Lincoln avenues for one year and then moved to the corner of Dundee and Station streets. He has resided in that vicinity since then.

Mr. Wagner was democratic county chairman of Winnebago (until recently listed as precinct 20) for 35 years. He was also a constable for 40 years. Mr. Wagner was town clerk of Bloomington for two years before he moved to Barrington.

He was taken from his home by friends on a pretext of visiting Fish lake to watch the fishing through the ice. When he returned he was greeted by the host of relatives and friends who had gathered during his absence.

A dinner was served to the honored guests and those present at one long table stretched through the house. The guests were from Chicago, Cicero and the Barrington and included all the present members of his family.

Wagner is a charter member of the local Odd Fellows lodge and has filled every chair of that organization. Except for a slight hearing defect, Mr. Wagner enjoys good health.

Property Owners List Objections to Widening Main

Appear at Meeting Monday to Offer Criticisms of Project

Property owners along Main street, most of them reading west of Hough, were present at a special meeting of the village board Monday held for the purpose of giving them a chance to express their views on the proposed widening of Main street to 42 feet.

A number of results of the change were objected to in the discussions. Chief among them were the removal of trees, the loss of tree banks, possible cost locally, probable increase in auto parking. A suggestion was made that the new width be held to 36 feet.

In reply to the above, the board reported it would assist wherever possible to remove trees. He also offered assurance that the work will be done by the state through the county department and will not cost local property owners anything. Curbing will be replaced also, he stated.

Notice to property owners will be mailed out about the first of the month. Mr. Plager reported that February 1 will be the delinquent date for the second installment.

Young Members of Churches to Sing Carols in Village

Members of the Young People's Christian Commission will gather Sunday night, Dec. 20, to continue the traditional custom of singing Christmas carols in the village. The caroling will begin at 7:30 p. m. and will be held at the St. Paul Evangelical church.

Trucks have been engaged to take the groups around, after which they will return to St. Paul church where refreshments are to be served by the leagues of that church.

Each year the Young People's Christian commission takes this way of bringing Christmas cheer into the homes of shut-ins and others who are otherwise unable to enjoy Christmas.

"Libeled Lady" Is Week-End Feature for Movie Patrons

Will Rogers Picture Closes Tonight; "Dimples" Here Three Days

With the revival of Will Rogers' "Ambassador Bill" finishing its run at the Catow theatre tonight, Clark Gable and Marion Davies in "Sanctuary" showing Friday and Saturday, "Libeled Lady," with four great stars coming Sunday and Monday, and little Shirley Temple in "Dimples," scheduled for the Christmas program, moviegoers will find bright and interesting film fare for the early holidays.

"Cain and Abel" is an elaborate production which settings from the prize ring to the musical comedy stage, with a rich vein of comedy in evidence at all times.

Gable strikes a particularly virile note, while the music and the spectacular beauty of the ensemble numbers form an entrancing sequence of loveliness.

"Libeled Lady," the Sunday-Monday feature, arrests the attention at once with its outstanding quartet of stars—William Powell, Myrna Loy, Jean Harlow and Spencer Tracy.

The picture of an over-rich heiress owned by a newspaper story forms the theme of this building and humorous yarn. Consternation reigns in the office of the paper when she sues for a cool five million.

William Powell is enlisted to make love to the dame in order to side-track her suit. The merry misadventure that follows "Libeled Lady" is fast and entertaining.

The double feature program for bargain night, next Tuesday, will offer Harold Bell Wright's "Wild Hiran" and an original story written especially for Ross Alexander and Glenda Farrell titled "Here Comes Carter."

"Wild Hiran" is Western in atmosphere and setting. Helmsley and Mae Clark, "Here Comes Carter" has to do with a gossip reporter who gets into trouble due to his wandering whims. Comedy is the key note, and the stars hold it to a rollicking high pitch throughout.

"Dimples" will play next week Wednesday, Thursday and Friday, with shows continuing from three o'clock Christmas day.

Little Shirley Temple appears in "Dimples" as a street singer, who earns money for the keep of herself and grandfather—played by Frank Morgan.

Her clever singing and dancing win for her many friends both in high and low places, and she is finally given the role of Little Eva in a revival of "Uncle Tom's Cabin." Complications between characters, both romantic and financial, enter into the plot.

Short subjects have been especially chosen and include "Our Gang" in a new comedy, a Mickey Mouse cartoon, and a color scene of Yellowstone National Park.

Don't Give Santa Claus

Too Much Credit

BY LOIS SNELLING

"Santa Claus is a fine old fel-

low," Clara Randolph said, "but

Santa Randolph is a pretty good

sort, too."

"You mean," her mother-in-

law laughed, "that you don't

want Santa to get the credit that

rightfully belongs to Sam?"

Clara nodded. "Not all of it. I

want the children to remain faith-

ful in their belief in the jolly old

fraud. Not for anything in the

world would I have them fail to

receive gifts from him, for that

is half the fun of a child's Christ-

mas. But all of the presents must

not come from Santa. We have

taught our children that Christmas

is a time of love and giving. So

why should they fail to receive

gifts from Daddy, Grandmother,

Mother, and all those who love

them most?"

"I thoroughly understand,"

Mrs. Randolph said. "Sam's father

and I made the mistake of being

too unselfish in favor of Santa

Claus. When Sam was a little fel-

low there were no cards marked,

"With love, from Mother," "Happy

Christmas from Daddy," and so

forth. His Christmas tree was just

a blank gift tag from Santa

Claus."

"I know. Father Randolph told

me of the unhappiness that both

you and Sam experienced the

Christmas after Sam started to

school. He came to me and said,

"Mummy, Joe Parks got lots of

pretty presents from his mother.

Why didn't you give me some-

thing?"

"Of course, I told him then,"

Mrs. Randolph said, "that Mother

had given him something. And

that confession rather spoiled the

"Santa Claus" part of it."

"And I feel," Clara went on,

"that the personal acknowledge-

ment of their gifts is such a splen-

did training in appreciation and

good manners for the children. It

is not likely that a child would

remember, or be reminded by his

parents, to sit down when Christ-

mas was over and write to Santa

Claus thanking him for his kind-

ness. But, of course, I see to it

that my youngsters never fail in

that courtesy towards their friends

and relatives who have remem-

bered them. Then too, the fact

that they receive gifts from

others inspires generosity in them.

They don't worry much about giving

presents to Santa Claus (he

seems to be taken pretty much

for granted, poor fellow), but be-

fore Christmas Jennie and Dick

were quite excited over the pur-

chases they planned. I want to

give Grandmother something very

nice," Jennie said. "She is such

a dear. Do you remember that

lovely doll she gave me on my

birthday?" And when I heard her

asking to the boy across the street

he said, 'Sure! Course I do. I

hope I'll find something he will

like as well as I liked the scooter

he gave me last Christmas.' So

you see, Christmas with them

Judge Shurtleff, Noted Judge, Dies of Heart Ailment

Hold Services at Residence in Marengo Wednesday Afternoon

Judge Edward D. Shurtleff, a former 20-year state legislator and holder of the seventeenth judicial district for 15 years, died of a heart ailment Monday morning in his Marengo home. He was 73 years old and had been forced to retire from active work last year. Despite his illness, he maintained close contact with his office and affairs coming before his court.

Born at Genoa September 19, 1863, he was educated in Marengo schools and attended Oberlin college for three years. He returned to Marengo in 1882 and entered a law office where he started studying law.

Later he went to Watertown, S. D., entered a law office and was admitted to the bar in 1885. He returned to Illinois in 1885 where he entered the lumber business with his father.

He married Elizabeth H. Sisson of Marengo June 1, 1890. They had two children, Maurice E. of Elgin, and Mrs. Frederick R. Kelly of Macomb.

As first mayor of Marengo, Mr. Shurtleff was responsible for the installation of waterworks and electric lights.

In 1906 he was elected to the Illinois house of representatives and served consecutively for 29 years. From 1905 to 1931 he was speaker of the house.

Holder of extensive farm lands, Mr. Shurtleff personally supervised two large tracts near Marengo, directed the Shurtleff Farms store and was director of the six coal and lumber businesses which have grown from the original founded in 1872 by his father, Branches are now owned in Marengo, Union, Hartland, Maple Park, Elgin and Barrington.

Judge Shurtleff presided in the circuit court at Waukegan when the sewer litigation case was fought by the village of Barrington and property owners west of town. He ruled the village in error and issued a restraining injunction. He also heard the suit between owners of Lake Zurich bottom and owners of adjoining property. In that case he ruled the lake was private property. In both cases his findings were upheld by the supreme court of Illinois.

His lodge affiliations included the Masons, Knights Templar, I. O. O. F. and Modern Woodmen of America.

Funeral services were held at the residence in Marengo Wednesday afternoon with Rev. J. Stewart Brown officiating. Burial was in Marengo cemetery.

Iowa Man Is Fatally Hurt in Fall From Train Near Elgin

Louis Belsky, 45 years old, a Dubuque, Ia. automobile dealer, died at the Sherman hospital in Elgin Sunday suffering from serious injuries received when he plunged off the rear platform of an Illinois Central train near Youngdale, about a mile and a half west of South Elgin, Saturday morning.

Belsky, who suffered a nervous breakdown recently, is reported to have committed suicide. He had fastened his belt tightly around his neck before the fall and was near death from strangulation when found.

Belsky boarded the train at Dubuque Saturday morning enroute to Chicago on a business trip. He was later missed from the train by a porter who searched the train for him. Failing to find him, he notified the conductor, and the train stopped at Cloverdale, where a report was made to a station agent.

Word was flashed back along the line and section workers were sent to search the right-of-way. Some of the men from a Plato Center crew found Belsky near the Youngdale crossing. His body was in a ditch near the tracks and was bleeding heavily from extensive lacerations.

Belsky was conscious when admitted to the hospital but refused to explain his actions. Only five cents were found in his pockets.

An inquest into his death revealed he was dependent on his health and marital difficulties.

Funeral services for Mrs. Philip Pries, 65, formerly a resident of Barrington, were held Wednesday at the Irving Park Lutheran church and burial took place at Mount Zion cemetery near Elmhurst.

Mrs. Pries had been a patient at the hospital in Dickson for two days following a stroke and her physician believed her condition had improved sufficiently to explain his actions. Only five cents were found in his pockets.

Mrs. Pries had requested that her three children in Chicago should be called home and they arrived just after her death.

Mr. Pries, two daughters, Mrs. Katherine Kehneltz and Miss Helen Pries, one son, Philip Jr., and one grandson, all of Chicago, survive.

The Pries family were residents of Barrington for several years and were in business handling meat and groceries. The family moved to Chicago 15 years ago and later Mr. and Mrs. Pries moved to the present home in North Dakota.

School Pupils Get Christmas Vacation

Christmas vacation for pupils of Barrington public school will begin Wednesday afternoon at 2:30 o'clock and will last until Monday, Jan. 4. E. S. Smith, superintendent of schools, announced Wednesday.

The vacation period will be the same for pupils of St. Anne parochial school except that classes will be dismissed Tuesday afternoon. They will convene again the same time as the public school. Father P. J. Hayes, pastor of St. Anne church, stated.

The majority of rural schools will be dismissed Wednesday and remain closed until January 5, it was learned.

November Sales of Jewel Tea Co. 10 Per Cent Over 1935

Jewel Tea Company, Inc., reports that its sales for the four weeks ending November 28, 1936, were \$1,685,223.56 as compared with \$1,530,109.17 for parallel weeks in 1935, an increase of 10.14 per cent.

Sales for the first 48 weeks of 1936 were \$14,437,958.18 as compared with \$17,174,423.85 for a like period in 1935, an increase of 7.34 per cent.

Their petition for pay increases, which had been filed with the supervisors at the November meeting and referred to the fees and salaries committee, remained unreported at the December meeting last week.

Another indication that the board would not approve an increase in the present wage scale for county employees was the over-draft shown in the semi-annual report of County Clerk Russ A. Ford whose summary of earnings and disbursements in his office during the period from June 1 to November 30, showed an over-draft of \$7,019.66. Total earnings of the office in the six months amounted to \$4,651.27 of which \$6,150.27 had been received, while the disbursements were \$11,169.93.

The disbursements comprised the clerk's salary, \$11,223.12; clerk hire and \$12.52 miscellaneous expenses.

Sherriff L. A. Doolittle's half year report showed excess earnings of \$597.74. During the six months the earnings of the sheriff's office were \$11,758.41, of which \$11,080.65 had been received, and the disbursements including salary and deputy hire and other expenses were \$10,482.91.

Excess earnings of \$1,859.72 for the half year were shown in the report of Probate Clerk John B. Hiltcock. The earnings during the period were \$6,083.95 of which \$6,435.90 was received. The clerk's salary, clerk hire and miscellaneous expenses were \$10,482.91.

Pay Increase for County Employees Meets Opposition

Lake county employees have given up hope of increases in their wages, though industries and businesses are announcing pay boosts ranging from 3 to 10 per cent and more.

When it was learned that the county property valuation this year would be the lowest in a decade and the tax levy for general county purposes of \$229.382 by the board of supervisors would have to be reduced by at least \$15,000 to come within the 25 per cent rate permitted on each \$100 property valuation, the employees who petitioned the supervisors for pay increases lost hope of seeing the wage scale returned to the status of former years.

Their petition for pay increases, which had been filed with the supervisors at the November meeting and referred to the fees and salaries committee, remained unreported at the December meeting last week.

According to Howard L. Scott, who appeared before the board and urged a reconsideration, if it was possible, of the salary reduction order of \$400 a year for him and Circuit Clerk L. J. Wilmut, met with no success.

Another indication that the board would not approve an increase in the present wage scale for county employees was the over-draft shown in the semi-annual report of County Clerk Russ A. Ford whose summary of earnings and disbursements in his office during the period from June 1 to November 30, showed an over-draft of \$7,019.66.

Total earnings of the office in the six months amounted to \$4,651.27 of which \$6,150.27 had been received, while the disbursements were \$11,169.93.

The disbursements comprised the clerk's salary, \$11,223.12; clerk hire and \$12.52 miscellaneous expenses.

Sherriff L. A. Doolittle's half year report showed excess earnings of \$597.74. During the six months the earnings of the sheriff's office were \$11,758.41, of which \$11,080.65 had been received, and the disbursements including salary and deputy hire and other expenses were \$10,482.91.

Excess earnings of \$1,859.72 for the half year were shown in the report of Probate Clerk John B. Hiltcock. The earnings during the period were \$6,083.95 of which \$6,435.90 was received. The clerk's salary, clerk hire and miscellaneous expenses were \$10,482.91.

Another indication that the board would not approve an increase in the present wage scale for county employees was the vote shown in the semi-annual report of County Clerk Russ Alton, whose summary of earnings and disbursements in his office during the period from June 1 to November 30, showed an overage of \$2,019.66. Total earnings of the office in the six months amounted to \$4,651.27 of which \$1,502.27 had been received, while the disbursements comprise the clerk's salary, \$11,323.13, clerk hire and \$12.52 miscellaneous expenses.

Sherriff L. A. Doolittle's half report showed excess earnings of \$597.74. During the six months the earnings of the sheriff's office were \$11,758.44, of which \$11,080.65 had been received, and the disbursements including salary and deputy hire and other expenses were \$10,482.91.

Excess earnings of \$1,889.72 for the half year were shown in the report of Probate Clerk John H. Bullock. The earnings during the period were \$4,083.95 of which \$2,825.99 was received. The clerk's salary, clerk hire and miscellaneous expenses amounted to \$2,257.96.

During the past year, compared to the previous year, there were savings of \$956.26 by the county on telephone costs and \$1,394.93 on fuel oil for the county buildings, according to the reports of the buildings and grounds committee composed of Harry W. Washo, Charles H. Fitzgerald and August Cepon.

The Garden Club

of Barrington

The Garden Club of Barrington enjoyed a delightful Christmas party Monday afternoon at the home of Mrs. Julian Collins, 325 E. Liberty street.

Members came with gifts which were deposited beneath a beautifully decorated Christmas tree; in turn these gifts will be given to the Flower and Fruit guild of Chicago to be distributed among the more unfortunate children of the city.

Mrs. Reuben Plagge's talk on "Propagation of Holly, Mistletoe and Other Christmas Greens" was appropriate for a Christmas program. Most interesting of all was her story of the evolution of the Christmas tree in six phases.

First: the story of the Aryan sun tree which was created about 3000 years before Christ. Second: the world Ash of the Scandinavians which came about 2000 years later. Third: medieval flowering and fruit trees. Fourth: Roman Saturnalia. Fifth: modern German fancies. Sixth: na-

tivity scene and its Christmas sym-

bols.

Her closing thought was that

the Christmas tree of our

day, with its meaning of follow-

ship, has attained the highest

point in the tree's history.

Another feature of the after-

noon was the presenting to the

club of "Experience Money" earned

by each member with a jingle or

anecdote of how the money was

earned.

Mrs. E. M. Wallace was the as-

sisting hostess.

Village Officials Instruct Attorney to Continue Suit

Trustees Seek Quick Verdict in School Board Case Now Pending

D. H. Maloney, village attorney, reported to the village board Monday evening that he had filed in answer to the petition to dissolve the suit between the village of Barrington and trustees and directors of schools in Cook county, part of Cook and McHenry counties in superior court at Cook county Monday. Arguments on the petition to dissolve will be heard January 5, he said. The petition was filed by Randall and Behrens, attorneys for the school districts, December 7. They contended that the case should be heard in Lake county and that the directors of school districts should not be named in the suit.

The village board Monday night instructed Mr. Maloney, after a motion by Trustee John Carroll, seconded by N. O. Plagge, to carry the case to whatever county is decided upon January 5 in an effort to reach a settlement. Herman Kuhlman, president of the school board of Cook county, in discussing the hearing of the case, denied statements that the case went to Cook county by previous agreement. Mr. Kuhlman stated that at no time did the board favor the case going to Cook county. He questioned the jurisdiction of a Cook county court in the matter.

Mr. Maloney stated his views on the suit Monday night as in accordance with those offered by village officials. "It is inconceivable," he said, "that one body can spend the money of another without attempting to pay it back."

Mrs. C. Fullerton Is Buried Saturday

Funeral services for Mrs. Charlotte Hand Fullerton of Cuba township, who died of pneumonia at the Evanston hospital last Thursday after a week's illness, were held in the Pro Cathedral chapel of St. Luke's Episcopal church in Evanston Saturday with Dean Moore and his assistant officiating. Burial was at Ottawa.

Mrs. Fullerton, who moved to the old Gruber farm in Cuba township where her husband last August, became ill only a week prior to her death.

Charlotte Hand was born at Brooklyn, N. Y. in 1887. Her father, Charles W. Hand, was vice president of the Underwood Typewriter company. She attended schools in Brooklyn and was graduated from Vassar college in 1910. She was one of 35 girls who went to operate Y.M.C.A. canteens during the World war.

They were headed by Mrs. Theodore Roosevelt, wife of the late president Theodore Roosevelt.

She is survived by her husband, three sons, Bushnell, Thomas and William, all at home, and three sisters, Mrs. R. W. Anthony of New York City, Mrs. F. Conrad of Hartford, Conn., and Howard Gear of Long Island, N. Y.

board pointed out and the matter would have to be corrected, if possible, independent of the work. The meeting was held for the additional purpose of hearing criticisms and recommendations by property owners on the new sewer. The number of owners present was small and no major criticisms or recommendations were offered.

A. Spencer, official of the A. L. Jackson company, contracting firm which built the treatment plant, was present and answered questions put to him by the board. He reported that sewage will be taken into the new plant some time next week and after several weeks of testing, the plant will be turned over to the village.

placed 4th as individual and he and Nehmer together placed 4th as a team. Boys in this division had to judge two rings of wheat, two of soybeans, two of clover seed and identify ten crop seeds and ten weed seeds. Anderson made a score of 360 out of a possible 400.

Only three boys judged corn, Ray Meyer, Ralph Grever and Elmer Grever. Meyer and Grever made up the team which barely qualified by placing 11th. These boys had to place eight rings of corn, six of 10 ear samples and two of shelled corn.

In the poultry judging, Lyell Gleason, who had been rated high in practice, could not attend because of illness. However, the team made a fair score. Ed Sibley, Herbert Gleason, Ed. Kruder and Don Weber judged the four rings of birds. Don Weber and Ed. Sibley made up the team placing 8th. Ed. Sibley also won an individual 7th place ribbon.

Re-Appoint H. G. Zander Chairman of Federal Bank

Henry G. Zander, Sr., Cuba township has been re-appointed chairman and member of the board of the Federal Home Loan bank of Chicago, which serves the Illinois-Wisconsin district of savings, building and loan associations, according to word received by the regional bank from the Federal Home Loan bank board in Washington.

Mr. Zander, who has served as a director from the bank's inception four years ago, is in the classification "public interest director," and hence derives his appointment from the federal board. His new term as a director is for four years, starting January 1, 1937, and the chairmanship is a one-year appointment. He has been chairman since January 1, 1934.

The other three public interest directors in this district bank are: Charles S. Kirkpatrick, newspaper publisher, Sheboygan, Wisconsin; Charles S. Kirkpatrick, furniture dealer, Lincoln, Illinois; and Judson G. Rosebush, paper manufacturing executive, Appleton, Wisconsin.

Largest unit of the twelve in the system, the Chicago Federal Home Loan bank is now a \$25,000,000 institution with approximately 500 local savings and loan institutions as its members, eligible to obtain credit.

The pupils of the Country Day school will give their Christmas program at 10:30 tomorrow morning in the new school building. After singing Christmas carols and a short program, the children will decorate a tree for the birds. School will then be dismissed until after New Year's.

The St. James Episcopal Sunday school classes enjoyed the picture show at the Casino Saturday afternoon, later being treated to ice cream.

Mr. and Mrs. Samuel Rowe entertained at dinner Saturday night.

Mr. Harlan Canby Jr. has been ill for several days with a severe case of grippe.

Selden White and his daughter Billie are serving egg nog to their many friends Sunday from two to eight.

Mr. Robert Buckley is asking that all members of the Garden club of Barrington bring their Christmas donations to the club Saturday or before.

The Junior Garden club met Tuesday at the home of Mrs. Kenneth Knickerbocker.

Mr. and Mrs. Louis Harmon and their daughter Denise of Philadelphia will spend the Christmas holidays with Mrs. Harmon's parents, the J. S. Harris at Palm Beach.

Kitty and Evelyn Lawrence arrive home from school Saturday night to spend the holidays with their parents, the Harlan Howes.

Mr. and Mrs. Evan Evans are leaving Saturday night to spend a month in Florida.

Mr. Wynn's next book review will not be given until the first Thursday after New Year's, January 7.

Preparations are now under way for a gala party at the club New Year's Eve.

The Visiting Nurses will not meet again until January fourth—the first Monday after New Year's.

Ghost of Old P. L. Z. & W. Walks the Board at Palatine Meeting

The ghost of the old Palatine, Lake Zurich and Wauconda railroad walked the boards and "strutted and fretted his bow" at a meeting of the Palatine village board in Palatine a week ago.

The occasion for the return performance, the ghost having appeared many times in litigation since the death of the old railroad that served as a landmark of this section, was the presence of H. Lindner, who had just consummated a five year lease for that part of the old right of way which adjoins his lot on the south. He had secured his lease from the Elmhurst State bank, which seemed to think it had some kind of a title to the old right of way either as receivers or a tax title or something. Mr. Lindner had started to build a machine shed on the property when it all of a sudden the information popped up that the property in question belonged to the village. It appears that the village at one time is thought to have had title to a strip along the railroad as well as the triangular piece at

Cow Destroyed After Owner Is Attacked

A cow, owned by Adolph Boyson of Graylake, was shot by deputy sheriffs of Lake county last Wednesday upon the request of the owner after the animal had attacked him twice and finally escaped from his farm.

His first trouble occurred with it a week ago Tuesday when he was taking the herd from pasture. He had driven the cow from the lot but one of them was unusually wild and refused to be driven. When he finally managed to corner it, the animal charged him, knocking him down twice, after which it escaped into nearby timber.

Fearing the animal was subject to a malady or disease and liable to endanger other animals or persons, he called the sheriff's office to destroy the cow.

The deputies were unable to locate the cow Tuesday but they finally cornered it on a farm nearby and killed it Wednesday.

Suburban Building Record Month Gro Places November in

A \$10,000,000 suburb in November placed new suburban building in the Chicago region 31 per cent over October and 176 per cent ahead of November a year ago. The figures are \$10,000,000 November, \$2,301,638 for October, and \$1,089,369 for November 1935.

This is the third \$10,000,000 month in 1936, the others having been April and July. Prior to this year a record had been set in 1935.

The chief sources of this increase of new building are not discoverable. They are found permits issued in 54 communities for 174 new homes to cost \$1,395,544, home alterations, additions for \$203,419 and an unusual volume of industrial construction inaugurated amounting to \$229,500.

Barrington contributed to the record with a total of \$113,000, which was considerable in view of October and in November 1935 when no permits were issued. New homes and two remodeling permits was the work listed.

Details of a survey are as follows:

Return From Two Week Vacation at Bermuda Islands

Miss Florence Thies and Miss Naomi Tate of Barrington returned Friday from an unusual vacation of two weeks most of which they spent at the Bermuda Islands.

When asked about things of general interest the following information was given by one of the girls:

The Bermudas are a land of beautiful scenery; the houses are of pure white coral sandstone blocks hewn out of the ground. The white roofs are whitewashed twice each year to make them sanitary for catching rainfall as the rainfall is the only fresh water supply of the islands.

Reads are all fine white coral; carriages, bicycles, and a small railroad are the only means of transportation.

All kinds of sports are enjoyed on the islands, especially tennis, golf, fishing, and swimming. Many beautiful flowers are in bloom at this time, among them the poinsettia. Cedar trees supply wood for furniture and other useful articles.

Many beautiful cardinals fly among the majestic royal pines.

Bermuda is composed of 360 islands some of which are not large enough for habitation. The total area is 119 1/4 square miles, and the largest island is 25 miles long and 2 miles wide in the widest part. There are so many inlets along the shore line that at no place on the island can one be more than a half mile from the shore.

On their return trip the girls spent several days in New York City and visited Rockefeller City (Radio City) and viewed New York City from the top of the Empire State building. They heard Dr. Harry Emerson Fosdick at the Riverside church Sunday. This new and beautiful church houses the Laura Spelman Rockefeller Memorial carillon of 72 bells, occupying a space from the 22nd to the 28th floor in the tower, which rises 490 feet above the sidewalk, they reported.

Few Reactors in Lake County Herd

With only slightly over one-fourth of one per cent of the cattle in Lake county reacting to the bovine tuberculosis tests during the past year, T. P. Gallahue, Lake county veterinarian, reported, a successful year in eliminating possible sources of infection.

From December 1, 1935 to December 1, 1936, the county veterinarian tested 1572 herds comprising 25,273 cattle, according to his

annual report to the board of supervisors. Of the cattle examined only 80 were reactors and these represented 41 infected herds. The reactors were .25 of one per cent, one of the lowest figures in the history of the county.

Indemnity received in the tests was \$2653.13 and the salvage \$2,494.23, for a total of \$4,147.36.

Following is the county report by township:

Man Fatally Injured in Auto Skid Sunday

Carroll O. Bardon, 7245 Ibsen street, Chicago, was killed when his automobile skidded on Central road and overturned after crashing into a tree as he attempted to turn into Central avenue in Arlington Heights Sunday morning.

Arthur Creach, his brother-in-law, was riding with Bardon and was thrown clear of the car, receiving only minor injuries.

The accident occurred when the car skidded, left the road and crashed into a tree. Several other minor accidents were reported when motorists parked along the road to view the accident and their cars were struck by other machines.

FORD

advances into 1937 with the LOWEST PRICE IN YEARS and new operating economy

THE ADDITION of a new 60-horsepower engine to the Ford line for 1937 brings you a new low price and gives you a choice of two V-type 8-cylinder engines. 85 horsepower for maximum performance. 60 horsepower for maximum economy.

The 60-horsepower V-8 engine was originally developed for use in England and France, where fuel costs are high. It has been proven there for two years with brilliant success. Now, brought to America, it

creates an entirely new standard of modern motoring economy!

The "60" engine, available in five body types, is built in exactly the same body size and wheelbase — to the same advanced design — with the same comfort and convenience as the "85." And it delivers V-8 smoothness at speeds up to 70 miles an hour.

Two engine sizes—but only one car and one purpose—to give you more miles and more satisfaction for your money in 1937.

WHAT'S GOING ON IN WASHINGTON

(Courtesy The United States News)

To advise the administration on regulation of business, the council for industrial progress meets and recommends.

What is the council? In the intention of its chief sponsor, George L. Berry, it is a gathering which represents industry, labor and consumers, who come together to formulate plans for making the profit system work efficiently. The plans are for consideration by the president and by congress.

Actually, many of the largest industries boycott the gathering, including the makers of automobiles, steel, textiles and chemicals. Consumer spokesmen are conspicuous by their absence. Labor is best represented of the three groups.

Recommendations of the council include:

1. Lowering of retail prices as a means of doing away with the limitation of production.

2. Minimum wages in industry with substantial provision for overtime work as a means of forcing the employment of more workers.

3. Handling of unfair competitive practices, including unregulated price cutting.

4. Establishment of a permanent economic council to advise government on economic plans, the council to represent industry, labor and the public.

The conference subscribes formally to the view that private enterprise can not safely be permitted to administer business and industry entirely free from government intervention.

Let the buyer no longer expect to get bargains on goods advertised under brand names, at least.

In those states having resale price laws.

Such is the prospect for consumers as a result of a supreme court decision upholding Illinois and California laws which prohibit resale of "branded" goods at any price other than that set by the manufacturer in contracts with one or more retailers.

"Branded" goods are those which are labeled and advertised under a special trade name. The court holds that this advertised name is a property right which does not pass to retailers with the goods. Reselling in the hands of the manufacturer, the right serves to prevent any retailer from cutting prices below that set by the manufacturer.

Number of states having such laws is sixteen.

One point which is not decided in the case is whether a manufacturer outside of the state may set resale prices for branded goods sold within the state when the state has a resale price law.

Although this situation might involve the federal anti-trust law, a way around is seen if the manufacturer maintains a separately organized sales agency within the state.

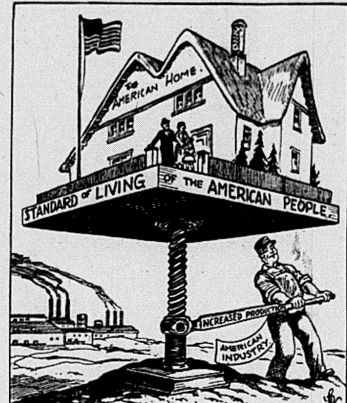

Two possible results are predicted by federal officials:

1. An increase in the number of advertised and branded products seeking protection under the law.

2. An increase in the number of private brands put up by chain and department stores which will be sold at advertised prices.

Despite the squeeze ahead in January for relief funds, no one in need is to go unaided. So

School Children Present Christmas Plays, Programs

Christmas programs at Barrington schools started last week-end and are scheduled to continue through Wednesday afternoon which marks the closing of schools for the holidays.

Among the first celebrations at the public schools were the Junior High school party in the gymnasium Friday and the high school dance the following evening.

Children of St. Anne's parish school will have their Christmas program, including recitations, hymns, and the singing of carols Tuesday.

Lower grades in the public school will be entertained in their individual rooms and in addition, will be guests of honor at a special program Friday afternoon which has been arranged by Miss Miller and Miss Louise Laird. Parents have been invited to attend.

The pupils from Miss Miller's room will portray the Christmas spirit of the different ages through scenes and carols.

The following will be readers for each of the eight scenes: Roman, Donald Brazil; Russian, Jean Hieck; French, James Ecklund; German, Billy Bonnell; Dutch, John DeVol; Chinese, Dorothy Kleinman; American, Betty McClure.

Character parts will be played by the following: James Mitchell, Roger Bauman, William Lustgarten, Robert Bennett, Roy Kloppe, Donald Pake, John Mollenkamp, Harriette Sheldy, Gavin Shuet, Emogene Golladay, Ruth Hacker, Betty Mae Landis, Jack Plock, William McLaren, Eloise Schaefer, Marilyn Schroeder, Bob Calkins, Dale Withhausen, Leslie Behrens, Jack Harris, Edgar Lundstram, Carleton Johnson, Kenneth Heiden and Willard Nightengale.

Miss Laird's play will present "Gretchen's Christmas Gift," a marionette play made from original stories told by the children. All scenes have been made by the children and the marionettes have been dressed by them.

Character roles will be played by Nancy Noyes, Audrey Schreiber, Richard Wallace and Pauline Speck.

David Keeling and Robert Bentley will serve as choristers and the following will be their boys: Glen Harzave, Walter Herriman, Tom Silvers, Daniel Balnes, Robert Granger, George Prow and Charles Lillen.

Stage managers will include Doris and David Dady, James Hughes and Lois Rederake.

Two Switch Engines in Collision Saturday

A collision between switching engines of the Chicago and North Western and E. J. & E. railroads at the intersection of Hartlett and Schaumburg roads Tuesday night resulted in three empty freight cars being wrecked and one engine slightly damaged, Saturday.

The E. J. & E. engine was pulling a string of cars along the track connecting the two lines and the North Western engine was backing down with a string of cars ahead of it.

Two freight cars were knocked from the tracks into a ditch and the third remained on the tracks although damaged. The E. J. & E. engine was slightly damaged but continued to operate. The wreck was cleared up by the Chicago and North Western wrecking crew.

Methodist Defeats St. Anne 23 to 20; St. Paul Trims Baptists

Another set of peppy church league games was played on Monday night. The Methodists won their first game defeating the strong St. Anne team 23 to 20 in the first of the two games. R. Roth opened the scoring sinking one on the first tip-off.

The Methodists were playing a strong defense during the first quarter. In the second quarter with the score 7 to 9 in favor of the Methodists Dave Capilli dropped a long shot into the basket tying the score at 9 all with about two seconds of playing time left.

In the last period the score was running close and Workman opened up with several nice long shots. With two minutes to play and the score again tied, Berg sank a free throw. St. Anne won in a tricky shot to end the game.

The Baptist team lost its second game to St. Paul in the second game 27 to 14. This was a exceptionally fast tilt that was played in a rather seamy fashion. Both teams going wide open in the first three quarters.

St. Paul managed to keep a lead over its opponents during the entire game. Rowland led the scoring for the Baptists making three field goals and two charity throws. Kuhlman and Dablow were the high scorers for St. Paul, each with six points.

Next week the Baptists will meet the Salem team in the first game of the evening. The Methodists will mix with the St. Paul quintets in the second game.

The BHS Bronchos won their first conference game of the season defeating the Wauconda team 25 to 21 at Wauconda, Friday night. The local Ponies succeeded in dumping the Wauconda lightweight by a 17 to 15 score in a very tight game the same evening.

Broncho Game

The Bronks opened up rather slow in the first half, scoring a small percentage of attempted baskets. At the end of the first quarter the game was tied with a score of 4 all.

The locals then closed in around the basket and put in a group of rebound shots bringing up a 11 to 6 score in favor of the Bronks at the half.

In the final period the game tightened up as the opponents led the game several times. As in the first half the Bronks missed most of their long shots and finally won the game on numerous close-in shots.

Barrington was decidedly outplayed on the floor. Wauconda was more efficient in passing and shooting. The Bronks got their rebound due to the ability of the players who worked in on rebound shots. If the Bronchos with the ability at hand, can improve on passing and shooting, they will prove strong competition in the conference this year.

Pony Game

The Ponies played a new game the first half leading at the first quarter and trailing by a point at the half.

The game was nip and tuck for both teams and at the third whistle the score was 8 and 8.

In the last period the score was tied several times and by some fast playing the Ponies ran up nine points to win the game.

Friday both teams will travel to Lake Forest to play off two contests. Saturday, the two teams from Leyden will meet the home-guard on the local floor.

Holiday Programs Are Announced by Local Churches

Many Celebrations by Sunday Schools Christmas Eve

Christmas programs in local churches this week will include special entertainments arranged by and for children in addition to candlelight services, according to announcements by the various ministers.

A symbolized version of the Lord's prayer will be a feature of the Sunday school program to be presented at the Baptist church at 7:30 p. m. Christmas Eve under the leadership of Mrs. Waterhouse. There will also be songs, recitations and poems, followed by the arrival of Santa Claus.

A candle light service will be held at the Baptist church at 7:30 p. m. Sunday under the direction of Mrs. Annie Montgomery. E. Kenneth Horne will give "The First Christmas," a violin quartet including the Messrs. Dand, Land, Margaret Ann Shewley, Ellen and Beth Sears will play and there will be songs by the choir and a quartet, Edgar, Misses Mildred and LaFren, Hichols and Arthur Castle. Miss Florence Thies will serve as organist.

St. Paul Programs

Miss Ruth Wiedenbeck and Miss Emma Walbaum have arranged a Christmas Eve program to be given at St. Paul church at 7:30 p. m. Thursday by the children of the Sunday school.

"The Shepherd's Story," "Gifts to the Christ Child" and a play, "The First Christmas" have been arranged. In addition there will be carols and recitations.

Christmas candle light and communion services will be held at the St. Paul church at 5 a. m. and 10 a. m. Christmas Day.

St. Matthew December 24

The annual program of Sunday school children will be held at St. Matthew's church at 7:30 p. m. Christmas Eve.

Salem Program December 24

Mrs. L. Schaefer and Mrs. Edw. Wagner have arranged a Christmas Eve program to be given by 33 pupils of the Sunday school at Salem church Tuesday evening. Songs, tableaus, drama and recitations will be included in the celebration.

Methodist Program December 24

The Junior department of the Methodist Sunday school will give a pageant at the church Thursday evening as the finale of a program of songs and recitations by children of their group at the church as younger ones. The primary department had its regular program at the church parlors Saturday afternoon but a few members of the primary division will be on the program Christmas Eve. It is to begin at 7:45 p. m. Mrs. F. H. Dwyer and Mrs. Ward Olmsted arranged both programs.

St. Peters December 24

St. Peters Evangelical church in Lake Zurich will be the scene of another program Christmas Eve when children of the Sunday school recite, sing and present plays. "Choosing the Best Gift," "Christmas Wishes," "A Grounder and the Ghost," and "The Bethlehem Star" will be included as well as songs and dialogues. About 100 children will take part.

Republican Club of Cuba Gives Dinners to Needy Families

Needy families of Cuba town are being given groceries and dinners for Christmas celebration dinners by the Cuba Town Republican Club.

The club sponsored a dance and card party at Catow hall last Friday night to raise money necessary for the dinners. A net total of \$13 was realized from the undertaking, Charles Miller, secretary, reported.

H. D. Kelsey, town supervisor, said that all of the needy families will have special Christmas dinners as result of the undertaking.
