HOME LIGHTING SERVICE for Residents of Barrington

A NEW

We invite you to learn the many helpful new facts about home lighting when our Lighting Advisor comes to consult with you. This service is offered without charge by the Public Service Company.

• Every home in Barrington is entitled to this new lighting service. Our Home Lighting Advisor will, without charge or obligation, call at your home to give you many interesting and valuable suggestions about the relation of lighting to home decoration and eye comfort. These young women are thoroughly trained in the interior arts and the science of modern lighting, which is transforming thousands of homes throughout the nation into more charming and comfortable places to live.

Residents of Barrington will find it worth while to make use of this New Service. It is not the purpose of the Home Lighting Advisors to sell lighting equipment, but merely to offer practical suggestions. If you wish a special appointment at some particular time, call your Public Service office ... Barrington 176.
