

## Michael Igoe Says People, Not Things, Constitute America

Speaks Before Crowd of 225 at  
Legion Community Din-  
ner Monday

America is not the gold it contains, its banking institutions, its great industries, its highways, rivers, railways nor mountains, but is the humanity that lives within its borders, Michael Igoe, declared to 225 men and women at the third annual Legion community dinner at St. Peter Evangelical Lutheran church hall in Lake Zurich Monday night.

"America means you and me and every man, woman and child who lives beneath our flag," he declared. "America must deal in human values and human affairs."

"America is one of the remaining nations—and there are not many today—that not only have a flag but have a God. It was created under God, exists today under God and will survive beneath a flag that is under God."

The speaker reviewed his favorite subject of consolidation of local governments, declaring that considerable waste results from the multiplicity of county, town, municipal, park and school governments.

He mentioned the proposal to consolidate governments of Cook county and pointed out that the objection to it is the desire for home rule in each locality.

A group of 11 musical and comedy entertainers pleased a large crowd of service men and their friends. Several men and women, prominent in Legion and Auxiliary work were introduced, including George Rohde of Chicago, ninth district commander, Commander Kenneth Shoup of the Barrington post, Mrs. E. J. Langendorf, president of the Barrington Auxiliary chapter, Victor Pichia of Arlington Heights, area chairman, Rev. Robert Watson, secretary of Illinois district 1-A of Lions International, delivered a short, inspiring address.

W. A. Stauffer pronounced the invocation. Others who were introduced included Dr. Floyd Lindberg, president of the Barrington Lions club, Mrs. Lester Higgins, past president of the Barrington Women's club, H. D. Kelsey, Cuba town supervisor, Earl Hatje, Barrington village president, Rev. Irvin, pastor of St. Peter church, and Rev. Phillip Hayes, pastor of St. Anne church.

M. H. Schreiber, past commander of the Barrington Legion post was toastmaster of the evening.

A delicious chicken dinner was served by the ladies of St. Peter church.

## Arthur Miller Made Motor Cycle Police

Arthur Miller, 210 N. Elm street, has been appointed traffic officer by the village of Barrington to fill the vacancy created this month by the resignation of Ernest Wosow, former night patrolman. Joseph Welch, Lake county deputy sheriff had been appointed and had accepted tentatively, but he reconsidered and decided not to make the change.

Mr. Miller, who has been a native of Barrington all his life, started work Tuesday afternoon. During the summer months and through part of the fall, he will patrol the streets on a motorcycle. In the winter months he will do night patrol work with William Bohrer, present night patrolman.

The decision of the village board and police department to add a motorcycle officer was based on a campaign against speeding and reckless driving, officials reported. They warned motorists that violators will be liable for arrest and fine.

Based on precedent, the present assistant secretary and assistant treasurer, Miss Janice Grabenkort and Myron Kuhlman, will take the full offices while Mr. Reese will be made president.

The nominating committee consists of H. D. Kelsey, Burton Hoffman and Miss Marian Jura. The present officers, V. Gallagher, president, Mrs. Henry Kincard Jr., treasurer, and Miss Evelyn Pedersen, secretary, will automatically become members of the advisory board.

He mentioned the proposal to consolidate governments of Cook county and pointed out that the objection to it is the desire for home rule in each locality.

## Three Dogs Die of Rabies; Warning Issued by Officer

Two in Village Show Positive  
and Third Symptoms;  
Child Bitten

The presence of rabies became known over the week-end and the death of three dogs, two showing positive reactions in laboratory tests and the third symptoms. This was followed by a warning from local health authorities to dog owners to protect their pets.

The two dogs with positive cases, found in the village, were owned by Clayton Watkins and C. Eikelberry, and the third, in Elia township at Quentin's Corners, was owned by L. Sturm.

A dog owned by Louis Popp of Barrington, being held for observation by A. G. Oleske, veterinarian, following the biting of Donald Schumacher, son of Mr. and Mrs. Fred Schumacher of Barrington, Monday afternoon. The incident occurred while the boy was playing with the dog in the Popp home, and although held, the animal is not suspected of having the disease.

E. W. Baede, health officer, warned dog owners to take every precaution possible with their pets to avert any spread which might necessitate a quarantine. Vaccination was recommended as well as immunization. The immunization, he reported, could be done easily and would last for one year.

Owners were also advised to keep dogs chained or under lock and key if they displayed a tendency to be savage. In keeping with efforts to prevent any spread, Dr. Oleske has volunteered to have laboratory tests made of any dogs dying under suspicious circumstances. Under this plan, owners can ascertain if their animals die of rabies; and, if so, can take necessary steps to protect members of their families.

The other stations are to be filled by associate matrons and associate patrons of surrounding chapters and are as follows: W. J. Knott of Graylake, associate patron; Myrtle F. ## "The Mail Must Go Through!" It Does—Nearly Seven Months Late

The mail must go through! That has been the slogan of the federal postal force for many years and it was illustrated by the receipt of a letter here Friday, June 11, 1937, after nearly seven months late and surrounded by a major air tragedy and mystery.

The letter, which was sent by airmail from Mrs. Harry Landwer, Riverside, Calif., to her sister, Mrs. Joseph D. Robertson, 120 W. Station street, was mailed on December 14, 1936 and arrived here June 11, 1937.

Around that long absence is woven the story of the sudden disappearance of an air liner and seven persons on December 15, 1936. The plane was discovered a week and a half later, near Salt Lake City, Utah, buried from sight in deep snow banks. From the scattered wreckage, searchers picked out damaged mail.

When the letter arrived in Barrington, it was in an original envelope, the original bearing signs of suffering from the elements. The

writing was barely legible and the flaps were all opened by the long exposure.

To climax the incident, Mrs. Landwer is in Barrington, having come some time ago to the funeral of her brother, Alvin Sempf. She remained here to be with her sister, Mrs. J. Robertson, who underwent a throat operation at the Sherman hospital in Elgin Monday morning.

Gets Diploma and \$5 Bill

A diploma for alertness in selling and a crisp new \$5 bill went to D. O. Weber of the Miller Oil station in reward for services performed on the Gates Rubber company mystery car Saturday.

The car was driven to the station unrecognised as the mystery car. The driver asked for water for the radiator but made no purchase. While waiting for the water, Mr. Weber noticed the fan belt was badly worn. He called the driver's attention to the belt and recommended a new one.

## Hundreds Join in Celebration for Village Projects

Parade, Concerts, Talks and  
Pavement Dance Draw  
Crowd Saturday

Residents of Barrington and nearby communities turned out in large numbers Saturday to participate in the dedication of the new sewer system and treatment plant and the widening of Main street. Village Trustees J. J. Carroll, John F. Daeschler and Rudolph Berg arranged the schedule.

The event was climaxed by an evening program which included concerts by the school bands and orchestras, and speeches by many important leaders. David R. Kenicott, director of PWA in Chicago, was the principal speaker. Earl Hatje, village president, introduced guests.

William Busse, Cook county commissioner, spoke as did D. H. Maloney, village attorney, Arthur Carroll, village engineer, J. J. Carroll, chairman of the dedication committee. H. D. Kelsey, supervisor of the town of Cuba, was introduced from the platform.

A parade in the afternoon started the celebration with the band leading the procession, and was followed by a Legion color guard, boy scouts, girl scouts, cub pack, campfire girls, private cars, Jewel Tea stores, Gold Star Motor sold, Strand Dress Stores, and cars from several garages.

A team of oxen from the A. L. Eustice farm in Barrington township, and driven by Roy Upton, was an interesting feature in the parade.

Prizes were offered by the committee and went to Standard Motor company for the oldest car, and to Mr. and Mrs. Fred Wolf and Mr. and Mrs. Martin Jura for the newest.

## Present Diplomas to 54 Graduates at Commencement

Robert Koenig, Valedictorian; Seventeen Given Honor Awards

Diplomas were presented to 54 members of the 1937 graduating class of Barrington high school Tuesday night at the commencement exercises held in the auditorium. P. L. Anderson, president of the board of education, presented the diplomas and M. S. Smith, superintendent of schools, made scholastic awards.

Reverend Charles W. Gilkey, dean of University chapel, University of Chicago, delivered the commencement address. He based his theme on eight words found on a single page of the daily journal written by a youth who journeyed to the Arctic Circle with McMillan and later into the Antarctic with Admiral Byrd.

The youth had written the following words: "Success is not a destination, but a journey." Around that theme, Rev. Gilkey wove an interesting and clear picture.

He warned the graduation class to remember success was not to be judged by the individual's immediate standing. The two requisites for a successful life, he stated, are a sense of direction and the courage to continue.

Superintendent Smith presented gold medals to members of the high school orchestra which ranked first in the national contest at Columbus recently.

After that he made the following scholastic awards:

First year: Miss Shirley Bergeron, Bushnell, Fullerton; Eva McDowell, Patricia Rutledge, Deborah Durbin, Arnold Kohbert, Robert Plagge, Paul Pohlman, William Paul, Arthur Kalkins, Walter Wolf; second year: Margaret Sheehy, Charlotte Wells, Elizabeth Wolhausen, Ruby Anderson; third year: Miss—Arthur Castle, Lloyd Nicolai.

Robert Koenig was presented with a diamond pin as valedictorian of the class.

The program for the exercises was as follows: Anderson, presiding; processions; high school orchestra; invocation, Rev. H. L. Eagle; selection, orchestra; address, Rev. Gilkey; vocal solo, Miss Adelaide Evans; presentation of awards. Superintendent Smith, presentation of diplomas, P. L. Anderson, benediction, Rev. H. E. Koenig.

Ohio street, sustained a fractured skull, while three of his companions were also injured. They were taken by ambulance to a local physician and then to the West Suburban hospital in Chicago.

The others injured were: Miss Kay Dueshberg, 1411 N. Lorel avenue, deep lacerations of the left arm; June McCullis, 1104 N. Lathrobe avenue, head injury and possible back injury; P. F. Cardell, 1251 N. Lockwood avenue, lacerations and bruises.

## Kean Hughes Weds in Lovely Garden Setting Saturday

BARRINGTON HILLS.—The garden of the Ernest Hughes estate home was the focal point of interest in the Barrington Hills colony Saturday when Kean Hughes became the bride of Frederick Carlton Williams, son of Mrs. Gerald Carlton Williams of Detroit. Before a contrasting background of evergreens, large standards of white gladioli, lilies and stocks, the young couple exchanged vows in the service read by the bride's grandfather, Rt. Rev. Charles Edward Woodcock, bishop of Kentucky.

The bride was dressed in the gown worn by her sister Charlotte when she was married to L. F. Bateman several years ago. The gown was of white satin with a long veil of tulle and she carried lilies of the valley.

Preceded by her cousin, Miss Anne Whitehead of Louisville, as her only attendant, the bride approached the garden over a flagstone walk marked by chains of laurel. Miss Whitehead wore a mouseline de soie of a new shade, orange ice, with a large horsehair hat in a slightly paler color. Her bouquet was of spring flowers with blue outstanding.

Immediately after the wedding, the young couple left on a trip. They will live in Detroit.

A number of out-of-town guests were entertained by friends and neighbors of the Hughes family over the week-end. Bishop and Mrs. Woodcock will remain for a

## "Fifty Roads to Town" at Catlow Sunday, Monday

"Wake Up and Live" Showing; "Cafe Metropole" Here Wednesday

Today's flash from the motion picture front is a good-news flash, for "Wake Up and Live," the musical featuring Walter Winchell, Ben Bernie and Alice Faye which opened yesterday at the Catlow theatre, is by all odds the sweetest, most glamorous and glorious musical ever made.

The mystifying trick of locating their engraving plant on board a luxurious private yacht, owned by an ostensibly respectable citizen, serves to conceal for a time the counterfeiting activities of a clever gang, the final routine of which is depicted in "Midnight Taxi," coming Saturday.

Double featured Saturday night is "We Have Our Moments," starring Sally Eilers and James Dunn. Norman Taurag, who directed both "Fifty Roads to Town" and "Quail in Reunion," with the Dionne Quintuplets, is reunited with these two popular players in "Fifty Roads to Town," starring Don Ameche and Ann Sothern, which opens Sunday.

In "Fifty Roads to Town," a laugh-spiced romance of two show-bonded young people who find themselves marooned in a mountain cabin, Taurag is in his element as a master of amusing and thrilling situations.

Author of more best-selling novels than any living American writer, Harold Bell Wright, creator of "It Happened Out West," coming Tuesday to the Catlow, strikes a new note in Western adventure photoplays.

"That I May Live," starring Rochelle Hudson, Robert Kent and J. Edward Bromberg, is on the double feature bill Tuesday with "It Happened Out West."

A gay and light-hearted Continental romance, luxurious as orchids on ermine, smart as the Rue de la Paix, merry as the third glass of champagne, romantic as moonlight on the Seine, "Cafe Metropole" opens Wednesday for a three day run with Loretta Young, Tyrone Power and Adolph Menjou in the starring roles.

## Couple Wedded at Cary Church Rites Saturday Morning

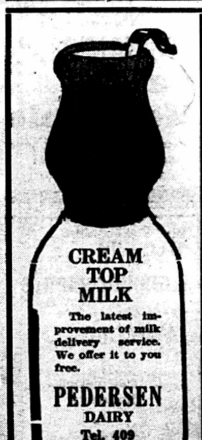

CARY.—Miss Emily Suchy, daughter of Mr. and Mrs. Roy Suchy, and Alvin Mavis, were married at S.S. Peter and Paul church in Cary Saturday morning at 9:30 o'clock. Rev. Father Francis Kilgerry officiated, and after the ceremony, solemn high mass was celebrated.

The bride was charming in a white satin gown with a train and a long tulle veil with tulle and pearls. Accessories were to match. She carried a bouquet of roses.

Miss Evelyn Pichen, cousin of the bride, was bridesmaid and wore peach lace over peach satin with accessories to match and also carried a bouquet of roses.

Joseph Lasansky was the best man and also gave the bride away, taking the place of her father who was unable to attend due to illness. ## Suburban Building Maintains Monthly Record of Increase

New building in the Chicago suburban region in May again produced one of the largest totals of the past six years, according to a survey made by Straus Securities corporation. The amount, \$3,592,954, has been exceeded only three times since January, 1931, and continues this year's extraordinary gains over last. The May figure of this year exceeds that of May a year ago, which was \$2,391,391, by over \$1,200,000, or 57 per cent.

In the five months of this year permits have been issued by 59 suburban communities to the amount of over \$15,000,000, as compared with approximately \$9,500,000 in the same period last year.

Building permits issued by the city of Chicago in the past five months total approximately \$13,275,000 as against the \$15,000,000 of the suburban region. In May, the city issued permits to the amount of \$3,355,150, while when compared with the \$3,592,954 of the 59 communities reporting to this survey demonstrates the fact that building in the suburban towns continues to lead that in the city.

In comparison with April, which was the first \$4,000,000 month since 1929, suburban building fell off, the April figure being \$4,424,193. Analysis of the returns from the individual towns shows that in some communities building was better in May than it was in April, notably in Elmhurst where there was a jump from approximately

\$50,000 in April to \$78,000 in May. Forest Park with an increase from \$11,000 to \$164,000; Kenilworth \$16,000 to \$96,000; Niles Center, \$6000 to \$49,000; Western Springs \$23,000 to \$92,000; and East Chicago \$43,000 to \$118,000. But the trend in most communities was downward, and this would be more apparent in the total for the region but for the fact that the \$500,000 addition to the plan of the Electro Motive corporation at McCook three in a half-million dollar item to stem the falling tide.

Details of the survey are as follows:

	May '37	May '38
Barrington	5050	10,423
Crystal Lake	7,100	3,550
Des Plaines	35,400	1,675

## L. Graham Named Member of County Zoning Committee

### Supervisors in Lake County Take Steps to Remove Unsightly Spots

Lloyd Graham of Barrington was appointed a member of the newly organized Lake county zoning board to regulate and restrict the location and use of buildings and property at a meeting of the board of supervisors in Waukegan Monday. John J. Hogan, Waukegan township clerk, is chairman of the board with Attorney Harold Talbot of North Chicago. Supervisor David VanPatten of Waukegan, Ray Dion of Waukegan, County Surveyor James Anderson Jr. of Lake Forest, Mr. Graham and T. R. Wyles of Highland Park as members.

Institution of a zoning board is step toward paving the way for the elimination of unsightly junk yards and "auto graveyards." The movement was proposed following the passage of a law by the general assembly allowing county zoning.

This zoning board, appointed by Barrington Homer T. Cook with the approval of the entire board of supervisors, will prepare a resolution to recommend zoning districts for various purposes in the rural sections of the county, outside of incorporated villages and cities.

Under this plan, when the zoning limitations as set up by the zoning board in a resolution are approved by the board of supervisors, complaints may be heard against property owners whose land or buildings are used for enterprises contrary to the limitations of the zoning restrictions.

The main purpose of the zoning of county property is to prevent the further use of property bordering state highways for "auto graveyards" and to eliminate dumping and unsightly scenes on land adjoining main highways in the county.

## Hundreds Join in Village Celebration

Continued from page 1  
The prize waiters in the pavement dance held in the evening. The dance climaxed the program and a large crowd joined in the celebration until late in the evening. Unable to attend the dedication, Dr. Frank Jirka, director of the Illinois department of health, sent the following message to Mr. Hatje:

"On behalf of the sanitary water board of the state of Illinois, I send you its compliments and congratulations upon the completion of the new sewage treatment plant. The village of Barrington and its officials are deserving of the high-

est commendation for their persistent and conscientious efforts, particularly in overcoming what previously appeared to be unsurmountable obstacles.

"Today you have reached the pinnacle of successful efforts, and assure the citizens of Barrington not only protection against stream pollution, but a positive protection against sewage born disease.

"On behalf of the Illinois state department of public health, I further congratulate you on this health protection."

# Bears Meet Elgin Stags in Second Contest of District Tournament

## Blast Roselle in First Game, 13-0, at Elgin Friday

Travel to Tournament Park  
Wednesday; No Game  
Here Sunday

The Barrington Bears officially declared themselves in the district baseball tournament being conducted at Elgin by whipping Roselle in a shut-out game last Friday night, 13 to 0. Behind the artillery of pitcher Bob Stickle, the Bears collected 13 runs in six and two-thirds innings, when the game was called under the tournament ruling providing for calling or halting of the game when a team leads by eight or more runs at the seventh. Stickle allowed two hits, both singles.

The Bears played their second tournament game in tournament park in Elgin Wednesday night. The Elgin Stags, white hopes of that city, were drawn as their opponents.

The Bears, with a revamped lineup, represent a powerful aggregation when clicking. If Stickle can repeat his performance or come close to it, the Bears will be hard to stop. However, by playing Roselle and the Stags at the outset of the first round of play, it can be regarded as indicative of the tournament managers' estimation of the local's chances. Both teams have been regarded as the potential winners by forecasters.

The results of Wednesday evening's game will be found elsewhere in this issue of The Review. The tournament is run on the double elimination system, two defeats being necessary before a club is dropped. Winner of the district will then be sent to the state tournament with a chance for the national title.

An aggregation composed of regulars and substitute players traveled to Glen Ellyn Sunday and took it on the chin for a 14 to 1 count. When started on the mound for Barrington and pitched four innings. During that time he allowed nine runs on nine hits, two wild throws, hit two batters, struck out three and there were four errors.

When Whon headed for the showers the big parade of pitchers started. C. Altenburg going in

to hurl for the fifth inning, setting down three batters with no runs before retiring.

## Changes in Rules of Neatest Farms Contest by P.M.A.

Chicagoand's "honest-to-goodness" dairy farmers will again have their chance to recognition and honor, it was revealed today when the Pure Milk association officially announced the opening of the 4th annual Chicagoand's Neatest Dairy Farms project. Entries will be accepted up to midnight of July 10, 1937.

An all-expense, 8 day trip to Yellowstone National park will be given to the dairy farmer and his wife whose farm is declared the "neatest" in the Chicago milk shed among PMA farms this year.

Interest in the project is high, especially in view of the fact that

two major changes have been made in the rules to equalize competition. They are:

1. Last year's grand champion dairy will not compete until 1942.
2. The previous district champions in each of the association's 15 districts may not compete again for the district championship this year, but may compete for the title of "Grand Champion Neatest PMA Dairy Farm" provided their rating equals that of the 1937 district champion.

The 14,500 members of the

Pure Milk association are divided into 15 districts in the milk shed, which comprises the 33 counties within 100 mile radius of Chicago in Illinois, Indiana, and Wisconsin. Selection of the neatest dairy farms in the Chicago milk shed are based upon neatness of the dairy farm—regardless of the financial output. In this manner the practical dairy farmer is

officially recognized for his part in producing what is reputed to be the "World's Finest Milk Supply." General appearance of the dairy farm counts 50 per cent; condition of the dairy barn and herd counts 20 per cent; condition of the milk house equipment, and utensils counts 20 per cent; and the condition of all other buildings on the dairy farm counts 10 per cent.
