The picnic will be turned into a mass demonstration of loyalty to Dr. Townsend because of the recent disturbances at national headquarters. All the features of an outdoor frolic for families are in the making.

Caravans are to form at many points. Those from Chicago's south side will move from Maxwell's restaurant at 9 a. m., pick up others at Clark and Howard

at 10 a. m., more at Evanston and Des Plaines and at Dempster and route 60—at 11 a. m. and a caravan will get underway at 11:30 at Barrington to the grounds.

tyville, O. D. Eiters of Barrington, Mr. Foulds of Waukegan, Arthur Bales of Zion, and James A. Clark of Evanston. Mr. Clark is the caravan chairman.

Let Mr. H. R. Rich of Chicago tell you why he got out of the "All Three" class!

"I'd been driving one of the 'All Three' cars. I've no complaints... It was a fine car. But with better times returning I wanted to get back to the 'big car' class again. The low delivered price on the Nash LaFayette-'400' simply amazed me. Actually it cost me just a FEW dollars more than one of the 'All Three'."

Look at that car in the picture. It's a great big 117-inch wheelbase Nash LaFayette-'400'. You get a 90 horsepower, six cylinder engine. You get larger hydraulic brakes, stronger all steel body, extra-wide seats, more headroom, legroom. Get the Nash extra value story today!

FOR AS LITTLE AS \$1 OR \$2 A MONTH EXTRA you can get out of the "All Three" class. A check-up recently made in ten representative cities shows that the Nash LaFayette-'400' 2-door sedan with trunk DELIVERS

for just a FEW dollars more than the standardly equipped 2-door sedans of the "All Three" small cars. In many places, the SUGGESTED difference in price amounts to just \$1 or \$2 a month extra on your time payments.

WHAT is QUALITY FURNITURE?

CERTAIN, indispensable elements combine to produce quality furniture. Of first importance is construction. Exposed, as well as hidden construction must be such that the furniture endures over a long period of time. Materials are of equal importance. They must share with construction the responsibility of producing service. Next comes beauty. Beauty is hand-maiden to quality... a beauty that is reserved, quiet, never garish. In furniture, as in everything else, it pays to buy quality. It costs very little more, but is actually worth many times more because it gives longer service and enjoyment and its beauty is not impaired by the hand of time. In the long run, quality furniture costs less!

Budget Your Payments

Buy quality furniture on our widely-used Budget Plan. Pay the same as you do for your automobile. A small charge is added to cover the cost of handling your account. We invite you to use this Budget Plan.
