He was taken into custody by the county highway police upon a complaint made by Miss Hoffman, of Chicago, who was driving the car which was struck by Rogman's machine.

According to the report filed by county highway police investigating the crash, Rogman had been drinking at the time of the crash. He was taken before a justice of the peace and bound over to the grand jury under a \$500 bond.

The report relates that according to Miss Hoffman, she was traveling north on the Northwest highway and Mr. Rogman was traveling south. The two machines crashed into the side of her machine at the curve.

Start Working on Widening Hough- Main Intersection

To Cut Southwest Corner for
Motor Traffic; Move
Walk Back

Village employees under the supervision of Paul Purcell, superintendent of streets, began removing the water hydrant and ornamental light pole from the southwest corner of Main and Hough streets Tuesday.

They are beginning the preliminary steps in widening the intersection at that point. Approval of the change in the Main street widening project was received this week from the public works administration officials in Chicago.

The widening will be done by Milburn Bros. of Mt. Prospect who are now completing the sidewalk lowering work.

The corner will be cut back 15 feet on Main street and 10 feet on Hough street. The walk will be moved back and placed at an angle with a six inch curb. A triangular piece of roadway will be formed by the moving.

The poles and hydrant are to be moved west on Main street to the end of the Pure Oil company property. The electric wire pole at that point will be moved to a point on the east side of Hough street.

A survey is being made along Main street to determine the replacement of trees that were taken out by the widening. At the board meeting Monday night it was reported no trees will be replaced in the parkways. Those property owners who lost trees in the work may, if they so desire, have them replaced in their lawns, trustees indicated.

Completion of the E. J. and E. railroad crossing on west Main is expected by the end of the week. If sufficient funds are available, the board intends to request improving the Chicago and North Western crossing downtown.

Club Invites Public to Visit 11 Gardens in Estate District Friday

Members of the Garden Club of Barrington will be hostesses at the public exhibition of eleven gardens in the estate district Friday afternoon and will entertain their guests at tea on the terrace at Mrs. Frank Hecht Jr.'s at four o'clock.

Miss Billie White and Mrs. Randolph Payson, co-chairmen of the event, have arranged to have members serve as hostesses at each of the gardens from 1 to 5:30 p. m. Gardens of the following members will be open for inspection Friday: Mrs. Alexander Reichmann, Mrs. Frank Hecht Jr., Mrs. H. Stinson Hart, Mrs. Edwin Selpp, Mrs. John Roberts, Mrs. J. R. Cardwell, Mrs. Frank Johnston, Mrs. Edward K. Hardy, Mrs. George Van Hagen, Mrs. Paul Harper and Mrs. Harold Cheney.

In case of rain, the event will be postponed one day and the gardens may be viewed Saturday, it was reported.

Among the most unusual, is the Hardy garden with its hill top house, lake house, terrace to the lake and flower-bordered paths.

The formal Hecht garden is surrounded by high shrubbery, lovely evergreens add a charming touch. A rose garden and woodland garden on the Reichmann place are distinctive also. The Harper and Cheney gardens are smaller, but more informal than the others but in perfect harmony with the early American architecture of both homes.

Will Request State to Improve Bridge

A request that the bridge on Northwest highway over Flint creek at Jewel Park be improved will be made by the village of Barrington to the state highway department, according to a decision reached at the board meeting Monday night.

A letter from the village engineers was read by D. B. Maloney, village attorney, advising the trustees to take this action in line with the widening and dredging the Flint creek bed from North-side park to Jewel park.

Because the bridge is built in the manner known as a box culvert, the floor curtails the flow of water and is partly blamed for infiltration by backing up into Jewel Park sewer lines.

The dredging is now being done on the west end of the stream. A new course through the Public Service company property east of Hough street is being made. A. L. Davy is the contractor under the award by additional grant money received from the federal government, through PWA.

Mail Carrier Job Open to Bidders

The post office department has advertised for bids for carrying the mails between the post office at Barrington and the railroad station. Sealed proposals will be received at the Barrington post office until July 1. Details and necessary blanks may be obtained at that office.

The work requires approximately 10 round trips daily between the post office and the railroad station. The first mail train arrives at 8:05 a. m. and the last mail is dispatched at 5:15 p. m.

Village Gilbert, who has held the job of mail messenger since the resignation last winter of Leo LaPointe, has given up the work and the mail carrier at present being transported by Clifford G. McCoy, son of J. A. McCoy, ticket agent at the C. & N. W. depot.

In Path of High Wind Sunday

The two pictures above show in part the great damage that was done by a violent wind storm at the John Welch house at Hough Lake on route 176, two miles west of Wauconda, Sunday evening. The upper picture shows the trailer owned by Mr. and Mrs. H. R. Hutchings, 2840 Orchard street, Chicago, with a limb of a large tree resting on it. A car driven by Eugene Bock, 6739 Newgard street, Chicago, crashed into a village water hydrant when a rear tire blew out on Northwest highway at Grimm Service station Saturday afternoon. Bock was traveling north, and when the tire gave way, the machine left the road, climbed a bank and hit the hydrant on the east side of the highway.

According to witnesses, Bock turned around and attempted to drive away but was halted when the machine could not operate. He was charged with reckless driving by the local police and posted a \$100 bond.

Strike Complaint in \$55,000 Suit for Sewer Damage

Gieske-Thorne Sewer Case Is
Ruled on in Circuit
Court Tuesday

A motion to strike the complaint in the Gieske-Thorne \$55,000 damage suit against the village of Barrington was allowed by Judge Ralph Dady in circuit court of Lake county Tuesday. The motion to strike was based on the claim the complaint was not specific.

Judge Dady allowed the attorneys for the plaintiffs 30 days to file an amended complaint. The complaint was filed April 14 by Attorney Charles W. Miller of Waukegan representing Mrs. Dorothy Thorne of Chicago and Mrs. Adelheid Gieske, 124 N. Harrison street.

Representative of the plaintiffs stated Wednesday that the amended complaint will be filed shortly. In the amended complaint it will be necessary to name specific dates and amounts of damage, it was reported.

The bill asked \$55,000 damages on the allegation that seven parcels of property and five residences on Russell and Summit streets suffered a loss in value with the construction of the new sewerage plant and sanitary sewers last year.

D. B. Maloney, village attorney, was instructed to file an answer to the complaint, which was done May 3. He then petitioned that the complaint be stricken on the grounds that it failed to specify damages incurred.

WHAT is "QUALITY FURNITURE"?

CERTAIN, indispensable elements combine to produce quality furniture. Of first importance is construction. Exposed, as well as hidden construction must be such that the furniture endures over a long period of time. Materials are of equal importance. They must share with construction the responsibility of producing service. Next comes beauty. Beauty is hand-maiden to quality... a beauty that is reserved, quiet, never garish. In furniture, as in everything else, it pays to buy quality. It costs very little more, but is actually worth many times more because it gives longer service and enjoyment and its beauty is not impaired by the hand of time. In the long run, quality furniture costs less!

Budget Your Payments

Buy quality furniture on our widely-used Budget Plan. Pay the same as you do for your automobile. A small charge is added to cover the cost of handling your account. We invite you to use this Budget Plan.

June Kotel Becomes Bride

A beautiful wedding was solemnized at Salem church Saturday evening at 6 o'clock, when Miss June Kotel, daughter of Mr. and Mrs. Albert Kotel, 442 N. Cook street, became the bride of Floyd Crosby, son of Mr. and Mrs. L. A. Crosby, of Janesville, Wis.

Baskets of exquisite white peonies, mock oranges, and tall white candelabra against a background of palms made a lovely setting for the exchanging of vows. At 6 o'clock Miss Anna Catherine Armbruster, an intimate friend of the bride, played an organ prelude of "Melody" by Hoffman and "Fragrance" by Schubert. She wore a peach lace dress of princess style, and a corsage of gardenias. Two vocal numbers, "Beloved It Is Morn" and "Calm Is the Night," were sung by Mr. Lee of Elgin.

To the strains of Lohengrin's wedding march the bridal party entered the church with little Audrey Hosford strewing petals for the bride. The bride was escorted to the altar by her father, who gave her in marriage. She was attired in white silk lace, princess style, with train. Her finger-ring was held in place by a band of white roses and lilacs of the valley. She wore a gold lavalier that her mother wore at her wedding, and carried a shower bouquet of white roses and lilacs of the valley, her chosen flowers.

The bride was attended by her sister, Miss Leona Kotel, as maid of honor. She wore a peach dress over peach taffeta, and a transparent peach bonnet of peach trimmed in a band of aqua-marine roses. She carried an arm bouquet of yellow roses. Miss Verna Larsen, Mrs. Clark Shewley and Mrs. George Wakefield served as bridesmaids. They wore aqua-marine chiffon and tulle-trimmed dresses with bands of peach roses. They carried arm bouquets of tallman roses.

Robert Crosby attended his brother as best man. Donald Hinchins of Sparta, Mich., Robert Mullins and Victor Little, of Janesville, Wis., served as ushers. They were all in white as also was the groom.

The bride's mother was in navy blue chiffon while Mrs. Crosby wore a blue lace suit. Both had corsages of gardenias. After the impressive single ring ceremony was read by Rev. Stauffer, a reception was held at the home of the bride's parents where a wedding supper was served to 100 guests.

Mrs. Crosby attended Knox college and the University of Illinois and Mr. Crosby attended the University of Wisconsin.

The bride and groom are spending their honeymoon traveling through Michigan and Canada. They plan to stop at Niagara Falls before returning home. They will live in Cambridge Springs, Pa., where Mr. Crosby is employed by the Carnation Milk company.

The bride wore a navy blue suit with white accessories for her "going away" costume.

Two Score Escape in Storm Sunday

Continued from page 1

New 1937 model car that was struck by a tree.

Two children from the Hutchings trailer had left for the wash-room while it was raining slightly and had gone about 50 yards when the storm struck. Mr. Stewak grabbed them and placed them in his car with his family. Quickly backing up the car, he prevented the possible loss of seven lives when a large oak tree fell across the hood of the machine, wrecking it beyond repair.

Another car escaped damage when the emergency brake was left released and the force of the wind rolled it down a slight incline just before a tree crashed on the spot it had vacated.

An unidentified vacationer received the thrill of a lifetime when the picnic bench he was seated on while eating his lunch was hurled up into the air. Realizing his predicament when about five feet from the ground, he rolled off and saw the bench carried high into the air, crashing to the ground 50 feet away in splinters.

A total of 10 large oak trees and a number of picnic benches were the victims of the wind which hurled destruction in a space less than a city block square. It lasted approximately one minute and was gone as quickly as it came, eyewitnesses reported.

Mr. Wiech was an eyewitness to the scene from the rear of his tavern and quickly summoned medical aid for the injured man, who was taken to a Chicago hospital, and rendered assistance to the frightened crowd.

The storm, which was general in this area, took a toll of tree branches, trees and roofs as well as inundating the countryside. In the village the damage was not considered severe and no flooded basements were reported.

Gardens Opened to
Public Tour Friday

BARRINGTON HILLS. — The Garden Club of Barrington is keeping "open house" Friday and a number of beautiful gardens are to be shown from 1 o'clock until 5:30.

The following are the gardens to be displayed: Col. and Mrs. John Roberts, Mr. and Mrs. H. S. Hart, Mr. and Mrs. A. F. Reichmann, Mr. and Mrs. George E. Van Hise, Mr. and Mrs. James H. Cardwell, Mr. and Mrs. E. K. Hardy, Mr. and Mrs. H. C. Cheney, Mr. and Mrs. Paul Harper, Mr. and Mrs. Edwin Selby, Mr. and Mrs. F. H. Johnston, and Mr. and Mrs. Frank Hecht Jr.

At the last place, that of Mr. and Mrs. Hecht, tea will be served on the terrace.
If rain should be the order of the day, the garden visit will be postponed until Saturday.

"Don Voyage" Parties

The departure of Mr. and Mrs. A. F. Reichmann and son William for Europe Friday has been preceded by a number of good bye parties. Col. and Mrs. John Roberts gave a dinner last Saturday night, as did Mr. and Mrs. Robert Buckley Sunday night. Mrs. Hecht Jr. entertained for three Thursday night cocktails at her home and dinner later at the Country Club.

The Reichmanns sail Saturday night on the SS. New York and expect to have a number of happy reunions in Europe with friends they made while on their world tour a year ago.

Sail for Europe

Mrs. John Walker Thompson and her father, George F. Harding sailed for Europe last Friday on the SS. Europa. They will be abroad for the summer.

Personals

The Woman's Golf association played at Sunset Ridge Golf club last Monday and Barrington Hills was represented by Mrs. Kenneth Knickerbocker, Mrs. Arthur McIntosh Jr., Mrs. Leslie Hansen and Mrs. Robert Buckley.

Tuesday at Barrington Hills was Ladies' Day with a perfect day for golf. A number played bridge in the afternoon and the usual happy groups were gathered at the long luncheon table.

The Women's Western district golf matches were played at Barrington Hills Wednesday and many visitors from various clubs around Chicago were seen on the course.

Mrs. Robert Work took a party of young women to The Mill Race Inn at Geneva Wednesday for luncheon. Those in the party were her house guest, Miss Jeannette Ford of San Diego, Mrs. Earl DeLong, Mrs. Harold Green and Mrs. John Kirby of Evanston, Miss Winifred Record and Miss Fern Work.

Mrs. Robert Work has postponed her book review, which was to have been given this Friday, until July 16. The place and title of book will be announced later.

Mrs. Warren McCracken and Mrs. Richmond Kenyon are home from their trip to Northampton, Mass., to attend the 15th annual reunion of their class at Smith college. They report a wonderful time. Margaret Mitchell, author of "Gone With the Wind," was a member of the same class and though unable to be at the reunion, was honored in numerous ways. The costumes of the class were of the period of her novel and the class poem was a tribute to her book.

Mrs. Charles Buckley, with her daughter Mrs. Charles Buell and granddaughter Nancy Buell, has gone to Osterville on Cape Cod to spend six weeks or more with an older daughter.

A group of men were guests of Sheldon Clark to see the prize fight Tuesday night. It was an interesting party, and Gene Tunny was among the guests.

Mr. and Mrs. George E. Van Hise and daughter Miss Elizabeth, are entertaining a large group of friends at Barrington Hills Country club Saturday night. The invitations are for dinner and cards.

Mr. and Mrs. Guy V. Dickinson were in Barrington last Sunday and guests of Mrs. Hecht Jr. in the evening. They are at the Peterson hotel in Chicago, but expect to be back in their country home this fall.

Miss Rene Smith, who goes to camp Friday of this week, gave a picnic last Monday at "The Orchard" for a number of her young friends. Rene was hostess also last Saturday at Mrs. York's home when a picnic was presented by a group of Mrs. York's pupils. Among the young performers before Rene Smith were Arthur Nelson, Paul Olson, Virginia King and Miss Barrow.

The Birthday Child

of the Week

Only one child is featured this week in the Birthday Child of the Week column. Starting with July the number will increase with pictures of many children now on file.

KAREN LEE OLSON, daughter of Mr. and Mrs. Earl Olson, 212 S. Cook street, celebrates her first birthday Sunday, June 25. Karen decided she wanted her picture taken out-of-doors in her walker but then became interested in other things and would not smile.

REVIEWPOINTS

The Editor,
The Barrington Review,
Barrington, Illinois

Dear Sir:

May I use your columns to express on behalf of all working for Camp Algonquin, our deep appreciation for the generous interest shown by the entire community in our recent drive. The results were more than gratifying, as the returns exceeded those of former years.

Our present balance is \$782, and we expect to finish with over \$800. This sum will be enormously useful in maintaining and improving the camp during the summer.

To all those who gave, and to all those who helped us in our campaign, our heartfelt thanks.

Yours truly,

Margaret E. Hecht.

Barrington Bears Keep Slate Clean in District Baseball Tournament

Defeat Stag Bears 3 to 1 Monday for Second Title Win

Fitted Against Dundee Last Night; List Begins to Narrow Down

The Barrington Bears moved into a four team deadlock for first honors in the district baseball contest being held in Elgin by dumping the highly touted Elgin Stag Bears in a close 3 to 1 game Monday evening.

Behind the pitching of R. Stickle, the Bears crossed the plate three times on four hits, and two errors. Stickle was wild in the first two innings, working himself into a hole in the first with two walks coupled with an error. He escaped in that stanza but was picked for the only Elgin run in the second on a pair of walks and two errors.

Settling down, he handcuffed the Stag Bears and was untouchable until the seventh, when Irwin, left fielder for Elgin, was safe on a high infield fly that dropped safely between the mound and first base.

The Bears came back to tie the count and take the lead in the fourth stanza on the only extra base hit of the game, a double by E. Altenburg, and two errors: A single, a stolen base and a hit to deep right field produced Barrington's other run in the fifth inning. Box score:

The Bears played Dundee last night at tournament park in Elgin. Both teams were in the top rank and a loss by either outfit drops them down the list.

The schedule for the games for the rest of the week are not known at present but, if announced in time, will be found elsewhere in this issue of The Review with a short account of Wednesday's game.

"The King and the Chorus Girl" Here Sunday, Monday

"Seventh Heaven" Will Open Wednesday for Three Day Showing

Loretta Young, Tyrone Power and Adolphe Menjou are starred in "Cafe Metropole," now playing at the Catlow.
Laurel and Hardy, those past masters of whimsical pantomime and artistic fantasy, come to the Catlow theatre Saturday in their latest feature comedy, "Way Out West," with the plot and action along the lines to a degree of the great success which marked their silent films.
Double featured with "Way Out West," is "King of Gamblers," starring Claire Trevor, Lloyd Nolan, Larry Crabbe and Helen Burgess.

The unusual procedure of launching a newcomer to American films with a starring role is followed in "The King and the Chorus Girl," the spirited comedy romance which opens Sunday.
The player in this case is Fernand Gravel, famous Continental screen star, who makes his American bow in this picture.
Norman Krause and Groucho Marx fashioned a swift-paced, laugh riddled story for the new star. In it, he plays the role of a wealthy, spendthrift ex-king who falls head over heels in love with an American chorus girl who isn't impressed by royalty. The chorine in this case is Jean Blondell.
Dramatising for the first time on

the screen the conflict between railroads and trucking companies for freight haulage, "California Straight Ahead" opens at the Catlow Tuesday. Most significant story of the present era, Universal brings it to the screen featuring John Wayne, supported by such well known players as Louise Lathimer, Robert McWade and Tully Marshall.
Double featured with "California Straight Ahead" is "She's Dangerous," with Tala Birell, Cesar Romero and Walter Brennan.
The tenderest romance of our time lives again on the screen when "Seventh Heaven" opens Wednesday for three days with Simone Simone and James Stewart in the starring roles.

MILLER BROS. FUN & FACTS

No. 25 Barrington, Illinois, Thursday, June 24, 1937 Vol. 49

Colored employee to express agent: "Boss, what we going to do 'bout that goat. He done ate up where he's a'wine."

Do away with laborious digging of large post holes. The answer is Red Top Steel Posts. Fence can be stretched immediately.

Truth is stranger than a fiction. It ought to be. It's scarcer.

Don't forget that we carry a complete line of McCormick-Deering farm implements and are always glad to serve you at any time.

We'll bet you couldn't get the Ten Commandments without some amendments to them.

One man said the reason he liked the Cooper Power Lawn Mower he bought here was that it was so easy to run he could now let his wife mow the lawn without hurting his conscience.

Husband: "Men are fools to marry." Wife: "I know, but what else is there for us women to marry?"

Every home should have a wheel barrow in the basement. They come in handy time and again. We have them.

Poem: Today of simple Sally, We wish to rise and speak, She is the lass who smiled the gas, And put a pen under the leak.

The use of McCormick-Deering tractors have done a great many things for the farmer hereabouts. With this dependable power they are enabled to do their work in season and to take the greatest possible advantage of favorable weather.

Who discovered that the relation of a door mat to a door is a "stop farther?"

One of our pet peaves is to see numbers scribbled on the wall around the phone, but the other day we were at a friend's house and he had our number (25) upon the wall, beside his phone. Now that's all right.
