Clubs Plan Awards for Best Gardens

Since classes for the next grades will not begin until next week, the flower show for school children usually sponsored by the Garden club of Barrington annually, will be eliminated this year. Mrs. John Bell reported today, it had been scheduled to take place Friday.

In its stead, there will be a school program in about two weeks in the form of a contest. All of the children's gardens were visited by representatives of the various groups during the summer and the forty best were selected for further judging this week. Mrs. Arthur Hill of Hill Brothers nursery, and two friends from Dundee judged the forty this week and named the twelve best. A boy and girl in each division will be awarded prizes at the school program in two weeks, Mrs. Bell said.

Those in kindergarten, first and second grades comprise division one, those in third, fourth and fifth grades, group two, and those in

Sixth, seventh and eighth, group three. About 200 gardens were planted.

Organizations which supported the children's gardens project by providing seeds were the Garden club of Barrington, Countrywide Garden class, Village Garden club and Parent-Teacher association.
