Youth's Scholastic Record Brings Book Award to Local High

Because of the high scholastic record of Alfred Castle, son of Mrs. H. P. Castle, 525 Grove avenue, Barrington public high school will receive a "Technology ward" from the Massachusetts Institute of Technology. The young man, who entered the institute with the freshman class of 1340, was ranged with the first five in English. Due to his excellent record, a volume for the local public school library will be presented, according to a letter received by Superintendent E. Smith, and will probably be made by Professor B. A. Threaher, director of admissions October 5, 6 or 7. Arthur was a member of the graduating class of 1336 of Barraduating class of 136 of Barraduating class of
