

Five Horses Die When Barn Burns Wednesday

Structure on Ebel Farm Destroyed by Fire; Loss Heavy

Outbuildings Threatened by Flying Sparks; Cause Undetermined

Five head of horses were killed by fire, and 1000 bushels of oats, 20 tons of straw and a quantity of machinery were destroyed when the barn on the Ebel farm, Ridge road, four miles west of Barrington, was buffeted by the ground late Wednesday night. Actual loss was not estimated, but it was reported insurance was carried.

Origin of the blaze could not be determined. It was believed that crossed wires or combustion may have been responsible.

The fire was discovered by Henry Jura, farm manager for Mr. Ebel, shortly before 11:30 p. m. At that time the whole structure was blazing, and it was impossible to enter the barn to release the horses. Mr. Jura drove a herd of cattle from the yard into the field.

Fire from flying embers started on several outbuildings but was extinguished by the Barrington rural fire department called to the scene. A new barn under construction was threatened as was the farm house.

The department was delayed when volunteer firemen were unable to learn the location of the fire. Numerous telephone calls swamped the local switchboard when residents called for information.

Herbert Homuth, fire chief, has requested that no calls be made to learn the location of fires as that hampers operators from furnishing needed information to firemen.

The Ebel farm was purchased by Leo Dwyer this summer and the new building work is being done by him.

A new beauty parlor will be opened on the second floor of the Lipofsky store building, Monday morning, under the supervision of Miss Jean Young of Washington, D. C. Miss Young was formerly with Ogilvie. The manager will be Miss Marie Barnes who has had years of experience in all forms of beauty culture and has had training in Europe. Additional trained operators will be on the staff.

Large double rooms on the second floor of the building have been redecorated and modern equipment is being installed. The new enterprise will be ready for operation Monday morning, according to an announcement on page 4 of this issue of The Review.

Committee Expects Many at Farmers' Institute Sessions

Programs and Exhibits Chief Attractions at Lake Zurich Friday

As an added incentive to the public, door prizes are being offered by the committee in charge of the Lake County Farmers' Institute which begins Friday at the Lake township high school at Lake Zurich. An opening program for adults will be held at Hawthorne school near Mundelein on route 58 Thursday evening. In order to participate in the drawings, those attending have been urged by the committee to register. Drawings will be made at the three adult sessions.

The Thursday evening program at Hawthorne school will start at 8 o'clock. Mrs. Lorraine Blair will speak on "Finance."

Sessions at the high school will be held Friday starting at 2 o'clock. W. C. Petty, Lake county superintendent of schools, is providing entertainment for only one school grade and teachers in the school auditorium, and at the same time Mrs. Margaret Wells Wood will address an adult gathering in the parish hall of St. Peter's Evangelical church in Lake Zurich.

Mr. Petty is offering a program of magic, entertainers, chalk talks, games, Punch and Judy and rag pictures for the pupils. In addition, he has offered prizes for an exhibit contest to be conducted among rural schools.

Mrs. Wood is from the state department of health and is well-known throughout the state for her interesting talks.

The program committee was notified by telegram this week of the inability of Dr. John W. Holland to address the meeting Friday evening due to unforeseen work. He will be replaced by Dr. C. A. Stone, president of the Illinois State Association of Veterinarians.

Members and guests of the Women's association of the Methodist church will meet at the church Thursday, Oct. 7 to hear a talk on the "Relation of Japan to Far Eastern and World Situations" by Rev. Joseph Thomas of Milwaukee, Ill.

Total, 391 Voters Register Monday in Four Precincts

Second Date Tuesday, Oct. 5; Failure to Register Loses Vote

Citizens of Cook county who do not register under the permanent registration law will be unable to vote in any general elections in 1938.

Tuesday, Oct. 5, is the last general registration day. The polling places will be open from 6 a. m. to 9 p. m.

The necessity of registration under the Cook county permanent registration law has apparently failed to impress local residents of Barrington township.

For the entire township only 391 persons registered. Based on the presidential vote in the 1936 national election, this is approximately 24.24 per cent of the total vote in the township.

Under the permanent registration law passed by the last general assembly, no resident of Cook county will be allowed to vote at a national, state, county, village or school election unless that individual has previously registered.

A second date for a general registration is set for Tuesday, Oct. 5. At that time residents of the town of Barrington may go to the respective registration places in their precincts to have their names placed on the lists.

Registration officials were unable to give a definite reason for the small number of registrations. In precinct 1 of Barrington township, the number was 139, in precinct 2 it was 165, in precinct 3, 40 and in precinct 4, 47.

Totals for presidential elections show that 1166 persons voted in November of 1932, 1355 in November of 1932 and 1613 in November of 1936.

The two general registration dates were selected by county election officials in order to complete the work with the least amount of road tape.

Passage and adoption of a permanent registration law has entailed additional work for local election officials. The law, designed to insure honest elections, requires that all eligible voters be registered prior to all elections mentioned previously. For the purpose of acquainting officials with the proper procedure a number of meetings were arranged.

Nineteen hundred fifty-four judges and clerks in the country towns outside of Chicago attended the classes conducted by the county clerk, Michael J. Flynn, in his office. The classes started on September 10 and continued on until September 20th.

Anna Aberle was born in Schwednitz, Germany on February 14, 1865 and came to the United States in 1891. She was married to Carl Schwalger in 1893, who died in 1910. She was united in marriage to Carl Naehrer of Barrington on March 1, 1929. She was a member of the Salem Evangelical church and the Woman's Missionary society.

10-Year-Old Cary Boy Dies of Poison After Spider Bite

Donald Jelinek, 10-year-old son of Mr. and Mrs. Frank Jelinek of Cary, died at the Anthony hospital in Chicago Tuesday. Blood poisoning developed after he was bitten by a spider while playing in the woods at Cary September 1. Physicians reported death was not due to poison from the bite but to a septic poisoning in the wound. Three blood transfusions were attempted in a vain effort to save his life. His father, an advertising executive in Chicago, was the donor.

"Today I'm going to ask each citizen to search out the individual child and see that he gets the proper education," said Commander Applegate in a brief review of worthwhile activities of the Legion. "We have never failed on any program. Complete Program of Entertainment Ready for Guests

Educational and Commercial Exhibits Major Part of Show

A 250 by 125 foot canvas top, as large as five city lots, is being erected today at the Barrington fair grounds by a double squad of workers under the supervision of the unit. Refreshments were served.

This tent will house the commercial, educational and entertainment exhibits of the Barrington fall festival, under the auspices of Barrington Lions club, which will be opened to the public at 7 p. m. next Tuesday evening and remain open every evening through Saturday, Oct. 9. Several of the main entertainment acts will be produced in the center of the large tent, but the others will be shown in an enclosure which can be reached by going through the tent.

A complete program of entertainment is published elsewhere on this page.

The backbone of the festival is the nearly 100 commercial exhibits. Although no merchandise will sell any goods over their improvised counters, many of them will give away valuable premiums to visitors. The entire freedom from any "sales barbers" and the fact that no one will be able to buy anything, except at two or three food concession stands, will retain a pleasing atmosphere at the big show.

One of the features, which will contribute to the success of the fall event, is the group of strictly educational—non-commercial—exhibits.

These include a flower show, to be arranged by the Garden Club of Barrington, a still and motion picture photography exhibit to be conducted by Dr. Earl Kleinwachter and Harold Ankele; a double booth Barrington village exposition, arranged by the members of the village board; a rural community exposition, arranged by the Barrington County exhibit association; a post office exhibit undertaken by Postmaster L. B. Padgett; a large public school exposition, planned by members of the faculty; and a religious exhibit, arranged by the ministerial association.

A flower show will feature fall blooms and arrangements. The Barrington ministerial association will meet Friday to complete plans for showing costly religious works, emphasizing the part in community life created by religion.

A village expansion map, a diagram of the operation of the new water system, drafted by John H. Blanke, and another diagram explaining how the village operates, will be in the Barrington exhibit.

The Countrywide association will feature pictures and maps of the surrounding area showing the estate developments, including homes and farms as well as orchards, lakes and many other points of beauty.

The Barrington public schools will feature four steps of youth development in their exhibits, character and citizenship, health, vocations and leisure time are the topics. They will stress the four salient factors of youth training. P. B. Clark, William Watson, Lee T. Smiley and Charles Roselle are arranging the booths.

A silver trophy, on display at the Park Avenue barber shop, is being offered for the picture judged most appealing in the photography exhibit. Still pictures, bearing the name and address of the owner, may be left at the Barrington Review office Thursday, Friday and Saturday.

Motion picture exhibits must be given to Harold Ankele, at the Ankele barbers, 119 E. Main street, before Saturday.

Junior Woman's Club Will Meet October 5

The first fall meeting of the Barrington Junior Woman's club will be held at the home of Miss Lillian Lipofsky, 237 W. Main street, Tuesday, Oct. 5.

"The Toast of New York" Catlow Bill Sunday, Monday

"Woman Chases Man" Coming on Wednesday for Two-Day Showing

The roar of Navy fighting planes, the languorous romance of the tropics, a vivid, swiftly paced story—these are the elements combined to make top-flight entertainment of "Wings of Honolulu," which plays Saturday at the Catlow.

Wendy Barrie portrays a beautiful Virginia belle who marries a young Navy officer played by Ray Milland. The wife has no knowledge of the conventions, customs and taboos of the naval service. She becomes embroiled in a situation which almost wrecks her husband's career. Milland will be remembered as the leading man of "Three Smart Girls."

Double featured with "Wings Over Honolulu," is "Marry the

Girl," starring Mary Boland, Hugh Herbert and Mische Auer. The rapid rise of Frances Farmer, former co-ed at the University of Washington, has been hailed as one of the more significant cinematic events of the last year. She is now cast in the principal feminine role in "The Toast of New York," co-starring with Edward Arnold, Cary Grant and Jack Oakie, and playing at the Catlow theatre Sunday and Monday.

Based on incidents in the life of Jim Fisk, one of America's great fortune builders, "The Toast of New York" offers an auspicious 1937 debut for Miss Farmer. In the role of Fisk, Arnold is cast in another of the spectacular series of characterizations and Miss Farmer is equally happily cast as Josie Mansfield beautiful young actress for love of whom Fisk attempts to corner the gold supply of the nation.

William Boyd that handsome and bumpy hard-driving buccaroon from Oklahoma brings to life another famous Hopalong character in "Hopalong Rides Again" coming Tuesday. This is the thirteenth Clarence E. Mulford story to be produced by Harry Sherman. It marks the debut of Billy King another hard-riding who is only twelve but already has 28 blue ribbons for his horsemanship. In the cast are

George "Windy" Hayes and Russell Hayden. "The Last Train From Madrid" with Dorothy Lamour, Lew Ayres, Gilbert Roland, Karen Morley and Lionel Atwill plays the double feature bill with "Hopalong Rides Again."

"Woman Chases Man," hilarious comedy, brings Miriam Hopkins, Cary Grant and Charles Winninger, Erik Rhodes and a great cast to the Catlow for two days beginning Wednesday.

The Barrington high school Broncho football team opened its 1937 season with a contest played with Niles Center at that town Friday afternoon and after 60 minutes of pouring rain, emerged in a scoreless tie, 0-0.

As far as a football game was concerned, the heavy downpour of rain that began before game time and continued throughout put a definite damper on any attempts to start real scoring threats.

Two Thrills at Goal
The locals had two opportunities to score, once in the second quarter when the ball was lost on Niles Center's 13 yard line following a hard tackle, the pigskin popping free when the players collided. At the close of the third quarter the Bronchos moved into scoring position when Shepard recovered a fumbled punt and Mountain went 15 yards on a forward pass.

Two more passes were unsuccessful and the third clicked, from Church to Rice for eight yards and Shepard made it a first down on the nine-yard line. The quarter ended with the ball on the five yard line where it was lost on downs.

Play was continued for the duration of the quarter in Niles Center territory and at the closing gun, the opponents' had possession of the ball on their own 10 yard line and fourth down.

Bronchos Gain Ground
Despite the sloppy going, the Bronchos dominated the play in all departments. The line was able at times to make effective holes for long gains and the passing department, notwithstanding a wet ball, was very good. Five tosses out of nine connecting.

A summary of the day's statistics shows that Barrington made 145 yards from line play, and the five passes completed were good for 92 yards. Church punted three times for an average of 40 yards.

and Clinge booted the pigskin once for 50 yards.

Barrington also intercepted one pass and fumbled once, recovering two of Niles Center's fumbles.

Niles Center booted the ball five times for a total of 195 yards and four passes, completing one and from rushing plod up 77 yards.

There was only one penalty throughout the game, one for five yards on Niles Center.

Lightweights Lose
The local lightweight team met the eleven from Libertyville on the gridiron at Northside Park Monday evening and came out of the fray of one-sided scoring, 20 to 7.

Wilson of Libertyville made the first score in the first quarter and converted the extra point on a pass.

Long Scores
Long went into the game for Barrington in the second quarter and made the only BHS score when he raced 83 yards from Barrington's 17-yard line around right end and into the end zone. A clipping penalty was called on Libertyville during the play but was rejected by Saul, who captained the local lightweight eleven.

Score After Penalty
Libertyville came back in the third quarter to make the score 13 to 7 on a sweeping right end run. The ball was put into scoring position by a penalty on Barrington for tackling a Libertyville player signalling for a fair catch.

The final score was added in the closing minutes of a fourth quarter on a series of line plunges by Libertyville.

Boy Scout Day at Northwestern U. Saturday, Oct. 2

The annual Boy Scout Day at Dyche stadium in Evanston when the scouts will be the guests of the Northwestern university at a football game will be held Saturday afternoon, Oct. 2.

On that date, the Northwestern Wildcats will play Iowa State and several thousand boy scouts will

be on hand to witness this game. Every registered scout, cub scout and cubber is invited to attend. All troops and packs should plan to attend as a unit under their own adult leadership. On account of the paving work being done near the stadium it is recommended that all plan to be there by 12:30 o'clock. Entrance will be made at gate No. 1 on Central avenue. Being so close to Evanston it is expected that a large number from the Northwest Suburban council will attend this football game.
