

## P.-T. A. Celebrates Founders' Day at Program Feb. 15

Local Members, Glee Club and  
Boy Scouts to  
Take Part

Rev. W. A. Stauffer of Salem church of Barrington is the speaker to address members and friends of the P. T. A. at its Founders' Day program, Tuesday, Feb. 15, at 8 p. m.

"Family Relationship to Character Education" is the topic he will discuss and Mrs. R. R. Dwyer will give a short talk on "Forty Years of Service."

There will be a presentation of the flag by the color guard of boy scouts, followed by the flag salute. The program will also include music by the high school boys' Glee club under the direction of Miss Adelaide Ewing. They will sing a Negro Spiritual, "Glimp Up Ye Chillin', Clim' and "Drink to Me Only With Thine Eyes."

The following boys are members of the high school Glee Club: Bill Barber, Leslie Bennett, John Dawson, Frank Farwell, Earl Grabenhorst, Kenneth Grom, Jack Grueling, Stanley Hughes, Bill Jacobson, Donald Jorgensen, Richard Komic, Robert Langdale, Bill Long, Melvin Schreder, Andrew Stewart, Forest Shepard, Marshall Stayer, Adolph Trier, Wayne Riske and George Whitcomb.

A prize will be given to the room having the largest percentage of parents present. Last month the prize was awarded to Miss Calkins' room.

The following P. T. A. members will attend the Northwest Council of Cook county suburbs to be held at the Des Plaines Methodist church Friday, February 11. Mrs. C. D. Anderson, Mrs. Hugh Calkins, Mrs. Simon Landwer, Mr. K. L. Lillen, Mrs. Lawrence Pake, Mrs. Reuben Plagge, Mrs. Sanford Riske and Miss Agnes Welch.

The main speaker of the morning will be Walter A. Anderson of Northwestern University who will speak on "Movies and their effect upon children." The afternoon session will be devoted to a panel discussion on radio.

## Reports Complaints Against Taxi Stands at Passenger Depot

Regulation of parking at the passenger depot of the C. & N. W. railroad was requested of the village board Monday night by Harry L. Hammond, local agent. Mr. Hammond appeared before the board at the request of his company which, he stated, had received numerous complaints on parking. Lottering in the waiting rooms was also reported.

The bulk of the criticism was directed against local taxi cab owners, Mr. Hammond reported. When the six cab men now operating are parked along the west platform persons coming to meet trains find it difficult to park and in rainy weather are forced to park away from the shelter. It was learned, Mr. Hammond was informed by members of the board that the railroad retained jurisdiction over the roadway but promised assistance in rectifying the problem.

## Ask Material Bids on School Project

R. S. Smith, superintendent of schools, reported Wednesday that the public works administration is asking bids for sale of materials for completing the new south wing.

According to the schedule planned, work is to start in February and be completed in May, he stated. As yet no men have been assigned to report for work. The second floor and uncompleted work on the first and third floors of the addition are to be finished.

## Two Large Farm Sales Are Listed for Friday

Two big farm sales are scheduled for Friday afternoon, Feb. 11, with one by John Sebesta, the August Sandman farm, 8 miles north of Barrington and the other at the Judge Smiley farm near Harvard. More than 100 head of livestock are on sale at one place and 20 head of livestock at the other, with full lists of farm machinery at both. These and many other good sales for the remainder of February are listed on page 4 of this issue of The Review.

## Miracle Climaxes Battle After Dam at Caesar Lake Breaks Open

A miraculous escape from drowning climaxed a tense battle against flood waters at the broken dam of Caesar Lake Sunday night when Romeo Capull, member of Walbaum and Capull, contractors engaged in repairing the dam, lost his balance and fell into the lake. Caught by the rushing water, he was sucked under a cement abutment by a down draft and carried through a hole eaten in the bottom of the dam.

Mr. Capull was hurled against the fence about 40 feet from the dam where he was rescued by Mr. Walbaum and Mearl Garbisch. He was taken to a local physician for examination and then removed to his home. He suffered no ill effects from his experience but remained home for the remainder of the night under orders.

The dam, which holds back the water of an 80-acre lake built on the property of Orville S. Caesar two years ago, first developed trouble about two weeks ago. Workers were engaged night and day to prevent a complete wash-out.

## Village Trustees Take No Action on Watchman Service

Discussion of the private watchman service in the business district was discussed by Trustee John Daeschler, chairman of the police committee, at the board meeting Monday night. He reported his committee had been unable to reach a decision on what part the village would take because of absence of one member, John J. Carroll, who was on a vacation in Florida at present.

The village had been requested to participate in the expense. Trustee John H. Blanke read a report he had prepared after contacting a number of merchants. In his report, Mr. Blanke indicated that many merchants did not believe a private watchman necessary.

## Lindl's Leadway Store Remodelled

A remodeling sale at the Lindl's Leadway store this week-end will celebrate completion of a major change in the store.

The front store space has been considerably enlarged with 440 additional feet of floor space. It has been redecorated, a frosted foods counter and a new candy case have been installed and an attractive modernistic display table have been added. A second electric refrigerator has been installed for fresh fruits and vegetables. A business office has been built at the rear and a rear store balcony with additional shelving is part of the equipment.

The leadway store has been in operation for a little less than two years and is owned by Edward Lindl.

## Germany Building Great Machine for War, Lions Club Speaker Says

Europeans living under dictatorship have lost that essential to happiness that Americans still enjoy; namely, the freedom to plan and live their own lives as they desire. That information was given by Judge Winn Knoch of Naperville, speaker at the Barrington Lions club dinner Monday evening. The speaker and Dr. R. J. Fanning, also of Naperville, were guests of the local club.

Judge Knoch recently completed an extensive trip through Europe visiting, besides other countries, Italy, Germany, Switzerland, Czechoslovakia, Austria, France and England. He spent the longest time and made most of his study in Germany where the people are 100 per cent under the iron heel of Adolf Hitler, and where a much more powerful military machine now exists than that built up by the Kaiser, he said. It now holds the destiny of Europe and probably the rest of the world, he added.

The ordinary run of citizens in Germany, he said, are not allowed to own automobiles, hotels, etc., were afraid to give him much information. When questioned about his government, a German would glance furtively up at the speaker and then answer guardedly. Judge Knoch gained much of his information from a priest whom he had known before he went to Germany. "Here Hitler does not prohibit religious worship; but the boys

when the lake level was raised by rain and melting snow.

The dam, which holds back the water of an 80-acre lake built on the property of Orville S. Caesar two years ago, first developed trouble about two weeks ago. Workers were engaged night and day to prevent a complete wash-out.

## Village President Suggests Two Local Projects to Board

Northwest Highway Widening and Garbage Service, Hatje's Proposals

Village President Earl Hatje laid two suggested projects before the village board Monday night for consideration. The first was a campaign, in cooperation with other communities, to have Northwest highway (U. S. 12) widened to four lanes immediately.

He proposed that other villages be contacted, requested their assistance in having the matter brought to the attention of the state highway department.

His second proposal was for adoption of municipal scavenger service. It was suggested that information be received from other communities having the service in order to determine the cost of collecting and disposing of garbage.

It was pointed out that the village needs a new incinerator and one might be constructed and financed by a garbage removal service charge.

He informed Trustee R. F. Kocher Sr., chairman of the water committee, that the state sanitary water board had approved plans for the construction of the aerating system and pipe extension of the local water supply. Mr. Kocher was instructed to proceed with the work.

The pipe extension is to connect old pumps with the present system to be used with a second reservoir that is also proposed in the plan.

and girls of the country, forced to attend Nazi meetings on Monday nights, are told to forget the pop-culture they learned in church the day before. They are taught religion is unimportant and that the state is the one and only supreme force, the speaker said.

Throughout Europe the building of armaments has resulted in a temporary prosperity. This race can not go on much longer without bankrupting the nations or resulting in war. The speaker predicted that a general war will be hard to avert, but he declared Germany holds the key to the situation.

"In Germany as well as in Italy, public efficiency is apparent. One-man governments can build parks, buildings, bridges, railroads, can keep cities clean and operate more efficiently than democracies, but this is done at the expense of the individual's liberty." France, Czechoslovakia, Austria and Switzerland fear Hitler and Germany. In Czechoslovakia, the citizens believe Hitler is planning to annex their country and other surrounding territory to build Germany from 65 million people to 100 million. The English people are visibly Hitler, the judge said. They are hoping they can catch up in the armament race before the explosion. Several Englishmen expressed their opinion that the peace of the world can be secured by a military alliance of England and the United States.

## Village Trustees Award Stop Light Contract Monday

A. A. Electric Co. of Cicero  
Lowest Bidder With  
\$3992 Figure

The A. A. Electric Co. of Cicero was awarded a contract for traffic signal lights installation at Main and Hough streets after bids were opened and read at the board meeting Monday night. The Cicero company was lowest of five bidders with a figure of \$3992.

Other bidders and their amounts were: Street Lighting Service of Chicago, \$4144; Meade Electric Co. of Chicago, \$4445; Cuba Electric Co. of Barrington, \$4378; A. W. Davy of Barrington, \$4364.

The motion to accept the bid of the A. A. Electric Co. was made by Trustee Rudolph Berg, who first sponsored the improvement, and was seconded by Trustee R. F. Kocher Sr. The contract was examined by D. B. Maloney, village attorney, and will be sent to the state highway department for final approval.

The signal lights will be installed as soon as all orders are approved and permission is granted. The project is to regulate traffic at the intersection of Main and Hough streets.

## Rain Gauge Ordered Installed at Plant

A rain gauge recently purchased by the village will be installed at the village treatment plant and a daily record kept by operators.

The gauge was purchased on the recommendation of Trustee John H. Blanke, chairman of the building and sewer committees.

A daily record of rainfall will be of value to treatment plant operators in their operation. It was learned. By knowing the amount of rain, an estimate can be made of the amount of increase in sewerage pumping.

Mr. Blanke also read a report on recent pumping figures taken at the plant. The daily average for January increased to 378,000 gallons over the former monthly daily average of 325,000 gallons. On January 24 and 30, over 1,000,000 gallons were pumped each day.

A few high winds reached following the rain last Saturday when 2,301,000 gallons were pumped. On the day following, Sunday, the amount was 1,072,000 while on February 2 and 4 the gallonage was more than triple the former daily average.

The high pumping figures indicated, Mr. Blanke stated that many of the residences on 16th street drains were still clogged to the sanitary sewer lines, throwing a large amount of water into the plant each time it rains.

## Car Catches Fire Tuesday Evening

Mrs. Ray Hoffman and Miss Lovelle Landwer of Elgin, former Barrington residents, experienced an exciting few minutes when the car in which they were riding caught fire on route 25, two miles north of Elgin, Tuesday evening.

They were enroute to Mrs. E. Kemper's home here to attend a Salem Sunday school class supper when the car suddenly caught fire. The blaze was put out by a passing motorist who possessed a fire extinguisher. The car is owned by Miss Landwer.

## Bank Will Observe Lincoln's Birthday

In observance of Lincoln's birthday Saturday, the First National Bank of Barrington will be closed all day along with other exchanges and banks throughout the country.

The bank is the only local business to be closed that day, it was learned. The post office will conduct business on its usual Saturday schedule. The public school will be closed February 22 in observance of Washington's birthday.

## Mrs. O. C. Jones to Address M. E. Women

## Kenneth P. Scherf Candidate for Town Committeeman Post

Kenneth P. Scherf, 306 Dundee avenue, stated Wednesday that he had completed filing the necessary petitions and would be a candidate for election as Barrington township democratic committeeman. This is his first venture into the political field and he is seeking endorsement of the Courtney-Horner group, he stated.

Mr. Scherf opposes R. F. Kocher Sr., who is also a candidate for the democratic post. Dr. A. G. Gleske, incumbent republican committeeman, is seeking re-election and has no opposition.

## Campfire Girls to Sponsor Valentine Dance on Saturday

Red hearts and cellophane shades will be used to decorate St. Anne hall for the Valentine dance which is being arranged by Campfire Girls for the public Saturday evening. Music will be furnished by the Elmhurst College orchestra. Games and cards may be played in another room by couples who do not care to dance. Mrs. Stanley Corr, Campfire leader, reported.

## Health Work at Public School Is Outlined by Nurse

Miss L. MacLeish Compiles  
Statistics of 1936-37  
Accomplishments

Health work accomplished by doctors and the school nurse at Barrington public school for the year 1936 to 1937 included 257 tuberculin tests, 327 immunizations against diphtheria, 375 vaccinations against small pox, and 489 routine inspections, according to figures compiled by Miss Lillian MacLeish, the school nurse.

Other statistics: Miss MacLeish's recent report to the village board was as follows: Medical examinations, 406; physical inspection (eyes), 1974; weighed and measured, 1609; treated, tempt and first aid, 367; referred to private physicians, 231; referred to dentists, 123; number given instructive care, 807; number of other calls (include reference to work), 449; total number of visits, 1256; number of visits to homes, 467.

"Of the recent tuberculin tests, 224 children reacted negatively and 33 showed positive reactions. The latter will be given chest X-rays in the near future.

"Of the 166 children on 16th children in the lower grades, Miss MacLeish reported that 39 per cent were not immunized against diphtheria and 47 per cent were not vaccinated. The percentage, including all school children, was 43 per cent not immunized against diphtheria and 50 per cent not vaccinated.

## Miss Laird Reports Educational Advantages From Marionettes

Pupils of Miss Louise Laird's room at the public school presented two marionette plays, "Sleeping Beauty" and the "Tar Baby" at the school auditorium last Friday afternoon and Wednesday of this week.

They had constructed all furniture and scenery, had painted scenery for the backgrounds, had made and dressed the puppets, had written all dialogues and had selected the musical numbers for each scene.

To get an idea of the activity involved, the public should have had a glimpse behind the scenes as 26 children, each manipulating a doll dangling from strings fastened to two wooden cross bars, waited their turn.

Miss Laird has prepared the following article for The Review concerning "Educational Value of Marionettes":

"The marionette play is the culmination of our regular school work. It is the outgrowth of the children's desire to re-enact scenes from literature and history, or to create a story by using their own ideas.

"Various activities have entered around their project, including silent and oral reading. Many stories were read to find suitable words for dramatization. The plays were acted by the children from the stories read.

## H. Kelsey Candidate for General Assembly

H. D. KELSEY

Withdrawal From Legislative  
Contest Opens Way  
for Cuba Man

H. D. Kelsey, supervisor of the Town of Cuba, announced Tuesday that he will be candidate for the republican nomination for representative from the eighth legislative district at the primary April 12. There are three seats to be filled. Nick Keller of Waukegan, republican, and Thomas Bolger of McHenry, democrat, are two incumbents seeking re-election while the third seat is being left vacant by Representative Richard Lyons of Libertyville who secured the state central committee endorsement Tuesday for nomination for United States senator.

Opposing Mr. Kelsey for the republican nomination in addition to Mr. Keller will be Roy J. Stewart and Charles H. Francis of Woodstock.

Mr. Kelsey had been urged by many of his friends to become a candidate for the state assembly seat but had consistently refused to make the run in opposition to Representative Lyons. When Mr. Lyons accepted the state endorsement for the senatorial contest, Mr. Kelsey agreed to enter the race at the request of his supporters. In doing so, he will have the endorsement of the majority of republican leaders in Lake county, a reliable source reported.

As supervisor of Cubatownship Mr. Kelsey has been active in local governmental affairs. Elected to the county board in 1928 he served consistently on an economy platform and was chairman of the board of supervisors in 1934.

## Libertyville Man Strong Candidate

Richard J. Lyons aggressive and rapid fire political campaigner from Lake county who has been endorsed by the republican state central committee for nomination for United States senator, already is at work planning a campaign that should make him the party standard bearer.

The Libertyville man has served five consecutive terms in the legislature, and has steadily built up a very strong backing among the counties of the eighth district.

He has many friends and supporters in Cuba, Elia and Barrington townships where he has been a speaker on several occasions. Although heretofore his own political interests have been confined to a single district, he has been called to many parts of the state to speak at political gatherings and has usually been the headline speaker.

## "Wells Fargo" Is Week-End Bill at Catlow Theatre

### "Submarine D-1" Now Show- ing; "She Married an Ar- tist" Here Saturday

"Submarine D-1," a melodrama dealing with the exploits of Uncle Sam's undersea boats and the gallant lads who man them, thrilled enthusiastic audiences yesterday at the Catlow theatre, where this feature has its first local showing and continuing tonight and Friday.

Pat O'Brien and George Brent are co-starred, and in a part that seems to be quite as important is young Wayne Morris, the lad who shot to top ranking recently on the screen in one picture, "Kid Gal-  
shad." Then, too, in the cast are such well-known trouper as Frank McHugh, Doris Weston, Regis Toomey and Henry O'Neill.

When a madman from Manhattan marries a mademoiselle from Paris, it's a madhouse of madcap mirth! Running up ragged with laughter keeping up with the fun in "She Married an Artist," due Saturday at the Catlow. John Boles and Lull Deste are co-starred in this batty battle of wit versus model, amidst the wild, merry whirl of New York's gay, reckless studio life!

When the wife's away the models will play! But an unblushing bride beat Manhattan's merry maidens of the studios at their own game—of taming the maddest of madmen who ever painted the town red!

The story of America's "life-line of empire," the Wells Fargo trail, first highway to connect the East and far West, forms the dramatic background for "Wells Fargo," the screen romance with Joel McCrea, Frances Dee and Bob Burns which opens Sunday for two days at the Catlow.

Painted on an heroic canvas, "Wells Fargo" traces the history of the discovery of gold at Sutter's Mill until the close of the war between the states, with the express business of Henry Wells and William Fargo, which has developed into today's Railway Express Agency, forming the background.

For romance the picture follows the love story of a typical western family, headed by McCrea and Miss Dee, who are married at the beginning of the picture. Their fortunes, closely linked, with the expansion of the Wells Fargo business and the winning of the West, form the main theme of the picture.

While quarrels between lovers are not unusual a new twist is developed in "Living on Love," latest comedy drama, which has James Dunn and Whitney Bourne fighting each other as unknown enemies while the romancing friends. The Jekyll-Hyde arrangement is caused by the fact that the couple share an apartment for economic reasons, and never see each other as room-mates.

The situation, played for comedy, offers many novel twists which climax when each finds out the other's identity.

Playing the double feature bill Tuesday with "Living on Love," is "The Old Wyoming Trail," with Donald Grayson, Barbara Weeks and Sons of the Pioneers.

An interesting travel talk will accompany his slides.

"Marie Curie, My Mother" by Eve Curie was reviewed by Mrs. Clayton Watkins at the public library Tuesday afternoon as the fifth program in the reading course being presented by the literature committee this club year.

Excerpts from Mrs. Watkins' talk are as follows: Maria Sklodowska was born in Poland in 1867. Her whole life was devoted to study. She married Pierre Curie who was also a Scientific Research artist. They had two children, Irene and Eve. Pierre and Marie studied together, working on Henri Becquerel's discovery of the rays of thorium. The Curies discovered radium as a result of 8 years' study of this earlier work.

Pierre Curie was killed when Marie was 36 years old. She earned her own living after that teaching at the Sorbonne in Paris. She died of pernicious anemia in 1934. One year later her last book, "Radio-Activity" was published.

## W. R. C. Hostess to Department and District Officers

District and department officers were guests of Gen. Thomas W. Sweeney Woman's Relief Corps at luncheon and an afternoon program held at Schroeder hall Wednesday afternoon.

Among the honored guests were the following: Mrs. Josephine Thurlow, department president; Mrs. Jessie Child, dept. chaplain; Mrs. Norma Ogan, dept. inspector; Mrs. Ethel Mae Johnson, dept. counselor; Mrs. Margaret White, 1 and L. officer; Mrs. Edith Weaver, member of the board; Mrs. Margaret C. Brogle, president districts 1-10; Mrs. Margaret Herron, senior vice president, districts 1-10; Mrs. Nellie Dahlin, chairman, child welfare, president-elect Cook county assn.; Mrs. Hazel Haedike, past dept. inspector; Mrs. Marie

Burkhardt, member of executive board. A pot-luck luncheon was served at 12 o'clock, two members, Mrs. Louise Sodi and Mrs. Emma Atkins being escorted to the table and presented with flowers as the Corps sang "happy birthday" to them. Mrs. Sodi was celebrating her 87th birthday Wednesday and Mrs. Atkins will be 84 years old this month. A short program was enjoyed at the close of the meeting—readings by Mrs. E. Johnson and Mary Jean McClure and a tribute to the flag by Mrs. M. Burkhardt of East St. Louis. The entire Corps then joined in singing patriotic songs.

## Present Bill for Windows Broken in Repairing Crossing

A bill from the Standard Motor Co. for \$14.88, covering half the cost of a display window, was presented by Trustee Rudolph Berg at the board meeting Monday night. When construction work was going on at the Main street crossing of the C. & N. W. railroad this winter two windows were broken in the garage display rooms by gravel flung from auto tires. Insurance covered the cost of the first window and half of the second. It was learned, and P. R. Drover, owner of Standard Motor, sought compensation for the remainder. The bill was referred to Milburn Construction Co. contractors, who laid the new crossing.

## Scenes on Caesar Lake

Above are two pictures showing the water rushing through the gap in the dam at Caesar Lake Sunday. The pictures were taken a few hours before the flood reached its peak, and show part of the spillway and timbers used in attempting to halt the flow.

## Miracle Climaxes Battle at Caesar Lake

Continued from page 1

spillway and a concrete break-water was built last week to reinforce the dam. This addition was not sufficient to hold the water and a large hole was eaten through the wall next to the spillway and its steel culvert.

The size of the hole kept increasing until Sunday evening when it seemed the entire dam would go out. It was feared that highway 63, which parallels the retaining wall, would be flooded. Traffic was blocked Sunday evening when the rushing water rose to within a few feet of the road and flooded the countryside. Two culverts in the road carried the water into an adjoining field, from where it emptied into Otis lake.

The level of Caesar lake dropped nearly three feet before the escaping flood was stopped Monday morning and the Otis lake level was raised approximately the same amount. Mr. Capuli was standing on a small island at the mouth of the spillway directing men in placing sandbags when the accident occurred. Attempting to ascertain the depth of the water, he lost his balance and plunged into the lake. He was sucked down about eight feet and then carried toward the dam where he was held for several minutes. His escape is deemed fortunate in that pieces of reinforcing rod jutting along the bottom which might have caught his body or clothing and held him fast. The tunnel under the dam through which the water hurried him was about 15 feet long.

## Asks Dismissal of Mandamus Petition in Precinct Split

Proximity of the next election, April 12, and the fact that the Lake county board of supervisors is not bound under the state laws to divide election precincts at this time were two reasons cited in a motion to dismiss the petition for a mandamus on file in circuit court Tuesday.

State's Attorney Charles E. Mason, acting for the supervisors, stated in the motion "that the writ ought not be granted because of the proximity of the next election and if granted, chaos, confusion and disorder would result."

In another contention in the motion, Mason stated that the supervisors were not duty bound to split or divide precincts at this time.

The petition for the mandamus to order the supervisors to readjust at least 23 precincts in Lake county was filed by Attorneys E. R. Farnas, John Noll and J. A. Jodrey with Norman Buckley as petitioner.

## Last Rites Today for Mrs. W. Eakin

Last rites for Mrs. W. Eakin, 137 Applebee street, who died Monday evening, will be held at 1:30 p. m. today, Thursday, at the funeral home, 149 W. Main street, and at Salem Evangelical church at 2 o'clock. Rev. W. A. Stauffer and Rev. H. L. Eagle will officiate and burial will take place in Evergreen cemetery.

Mrs. Eakin, who was 63 years old, had suffered from a heart ailment for a long time. The eldest daughter of Mr. and Mrs. John Groff, early pioneers, she was born November 24, 1874 on a farm 2 1/2 miles west of town, now known as Beltwood Farms. Her father first emigrated to this section in 1852, where he was engaged in farming. Mrs. Eakin received her education at the district schools and Zion Sunday school.

On June 9, 1892 she married Charles Will and they made their home on farms near Lake Zurich and Barrington. He died in 1912 and on July 9, 1918 she was married to William T. Eakin of Elgin, who survives her. They made their home in Elgin for two years and then came to Barrington to live. Surviving, besides her husband, are four children, Mrs. Elsie Anderson and Mrs. Laura Jackson of Elgin, Raymond Will of Detroit and James of Graylake, a stepson, W. A. Eakin of Boston, Mass.; a brother, Edward C. Groff of Barrington, and four grandchildren. Mrs. William Timmerhoff and Mrs. Bertha Sturtevant of Prescott, Okla., sisters of Mr. Eakin; Russell Anderson of Bethany, Okla., a grandson; W. A. Eakin of Boston and Atty. E. Eakin of Elgin, are here to attend the services. Mrs. Eakin was a member of Mayflower camp, R.N.A., the Salem church, Philathes class and Women's Missionary society.

## Fire Department at Fox River Grove to Hold Dance Feb. 19

The Fox River Grove fire department will hold its fifth annual hard times dance Saturday, Feb. 19, at the Cokeska Band hall in Fox River Grove, according to members of the committee headed by Charles R. Cerny, chairman. Frank Urban's orchestra of Havana has been engaged to furnish the music and other entertainment is being planned. According to Mr. Cerny, an entertaining evening is promised all who attend.

**Probate, Thorp Will**  
The will of the late William H. Thorp, of Barrington, who died here October 20, was admitted to probate Tuesday. It disposes of an estate comprising his home valued at \$5000. The will gives his widow, Amanda, the household effects and permits her to keep the house until it is sold. When sold she is to be half the proceeds and the other half he directs be divided equally between his two sons, Elroy, of Barrington, and Charles, of Palatine.

## Druggan Farm Goes on Block March 10

Terrance J. Druggan and his mother, Mrs. Elizabeth Druggan, will lose their 240-acre farm at Prairie View on the auction block March 10.

Special Master in Chancery L. Eric Carey published a legal notice Tuesday that he will sell the Druggan farm at public auction at 10 a. m. on that day at the east entrance of the court house in Waukegan to the highest bidder to meet a judgment for \$25,745.74 obtained by Hugo Pick, trustee, against the Druggans.

The trustees obtained the judgment for a \$24,569 mortgage. The Druggans failed to make the first interest payment on the loan on October 17, 1936. Under the provisions of the loan, if the interest payment of \$612.10 was not made within three days of the date stated, the trustee could demand the entire payment.

Judgment on the foreclosure proceeding included the amount of the mortgage, litigation costs, master's fees and other costs.

According to reports, Druggan plans court action to prevent the sale of the property and will seek relief in the higher courts.

Ancient Egypt's Writing

Three forms of writing were used in ancient Egypt—the hieroglyphic, or priestly, writing, consisting of pictures to represent ideas; the so-called hieratic, an abbreviated form of the hieroglyphic, used by the priests for writing manuscripts, and the demotic, or popular script, which came into use very late.

Lambs Only One Year

Lambs never live longer than a year—then they become sheep! One reason why lambs sell for good prices is that there is little waste meat on them. "Hothouse lamb" is lamb born late in the fall and marketed in the winter. All lambs marketed between spring and fall are called "spring lambs."

# Bronchos Score Second Conference Win Over Niles Center, 37 to 32

## Will Play League Leading Ela Five Friday Evening

### Kenny Clinge Back in Line-Up After Recovering From Playing Injury

Bolstered by the return of Kenny Clinge, who suffered a fractured rib recently during practice, to the lineup, the Barrington Bronchos scored their second win and upset of the season in a fast cage battle with Niles Center, which ended 37 to 32, Friday evening. This is the first victory for the local quintet since they defeated the Palatine Pirates almost three weeks ago.

The teams were in a 19 to 19 deadlock at the half but during the third period the Bronchos managed to forge ahead and hold a steady lead throughout the remainder of the game.

Rice Opens Up  
The Broncho captain, Ernie Rice, strong contender for scoring honors in the Northwest conference, opened up with a scoring spree and by scoring 18 individual points, led his team to victory. Boy of Niles Center dropped eight field goals to be tied for his team. The score was tied up many times during the first half of the contest. Each team had only eight fouls. Barrington had a slight edge on free throws, dropping five out of nine, while Niles made four and missed four.

Niles Lights Win  
The Ponies dropped an exciting game which went into an overtime period when the score read 31 to 31 at the end of the regulation playing time. Field fouled Sherman with one second remaining to play in the final quarter but Sherman missed the free throw and the chances to win the game. Niles scored seven points in the overtime while the Ponies were held to only a free throw. The final score read 38 to 32.

Bauman, small Niles Center forward, led all scorers for the evening by dropping nine field goals and a free throw for a total of 19 points. Grueling was high point man for the Ponies with nine counters.

To Play Els  
The Bronchos will make their second attempt to upset Els, the Northwest conference leaders, who have eight straight conference victories to their credit, in a contest to be played at Lake Zurich Friday night. In view of the fact that the Bronchos almost downed the Lake Zurich cagers on the home floor on January 7 and have scored wins over two strong teams since then, the game promises to be close.

## Title Contest Is on Church League Card Monday Night

### Methodist and St. Paul Teams to Clash as Regular Schedule Ends

A nerve racking evening is in view Monday, when the final regular scheduled games of the local church basketball league are played at the high school gym. At that time Salem and St. Anne will clash in the opener and St. Paul and Methodist will meet in the second and feature game.

As three of the above teams are little possibilities, interest and action are sure to mount high. The Methodist quietest in leading the pack with six wins in seven starts and can clinch the undisputed championship by beating St. Paul. On the other hand St. Paul, with a record of five victories and two defeats, can tie Methodist for the lead by winning Monday Salem, which has also won five and lost two, can also tie for the title by beating St. Anne providing of course St. Paul upsets Methodist. Earlier in the season St. Paul handed Methodist its only defeat by a 30 to 22 score. In the event there is a tie for the title a playoff will be held to determine an undisputed champion of the league.

Methodist, St. Paul Win  
Methodist and St. Paul emerged triumphant in last week's games. St. Paul had its hand full in downing the Baptists by a score of 32 to 22. After trailing 19 to 8 at the half the Baptists whittled down the St. Paul lead to 25 to 23 in the final quarter only to weaken as St. Paul's height advantage took effect. Gaare with 15, and Reese with 10 points, accounted for more than two-thirds of the winner's total, while Wallace dumped in 12 points to top the losers.

Methodist only led St. Anne 15-10 at half time but stepped out with 28 points in the next two periods to win easily, 44 to 20. Dave Capull's 11 points for St. Anne was tops for both teams—Bricker and Elters each counted four baskets and a free throw for Methodist.

## Local Troops Trim Display Windows for Scout Week Program

Boy Scout Week is being observed by local troops with display windows trimmed with handicraft work. Troop 29 has a display in the Park Avenue Barber shop and Troop 21 has a display in the window of the Sias Hardware store.

A unique slogan is being used by troop 21 in its display of safety first. "Drive carefully and see our display next year." The exhibit is built around safety first in auto driving, showing hazardous intersections and crossings. An exhibit of auto accident pictures and data compiled during 1937 in the Elgin district of the state highway police was loaned to the troop by State Officer William Gallagher.

The week was opened with a church service held at the Salem church Sunday afternoon with a large number of persons present. Rev. Charles Drusell, the speaker. Musical numbers concluded the program.

## More Than 250 at Jurs-Meyer Program

More than 250 persons attended the annual Farm Day sponsored by Jurs-Meyer Implement Co. at the Willow, theatre Monday morning and afternoon, a check of attendance cards revealed.

The program for the day consisted of motion pictures on farm motive power, featuring the Massey Harris tractors and other farm implements. A luncheon was served at the company quarters on Applebee street at noon and attendance prizes awarded.
