## 29 Candidates Are Competing for Lake Co. Nominations

Fifteen of Group Campaigning for First Time; Five Are Unopposed

A total of 29 candidates were entered in the race for Lake county elective offices at the closing date for filing petitions in Waukegan Monday. Out of the 29 there are 15 who are campaigning for the first time and five who are unopposed.

Interest centers around the nomination for sheriff from both the republican and democratic parties. Thomas E. Kennedy, chief deputy for many years, heads the republican ballot and is opposed by John E. Froelich, a former deputy sheriff and son of Mr. and Mrs. August Froelich of Lake Zurich, and Harold E. Puffant of Waukegan, member of the board of supervisors.

On the democratic ticket for nomination for the sheriff race are Albert D. Doherty, chief deputy for many years, heads the republican ballot and is opposed by John E. Froelich, a former deputy sheriff and son of Mr. and Mrs. August Froelich of Lake Zurich, and Harold E. Puffant of Waukegan, member of the board of supervisors.

With the retirement of J. B. Bullock this year, the race for probate court clerk was thrown open and four republican candidates are leading the list is Allen J. Nelson, who is completing his term as county treasurer and who is unable to succeed himself according to law. Other candidates are George Strang, Harry Reardon and Leonard D. Hook.

Democratic candidates for the nomination as probate clerk are Charles P. Heblor, Jack B. Ewing and Kenneth R. Klopff.

The battle for the nomination for county clerk will prove interesting among the republican forces with four men entered, three of them former officeholders. Russ continued on page 5

## Lake Zurich Firm to Hold Formal Opening With Farm Day Show

Free movies demonstrating the use of Minneapolis-Moline Power Co. farm equipment will feature the farm day show of the Lake Zurich Implement Co. at the township high school Saturday.

The show will start at 10 a. m. and run until 4 p. m. with changes in the program. A luncheon will be served at noon and music will be furnished by the Elia township high school band.

The Lake Zurich Implement Co. is a new enterprise at Lake Zurich and is having its formal opening Saturday. Leroy Landwer is owner of the business and the announcement will be found on page 12 in this week's issue of the Review.

All the equipment is on hand and ready for the show, Mr. Landwer stated Wednesday.

## Good Housekeeping Shop to Locate at 240 E. Main Street

Location of the Good Housekeeping shop at 240 E. Main Street was announced this week by William Behringer and Elden Gleske, who will operate the business. The new firm is to locate in the place now occupied by Brockway's Milk and Groceries, which is moving into the Atkins building this week.

The Good Housekeeping shop will feature the sale of household appliances and will maintain a radio sales and service department. Mr. Behringer stated, The Kelvinator line of washing machines, ranges and refrigerators will be displayed. Stromberg-Carlsons are to be handled by the shop.

The interior of the place will be remodeled and redecorated, Mr. Behringer stated. An opening announcement will appear in next week's issue of the Review.

Visitor From Minnesota  
William Ohmschick of Benson, Minn., arrived here Tuesday evening to visit his cousin, Henry Wolhausen. Mr. Ohmschick, who is attending an insurance convention in Chicago, is a former resident of Barrington. The visit here was his first in 47 years. He left Barrington when he was 23 years old. Before returning to Chicago Wednesday, Mr. Ohmschick visited with O. J. Loe, employed at the Review, a former resident of Benson.

## Lounsbury Chapter O. E. S. Relives Days of Washington at Program

In honor of the birthday of the first president, George Washington, Lounsbury chapter, No. 494, O. E. S. presented a patriotic program at the Masonic Temple Monday afternoon entitled "Afternoon Tea at Mt. Vernon Feb. 22, 1789." It was written and directed by Angie Montgomery.

The setting was the veranda and lawn of Mt. Vernon. The play consisted of the telling of historical stories, also songs and dances of the time of Washington. The players wore colonial costumes.

Katherine Pelham was mistress of ceremonies, and Gertrude Albright, musician.

The cast was as follows: Martha Washington, Kitty Shepard; George Washington, George Landwer; Nelly Curtis, Alice Tonne; John Adams, Bernard Lipofsky; George Adams, Fred Lipofsky; William Scott Key, Harry Hammond; Betsy Ross, Katherine Robinson; Paul Revere, Eugene Murphy; Mrs. Alexander Hamilton, Sadie Thies; John Jay, Angie Montgomery; Mammy, Ruth Hammond.

Mr. Jacobson sang "Carry Me Back to Old Virginia," accompanied

led on the guitar by Angie Montgomery. Harry Hammond, as Frances Key told how he wrote "Star Spangled Banner" and all joined in singing it.

Katherine Robinson as Betsy Ross spoke of the making of the flag. Eugene Murphy gave the "Midnight Ride of Paul Revere." Sadie Thies and Angie Montgomery sang the minuet by Beethoven who at the time of Washington was 19 years of age. Evelyn Corr gave a reading in blue face entitled "Pharaoh's Daughter."

There was slave tap dancing by Betty Witte, Eileen Ranche and Evelyn Corr.

The minuet was danced by Violet de Polone, Erma Elmer, Elaine Herman, Joyce Nicolai, June Jurs, Esther Jeppsen, Pauline Speck and Irene Lipofsky.

Ethel Kition read "Lincoln's Gettysburg Address" and Myrtle Willmering as Barbara Fritchable gave a talk in honor of Lincoln's birthday. Mrs. Jacobson sang "Lights Out."

Cherry pie and coffee were served by Lillie Walgren, Mary Nightingale, Emma Wewetter, Elsie Kirby, Leona Wewetter and Mrs. Harold Kelsey.

## Urges Extension of Village Limits at Board Meeting

Albert Doherty Says Trustees Can Protect Residential Value

Albert Doherty, residing in the McIntosh subdivision adjoining and north of Coupe's subdivision beyond the northwest edge of the village, appeared before the board of trustees Monday evening to discuss the annexation of land in that section to the village.

Mr. Doherty sought information and assistance from the board in having the proposal completed. He maintained that the land should be made part of the village so that development can be controlled.

In outlining his plan he pointed out that the condition allowed to be started in outlying subdivisions of other towns and in Barrington had proved detrimental and might soon exist in his neighborhood. If owners of lots are allowed to build makeshift houses the value of the community is lowered and future development of expansion in that area is curtailed.

Village Trustee John J. Carroll took the stand that all improvements, water, sewer and streets should be installed before the territory is made part of the village. These improvements, he pointed out, must be made eventually and if done by the village, special assessment bonds would have to be sold. Expenditure of large sums on slow developing property would not be advisable, he said.

Village President Earl Hatje and the entire board agreed with Mr. Doherty that village zoning control over the property would be advantageous and stated they would furnish any assistance needed, provided proper action was taken and a plan for future improvements worked out.

It was suggested that if the plan is to be adopted it should include the McIntosh subdivision and all land east to Hough street. This would extend the village limits up to the Fred Otto property.

## Many Persons Want to Rent Homes in Village

Many renters are seeking homes and apartments in Barrington. Ten persons are still in the market for a house to rent who wanted the house advertised in the Review last week as follows:

"Modern 6-room house with 2 baths, newly decorated, at 521 Prairie Ave. Also garage, located at 127 North Ave. Tel. Barr. 13-17."

An apartment was rented on February 10 as the result of a want ad appearing that day in the Review. Six persons answered the ad. One got the place, the other five were still looking for an apartment. The ad was as follows:

"2 1/2 room apt., heated with garage, available Feb. 15 at 210 N. Raymond Avenue, Barrington."

## To Compile Data in Questionnaires Sent to School Graduates

Graduates of Barrington high school since 1928 received questionnaires this week requesting information to be compiled and used in educational programs at the public school. The work was done by the stenographic classes under the direction of Miss Althea Christensen.

The data requested in the questionnaire will be compiled and tabulated and presented to students for reference. It was learned information concerning occupations, requirements for jobs, how to apply for a position, salary standards, and requisites needed to insure continued employment were among the topics listed.

In addition to the above information, ideas were requested concerning the improvement of the educational program in reference to its application in seeking work. Comments and answers were contacted by letter. E. S. Smith, superintendent of schools, estimated.

## Local Dentists Are Examining Teeth of Children in Grades

A dental survey of pupils in the first five grades at Barrington public school was begun Wednesday afternoon, children of the two kindergarten classes and first two grades being examined.

Local dentists, Doctors E. A. Beerman, W. A. Fanning, C. H. Kellam and F. W. Lindberg are contributing their services for the survey.

One dentist, in commenting on the result of the examinations Wednesday, said "The children's teeth are in a noticeably better condition than they were at the last survey—showing greater care at home and dental work where it was needed."

The school nurse, Miss Lillian MacLeish, is in charge of arrangements for the examinations.

Fifth row (left to right): Kenneth Grom, Bruce Miller, Emil Nofz Jr., Reuben Bende, William Bennett, Robert Rust, Roland Meigs, Paul Pohlman, Walter N. Sears, and Patricia Rutledge.

## C. Stewart to Talk at Annual Scouting Financial Dinner

Expect 50 Workers at Meeting in Methodist Church This Evening

Charles Stewart of Des Plaines, financial chairman of the Northwest Suburban council Boy Scouts of America, will be guest speaker at the dinner marking the opening of the Barrington scouting fund drive this evening, Thursday, at the Methodist church. The dinner will start at 6:30 o'clock.

Robert Leslie of Park Ridge, who is finance drive campaign manager for the council, is also expected to be present as is Chief Donald E. Kyger. Herbert H. Walbaum of Barrington is the local drive chairman. He is being assisted by A. L. Wiedenbeck, treasurer and finance officer of the northern district, comprising Barrington and Palatine, and John L. Bell, president of the Northwest Suburban council.

Fifty drive workers have accepted the invitation to the dinner, according to reservation figures. In addition to hearing a talk by Mr. Stewart plans will be made for the local finance drive which opens this evening.

Funds raised by the annual drive are used to maintain the local scout club and northern district scouting activities.

H. H. Calkins, chairman of the northern district, who has been active in planning the drive and dinner, will not be present. He and Mrs. Calkins left last week for the southwestern states, where Mr. Calkins will recuperate from a recent illness.

Flasards relative to the scout drive and scouting work are to be displayed in windows of business houses during the campaign. It was learned.

## Has Toe Removed

Edwin J. Parks, 642 Prospect avenue, who suffered a foot injury a week ago while working at a local print shop, had a toe removed at the Sherman hospital in Elgin Saturday.

## Old Chart Reveals Past Average Fluid Milk Price Below Present

An interesting comparison of price increases and the fluctuations over a period of years compared with present day prices is on exhibit at the Lageschulte and Hager lumber yard office.

H. J. Lageschulte once prepared a chart of milk prices during the years 1908 to 1930 and the paper was recently found among some old papers by his son, Verne Lageschulte. The low of the period was in June of 1908 when farmers received 85¢ per hundred pounds. From that period on there was a gradual price increase until 1916 when fluid milk reacted with other wartime prices and shot upward.

At one time, during December 1910 and 1911, milk did reach \$2 a hundred but dropped off again until November of 1916 when it went up to \$2.10.

The highest price paid for fluid milk during the period shown in the chart was \$3.77 paid in December of 1918. Comparison of present fluid milk prices with the past is a little difficult due to the method used in payment. Milk is paid for now on the basis of butterfat count with 3.5 per cent as a base.

## Music Department to Be Benefitted by Dance Saturday

Net receipts from the benefit dance sponsored by the Mothers' club of the music department of the Barrington public school in the gymnasium Saturday evening will be used to pay expenses when the group competes this spring. Officers reported this week.

The high school orchestra, which won national honors at Columbus, O. last year, will compete in the district meet at Glen Ellyn in April. Due to an increase in local student enrollment the orchestra will play without others in class B. In other years the band and orchestra were in class C.

The orchestra is under the direction of Walter N. Sears, who started a program of class instruction in 1915, the year the orchestra was first organized. It has been discussed by the board at the last two meetings. At the session Monday night a program was adopted to enforce the plan. A recent survey of one section revealed that 75 per cent of the rosters are connected incorrectly.

According to the sewer ordinance adopted prior to the construction of the sewer system, the village board reserved the right to take legal action if the work were not done. Recently an increased cost of sewer pumping has resulted in a reduction of federal aid for road construction in an attempt to balance the federal budget.

A few years ago the Barrington Lions club was successful in opening a drive to have a grade separation created at the intersection of U. S. 12 (Northwest highway) and Dundee road, two miles east of Barrington. Numerous auto accidents had at that point prompted the local group to request state action.

## Lions Dinner Will Be at School Feb. 28

Members of the Barrington Lions club will hold their weekly dinner meeting next Monday night in the cafeteria of the public school. Superintendent E. S. Smith is expected to be present.

## C. Golladay's Car Makes Street Where None Existed Before

It probably would save time and help persons get to the C. & N. W. passenger depot a little earlier if a street were cut through directly from Grove avenue to the station. However, officials of the road might frown if the method used to push about the change were continued in the manner that was used Sunday.

When the car owned by C. R. Golladay, 218 Grove avenue, and pushed about the change, the vehicle, facing north-east, rolled down the hill, crossed the curb and broke a path through the shrubbery which it bowed to the water tower in passing.

Unbaited by finding the passenger platform in its path, the car continued its merry way and pushed about the change. But for the fence dividing the north and south bound tracks the journey might have been longer.

Two posts and a section of fence were ripped out by the car. After some maneuvering the errant automobile was removed from the tracks.

Railroad heads decided the extra opening was superfluous and had the fence repaired to prevent jaywalking.

## Townsend Meeting

The Townsend club of Barrington will meet Friday, Feb. 25, at 8 p. m. in "Landwehr's" hall. A speaker from Chicago is expected to address the club.

## Trustees Ready to Compel Diversion of Roof Drainage

Down Spouts Must Not Be Connected to Sanitary Sewer

The village board is determined that roof down spouts be stopped from draining into sanitary sewers as reflected by notices sent out this week from the office of A. C. Burandi, village clerk. The notices were sent to downtown business places and the residence owners are to be notified soon. Mr. Burandi stated.

The problem of diverting roof drainage from the sewer system at the treatment plant has been discussed by the board at the last two meetings. At the session Monday night a program was adopted to enforce the plan. A recent survey of one section revealed that 75 per cent of the rosters are connected incorrectly.

According to the sewer ordinance adopted prior to the construction of the sewer system, the village board reserved the right to take legal action if the work were not done. Recently an increased cost of sewer pumping has resulted in a reduction of federal aid for road construction in an attempt to balance the federal budget.

A few years ago the Barrington Lions club was successful in opening a drive to have a grade separation created at the intersection of U. ## 1937 Tax Rate Lower in Lake County Side of District No. 4

Taxpayers in school district No. 4 living in Cuba township will receive a 4¢ reduction in the 1937 real estate and personal property tax rate, according to figures released by the tax extension board of the county clerk's office.

The rate in the Cuba town side of Barrington for 1937 is \$6.30, compared to \$6.36 in 1936. The basic tax rate for the township includes tuberculosis sanatorium rate, 15 cents; county general, 25 cents; blind pensions, 2.7 cents; mothers' pensions, 1.4 cents; county highway purposes, 6.5 cents; detention home, 15 cents; courthouse bond, 3 cents; county funding bond, 1 cent.

Property owners residing in school district No. 91 at Lake Zurich will receive a 9¢ rate reduction in the new rate. A slash of 29 cents from the 1936 rate is reported. The 1937 extension is \$6.32 compared to \$6.61 in 1936.

In reverse of the savings in Barrington and Lake Zurich, taxpayers in school district 56 in Waukegan will receive an increase of 15 cents. The new rate is \$6.14 compared to \$6.01 last year.

## State to Re-Route U. S. 12 to Improve Traffic Conditions

Crystal Lake Lions Club, Sponsors of Drive, Told of Plan

Sponsored by the Crystal Lake Lions club, a drive to eliminate bad traffic conditions on route 12 is underway; and, according to a communication received from the traffic division of the state highway department, traffic will be reduced by a relocation of U. S. 12. The club also urged a grade separation of the intersection of U. S. routes 12 and 14.

The Crystal Lake club first became interested in the plan for a effort to relieve congestion at the intersection of routes 12 and 14, two miles east of Crystal Lake. Numerous deaths at that point were the subject of public concern. Following is the letter received by the club from H. H. Harrison, state traffic engineer.

"Since writing to you on July 24, 1937, we have made a traffic investigation at the junction of U. S. routes 12 and 14 to determine need for traffic signal control.

"It was apparent from our investigation that there was no warrant for the automatic regulation of traffic and that the stop sign control then in place, if obeyed, was entirely adequate. However, there are a number of improvements contemplated for this junction, one of which will be undertaken within the next month or so. This is the relocation of U. S. route 12 which will be directed into Chicago over a different location. U. S. route 14 will at the same time be continued in a southeasterly direction from this junction over the present location of U. S. route 12. When this traffic is completed, the junction then will include only the straight cross-over of Illinois 31 and U. S. 14. This will eliminate the bad turning movements which are now associated with the intersection of the U. S. numbered highways, thereby improving the safety conditions.

"The department has also completed a field survey and is now engaged in the preparation of plans for a proposed grade separation. We are uncertain as to when this could be constructed, but we are hopeful that it may be undertaken within the next year or two. This, however, is contingent upon the federal aid to states being maintained at its present level. As you are aware, congress is now giving consideration to a reduction of federal aid for road construction in an attempt to balance the federal budget."

A few years ago the Barrington Lions club was successful in opening a drive to have a grade separation created at the intersection of U. S. 12 (Northwest highway) and Dundee road, two miles east of Barrington. Numerous auto accidents had at that point prompted the local group to request state action.

## INTO THE KETTLE

In response to several requests for a main dish which may be prepared a day ahead, this luscious ham loaf is suggested. It can be mixed, put in a pyrex baking dish and kept in the icebox until time to bake. The tomato topping gives it a distinctive flavor and a lovely color.

### HAM LOAF

2 lb. lean smoked ham,  
1 lb. fresh pork, ground to  
gether.

Add 1 cup cracker crumbs,  
1 pint milk,  
1 teaspoon salt,  
Pour loaf in pan.  
Top with 1 cup tomato juice  
mixed with 3/4 cup cracker crumbs.  
Bake about 2 hours. Will serve  
12.

Fresh green beans or buttered  
new peas, candied sweet potatoes  
and a "tossed" salad with French  
dressing are good with this ham  
loaf.

Mrs. Ralph Keeling contributed  
the following recipe which made  
an ideal dessert for the suggested  
meal.

### ORANGE SPONGE

1 cup water,  
1 cup sugar.

Boil together 15 minute. Pour  
over 3 tablespoons plain gelatin  
soaked in 1/4 cup cold water.  
Add 2 teaspoons lemon juice.

Cool.  
Add 2 eggs wellbeaten.  
1 cup orange juice. Shredded

## "Aladdin and His Wonderful Lamp" Coming Saturday

A list of patronesses who are sponsoring the presentation of "Aladdin and His Wonderful Lamp" by the University of Chicago Settlement League Players at the Catlow theatre Saturday afternoon includes the following names: Mrs. K. K. Lillen, Mrs. Elmo Schmitt, Mrs. E. A. Berman, Mrs. H. P. Castle, Mrs. Edgar Hetzler, Mrs. Frank Hecht, Mrs. Henry Neal, Mrs. Leslie Hanset, Mrs. H. B. Ryan, Mrs. W. L. H. Olson, Mrs. Arthur Jerrens, Mrs. Donald Bateman, Mrs. W. L. Lane, Mrs. Harold Costello, Mrs. Schulz, Mrs. Robert Buckley, Mrs. Maurice Shurtliff, Mrs. H. C. Cheney, Mrs. Sumner Head and Miss Faith Hardy. Mrs. Samuel Rowe is general chairman of the affair.

The script for the play was originally written for the Junior League of New York City. Characters include Aladdin, his wonderful lamp, the camel, who sings, talks and dances, the magician and Scheherazade, the princess. Scheherazade will speak to the children in the audience between acts.

The play was written for children up to 14 years of age. Excellent costumes and scenery is included and Thelma Dabbers, a graduate of the Goodman school of dramatics, is director of the production. The play was well received, according to reports when given at Mandel Hall on the University of Chicago campus two weeks ago.

Presentation of the play here is being sponsored by local women for the benefit of children of this community and any benefits derived will be contributed to the child hygiene fund of the P.T.A. Mrs. Rowe stated. Tickets may be procured at McLeister's, she added.

## Widow of Man Gored By Bull Given \$5,000

A verdict awarding \$5,000 damages to Mrs. Minnie Hagpe, of Crystal Lake, administratrix of the

estate of her husband, George Hagpe, against Ward H. Huston of Evanston was returned by a circuit court jury at Woodstock Saturday.

The case, one of the first of its kind to be tried in this vicinity, and one of considerable interest to farm owners, resulted from an accident on September 26, 1936 in which Hagpe, tenant on the farm belonging to Huston, was fatally injured when gored by a bull owned by Huston.

Although the jury returned a verdict in favor of the plaintiff, Judge William L. Pierce has yet to rule on two motions, which, under the new practice act, may set aside the decision.

The case hinged entirely on the law in connection with a share lease given by Huston to Hagpe. Attorney V. S. Lumley, attorney for the plaintiff, charged that Huston was liable for the damages incurred by the attack while Attorney David R. Jorjins held that Huston was not liable under the owner-tenant equal share lease.

Hagpe died of injuries received when he was thrown by the bull from its stall and turned him loose in the barnyard. As he was closing the door to the barn, the bull charged him. Testimony was introduced at the trial to show the bull was of a vicious nature.

Huston is owner of the farm and dairy herd while Hagpe furnished the machinery and horses and operated the farm on a 50-50 share basis. Farm owner interest centered around the hearing concerning the liability under similar contracts.

## Fine \$3000 Damage Suit in Auto Case

Suit for \$3000 damages for injuries claimed to have resulted from an automobile accident November 18 on route 62 between Dundee and Barrington has been filed in Cook county circuit court by Richard Herborg and Lorraine Taylor against the Curtis Publishing Co. and Leonard Wikstrom. According to the complaint, it is alleged that the Curtis car driven by Wikstrom collided with Herborg's machine, injuring both on the route. Herborg asks \$1000 and Lorraine Taylor \$2000.

## Cast Selected for Dramatic Club Play

Selection of a cast for the dramatic club play which is to be presented at Barrington high school March 24 and 25 was completed this week after three nights of tryouts. Miss Georgina White of the faculty is directing the production.

The play chosen for this year is a murder mystery, "The Call of the Banshee."

The cast will be as follows: Peter Adair—Jack Gruening; Hazel Orpen, his adopted niece—Dolores Eck; Dr. Markowitz, his physician—Adolph Trier; Mrs. Grimes, his housekeeper—Edith Olson; Tom Scott, his deaf servant—Don Jorgensen; Blanche Lamb, his colored servant—Charlotte Adams; Tibby Lamb, Blanche's mother—Dawn Landwehr; Dr. Neville Young, Peter's cousin—Kenneth Frye; Yum, his Indian servant—Leonard Capulli; Clem Durward, affianced to Hazel—Bill Saul; Joan Walters, Hazel's friend—Mae Ertter; Hilda, Joan's maid—Kathryn Bjornberg; Abner Heckenstall, sheriff—Jack Shepard; Walter Payne, his deputy—Bob Schroeder; Linda Perkins—Frieda Kohert.

## Laverne Uteg, 26, a Former Resident, Ends Life Tuesday

Laverne Uteg, 26-year-old former resident of this community, shot and killed himself in a clothes closet of his home at 1638 Cleveland avenue, Chicago, early Tuesday morning. The young man was born in Barrington Center on February 11, 1912, and received his early education in schools in this vicinity.

His widow, Annabelle Schuette Uteg, whom he married February 11, 1932, was unable to furnish any explanation for her husband's suicide when questioned by the police. She told police she was awakened about 3 o'clock in the morning by the sound of a shot and discovered her husband dead in the closet.

Uteg had been living in Chicago for the past three years. He was employed as a shirt cutter. As far as could be determined, he had no financial worries.

Besides his widow, he is survived by two children, Ellen, 5 years old, and John Max Uteg, 5 months old. He also leaves his parents, Mr. and Mrs. Frank Uteg of West Dundee, two sisters, and one brother.

## Hold Three McHenry County Youths for Armed Robbery Case

Perry Latue, 19 years old, of Dundee, Donald Blanner, 14, and John Brooks, 14, both of Crystal Lake, are being held by Henry A. Nulle, McHenry county sheriff, on the charge of armed burglary of the Victor Hansen tavern near Crystal Lake last week.

Deputy Sheriff C. C. Miner reported that the Crystal Lake youths, who were apprehended over the week-end, had confessed to the crime. Latue would not talk it was learned. The robbery was committed last Wednesday night.

He was reported by the others as the one who took \$4.00 from the cash drawer while Brooks stood guard over Hansen with a revolver. Blanner was the lookout for the gang, Miner reported. A chance remark made by one of the boys when he addressed the other by his correct first name was the clue leading to their arrest. Overall were worn by the trio as a disguise when they entered the place.

## Palatine Man Killed by Automobile While Walking on Road

Wilbur Taylor, 51 years old, was killed instantly while walking along Northwest highway west of Palatine when he was struck by a car driven by Louis Pankonin, also of Palatine, at 9:30 Thursday night. Mr. Pankonin is employed by Jewel Tea Co. in Barrington.

Mr. Taylor was returning from visiting a family in a subdivision when the accident occurred. He was taken to the Palatine Community hospital by Mr. Pankonin and some fellow workers, who were following him and witnessed the accident.

A verdict of accidental death was returned by a coroner's jury following the presentation of testimony Friday morning.

## Landis Award Assn. Seeks to Organize Building Men Here

Twelve contractors attended an organization meeting of the Landis Award Assn. at the office of Martin Plate in Palatine Wednesday evening. Barrington was not represented at the meeting, but it is understood efforts will be made to have local contractors join the group.

The Landis Award association is a joint group of general building trades contractors who operate on a wage scale below that of organized labor unions. The organization meeting Wednesday night is interpreted as a move to compete with labor unions for recognition in this area. Only contractors belong and pay dues to the association, employees not being required to pay membership dues. It was stated.

Five Palatine contractors were reported to have signed with the Landis Award representative and others promised to join at a meeting scheduled for Saturday night in Palatine.

## 29 Candidates in Lake County Race

Continued from page 1

## Mrs. W. Beckman Dies at South Bend

Funeral services were held at South Bend, Ind. Wednesday for Mrs. William Beckman, former resident of Barrington who died at Epworth Memorial hospital, South Bend, early Monday morning. Death followed an illness of a month and a half.

She is survived by her husband, who is a year ago and had undergone two operations for mastoid at that time. Following an improvement in her condition last summer, she visited friends in Barrington several times.

The Beckmans had made their home at 625 Grove avenue for five years—from 1931 to 1936. While here, Mrs. Beckman was an active member of the Barrington Woman's club and the Altus society of the Baptist church. Painting, needlework and entertaining were her hobbies.

She is survived by her husband, William Beckman, her daughter, Phyllis and three brothers, one in Portland, Me. and two in Worcester, Mass.

Mr. and Mrs. Elden Gleske and Mr. and Mrs. Harry Hoglund of Barrington attended the services for Mrs. Beckman, held at the Forest Hill funeral home in South Bend, where Rev. Archibald Holmes officiating. Interment took place at a South Bend mausoleum.

## Radio Company Head Purchases 200 - Acre Farm Near Fox River

The sale of the L. E. Leverone 200-acre farm to Eugene Trace, vice president of Zenith Radio Co., was reported this week by Roy Husar, broker. Purchase was approximately \$25,000, real estate stamps showed. The property is located at the west edge of the Barrington district near the Fox river.

According to reports, Mr. Trace plans to erect a residence in a 90-acre tract of virgin timber on the property. The remainder is under cultivation and equipped with farm buildings. In addition to the home, a lake will also be built on the property.

## B. Bates' Parents Will Be Honored on Golden Anniversary

Mr. and Mrs. H. A. Bates, parents of B. H. Bates, local Railway Express agent, will be honored Sunday at a golden wedding celebration in the L.O.O.F. hall at Harvard, where they reside. The anniversary will be on March 1, but the celebration has been advanced two days so that members of the family can attend conveniently.

Mr. Bates, who is 71 years old, and Mrs. Bates, who is to celebrate her 72nd birthday March 2, will be presented with gold rings and will repeat the wedding vows at a short service.

They were married in Rochester, Minn., in 1888 and have lived in Harvard for the past 26 years. Mr. Bates first farmed for many years and then started in carpentry work. He and Mrs. Bates enjoy good health and are very active.

In addition to Mr. Bates in Barrington there are six sons and four daughters, three of the boys and three girls residing at Harvard. There are 18 grandchildren and one great grandchild.

## Start Removing Old Deep Rock Buildings

Work was started Wednesday to remove the old office and storage shed of the Deep Rock Oil Co. at the intersection of Main and Lagaschulte streets. The buildings were purchased recently by William Klingenberg and they are being moved by an A. L. Scherf moving crew to the McIntosh subdivision outside the north village limits. Mr. Klingenberg stated he would use them in his chicken raising business.

Following the completion of the new service station by Deep Rock Oil Co. it was decided to remove the old buildings that formerly were used by the firm.

Mr. Scherf's crew also completed Wednesday the removal of 100 feet of track which was part of and adjacent to the old bridge trestle of the P. L. & W. railroad in Lake Zurich. Several weeks ago the old passenger depot was removed by his crew.

## Elect 1938 Officers of Lake Farm Bureau

Earl Kane of Mundelein was elected president of the Lake County Farm Bureau at the annual meeting of that organization in Grayslake Monday. Last year, Mr. Kane was secretary. The former president, Albert Stahl of Prairie View, will be vice president this year. Harry Matthews of McHenry, who served as vice president last year, was elected secretary.

L. A. Huebner of Mundelein was re-elected treasurer of the Farm Bureau. This will be the 25th year of service in that capacity for Huebner.

## Dr. Attig Speaks to Fathers and Sons at Church Banquet

Dr. C. J. Attig, head of the history department of North Central college, Naperville, gave an address on Washington at the "Fathers and Sons" banquet held at Salem church Tuesday evening. Clarence Miller was chairman of the program and Robert Piagge served as toastmaster. The toast of fathers was given by Harold Orlin and the response by J. C. Cadwallader.

The men's chorus from Jesus Tea gave several enjoyable numbers during the program.

Members of the Women's Missionary society served a chicken dinner to the 150 guests.

Dr. Attig discussed various phases of the life of Washington.

### "LITTLE BUSINESS" SAYS—

To say that official Washington was shocked when representatives of "Little Business" laid their 23-point program for easing the strains on business would be putting it mildly.

The final draft of the program was a much quieter tone when the drafting committee finished with it than was the program approved by the full meeting of some 1000 representatives of small business. Even so, it was a document vastly different from what had been expected to emerge from the sessions.

In effect the 23 points reflect one certain fact and that is that it doesn't matter what the term "business" represents—whether a business of a man working for himself or employing five persons or five thousand, the same problems exist.

At the meeting, Mr. Tom Jones of Jones and Co., was either a maker of hats in Duluth, or a brick manufacturer in Cleveland or a scrapiron merchant in Podunk. If his experience conforms to that of the average businessman, a glance at his ledgers shows the following for the past two years:

1. The hourly wage rate he pays is 10 to 15 per cent above what it was a year ago.
2. His taxes have risen and he must now even pay a prohibitive tax on earnings retained to be put back in his business.
3. He pays an old-age insurance tax, larger than it should be because it is used to build up a large reserve fund which is actually non-existent.
4. That all of these factors operating in the businesses of those supplying him with raw materials, have caused his costs for materials to rise at a dizzy pace.

As the New York Times comments on the "Little Business" report:

"Anything that will actually help Mr. Jones reduce his prices, by enabling him to reduce his costs, will bring Mr. Jones's customers back into the market and revive activity in other business, both big and little."

### SUICIDE BY TAXATION

"The biggest problem facing the nation today," says Roger Babson, "is not the recession; not the jobless; not the railroads. It is our taxation system." Unsound, excessive and inequitable taxation coupled with unprecedented government extravagance is slowly driving the nation to commit suicide by taxation. Reform in government spending and taxation is the crying need of the moment. As Mr. Babson declared, the only basic policy in our present system is an almost fanatical desire to conceal taxes from the ultimate payer—the consumer. Taxation has been instrumental in bringing private enterprise and industrial progress to the present point of stagnation.

Mr. Babson points to ten different steps that should be taken immediately:

1. Broaden the income tax base.
2. Pare down excessively high income taxes.
3. Reduce capital gains assessments.
4. Eliminate tax-exempt securities.
5. Tax government employees.
6. Remove the undistributed profits tax.
7. Stop the present policy of virtual "embezzlement" of social security funds.
8. Clamp down on special local taxes.
9. Lower real estate taxes.
10. Cut public spending.

These are concrete suggestions for a practical program of solvency and business encouragement which, if enacted, would stimulate the private citizen to forge ahead. Private enterprise would take a new lease on life. Employment and wages would resume their upward march in step with the constantly rising standard of living that has characterized American progress for the last 150 years.

### THE MODERN JUGGERNAUT

Suppose that, on a given day, we rounded up nearly forty thousand American men, women and children, herded them into a field, and there proceeded to slaughter them. Suppose that, at the same time, we wounded, blinded, crippled and otherwise harmed several hundred thousand more.

Horrible? Impossible? More barbaric than the barbarians? Of course it is—but, in effect, that is what happens on American highways every year. The slaughter doesn't occur on a single day, but over 365 days. And instead of killing the victims with shell and rifle fire, and gas and grenades, we use that well known servant of mankind which can also be a monster of destruction—the automobile.

If an airplane falls and kills ten people the fact is headlined throughout the country and millions feel a sense of horror. If a ship sinks and 60 men die, the entire world knows it in a few minutes, and world-wide sympathy is extended to the victims and their survivors. But when automobiles crash and people die horribly as a result, we note the fact absentmindedly, and turn the page to the comic strips.

### TEACHING DUCKS TO SWIM

The WPA, we see, has allotted \$85,867 to finance a study of the worth of tourist trade to Florida.

Well, that will be nice work for the relief clients who can get it. And what a field for new WPA projects it opens up! The worth of climate to California, of authors and politicians to Indiana, of oil to Oklahoma and Texas, of steel to Pittsburgh, of skyscrapers to New York, of automobiles to Detroit, of beans to Boston, of government bureaus to Washington. Why, the possibilities are practically unlimited.

## WHAT'S GOING ON IN WASHINGTON

(Courtesy The United States News)

The administration last April received but did not make public a report by the Business Advisory Council which advocated a modified and "consolidated" industrial relations policy.

With President Roosevelt's permission spokesmen for the council last week made public that report and a second—just approved—which recommended five specific amendments to the Wagner Labor Relations act.

Because of his changed attitude toward public and account of the "constructive" discussion of the suggestions at the white house, inferences were drawn in the press that the president was becoming receptive to proposals by business men for revision of the contested law. He took no public notice.

If those inferences are proved to be justified, then Senator Wagner (Dem.) of New York, will be a surprised man. "I am utterly opposed to the proposed amendments," he said. "This does not mean that the act as it stands is the last word. My mind is open to any amendment which will further the purpose of the act—protection of workers' rights."

"But these suggested changes are only platitudinous generalities. If anyone wants an amendment, let him put it in writing."

Another view of the situation, held in an important business quarter, is that Roosevelt has been impressed by the unanimity of business organizations on the questions at issue. It was felt he sanctioned publication of the recommendations to watch public reaction.

"The National Labor Relations act, on the basis of experience since July 5, 1935," said the second report, "should be amended to provide assurance that."

"Neither the act nor its administration will favor any particular form of bona fide labor organization."

"Employees shall be free in self-organization and collective bargaining from interference, restraint or coercion from any source."

"Any party to a labor dispute shall be able to invoke the services of the board."

"The functions of fact finding, prosecution and judicial decision

shall be separated and not combined in a single agency.

"The rights and obligations of employers and employees and their representatives or organizations shall be more clearly defined by law and made less subject to definition at the discretion of the board."

The April report covered the ground of the more recent one, in general terms. In the interim, business opinion had crystallized markedly. Amendments of the type suggested are wanted by the chamber of commerce of the United States, the National Association of Manufacturers and the "Little Business men" who met.

Despite their other differences, the American Federation of Labor and the Committee for Industrial Organization stand together in protest against outlawing "coercion from any source" in labor organization. Their leaders contend a provision like that could be interpreted to make organization activities next to impossible.

Would summoning a naval limitation conference check the costly rearmament race?

This question comes to the surface in current American discussion of accelerating world-wide preparations for war. It takes shape in a joint resolution introduced in congress by Senator King (Dem.) of Utah, and Representative Markwick (Dem.) of Texas, asking the president to try to initiate an international conference to be convened at Washington with the purpose of attempting naval limitation agreements "in the interest of world peace and the relief of all nations from the burdens of inordinate and unnecessary expenditures for the provision of armaments."

In his January 28 message to congress calling for the new billion-dollar American navy expansion program, President Roosevelt had stated:

"We, as a peaceful nation, cannot and will not abandon active search for an agreement among the nations to limit armaments and end aggression."

It soon was made evident, however, that the chief executive regards the present as an unpropitious time for trying to initiate a naval conference.

## DO YOU KNOW ILLINOIS?

By EDWARD J. HUGHES  
Secretary of State

Q What social event marked the making of Springfield the state capital?

A A grand ball held at the American House in the autumn of 1938. Acceptances were made by Chicagoans and St. Louisans though the latter was 24 hours away and the former a week's journey.

Q What famous names appeared among the managers of the ball?

A Abraham Lincoln, Stephen A. Douglas, N. W. Edwards, J. F. Speed, and James Shields.

Q What was the financial and physical condition of Springfield at this time?

A The town was poor, its citizens being hard pressed to raise the \$50,000 required under the law toward erecting the new State House, and most of the streets and sidewalks were unpaved.

Q What derogatory story about Springfield did Lincoln tell at this time?

A Although he was one of the prime movers in placing the capital at Springfield his irrepressible humor caused him to tell the story that when a man asked Secretary of State Thompson Campbell for the use of the legislative chamber for a series of lectures on the seceding of the Lord, Campbell replied discouragingly, "It is my private opinion that if the Lord has been in Springfield once, he will not come a second time."

Q What was the cost of the new capital at Springfield?

A \$240,000. It had been estimated that the building would cost \$130,000.

Q Was the capital ready for occupancy when the next legislative session was called?

A No. The Second Presbyterian church was secured for the House, the Methodist church for the Senate, and the Protestant Episcopal church for the Supreme court.

Q What was the quota prescribed for Illinois in the Mexican War?

A Illinois was called upon to furnish three regiments of infantry for 12 months service.

Q When was the call issued in Illinois?

A Gov. Ford issued his call May

25, 1846. War had been declared officially on May 13.

Q What was the total number of Illinois men serving in the Mexican War?

A 6123. Killed in action, 86; died of wounds, 12; wounded, 160.

# Bronchos Win Surprise Victory Over Crystal Lake by 25 to 23 Score

## Game With Lake Forest Friday to End Local Season

Ernie Rice Paces Bronchos With 15 Points in Saturday's Mix

The Barrington Bronchos came through with a surprise demonstration at Crystal Lake Saturday night and gave the Crystal Lake quintet a 25 to 23 beating. This game marked the Bronchos' 4th victory of the season, previously winning over Wauconda, Palatine and Niles Center.

Ernie Rice again led the Bronchos to victory with his accurate spot shots and his good eye for free throws. Rice accounted for 15 points to lead both squads in scoring.

### Turn on Power

The first half was given over to defense rather than offense and as a result there was very little scoring on either side. Interception of passes occurred frequently and many wild shots followed. Field goals by Rice and Saul and free shots by Watson and Shepard constituted all the Barrington scoring up to the halfway mark. The score at the half read 8 to 6 with Crystal Lake on top.

Coming back into the third period Ernie Rice started the Bronchos on a scoring spree which accounted for 12 points. Rice making eight of them. Peters, Rockenbach, and Whitehead contributed points to the Lakers' total and the three-quarter score was 18 to 15 in favor of Barrington.

Both teams scored seven points in the last period. Rockenbach sank three field goals and four charity tosses to be high point man for Crystal Lake. Elling, Crystal Lake sophomore forward and leading scorer of his conference, was held to only a free throw by the much improved Broncho defense. Barrington dropped 9 out of 16 free throws while Crystal Lake sank 7 out of 15.

Coach O. E. McCall of Crystal Lake stated that the Bronchos had the best defense that he has seen played against so far this season.

### Ponies Drop Contest

Falling to stop a fast breaking forward wall the Ponies dropped their next to last game contest of the season to the Crystal Lake lights, 32 to 19. Crystal Lake held a 10 to 1 lead until the second quarter when the Ponies scored 10 points and were put back in the game. The score at the half was 15 to 11 with the Ponies trailing.

After a slow third period Crystal Lake against displayed its offensive strength and went far into the lead. Landis, freshman center, was high scorer with 12 points. Grubling led the Ponies with five points.

### Lake Forest Friday

Because of the postponement of the game scheduled for Jan. 25, the Lake Forest Scouts will come to the local gym Friday evening for the last conference game of the season. The Scouts have scored a number of upsets after a start this season and will be hard to beat. Although they have a better conference record than the Bronchos, the home squad is likely to display some fancy basketball as they have done in previous home games. Both of their conference upsets occurred on the home floor. The lightweight game will start at 7:30.

## Ela High Cagers Finish Conference Season Undefeated

Record of 10 Victories and No Losses Highest in School's History

By defeating Grant high school 20 to 18 Friday night the Ela township high school heavyweight basketball team capped the unofficial championship of the Northwest conference. The Ela congregation was undefeated during the season, winning 10 games. The record made during the past season was the best ever accomplished by the Blue and White from Lake Zurich. The feat is more impressive due to the fact that Ela

ship game will be played Saturday night.

high school has one of the small, east enrollments in the conference. The Elites scored 325 points to rank third in that department in the conference the second-place Leyden team scoring 347 points for first honors and the fourth-place Niles Center quintet made 341. Ela had an average of 32.5 points per game. Leyden had 34.7, and Niles Center 34.1.

Although ranking third in offensive honors, the Lake Zurich hardcourt stars were the best defensive team in the conference with an average of 21.8 points. Opponents scored 218 points against the Lakers.

The Lake Zurich quintet is favored to win the district tournament which opened at Wauconda Wednesday. Hebron meets Ela on Thursday evening, Feb. 24. Other teams in the district mix are Grant, Richmond, Northbrook, Niles Center, Warren, Antioch, and Palatine.

The winner of the district will play in the regional tournament at Waukegan which opens the week following. Winners of that tournament then play for the state title in sectional battles.

## St. Paul to Meet Salem for Church Cage Title Monday

Will Be Final Session of the Season; Methodist Will Also Play

St. Paul versus Salem for the local church league basketball championship—that's the set-up for Monday night when the final game of the season are played at the high school gym.

St. Paul qualified for the final by defeating Methodist, 22 to 18, last Monday in the first of the play-off games between the three teams all of whom tied for first place during the regular schedule with records of six wins and two defeats. The luck of the draw sent St. Paul against Methodist with Salem drawing the bye. In two previous meetings this season Salem defeated St. Paul both times.

In a preliminary tilt Monday, the loser last week, Methodist, will play a combined team of St. Anne and Baptist players.

The St. Paul-Methodist game Monday developed into a rough and tumble affair, three men being dismissed on fouls.

St. Paul had Methodist on the run in the first half, leading 13-2 at one time and sporting a 13-5 margin at half time. In the second half with Ed Gaare, St. Paul's second-high league scorer on the sidelines because of four personal fouls, Methodist picked up to 22-18 with four minutes to go. Methodist had its chance to win as St. Paul, with a four-point lead, kept shooting wild long shots and the Methodist team got possession of the ball time and again. However, with plenty of scoring chances they couldn't put the ball through the hoop.

Both teams except for a St. Paul streak in the second quarter were

said off in shooting and missed many easy chances to score.

In the preliminary game Monday St. Anne came through with its first victory of the season, downing Baptist 22 to 21. Baptist had a 21-19 lead with less than a minute to go when Tichy sank a long shot to tie the score and Gaare made a free throw to win the game for St. Anne.

## Typewriting Speed Demonstration Held for School Classes

Barney Stapert of Hawthorne, N. J., former world's amateur champion typist, gave a demonstration in typing for students in the typewriting classes of the Barrington high school Monday morning.

Mr. Stapert's official record in the last international typewriting contest, held in Toronto, Canada, under the auspices of the Canadian national exhibition, was 136 net five-stroke words per minute for one hour's writing. His record at this contest was the best of his career. During the hour's writing he struck 42,773 keys, which gave him an average of nearly 12 keys for each of the 3600 seconds. In his demonstration Mr. Stapert emphasized rhythm, concentration, correct posture, and lighting changes of paper. While typing one of the typed tests he carried on a conversation with the students and answered their questions. In one test he amazed his audience by reciting the states of

the Union and their capitals in less than a minute while typewriting at full speed.

Mr. Stapert received his early education in Paterson, N. J. He is now making an educational tour, which is sponsored by the educational department of the United States Department of Education. William Bergmann of Waukegan is introducing Mr. Stapert to the schools in this vicinity.

## R. Lyons to Talk at Libertyville Rally

Richard J. Lyons, candidate for United States senator, and various other candidates for county and state offices, will speak at a republican rally at Libertyville high school Saturday night. This will be Representative Lyons' only appearance in this section of the county before the primaries. His itinerary as planned will take him over the entire state during the next four weeks.

This meeting is sponsored by the Libertyville Young Republic club. Charles Twardell, president, has extended an invitation to all interested citizens to attend.

## Invoke Curfew Law in Elgin to Keep Young Boys Home

Marshal Joseph G. Huber, of the Elgin police department, is invoking a 31-year-old ordinance in an effort to enforce curfew laws on children of 14 years and under in Elgin. The city curfew ordinance, passed by the Elgin city council in 1907, was taken from the municipal files and dusted off by Marshal Huber as he prepared an order to keep boys younger than 14 years off the streets.

He found it necessary to issue such an order, he stated, when he found young boys in taverns and other places late at night during the last few months. Orders to stay home were disregarded, he continued.

The ordinance stipulates that boys younger than 14 are to remain off the street between the hours of 8:30 at night and 5 in the morning in winter months, and 9 at night and 5 in the morning during the summer.

Parents may be prosecuted if the order is not complied with, the ordinance permits.

## Police Hold Youth for Grove Holdup

With the arrest of Frank Nanak of Chicago Sunday the holdup at the Larry Hand cottage near Fox River Grove last Wednesday night has been solved. Chicago police picked up Nanak Sunday and found the Hand car stolen from the cottage in his possession.

Two revolvers and two wrist watches also taken from the Hand cottage were found in possession of Nanak. The \$75 in money taken from the cottage has not been accounted for as yet.

Nanak went to the Hand cottage Wednesday night after he had been drinking, according to reports. At the cottage he fired two shots at the caretaker, Joe Peifer, when the latter was unable to furnish Nanak with the keys to the Hand car.

Peifer claims Nanak searched the house after firing the two shots
