First Local Air Mail Flight From Postoffice Today

Commemorative Cachets Will Be Flown From Sky Harbor Field

Barrington's first air mail flight is scheduled to take place today Thursday at 3 p. m. All mails transported in this flight will be the Barrington National Air Mail Week cachet sponsored by Barrington Lions club as well as an additional endorsement relative to the flight. The flight will be made by Captain H. Knuth, manager of Sky Harbor airport from Sky Harbor flying a Ryan aluminum monoplane. The mails will be conveyed to Sky Harbor by auto leaving Barrington at 3:45 and heading the car there will be several other cars, carrying newspapers, village officials and others. Mails for the flight will close at 3 p. m. today.

Considerable local interest has been shown in the flight, which comes as the high point in National Air Mail Week and mails have trooped into the post office since Monday morning depositing letters with requests that they be held for the occasion. Numerous covers have been being received from philatelists throughout the country seeking the local cachet to add to their collection.

The Barrington flight is one of thousands being held throughout the country today, chiefly to demonstrate the feasibility of airplane pick-up services as feeders to the transcontinental lines.

The local post purchases the flowers and sends them to the post office to help the war effort. The poppy is worn as a token of respect not only to the war dead but to those men who were permanently injured or crippled during war service.

Village President Earl Hatle has issued a proclamation declaring Monday, May 23, as Poppy Day, and urging all residents to observe the occasion by wearing a poppy.

Proclamation

Monday, May 23rd was proclaimed "Poppy Day" in Barrington in a proclamation issued today by Village President Earl Hatle. The proclamation urged all citizens to honor the World War dead and the war's living victims by wearing the American Legion and Auxiliary memorial poppy that day. The proclamation reads:

"Whereas, in the World War of 1917-1918 the young men of Barrington gave their services to the defense of the United States in an exalted spirit of patriotism and some were called upon to sacrifice their lives in that service;

"And whereas, many of these were called upon to sacrifice health and strength, with resulting suffering and hardships to themselves and families which continue to this day;

"Whereas, the memory of these patriotic sacrifices should ever be kept fresh in the minds of patriotic citizens, and the poppy has been designated to those still within the reach of human aid;

"And whereas, the wearing of the Memorial Poppy both honors the dead and aids the disabled and dependents;

"Therefore, I, Earl Hatle, president of the village of Barrington, do hereby proclaim Monday, May 23, Poppy Day in the village of Barrington, and urge all citizens to observe the day by wearing the American Legion and Auxiliary Memorial Poppy.

Truck Driver Drags Boy From Path of Car; Sister Hurt

The timely action of Michael Baccieri, 19-year-old truck driver of 1028 S. Western avenue, Chicago, saved Emory Novak, nine-year-old son of Mr. and Mrs. E. P. Novak, Ela township, from serious injury, but Emory's sister, June, 15 years old, is a patient in the Palatine Community hospital with a severe back injury received when she was struck by a car Saturday evening.

Baccieri was enroute to Chicago with his truck when it became stalled on Rand road about three blocks southeast of Lake Zurich. A lighted oil flare was placed near the truck and Baccieri stood by to tag down oncoming traffic.

The Novak children came along and started talking to the driver. While the three were engaged in conversation, a car stopped and then when the oil flare was sighted.

Another car driven by John Billings of Wauconda was unable to stop and swerved.

Baccieri grabbed Emory and dragged him from the path of the car, meanwhile calling a warning to June. She attempted to escape but the car followed her down into the ditch where she was knocked down and ran over.

In ensuing excitement, Billings threw the machine into reverse and one wheel passed over the girl's second time.

She was placed in Billings' car and taken to the home of her parents, who immediately rushed her to the hospital. Her condition was reported satisfactory. Emory escaped with a slight cut on his head, caused when he fell to the ground, and Baccieri was unharmed.

Amend Complaint in Gieske-Thoren Sewer Litigation

No Fixed Amount Asked; Village Has 20 Days to Answer

An amended complaint in the Gieske-Thoren case was filed against the village of Barrington today by W. P. Bardwell, attorney for Mrs. Adolph Gieske and Mrs. Dorothy Thoren.

The village was given 20 days in which to file an answer. No fixed amount of damages was asked in the complaint.

The amended complaint alleged that the sewer system constructed two years ago on Russell and Summit streets was inadequate and deficient. Because of improper construction, the bill further claimed sewage seeped through the property of Mrs. Gieske and Mrs. Thoren and also backed up into basements.

The plaintiffs are joint owners of the houses and seven parcels of property at and adjoining the intersection of Russell and Summit streets.

The complaint filed Friday was the second time the village has been struck from the court roll upon the petition of D. B. Maloney, village attorney on the grounds that the allegations were vague and in defiance of the court complaint asked \$55,000 damages.

Revive Topic of Postal Building Being Built Here

Federal Buildings List Has Barrington Included for \$95,000

Barrington was included in the list of 77 postoffices being considered for construction in Illinois by the department of federal buildings this year, according to news dispatches from Washington this week.

The projects were included in a \$4,000,000 appropriation for post-office buildings offered by the house appropriations committee.

The amount listed for the construction of a federal building here was \$95,000. This amount is \$10,000 higher than the price reported previously. Barrington was first listed for a new postoffice building several years ago but nothing was ever done by the postal department to push action.

The new development this week is not an indication that a building will be built here, local observers feel. A survey will be made by the postal inspectors to determine which communities will receive the buildings. The agitation centers around President Roosevelt's campaign to bring the country out of its recent business slump.

In addition to Barrington, Antioch, Deerfield, Graylake, Highland Park, Highland, North Chicago and Zion are among the other Lake county communities to be considered as sites for new buildings.

To Dispatch Mail From Barrington Sunday Evenings

New Convenient Service Will Be Started Here May 22

Barrington will have Sunday mail dispatching service beginning this week-end, according to an announcement from L. B. Padlock, postmaster.

The Sunday mail will close at 6 p. m. The post office lobby will be open from 5 to 6 o'clock and there will be a pick-up from all collection boxes between 5 and 5:15 p. m.

The Sunday service will be for

This extra service and convenience for local patrons has been wanted by businessmen and other residents of the community for years. Requests for it were filed with the department by local individuals and committees several years ago.

The fact that up to this time, letters mailed after 5:30 p. m. Saturday have lain in the post office until Monday morning indicates the degree of service improvement resulting from the addition of Sunday dispatching.

A LIBERAL RECOVERY PROGRAM

Oswald Garrison Villard, former editor of The Nation and one of America's most distinguished liberals, has made a number of specific suggestions that he believes this government must follow if the depression is to be ended. Chief among his proposals are: a suspension of "reforms" in order that business may know where it stands and not be continually battered from pillar to post by unstable policies; the establishment of a fixed and definite policy toward the public utilities, so that this great industry may unleash the billions in spending power that have been dammed up because of fear of confiscation and unmetable government competition; tax revision, and the assurance that thereafter there will be no more tax tinkering so long as the present administration remains in power.

There can be hardly any question of the results of such a program. The doubts that have been so greatly responsible for the slackening of industrial expansion would be largely dispelled. Business and industry would feel a new surge of confidence that would be immediately reflected in reemployment. The investor, driven into financial hiding by well-justified fears of mad tax policies and a vacillating general policy on the part of government in its relation with business, would reappear with funds for progress.

Mr. Villard's program, in brief, is a recovery program, which calls for a return to fundamentals essential to prosperity in any nation.

"A Slight Case of Murder" at Catlow Sunday, Monday

"The Girl of the Golden West" to Begin Three-Day Run Wednesday

Europe's "smart set" is made the object of good-natured fun in "Bluebeard's Eighth Wife," the comedy which is now playing at the Catlow with Claudette Colbert and Gary Cooper heading the cast. It is an adaptation of the famous play by Alfred Savoir which caused such a sensation in Continental theatres.

That convicts don't always "go over the wall," because they are eager to return to their former associations and resume their careers interrupted when the law caught up with them, is strikingly illustrated in "Over the Wall," coming to the Catlow Saturday. The original story, written by Warden Laves of Sing Sing, tells the story of the conviction of an innocent young man and his bitter resentment at the injustice. Through the efforts of his sweet heart and a friendly chaplain, he becomes a model prisoner who is trusted outside the wall.

But when the urge comes to escape, he takes it. His purpose, however, is not to get revenge on the man who "framed" him, but to establish beyond all doubt that he was not guilty of the crime for which he was unjustly punished.

Edward G. Robinson—Earliest ambition of filmland's No. 1 gangster-portrayer was to become a clergyman. Graduated from Columbia university, but was sidetracked from his chosen career by his passion for amateur theatricals. Made his first professional hit in vaudeville. Was a Theatre Guild star before he came to Hollywood. An excellent linguist, an ardent art collector, an eager student of music, happy husband and father in the screen's toughest tough guy. His latest is "A Slight Case of Murder," coming to the Catlow Sunday and Monday.

On the scene of "Now and Forever," coming Tuesday to the Catlow theatre, Shifley Temple, the youngest and one of the most talented actresses in Hollywood, stepped out of character to give Gary Cooper a point or two on the fine art of acting.

Double featured with "Now and Forever," Tuesday is "Blondes at Work" with Glenda Farrell and Barlowe MacLean, a Torchy Blane adventure. Nelson Eddy's most dangerous song almost came to a bad ending during a scene for "The Girl of the Golden West," coming to the Catlow Wednesday for three days. The song, "Soldiers of Fortune," is unusual in that it is half a mile long—for Eddy and his band of 40 mounted bandits sing it as they ride for half a mile over precipitous mountain trails. Eddy was leading his cut-throat chums around a jutting, boulder 50 feet from the ground level. His

mount swung a little too wide on the steep downhill, and a front foot slipped over the edge of the trail. Eddy's horse stumbled, almost unseating the singing star, but Carlilo, expert horseman and riding alongside, seized the bridle and steadied the horse until it regained its footing.

Broncho Track Team Points for Conference Meet at Leyden Tuesday

Warm-up Dual With Lake Forest Here Friday Afternoon

Competition Will Be Keen in 14th Annual Northwest Meeting

The 14th annual Northwest conference track and field meet heads the list of important athletic events for the coming week on the Barrington Broncho's slate. Lake Forest, which is new in track competition in the conference this year, is ranked favorite in the coming meet at Franklin Park Tuesday. Coach Ed Lindenmeyer's thin-clad have proven themselves worthy of such an honor by their good showings in the Lake county meet and the Palatine Regatta. Arlington and Libertyville also will probably be up among the leaders.

The Bronchos, who have suffered only defeats so far this season, ought to be good for a number of points. Norm Nestlerode should be good for a couple of points in the dashes. Rice ought to pole vault high enough to place. Collins and Church will probably make a good showing in the javelin as they have done at the recent Heron has good possibilities in the broad jump as has Saul in the high jump. Then, too, there is always the possibility that a few "dark horses" among the group will pull a surprise.

Scouts Here Tomorrow
The Bronks will get a chance to see just how good the Lake Forest bunch really is tomorrow when they meet the Scouts in a dual meet on the local cinder path. Don O'Hara, who has been the Scout's ace performer during past contests, will attempt to click off a few of the standing records out at Northside Park. "Irish" Moore, also a Scout star, has high ambitions in his specialties, the 880 and the mile.

The following are the Northwest conference records and the year in which they were set:

- 100 yd. dash: Conway, Lib., 1929. Time: 10.2.
- 220 yd. dash: Conway, Lib., 1929. Time: 22.9.
- 440 yd. dash: N. Rohlfing, Arl., 1935. Time: 52.1.
- 880 yd. run: N. Rohlfing, Arl., 1935. Time: 2:07.2.
- Mile run: V. Willard, Lib., 1935. Time: 4:46.8.
- 200 yd. low hurdles: Richards, Arl., 1937. Time: 24.5.
- 120 yd. high hurdles: Richards, Arl., 1937. Time: 16.1.
- 880 yd. relay: Lib., 1935. Time: 1:55.6.
- Mile medley relay: Barrington (Overhurn, Dotterer, Elmer, Osborn), 1935. Time: 4:06.6.
- Frosh relay (440): Lib., 1937. Time: 48.8.
- Pole vault: S. Sears, Arl., 1935. Height, 11 ft. 5 1/2 in.
- Broad jump: J. Ray, Lib., 1937. Distance, 21 ft.

Rain Cancels Game for Baseball Team at Aurora Sunday

Barrington Nine Travels to Algonquin Sunday for Contest

The torrential rainfall last Sunday forced the cancellation of the game scheduled between the Barrington baseball team and the Aurora K. C. club at Aurora. This contest will be played May 23 at Aurora. William Behringer, local manager, announced.

This Sunday the locals will cross bats with the Algonquin club at Algonquin park. Algonquin possesses one of the strongest nines in the Fox valley district and will prove a good contestant for Barrington.

Although plans have progressed to some extent, work is far from being started on the new baseball diamond to be constructed in Northside park. The playing field will be laid out on the land donated to the Barrington Park board last year by Jewel Tea Co.

Considerable grading and sodding will have to be done before the diamond is in shape for playing. Mr. Behringer stated that the team had hoped to play some home games in June, but prospects of that are slight.
