Rural Mail Carriers Complete Livestock and Poultry Census

Charles L. Hutchinson and Fred L. Bennett, rural carriers delivering mail in the farming area served by the Barrington post office, have just completed the annual livestock survey, which is taken by the post office department in cooperation with the department of agriculture.

The survey is made by sampling the farms in each post office area. A sufficient number of volunteers being given representative farmers, both large and small, so that returns will represent a fair average for each community.

These reports, when compiled by state agricultural statisticians, furnish information of value to farmers in planning future production and in marketing current supplies.

Seventy-five per cent of the Barrington farms reporting had hogs

or young pigs on the farm, the majority having both old hogs and pigs 6 months old. The largest drove was 102 head, but the average was 30.

All of the farms report milk cows, the largest a herd of 31 head and the smallest 3 family cows; this was the farm that had 162 head of hogs. The average herd of milk cows was 10. The largest herd of the farmers were raised for calves for milk stock, several having but 2 or 3 calves, while one farmer reported 12.

None of the farms report sheep or lambs, but 85 per cent reported poultry, either hens or young chicks, most having both. Nearly half were buying baby chicks. There were 75 laying hens and 100 chicks in the average flock, with the smallest a flock of 50 and the largest 200.

A contest in health care will be held next month.

Things Start Popping at Board Meeting When Loaded Cigar Sneaks in

Things progressed serenely for a while at the village board meeting Monday night, but not for long. A matter that had been handed to Trustee John Daeschel exploded in his face, considerably to his consternation and helping to relieve the monotony of a routine session.

The explosive matter was a loaded cigar, a gift from A. L. Wiedenbeck, village treasurer, shortly before the meeting. Mr. Wiedenbeck laughed over the incident, but Trustee Daeschel said nothing, which would lead on observers to think that retribution is not far off in the offing.

Trustee John J. Carroll remanded that the residents of the village might like to know that dynamite exploded at a village board session and one of the spectators was given to recall that old expression, "beware of strangers bearing gifts."

Discuss Recreation Program With Board

Willard Watson and Paul Clark, members of the public school faculty, appeared before the village board Monday night to further outline the proposed summer recreation and leisure time activities program. Mr. Watson explained the progress that had been made and requested the board's aid in financing the program.

It was learned that the expense of the plan was to be divided into four divisions, with the school board and estates committee giving one-half to local organizations refinancing the remainder.

A minimum program is planned for July and August, Mr. Watson stated, with recreational games and activities arranged for the youths and adults of the community. The matter was turned over to the finance committee for study.

BARRINGTON HILLS. — The wedding of Miss Betty Howland, granddaughter of H. A. Howland of Barrington, to Nelson Brewer Jr. of Beverly Hills, last Saturday evening in Bethany Union church, Chicago, was attended by a few Barrington friends. It was a beautiful and most impressive service, the lovely raftered church with its many candles and white flowers, providing a most appropriate backdrop for the bride and her attendants.

The concert harpist, Miss Mildred Dilling, who is an aunt of Mr. Brewer, accompanied by the pipe organ, gave the musical numbers which preceded the ceremony. At the Shoreland hotel many friends of both families offered their best wishes and congratulations to the young couple, and enjoyed the dancing and beautiful supper which followed.

Mr. and Mrs. Brewer left on a trip into Canada and expect to go from Quebec by boat to Bermuda. They will be at home after August 1 at 2026 Hopkins Place, Beverly Hills.

central committee. It will be free to all. There will be a 4,000 pound beef, barbecued under the direction of professional chefs from Southern Illinois.

During the day there will be a free golf tournament, horseshoe pitching and softball games, with cups and trophies for the winners. A special event will be the bicycle race from Chicago to the club house at Fox Lake, a distance of 53 miles, it was reported.

Celebrate to Mark 90th Anniversary of Busse Family in U.S.

A unique family celebration will occur at the Elk Grove forest preserve, Sunday, July 3, when Busse family, direct descendants of Mr. and Mrs. Friedrich Busse will celebrate the ninetieth anniversary of the arrival of the Busse pioneer family in Elk Grove township upon July 3, 1848.

The date of the celebration falls upon the exact day of the anniversary. Previous family reunions were held in 1925, in honor of the 75th anniversary and in 1908 commemorating the fiftieth anniversary.

With large families, the direct descendants have multiplied into the hundreds and the reunion will be as big as an event of its kind as ever occurred in Northwest Cook county. The pioneer settlers had six children, four of whom were boys and a majority of the families reside within a few miles of the Busse homestead where their forebears first settled.

Fifteen years ago, when the last family census was taken there were 267 great grandchildren, and 323 great great grandchildren.

A celebration of this magnitude requires a lot of planning and in order that all of the 650 branches of the family may become part of the affair, a committee of six has been appointed, comprising one grandchild from each of the children of the original settlers. They

are Alfred Busse, representing the Alfreton Busse families.

William C. Wille, representing the Fred Busse families.

Richard Tonne, representing the Mrs. F. Tonne branch.

F. W. Busse, representing the Henry Busse family.

August Deede, representing the Mrs. C. Henjes branch.

Northwest Suburban Council Plans Concert for Camp Fund

Sponsored by the camping committee of the Northwest Suburban council, Boy Scouts of America, a concert by the 85-piece Illinois Symphony orchestra will be given at the large auditorium of the Des Plaines Methodist camp grounds Thursday evening, June 23, at 8:15 o'clock.

Proceeds from the sale of tickets will make it possible for a number of scouts to have a summer vacation at camp Oh-De-Ko-Te, which lies east of Lake Geneva. The camp is being put in condition and the Northwest Suburban council is hoping to give a larger number of lads than formerly the advantages of camp life.

The Illinois Symphony orchestra will be under the expert direction of Isier Solomon, the young conductor who has made a meteoric rise to fame and has helped to put the Illinois Symphony on the map as one of the outstanding organizations of its kind in the country. His highly successful previous appearances at Grant park, where hundreds of thousands of music

lovers have witnessed Solomon's brilliant conducting, have resulted in his being re-engaged for a series of five concerts this summer.

Solomon will direct a popular symphony program designed to appeal to all music lovers, it was reported. It will include works which the orchestra has played during its season of 25 concerts on Sunday afternoons at the Great Northern theatre in Chicago, closing June 26.

"College Swing" Is Week-End Bill Coming to Catlow

"Her Jungle Love" Will Begin Two Day Engagement on Wednesday

Spectacular flying, four stellar players, a colorful story picture, starting entertainment in "Test Pilot," most authentic aviation picture yet produced, which opened at the Catlow theatre on Thursday for a three day showing.

Clark Gable, Myrna Loy, Spencer Tracy and Lionel Barrymore head the cast of the first air picture produced by Metro-Goldwyn-Mayer in more than two years.

Two young Hollywood stars celebrated their honeymoon by appearing in a motion picture!

They are Jackie Coogan, America's most famous child star of a few years ago, and lovely Betty Grable, the girl who has been the "success" "it's" before they were hustled back to the studios to work in "College Swing," the new Burns and Allen—Martha Raye—Bob Hope comedy coming to the Catlow Sunday and Monday.

Alvin Tamiroff, who is cast opposite Anna May Wong in the role of the political ruler of a great American city in his latest picture, "Dangerous to Know," maintains that the secret of his success in character roles is due to the fact that he completely loses his role before the actual filming of the production begins.

Tamiroff followed this iron-clad rule while preparing for "Dangerous to Know," a drama of a political ringmaster who meets his Waterloo when he lets a society girl make a fool of him, which comes to the screen of the Catlow theatre on Tuesday.

Double feature with "Dangerous to Know" is "Forbidden Valley" with Noah Berry Jr. and Frances Robinson.

A romance between a handsome young aviator, whose airplane is wrecked on a lonely South Sea island, and an untamed native girl, who has never before laid eyes on a white man, forms the story of "Her Jungle Love," the new technicolor production, which will have its first local showing at the Catlow Wednesday, when it begins a two day engagement.

Mr. and Mrs. and Dorothy Lamour head the cast, making their first appearance together in "Jungle Princess," in which they scored so sensational a season ago. Probably no two stars in Hollywood are more often associated with tropical romance than Milland and Miss Lamour, he having recently appeared in "Ebb Tide" and she in "Hurricane."

Kenosha Nine Wallops Barrington Baseball Club Sunday; Score 14-2

DeKalb Will Be Opponent Sunday for Local Outfit

Loose Fielding Responsible for Lop-Sided Defeat at Kenosha

The Barrington Baseball team took a 14 to 2 drubbing from the hard-hitting Kenosha nine Sunday afternoon, making the defeat the worst during the season. The local team practically fell apart. Numerous errors, lapses in base running and other faux pas were counted. The game was played at Kenosha.

Barrington kept the slate clean until two were out in the third inning when two runs scored. Geyer was safe on a single and an error by B. Condil allowed Cruthers to reach second while Geyer scored. Cruthers scored the second run on a hit by Beaster.

E. Altenburg was on the mound for Barrington to start the game. He was forced from the game after the first half of the fourth inning with an injured ankle, received when he slid into second base. With the exception of the two runs scored in the third he had progressed satisfactorily.

Earl Eitters went to the mound in the fourth and was tapped for one run and one hit, making the score three to nothing in favor of Kenosha.

Barrington's first marker was produced in the fifth when W. Altenburg received a pass. While Paulsen was also watching four balls being pitched, Willie siste second and then third. A delayed steal, Paulson drawing the throw on his steal to second, allowed Altenburg to score.

Apparently induced by the bravado of the locals, Kenosha retaliated with a batting and run scoring spree in their half of the fifth. Six runs were tallied in this frame on three hits. The entire team batted around. Two errors during that inning helped Kenosha.

The opponents picked up one more marker in the seventh and four more in the eighth to conclude their scoring. Barrington managed to score in the ninth when Reuse started the inning with a single and came home on a single by Helm.

During his stay on the mound E. Altenburg gave up two hits, allowed two runs, walked two, struck out four men, and there was one error. Eitters allowed seven runs, gave one walk, struck out two batters, gave up five hits and one error. Helm and Reuse gave up four hits for four runs, struck out three and walked two batters. There were two errors during the time he presided.

Reuse was top man for Barrington, getting three hits, two for extra bases, in four trips to the plate, as well as scoring one of the two runs. Geyer led the Kenosha nine.

at the plate, getting three out of five and scoring three runs. Barrington travels to DeKalb Sunday in hopes of improving last Sunday's performance.

Two records fell as Third Year Group Garners 57½ Points

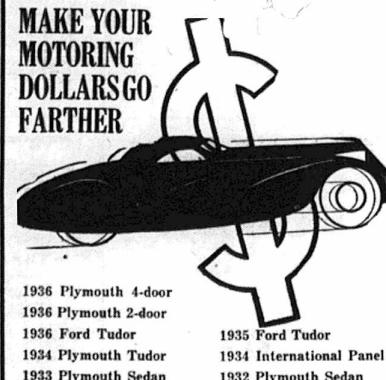

Two records fell out at Northside park last Thursday as the Juniors won the annual interclass track tournament. The scores by classes were: Juniors, 57½; seniors, 42; freshmen, 31; sophomores, 23½. The Juniors scored 100 points in the track events, taking five firsts, four seconds, one third, and four fourths. In the field events they only took one first, one second, three thirds, and a fourth. The seniors' copped firsts in all field events but one. The Juniors were also responsible for two new records. Clyde Church broke the javelin record with a toss of 140 ft. 9½ in. The old record of 134 ft. 10 in. was established by Eitters in 1936. Three Juniors' second place were clipped off the 850 yard relay mark by the Juniors who were timed at 1:55.4. The seniors of 1936 held the old record. Running for the Juniors were Norm Nesterlede, Jack Shepard, Bill Saul, and Bob Herren.

Bob Collins of the senior class established a record in the discus, this being the first year that the competition was held.

Sales for the first twenty weeks of 1938 were \$9,154,139.83 as compared with \$8,804,682.86 for a like period in 1937, an increase of 3.97 per cent.

"WHAT'S THAT FUNNY NOISE?"

THAT "funny noise," young man, is a very important part of your life. A sound just like that wakened the doctor in the middle of the night—when you were born.

That "funny noise" gave your Father the breath-taking news that you had just said "Daddy" out loud for the first time. It's a noise that gives Mother more chance to enjoy your growing up.

You see, that "noise" jingles for the grocer, too, and the drug store, and the laundry, and the department store, and brings to your house

all those smiling people and strange boxes while Mother stays right at home and plays with you. Haven't you noticed how much Mother talks into it on those rainy days when people outdoors carry those queer things over their heads?

It will be a few years yet, we imagine, before you realize that there is an organization of 23,000 men and women—people like Mother and Daddy—who are devoting their lives to making sure that always, night and day, "that funny noise" shall ring for you.
