

Gasoline Station Part of Business Building Activity

Three Residences Figure in Changes; New Structure Contemplated

Two changes in the business district and one residential change were among the building activity items reported this week. The major project was the moving of a residence located at the northeast corner of Hough and Lake streets to make way for the erection of a modern gasoline service station.

Construction is expected to start within the next week or so on the station. The property is owned by Donald Schroeder and the plant will handle Texaco Oil Products. The building is to be a standard Texas station, white brick, and will have concrete approaches on both Lake and Hough streets. Estimated cost was not announced.

The residence which formerly stood there was moved this week to a lot adjoining on the east. It is expected that it will also be remodeled in the near future.

The other change in the business district concerned the moving of a residence by Lageschulte and Hager from its lumber yard property on Franklin street to a new location on Hough street just north of the Franklin street intersection.

A building permit was issued this week by Herman Garbisch, building commissioner, to Reuben Jahnholts to move a small dwelling from the Freya property at the corner of Cook and Lake streets to 207 W. Hillside avenue.

According to reports, Mr. Jahnholts plans to remodel the building and add a garage. Estimated cost was placed at \$1000.

Capture Gunmen Said to Have Dumped Man in Cornfield Here

Floyd Hamilton and Huron Walters, two Texas gunmen who were wanted by federal agents and police officers in a half dozen states in connection with many crimes, in addition to the alleged kidnapping of a Chicago man who they left in a cornfield near Barrington July 30, were captured Sunday in Dallas, Texas.

Federal agents were of the opinion that Hamilton and Walters kidnapped John Keatly, 6102 Dorchester avenue, Chicago, and after driving around the city for several hours came to Barrington where took \$11 in currency from his clothing and then dumped him, trussed hand and foot, in a field. They escaped with his car.

Driver Crashes Into Local Man's Machine

Village Trustee Rudolph Berg and his brother Charles Berg escaped injury when the car in which they were riding was struck by another machine at the intersection of Mannheim road and Grand avenue Friday evening. The local men, returning from work, were traveling north on Mannheim road while the other car, driven by Peter Turky, 3034 Linden avenue, Chicago, was going east on Grand avenue.

Charles Berg was driving his brother's car at the time of the crash. R. Berg swore out a warrant for Turky following the accident, charging him with reckless driving and failure to stop for a traffic signal. The Chicago man was released under \$100 bond pending a hearing Monday evening.

Neither of the Barrington men nor the passengers in Turky's car were injured. Trustee Berg expressed his displeasure over first reports circulated in the village by uninformed persons to the effect that he was seriously injured and confined to a hospital, and said that his automobile was a complete wreck. Neither statement is correct.

Power Lawn Mowers Sell Late in Summer Season

Power lawn mowers can be sold late in the summer as well as in May, Chris Heckmiller, proprietor of Heckmiller Service station, has learned. Last week Mr. Heckmiller advertised a 16-horse power mower and an electric welder for sale in The Review with ad columns. He moved both items as the result of the ad, and received inquiries on the mower after it had been sold.

Northern District Scout Troops Hold Annual Camporee at Cary

A group of scouts and scouters from troops of the northern district, Barrington and Palatine, camped in the woods northeast of Cary Saturday and carried out their second annual district camporee, and in spite of adverse weather conditions Saturday afternoon, a good demonstration of good camping was given.

A court of honor was held at the campfire Saturday evening and the following scouts received advancement: troop 9, Palatine—John Senne; trophies, scholarship and cooking merit badges; Klaus Timmerhaus, woodcarving merit badge; Thomas Humphries, swimming, rowing, athletics, fireman's badge, first aid to animals and pioneering merit badges; Melvyn Humphries, pioneering, first aid, bugling, personal health, cooking and swimming merit badges. Troop 9 is sponsored by the American Legion post of Palatine and John Manz is scoutmaster.

Troop 10, sponsored by the Salem Evangelical church of Barrington, Roger Lewellyn, scoutmaster; Norman Marx, first class.

Troop 21, sponsored by the Barrington Lions club, Roy Willmer, scoutmaster; George Hager, canoeing, pioneering, athletics, bird study, and teachers' merit badges; Gerald Kohout, pioneering, camping, safety, first aid, art, civics, physical development and bird study merit badges; Robert Ruch and Hugh Waterman, carpentry merit badges.

Troop 29, sponsored by St. Paul

Evangelical Brotherhood of Barrington, Ray Wichman, scoutmaster; Jack Grueling, cooking, pioneering, canoeing and athletic merit badges.

Star scout award was presented to Melvyn Humphries of troop 9 of Palatine. Life scout awards were presented to Thomas Humphries and John Senne of troop 9 of Palatine and Jack Grueling of troop 29 of Barrington.

The campfires were conducted under the leadership of Scoutmaster Ray Wichman of troop 29, who also served as officer of the day Friday.

Roger Lewellyn, scoutmaster of troop 10, served as officer of the day Saturday. The program of activities was carried out under the leadership of John Manz, scoutmaster of troop 9 of Palatine.

The camp site was selected and set up under the leadership of Assistant Scoutmaster Carl Billings of troop 21 of Barrington.

Plans for the camporee were developed under the guidance of Henry Lipofsky, district commissioner, and Grville Wentz, field commissioner for camping and activities. The members of the court of honor who presented the awards Saturday evening were: John L. Bell, president of Northern district; Hugh H. Calkins, vice president of the council and chairman of the northern district committee; M. S. Humphries of Palatine, vice chairman of the northern district; and Donald E. Kyger, scout executive.

Football Team of Automobiles Piles Up on Rand Road

11 Cars in Scrimmage; All Damaged; Several Occupants Injured

Some kind of a record for reckless driving was established at Rand road near the intersection of the Palatine road Sunday evening when 11 automobiles piled up in one combined accident.

The mess started with a head-on collision between two automobiles driven by George Karch, 3233 Fullerton avenue, Chicago, and Grace Stelling of McHenry. Mr. Karch was accompanied by Annette Karch and was driving south. The McHenry car was travelling north, and the two occupants were the driver and Bernice Stelling.

John Zeila and William Wittemeyer of Chicago stopped their car on the side of the road and went to investigate the accident. John Vena, 2131 W. Harrison street also became interested, but did not stop until he had crashed into the Zeila car.

Ray Ehrlert, 1949 21st street, Chicago, hit a car owned by Joseph J. Belick.

F. E. Harkness, 127 Virginia avenue, Elmhurst, was so intent upon looking at the other accidents that he forgot he was driving in the third lane and cracked the car of Richard Crombie, who in turn

Plan Cary and Fox River Grove Phones to Go on Dial System

Plans have been completed by the Illinois Bell Telephone company for replacing its central office switchboard in Cary and Fox River Grove to dial operation.

The new equipment will be of the latest type developed by telephone engineers for communities of this size, it was learned. It is known as "community dial" equipment and when it is placed in service early in November of this year, all local and rural telephone users served from Cary will dial their numbers in much the same manner as subscribers dial in Aurora and Chicago. New dial telephones will replace the present magneto type instruments and the familiar battery boxes associated with the present telephones will disappear, since electric current for operating the new system will be supplied by a single large battery in the central office. The present method of calling central by turning a crank will also be discontinued.

The new "community dial" system is in successful operation in a number of places throughout the country.

Under the new plan every tele-

phone number will have four figures and all numbers in the Cary exchange, both local and rural, will be changed accordingly. As the rural lines will also have four digit numbers they will be dialed in the same manner as local numbers.

Ringling will be automatic and when a telephone is called its bell will continue to ring intermittently until the telephone is answered or the calling party hangs up.

Toll and long distance connections will be handled by the Barrington operators as at present. Business matters will be handled through the company's business office in Barrington, which subscribers may reach without charge from any telephone in Cary by dialing the operator and asking for the "business office." An arrangement will be made whereby bills may be paid locally in both Cary and Fox River Grove. Maintenance of the lines, repairs when needed, and installation of telephones will be handled in the same manner as at present.

The central office equipment will be installed in a new building now being constructed in Cary at the rear of the southeast corner of 2nd and Main streets, by M. B. Weaver and Bertha E. Weaver.

Local Republicans Will Hear Lyons at Arlington Heights

Barrington, Cuba and Elia republicans are planning to attend the Dick Lyons rally at Recreation Park in Arlington Heights Friday evening.

Make Last Minute Preparations for Schools' Openings

Announce Registration Dates; List Rural Teachers in Southern Area

Last minute preparations are being made to prepare for the influx of pupils with the opening of local and nearby schools on September 6.

The greatest activity is going on at the Barrington public schools building where WPA workers are rushing the school work in order that the new wing will be in readiness for the opening. New rooms on the second floor mainly and first and third floor will be put into use immediately, according to plans of E. S. Smith, superintendent of schools. Primary grades that heretofore had been spread out through the other two sections will be brought more closely together.

Registration dates at the Barrington high school for students will be September 1 and 2. Those days are set for students who did not register last year.

Registration dates for grammar school pupils will be announced next week. Mr. Smith stated. Pupils at St. Anne parochial school in Barrington will enroll on September 6 and classes will be started September 7.

The faculty at Elia township high school at Lake Zurich will be the same as last year while at Barrington several new instructors will be engaged. They will be announced next week.

Waterman school in Barrington township will begin classes Monday while other rural schools will open the week following or the next. Miss Lillian Lipofsky of Barrington is the teacher at Waterman school. Palatine grammar and high schools will resume classes September 6.

Schreiber Renamed Lions District Head

M. H. Schreiber, member of the Barrington Lions club, received notification this week of his appointment as deputy governor in district one-A, the northern region consisting of Cook and Lake counties.

His appointment came from John G. Riets, district governor for Lions International. This is Mr. Schreiber's second year in the same capacity.

Mr. Schreiber will supervise clubs at Des Plaines, Mt. Prospect, Arlington Heights, Palatine, Highland Park, Waukegan, Antioch, Gurnee and Barrington.

State Department Calls for Bids on Higgins Road Work

Proposed Projects South of Here Include 11.78 Miles of Paving

The state highway department last week published notice to bidders of 11.78 miles of pavement reconstruction work to be done on route 72 (Higgins road) from west of Dundee to route 53 (Robling road) south of Palatine.

The proposed improvement is set up in three projects and will consist of widening and relocation of the road in a number of places. Higgins road is one of the oldest paved roads in this area, having been built a number of years ago. It has been little used recently due to broken sections in the road, its narrowness and many sharp turns.

The state highway department has secured a new right-of-way in many places and some of the bad curves will be eliminated. Work is expected to start this fall.

Following is the bidders proposal as announced by the highway department:

Project 611B, route 63, section 32-1, Cook-Kane counties, district 10, 22.33, var ft. wide, 5.34 miles long; reconstruction on Higgins road, from W. of Cook county line SE to Barrington road S. Barrington. Bids will be received for portland cement concrete pavement. Kendrick Harger, 35 E. Wacker drive, Chicago, is engineer of district 10.

Project 611C, route 63, section 32-2, Cook county, district 10, 22 ft. wide, 3.46 miles long; reconstruction on Higgins road from Barrington road SE to Roselle road.

F. A. Project 611D, route 63, section 32-3, Cook county, district 10, 22 ft. wide, 2.98 miles long; reconstruction on Higgins road from Roselle road SE to E. of route 53. Bids will be received for portland cement concrete pavement.

This listing makes the second major road improvement project to be undertaken by the state department in this vicinity. Last week bids were opened for widening and relocating of route U. S. 121 (Rand road) near Lake Zurich.

Sleeping Sickness Among Local Horses Has Small Decrease

Spread of sleeping sickness among horses in this vicinity abated in a small degree during the past week, but fewer cases were reported. The decrease was attributed in part to the fact that many animals have been vaccinated against the disease.

While the first cases in the vicinity were on farms south of here, the majority of new infections are in the northern district. The number of losses due to the disease has dropped materially, farmers now being alert to the danger and getting medical aid to horses as soon as they appear droopy or listless. Weather conditions were also said to have helped some in the abatement of fly and musquito activity.

Insects from western states are believed to have brought the sickness into Illinois, where it had not been prevalent heretofore.

Soil Conservation Tour Will Include M. H. Karker Farm

A soil conservation tour will be held Tuesday, August 30, at which time four farms in Lake county will be visited, featuring improvements, contour farming dams and reforestation.

The tour will start at 9:30 at the Anchor farm located on route 22 and Harbor road in Cuba township and at 10:45 it will move to Levi Walt's west of Round Lake. The group will then go to A. S. Casey's farm at Libertyville at 1 p. m., and at the E. Elsbury farm on Grand avenue, at 3 p. m.

Polo League to Resume Play
Play in the regular schedule of the Suburban Polo League will be started after September 1 after a delay of several weeks due to vacation periods, and the Barrington polo team will then continue its quest for the championship title. The local group is in a three-way tie for the lead. J. Boven will be the only one of the Barrington team to see action this Sunday, when he plays with the Elmhurst team against Park Ridge.

Dedication Speaker

Noble Puffer, county superintendent of schools, will be the principal speaker at dedication exercises for Arlington Heights new grade school, to be known as North school. The program will be held at 2:30 p. m. Labor Day.

Registrations Are Required in Order to Vote in November

Residents of Barrington township who are not certain they are on the permanent registration lists have been advised to examine the records for Arlington Heights new grade school, to be known as North school. The program will be held at 2:30 p. m. Labor Day.

It is sufficient, and the only invitation needed for this novel cooking school is that extended to every woman by The Review. There is no charge to see any of the showings of "Star of My Kitchen."

Because this newspaper stands ready to sponsor all progressive developments, particularly when they affect the homes of the community, it is presenting this motion picture romance of home-making entirely free.

Anyone not registered now may do so at either office, depending on his residence, or may do so at the county clerk's office in Chicago.

It is expected that the permanent registration lists will be closed some time before election and no new names will be allowed to be entered. Those persons who have already registered but have moved since that time are also advised to notify the county clerk, giving their old address and their new. This must be done 20 days before the date of the election so that the clerk will have ample time to transfer the cards to the proper voting precinct.

Viola Dot Clinic

Marlene Muhlbart, daughter of Mr. and Mrs. Harry Muhlbart of Lake Zurich, spent Saturday at her mother's office, the Anti-Cancer society, 157 W. Grand avenue, Chicago, and during her visit was taken on an inspection tour of the place. She witnessed how stray animals are cared for, and what arrangements were made for their adoption.

Interest Created in Cooking School Movie Coming Soon

"Star in My Kitchen," Home- Making Film, at Catlow Sept. 22, 23, 24

It's the talk of the town! Women throughout the community are planning to attend the friendly class for home-makers, the motion picture cooking school, scheduled to open at the Catlow theatre on September 22, 23 and 24.

A welcome invitation to the wives is sufficient, and the only invitation needed for this novel cooking school is that extended to every woman by The Review. There is no charge to see any of the showings of "Star of My Kitchen."

Mr. Lyons will be the keynote speaker at the republican state convention at Peoria, August 31.

To Sponsor "Social"

The Young People's club of St. Anne's church will sponsor an ice cream social on the church lawn, Friday evening, August 26.

Pfingsten Families Hold First Reunion at Elk Grove Sunday

Pfingsten cousins celebrated their first reunion in Elk Grove Inn's picnic grove Sunday afternoon. The gathering was for grandchildren and their families of the late Henry J. Pfingsten and his wife Sophia, who immigrated to America about the year 1839.

According to a document now owned by Fred W. Pfingsten, in the year 1843 from Allen Parker, according to the warranty deed still in existence.

Sunday afternoon was spent in getting acquainted and in visiting. Some of the older folks played cards while the younger group played ball. There were 233 present according to the registration.

There are no children of Henry Pfingsten living any more but one son-in-law, and one daughter-in-law, Sophia Pfingsten, both living in Chicago.

The following cousins are still living: Mina Eukeling, Lena Meyer, John Clausen, Bertha Moehling, William Pfingsten, all of Chicago; Henry Pfingsten, all of Schaumburg; Henry Lenschow, William Lenschow, John Lenschow, Lena Hattendorf, Alvina Behrnt, all of Burlington; Louise Reiske, of Elmhurst; Henry Belsterfield, Alvina Simms, Emma Kroepelin, Christ Pfingsten, all of Elgin; Herman Belsterfield, Mattie Manning, Emma Peat, all of Chicago; Fred Clausen of Glenview; Clara Johnson (not present); Minnie Balgeman, River Forest; Mina Behrens, Lewisville, Minn.; Henry Pfingsten, Hampshire; Alvina Wilkeing, Loganport, Ind.

With the afternoon well spent the families enjoyed picnic lunch. The gathering was taken up by old-time dancing—waltzes, circle two-steps and quadrilles. Before the gathering adjourned it was agreed to make it an annual affair.

Miss Nancy Holbrook, Guy Stillman Are Married Wednesday

BARRINGTON HILLS. — On Wednesday at noon occurred the marriage of Miss Nancy Holbrook, daughter of Mr. and Mrs. Howard Holbrook, and Guy Stillman, son of Mrs. Fowler McCormick. The marriage service was read by the Rev. Albert Taylor, pastor of St. James Episcopal church in Dundee.

Two tall trees of stephanotis blossoms, flanked by the altar steps and two smaller ones were used on either side of the altar. A box of white petunias hung at each of the five windows in the 75-year-old church and smilax foliage provided a background of green.

Miss Holbrook was escorted to the altar by her father. She wore a sheer white velvet gown with a gored skirt and collar and cuffs of rosepoint lace. Her high white velvet hat was trimmed with little bows and her short cape was made of the same material.

Miss Barbara wore a rain shade of wool with hat of matching velvet.

A wedding breakfast at the home of the bride followed the simple but impressive ceremony at the church. Mr. Stillman's father, James A. Stillman, his brother and sister-in-law, Mr. and Mrs. James A. Stillman Jr., all of New York, were present at the wedding. Only the two immediate families were guests.

Mr. and Mrs. Stillman are spending their honeymoon at Niagara-on-the-Lake, after which they will return to Barrington for the wedding of the eldest daughter, Miss Holbrook, to marry David McJannet of Oak Park on September tenth.

The ceremony will be performed at 1:30 at the Barrington Hills Country club and Mr. and Mrs. Guy Stillman will be the attendants. The Stillmans are to live in Troy, N. Y., where Mr. Stillman will be a sophomore at Rensselaer Polytechnic Institute.

Wins Tennis Title

In these days of championships and sports honors of all kinds it is time to be able to record a winner. Miss Kitty Lawrence has proven her ability on the tennis court so many times that it is indeed splendid to be able to tell of her triumph of last week when she won the Chicago District tennis tournament cup at Skokie, defeating Miss Christine Waples.

Miss Lawrence leaves Thursday for Philadelphia to play in the tennis finale in that city. After the tournament she goes to Stockbridge, Mass., for a short visit, then joins her mother, Mrs. Samuel Rowe, and sister, Miss Evelyn Lawrence at Roslyn, Long Island.

Miss Kitty will sail September 14 and Miss Evelyn on the 17th for a year at school in Switzerland.

To Make Debut

Miss Barbara Willson, daughter of Mrs. Leonard Karcher, is to be among the first of the season's debutantes. A garden party will be given by Mr. and Mrs. Karcher September 10 to introduce their daughter to their friends.

Home Canning of Tomatoes Starts; Crop Is Abundant

An abundant tomato crop at reasonable prices is being harvested which will be a welcome note to Barrington housewives, who will have an opportunity to fill cans with wholesome food for use in the months to come.

Near normal tomato crops are reported in Illinois, Ohio, Indiana, Wisconsin and Michigan, the latter of which moves much of its tomato crop through the city-owned Benton Harbor market where last year more than 807,000 tomato packs were sold.

Becoming especially popular for home canning, according to a survey by the Benton Harbor market people, is the cold pack method. By using solid tomatoes of desirable variety, the finished product is frequently firm enough to warrant use of whole tomatoes on winter salads. Many canners will process tomatoes during the coming weeks and convert the canned

product into juice as needed for the breakfast table. Several varieties grown locally and in Michigan that are desirable for the home canner are the John Baer, the Pritchard, the Marglobe, the Greater Baltimore, the Stone and Chalk's Jewel. Much of the early tomato crop consists of Penn State, Erlana and Scarlet Topper varieties. These frequently are sold at prices too high to make home canning economical. The later sorts are lower in price and more desirable for canning.

At Legion Convention Mr. and Mrs. George Miller, Mrs. G. Kuhlman, Mrs. G. H. Whitcomb and Harry M. Coffman attended the American Legion state convention at Rockford Monday.

Injured, Diving Edward Eagle, son of Rev. and Mrs. H. L. Eagle of South Cook street, suffered a scalp wound while diving Wednesday at the Barrington swimming pool.

Miss Holmes Bride

The marriage of Lois Holmes, daughter of Mr. and Mrs. E. Harold Holmes, 1130 N. Main street, Wheaton and Charles Warbrooks Stokes, son of Mr. and Mrs. Robert F. Stokes of Rahway, N. J., was solemnized at the Holmes home in Wheaton Saturday, Aug. 20, at 4:30 o'clock.

The ceremony was performed by Dr. Claude C. Travis, pastor of Gary Memorial Methodist church of Wheaton. The house and porch, which was the scene of the ceremony, were beautifully decorated with garden flowers and lacey greens.

The bride was beautifully attired in white dotted swiss, with a finger-tip length veil held in place by daisies and carried a bridal bouquet of daisies.

Mrs. Marie Holmes, sister of the bride, was maid of honor. Miss Dorothy Dotterer and Miss Ruth Read of Barrington, Miss Anne Humphreys of Morgan Park and Miss Holly Fletcher of Woodstock, Ill., were bridesmaids. Betty Lee Holmes, sister of the bride, was flower girl.

All of the attendants wore pastel shades of dotted swiss, with matching old-fashioned bouquets.

The groom's attendant was his brother, Paul R. Stokes. Mendelssohn's wedding march was played by Mr. Robert W. Stokes, mother of the groom.

There were almost 100 guests, many of them high school friends of the bride and family friends from Barrington. Guests from the east were Mrs. Frank A. Rose of Melrose, Mass., grandmother of the bride, Mrs. Paul S. Valties and son Paul Jr., Melrose, Mass., aunt of the bride, Mr. and Mrs. Robert W. Stokes, Rahway, N. J., parents of the groom and Roger S. Brown of New Jersey.

After a trip through the south, Mr. and Mrs. Stokes will reside at 1545 Eastbrook avenue, Rahway, N. J.

Mrs. Druggan Files Petition to Retain Possession of Farm

Mrs. Elizabeth Druggan filed a petition in the federal district court under a section of bankruptcy laws for distressed farm property in which she sought an extension and compromise of debts outstanding against the Druggan farm near Prairie View. Listed among her creditors was her son Terry with a claim of \$150 for wages as a laborer. Terry received considerable adverse publicity during prohibition days for alleged activities in the beer business.

In the bankruptcy petition, Mrs. Druggan listed her liabilities at \$32,500, and valued the farm at \$50,000. If the petition is successful, she will be permitted to retain the farm for several years. The Frazier-Lemke bill, passed by congress several years ago, is the basis of her petition.

Barrington Boys Win Honors in Pure Bred Cattle Show

Two Barrington lads won first place honors with their pure bred cattle at the Kane County Farm Bureau and 4-H club show at the agricultural fair at Maroon field, Elgin Tuesday night.

Donald Forest received a first

place ribbon for his pure bred Poland China gilt and Darrell Forest an award for first place for his purebred Poland China litter.

It was a fine array of livestock blue bloods. As each well-groomed animal passed the platform in the floodlighted area, Arthur C. Johnson, Kane county farm adviser and master of ceremonies, introduced the youth leading the animal and told of the ribbon awards the entry had won.

Judges had spent the greater part of the afternoon appraising the large and exceptionally fine field of stock. Divisions of the show were as follows: beef cattle, colts, sheep, swine, dairy cattle, poultry and produce.

Mrs. E. Henneberry Is Granted Divorce

Mrs. Edna Henderson Henneberry, 37 years old, was granted a divorce Friday from George F. Henneberry, president of the Henneberry Rotogravure Co. of Chicago in an uncontested hearing before Superior Court Judge Peter H. Schwab. She charged cruelty.

From an out-of-court settlement, Mrs. Henneberry will receive \$350 monthly alimony and Mr. Henneberry is to maintain \$50,000 life insurance payable to her until her death or remarriage.

The Henneberrys built a beautiful home in Barrington Hills during the past year.

Jewel Tea Reports Earnings of \$248 Per Share To-Date

Jewel Tea Co., Inc. reports net earnings for the 25 weeks ending July 16, 1938 of \$693,523.25 or \$2.48 per share on the 280,000 shares issued after provision for taxes, depreciation and all other operating charges. In the same weeks of 1937 earnings were \$767,073.53 or \$2.74 per share. Net earnings for the 52 weeks ending July 16, 1938 were \$1,373,568.28 or \$4.92 per share compared with \$1,615,322.91 or \$6.02 per share in the 52 weeks ending July 17, 1937.

Total sales for the 25 weeks amounted to \$12,773,166.77 compared with \$12,387,736.17 for the same period in 1937, an increase of \$385,430.60 or 3.11 per cent. The number of operating units was increased by ten routes (4.8 per cent) and five stores (4.8 per cent) and the cost of such development was charged to current operations.

Net working capital amounted to \$4,314,515.82 and the ratio of current assets to current liabilities was 3.38 to 1.

Expenses were 1.22 per cent higher than in the week of 1937 and the increase occurred largely in payrolls and taxes. Wages and taxes amounted to \$3,536,533.34 in the 25 weeks of 1938, an increase of \$198,337.64 or 5.88 per cent over the same period in 1937.

Operations for 1937 were charged with \$40,004.84 under guarantee of the Jewel employees' trust fund because of adjustments from cost to market in the value of the assets of this fund. In the 25 weeks of 1938, earnings of the fund (in excess of interest on deposits at the rate of 3 per cent per annum) and improvement in the market value of these assets, brought a recovery of \$23,560.27 to the company which was credited to operations.

The total amount paid or accrued for all taxes in the first 25 weeks of 1938 was \$593,040.91 compared with \$462,460.55 in the same weeks of 1937, an increase of \$130,580.36 or 28.23 per cent. Social security taxes alone amounted to \$114,372.03 for the first 25 weeks of this year compared with \$52,665.89 in 1937.

Recommend Degrees for Local Students

One hundred and 25 students from northern Illinois were among the 500 persons who were recommended for degrees last week at the summer session of Northwestern university closed. Attended by 4700 students, the session offered 400 courses taught by a faculty of 300, including more than 100 visiting instructors from colleges and universities all over the country.

Students from this vicinity who were recommended for degrees were: John Lawrence Grose, Arlington Heights, M. A.; Erwin H. Gartin, new principal of the Barrington Country Day school, B. S.; Gunnard Newman, M. A. and Wilbur Schowalter, M. M., both of Crystal Lake; Miss Maybelle Kohl, Lake Zurich, M. A.; Lawrence Frey of Palatine, M. A.

\$10,000 Damage Suit Filed in Auto Crash

Alice Clay of Chicago has filed suit against John Torgerson and Mr. and Mrs. Clifford Novak, all of Chicago, in superior court of Cook county for damages alleged to have been sustained in an auto crash on Milwaukee avenue between Prairie View and Wheeling on February 13. She asks \$10,000 damages for injuries.

According to the hill filed this week, Miss Clay was a passenger in Torgerson's car. She claims his machine and that of the Novaks were out of their proper lanes on a four-lane highway and collided, injuring her seriously.

Palatine Listed for Inadequate Sewer

A stream pollution survey conducted by the state sanitary board in Northwest Cook county, labels the sewerage plants of Palatine, Mt. Prospect and Wheeling inadequate.

The report stated: "Palatine is the most important source of pollution of Salt creek in the area. It provides only primary treatment for its raw sewage discharges wastes that are only partially purified into the stream." Wheeling empties completely raw sewage into the Des Plaines river, the survey reported.

Escapes Crash Injuries
Harvey Harrison escaped serious injury when the car he was driving struck a culvert and tipped over in the ditch on routes 49 and 41 near the E. Wetten farm entrance Sunday afternoon. According to reports, a car in front of Mr. Harrison suddenly slowed down and he took to the ditch to avoid a collision.

Interest Created in Cooking School

stration hall, have failed to catch all of the important steps in pastry, making and other culinary arts. Only the early part in the very front row have had a close-up of the stage in the past, and even they couldn't peer directly into the mixing bowl.

Now the wizardry of the camera has solved the problem, making it possible for every person in the Catlow theatre to share each fascinating stage of the planning, measuring, blending and baking in practical, up-to-the-minute kitchen.

Keeping pace with the baking, roasting and frying, a series of salads and frozen delicacies will parade in and out of the adaptable electric refrigerator, which will reveal its host of possibilities for simplifying labor and marketing, and contributing to good health and good food.

What to do with left-overs? How to take the gloom out of laundry day? How to save time, energy and temper in meal preparation? How to be attractive in spite of the daily rush? How to make the picnic that men love to eat? How to give first-aid to fallen cakes?

It won't be necessary to ask the questions, for expert home specialists have anticipated these very problems. They know what bothers many an experienced housekeeper, because it is their job to know and to counsel helpfully.

Pun, novelty and entertainment are joined throughout the feature picture, for it is always fair weather when neighborhood cooks get together. Home-making has a universal appeal, and every woman is eager to learn the newest news of her craft.

Cooking, romance, modern kitchens, and clever actors and actresses do not tell the complete story of this 1938-model cooking school. The picture is a whole laboratory of modern ideas and wise counsel, touching on latest developments in home equipment and accessories, including laundry methods, ways to prepare left-overs, beauty secrets, hints on saving time and labor, and fresh suggestions on how to entertain graciously, as well as how to be thrifty.

It won't be necessary to carry pads and pencil and try to scribble measurements in the darkened theatre, because free recipe sheets, with complete formulas for many of the delicious dishes prepared in this motion picture cooking school will be distributed daily.

Surprises in store for the audience. The Review will not be limited to free entertainment and instruction, since there will be daily gifts, many of which will bring pleasure and renewed appreciation of "school days" long after the final graduation on the closing day.

Join the parade of home-makers September 22, 23 and 24 at the Catlow theatre.

Football Team of Cars Pile Up on Rand Road

Continued from page 1

attempted to inflict physical punishment upon Harkness for his carelessness, according to reports of the police. He filed a complaint against Harkness for reckless driving. Harkness retaliated by charging Crombie with assault and battery.

Most crashes involved more than two cars. Only five of eleven damaged cars were able to leave the scene on their own power.

As the cars began to pile up, a radio call brought six state officers, including Officer McGarvey to the scene. They were kept busy untangling the mess, directing traffic, ordering damaged automobiles hauled away to garages and injured persons to hospitals.

The four occupants of the two cars which originally crashed were severely and hurt badly, but not seriously injured. Persons who will face charges of reckless driving were booked in the court of Judge Behrens, Arlington Heights. Their cases will be heard in the Arlington municipal building Saturday afternoon.

Flagger of Train Is Assessed \$10 Fine

William Bigel, former resident of Barrington who now lives at Gurnee, was fined \$10 and costs Tuesday morning when he appeared before Justice of the Peace Guy L. Grinnell of Libertyville on a charge of disorderly conduct. A charge of driving while intoxicated was dismissed.

He was arrested early Monday morning at the route 54 crossing of the St. Paul railroad near Libertyville after he had sagged down a freight train.

Bigel's car first hit a passenger train on the St. Paul tracks and rolled down about 30 feet parallel to the railroad tracks when he waved an oncoming freight train to stop. The train was stopped and Bigel was arrested.

Hold Funeral Rites for Railroad Victim

Funeral services for Mrs. Minnie Gurns Hinrichs of Des Plaines, who was fatally injured by a C. & N. W. passenger train last Thursday morning, were held in that city Saturday afternoon.

Mrs. Hinrichs was well-known in this vicinity, having been raised in Palatine. Her son Walter's wife, the former Gladys Jurs is a Barrington girl. In addition to her son, she is survived by her husband, Edward; her mother, Mrs. W. Gurns; two daughters, Clara and Mrs. Dorothy Bang; one sister, Mrs. William Wicke, and two brothers, Fred and Herman.

Mrs. Hinrichs was standing on the passenger platform in Des Plaines when she was struck by the train. Her sack was to the locomotive as it approached and she apparently failed to hear it.

Oppose School Addition
Maine township high school voters turned down a proposal for a new auditorium addition to the school building, 549 to 152, in a special election last night. Park Ridge voters favored the plan 110 to 73, but Des Plaines voters opposed it 468 to 26. Small sections of Niles and Glenview are in the district. Six affirmative votes were cast in Niles and eight negative votes in Glenview.

COOPERATION INSTEAD OF RETALIATION

John W. Hanes, member of the SEC, recently said: "I believe that the time has come for business men to cease harping on the theme that the government is the enemy of business. And it shall be my everlasting endeavor to persuade government officials from uttering publicly or privately the thought that business is the enemy of government."

Business men certainly don't want to feel that government is their enemy. This breach between government and business has been largely created by politicians who, in recent years, have chastised the many for the shortcomings of the few, in business.

It is politicians who have passed legislation hamstringing and punishing business. It is politicians who have saddled business with a tax burden that makes operations next to profitless in many instances. It is politicians who have forced government into direct competition with business in certain fields, using to the full its advantages of tax-free, and unlimited public credit. It is politicians who have pilloried business men, and held them up to scorn and ridicule. It is politicians who have been undermining confidence in our American system of government and fomenting class hatred between labor and capital.

It is not business' duty to make "peace" with government. Government exists to serve business and the individual. Government is a means to an end, not an end in itself. Government lives financially off the fruits of business. Government's true purpose is to act as an umpire, not a player, in the commercial affairs of the people. Government should punish the guilty—and cooperate with the innocent. And that is exactly what the politicians have prevented government from doing.

Government will find practically all business ready to work in amicable accord with it when the politicians pursue policies of cooperation instead of retaliation.

ARE YOU A HYPOCRITE?

The average motorist is an unconscious hypocrite. That's strong characterization—but a little impersonal analysis will substantiate it.

How often have you roundly criticized some driver for an offense which you commit periodically yourself? How often have you taken comfort in the thought that accidents are caused by some reckless breed of motorists with whom you have nothing in common, thus dodging the fact that only fool's luck has saved you from a crash on a dozen occasions? Have you ever attempted to get a ticket "fixed"—even though you pay lip service to the cause of aggressive, impartial law enforcement?

It is a fact that a large proportion of accidents are caused by the reckless ten per cent, but the other ninety per cent periodically take chances and are responsible for many of our annual deaths.

Who, for example, doesn't sometimes pass a car when the stretch of empty road that can be seen is too short for safety? Who doesn't occasionally succumb to the lure of excessive speed—even though he has little or nothing to do when his destination is reached? Who doesn't periodically neglect necessary repairs to brakes, lights or steering mechanisms, on the theory that he will get around to it when more convenient?

We'll go a good way toward reducing accidents when the average driver begins asking himself such questions and returning honest answers. Accident prevention, so far as it concerns the human element, is a personal, individual matter—and each individual has to really want to drive safely at all times before he can analyze his driving errors and correct them.

THE TRUTH ABOUT "FIXED CHARGES"

In discussing railroad fixed charges, a special committee composed of three members of the Interstate Commerce Commission recently reported to the president: "There is some misunderstanding of the fixed-charge situation and its significance. Many seem to think that these charges represent an unjust burden, and that if it could be removed, all would be well. The fact is that these charges constitute a comparatively modest return on only a part of the legitimate investment in railroad property. There is nothing unjust about this return."

Furthermore, contrary to a widespread fallacy, fixed charges aren't paid by the railroads to some vague and mysterious group of wire-pulling capitalists. They are paid to hundreds of thousands of people, many of them of small or moderate means, who own railroad bonds. They are paid to leading educational and charitable institutions, which usually have a substantial part of their invested endowments in railroad securities. They are paid to practically every savings bank and insurance company in this country which have invested part of their assets in the railroad industry and wish an interest return.

As a consequence, every one of the tens of millions of insurance policyholders and bank depositors—to say nothing of that vast army who own railroad securities directly—benefit when railroad fixed charges are paid. The checks that go out in payment mean more purchasing, more jobs, and increased public buying power.

"The greatest failure in our efforts to achieve social security is the failure to understand that primarily it is a matter of economics, and only secondarily a matter of legislation."—James H. R. Cromwell.

Stock Barn Destroyed By Fire; \$5000 Loss

Flames of undetermined origin destroyed the Barnard's Mill stock farm near Wonder Lake, in McHenry county, early Sunday morning. The loss was placed at approximately \$5000. Fishermen of Wonder Lake discovered the flames and spread the alarm. Volunteers rescued a large number of hogs, cattle and horses but a large quantity of hay and grain were destroyed. Another fire occurred on the Harry Seavey farm near Aurora Saturday afternoon, causing damage estimated at \$5000. Lightning was said to have caused the fire.

Two Elgin Youths Are Killed By Power Line

Wilbert Witte, 21 years old, and William C. Kellerman, 17 years old, both of Elgin, were electrocuted while installing a radio aerial wire on the residence of the Harold Anderson farm near Lily Lake last week. Witte lost his life in a vain effort to save his companion. A third youth, Clarence Rabe, 15 years old, did not touch the highly-charged wire and escaped a similar fate. The boys had gone to the farm to install a new radio aerial and had selected a location which was bisected by a high tension power line. Kellerman had hold of one end of the aerial wire they were stringing when Witte lost the other end of the power wires. Kellerman received the force of the electric charge when the two wires contacted and he slumped to the ground. Then Witte made his fatal attempt to knock the wire from the other youth's grasp, also being killed.

Seeks Shelter Under Box Car; Worker Is Killed

While trying to avoid being soaked by the rain Saturday afternoon, Mark Krajnowski, 48 years old, an extra section hand at the St. Paul railroad at Fox Lake, was fatally injured when he crawled under a freight car north of route 176, near Libertyville. Mack Waldron, a water boy for the section gang, noticed the body of a man lying in the weeds near the tracks. He went over and discovered Krajnowski with one leg severed and his hands mangled. He died several hours later. The dead man had been paid Thursday night in Fox Lake and had not been heard of since.

Chicago Girl Falls Off Bridge When Cars Crash

Adeline Kanes of Chicago was injured Saturday night at Johnsonburg by being struck by a car or falling off the bridge into the water, a distance of 15 to 20 feet. Cars driven by Kenneth Swanson of Fox Lake and Edward Walcott of Chicago collided on the bridge at the time of the accident and both men were taken into custody by police officers. They claimed that Miss Kanes and several friends were dancing on the bridge at the time, and in order to prevent striking any of the crowd the cars collided. The Chicago girl's injuries were minor.

"Lord Jeff" Heads Week-End Bill at Catlow Theatre

"Tropic Holiday" Now Show-
ing; "The Shopworn
Angel" Coming

"Tropic Holiday," with an all-star cast headed by Ray Milland, Dorothy Lamour, Bob Burns and Martha Raye, is finishing its engagement at the Catlow theatre Thursday and Friday of this week. On Saturday, for one day only, the feature is "Woman Against Woman," with Herbert Marshall, Virginia Bruce and Mary Astor. Thrills, heart throbs, boyish loyalties and regeneration are the dramatic elements in "Lord Jeff," which teams Freddie Bartholomew and Mickey Rooney at the Catlow Sunday and Monday. The new picture definitely marks an advance in the careers of these boys who must touch roles as the little seamen who face the difficulties of maturity with courage. Deft human touches mingle with the thrills of mast climbing, boat racing and other maritime pursuits of the sailors of tomorrow in the story.

Hollywood's newest device for use in musical films, the rhythmic camera, makes its debut in the new Olympic drama, "Stolen Heaven," which comes next Tuesday to the Catlow. In one scene, in which Miss Bradna and Raymond dance a waltz, the camera changes position seven times, and each time on beat to a portion of a musical composition by Moszkowski.

Included in the supporting cast with Miss Bradna and Raymond are Porter Hall, as their former partner in crime, Glenda Farrell as a brittle blonde, another member of the gang, and Lewis Stone as the aged musician who brings about the redemption of the young couple.

Double featured with "Stolen Heaven," is the thrilling historic saga, "Overland Express," starring Buck Jones. Margaret Sullivan first showed an interest in dancing at the age of two. Now she has a chance to dance and sing as well in her role of the Broadway show-girl in "The Shopworn Angel" in which she co-stars with James Stewart at the Catlow theatre Wednesday and Thursday.

Double Main Event Headlines Wrestling Bouts at Grayslake

A double main event will feature one of the final mat cards of the summer season at Peg's Grayslake arena Friday night when King Kong, the famous bearded Abyssinian terror, returns to county mat wars to tackle

Friedrich von Schacht, giant German champion, in a sensational return match, and Fred "Legs" King, matches grips with rowdy Rudy Kay, Chicago gas-house tough-guy.

King Kong and von Schacht are both gunning for a world title match in Chicago this fall and both have been trying to put Jim McMillen out of the running to get this chance at the champion. King Kong succeeded in holding the Antioch ace to an hour draw three weeks ago, while von Schacht was hoaxed out of a victory within his hands last Friday night against McMillen.

King Kong and von Schacht met at Grayslake two weeks ago and after one of the wildest matches on record the giant German kicked the King out of the ring and into submission disregarding all rules and regulations of the game. King Kong claimed a foul but his protests fell on deaf ears and Schacht was matched with McMillen. Now the King will get a chance for revenge against the big Teuton, and von Schacht will get a chance to boast himself into a position to demand a McMillen rematch.

Rough Rudy Kay and Freddy Grubmeier wound up a thrilling scrap at Grayslake a month ago in an even thing, so by popular demand the promoters are rematching the pair as a part of the double main attraction Friday. Grubby specializes in his famous scissor style of wrestling. It should be a real test of science versus roughness.

The semi-windup pits lithe and handsome Bobby Bruns, blond heavy sensation, in a thirty minute time limit bout against Jerry Meeker, Hawaiian star, and with

a clean slate of wins for both men an interesting contest can be expected.

The preliminary introduces the highly-touted Brooklyn, N. Y. star, George Becker, who will get his local test against Jack Conley, the Boston Sluggo. A different referee will officiate this week.

Aurora Nine Will Play Here Sunday

The Barrington Baseball team was idle last Sunday but will swing into action again this Sunday in their second home appearance of the season. The Aurora K. C. nine will invade the local diamond against the so-far unlucky Behringer boys.

The two games that had previously been scheduled with Aurora had both been cancelled be-

cause of rain.

There are only a few games left on the Barrington schedule and with the Aurora game the locals hope to end the four-game losing

streak that started with the loss to Bartlett a month ago.

"Star in My Kitchen" was produced in one of the major motion picture studios in Hollywood and has a large cast of well-known actors and actresses. It combines in a feature-length picture the romance and glamour of Hollywood with the everyday problems of home-making. You will laugh at and with Auntie Bella, the large, jolly, colored maid, and be thrilled by the love scenes between Mike (the movie star) and Dedee, the lovely heroine. And, most important of all, you will see in complete detail demonstrations of many recipes developed by several of America's leading home economists.

Young Farm Worker Killed by Lightning Wednesday Morning

The severe rain and electrical storm which swept northeastern Illinois early Wednesday morning brought death to Vernon Marsh, 19-year-old Marengo farm worker. His companion, a cousin, Charles Stogdill, also 19, was knocked unconscious by the same bolt which felled Marsh.

The lightning struck both youths as they entered a field to pick corn for the Belvidere Canning Co. by whom Marsh had been employed for several weeks.

The lightning struck Marsh in the back of his head, tearing his clothes to shreds and burning all the hair from his body.

Hold Services for Mrs. Tena Petska

Mrs. Tena Petska, 60 years old, died Saturday morning after a long illness in Fox River Grove, where she had made her home since the death of her husband, Jake Petska, a year ago.

Funeral services were held at Crystal Lake Monday afternoon with Rev. M. J. A. Dalrymple, pastor of the Crystal Lake Congregational church, officiating. Burial was in Fletcher cemetery at Hammond, Ind.

Mrs. Petska is survived by a brother, Charles Marok, and four sisters, Misses Josephine and Frances Marok, also of Fox River Grove, Mrs. Mary Wolf and Mrs. J. Dvorak.

The Lake county 4-H club round up and achievement days will be held in connection with the Antioch country fair to be held at the Antioch township high school grounds Thursday, Friday and Saturday, Aug. 25, 26 and 27.

This is the third year that the 4-H clubs have held their annual round up and achievement days with the Antioch fair. The 166 girls and 154 boys enrolled in 4-H club work in Lake county will exhibit their projects for the three days.

Judging of the livestock entries will be held on Friday, Aug. 26. The catalogue shows possibilities to enter into dairy cattle, sheep, hogs, beef cattle, poultry, pigeons, agricultural products of all kinds, horticulture projects and floriculture, fine arts, domestic arts, pantry stores and education.

Frances Plagge Wins Oratorical Contest

Frances Plagge won the gold medal award at the mission band gold medal oratorical contest held Sunday evening, Aug. 21, at the Salem church. The winning reading was "When the Girls Took Charge." Judges were Mrs. H. K. Tucker, Mrs. F. W. Homuth and A. C. Lines, chairman of judges. Other contestants were Geneva Landwehr, Ruth Emerick and Helen Blanke.

Lois Stauffer rendered a piano solo between orations and devotions were led by Mrs. Herbert Meiners, leader of mission band. The contest was conducted by Mrs. R. G. Plagge, secretary of all missionary organizations of the Salem church.

The Mission band now has earned seven silver medals and three gold medals. Before a pearl medal can be awarded, one more gold medal must be earned.

Arlington Heights Man Fined \$300 for Selling "Thin Milk"

Oscar Kelsey of Arlington Heights, a milk dealer, was fined a total of \$300 and costs by Municipal Judge Francis Borelli Wednesday when he pleaded guilty to charges of selling adulterated milk and selling milk without a license or permit.

An inspector from the Chicago board of health testified that he had arrested Kelsey August 22 as he was delivering cream in paper containers to houses on the north side. He stated that the board had received a number of complaints in recent weeks that milk and cream sold by Kelsey was adulterated.

Schaumburg Family Centennial Sunday

More than 100 descendants of Mr. and Mrs. Dietrich Meyer, pioneer settlers of Schaumburg, assembled at Walnut Grove Sunday to celebrate the centennial of the arrival of the family in America.

Dietrich Meyer and his wife with one child Catherine came to America in 1838 from Badbergen, Germany. Three weeks after their arrival in Schaumburg territory, a second child, Mary, was born. She was the first white child born in Schaumburg.

Catherine, the eldest daughter married Ernst Horstman; Mary married John Huenerberg; Emily married J. G. Horstman of Palatine; J. Henry wed Caroline Harz; Dietrich married Margaret Greve; Ernst married Minnie Kraft and John remained a bachelor. A large percentage of the descendants of these families with few exceptions, have remained in the neighborhood of Schaumburg.
