\$14,000 Bond Issue to Be Voted On at Lake Zurich Monday

To Finance Village's Share of PWA Project for Meeting Hall

Residents of Lake Zurich will go to the polls Monday, Sept. 26, to vote on a special proposition to determine whether or not a \$14,000 bond issue shall be floated for the construction of a new village hall. The proposed bond issue would be sold to cover the village's share, 55 per cent, of a public works administration project, which is estimated to cost approximately \$25,000.

The polling place will be in the village hall on Robertson avenue and the polls will open at 6 a. m. and close at 5 p. m.

The remaining \$11,000 of the total cost of the building represents the portion to be advanced by the PWA, an equivalent of 45 per cent.

The proposed bond issue would be dated October 1, 1938, and would pay 4 per cent per annum. According to the proposition on the ballot they would be retired in \$1000 installments from 1940 to 1953 inclusive. A dividend would be levied by the Lake Zurich board annually to pay the interest and principal on the bonds.

The new structure, which is to take the place of the existing village hall, is designed as a two-story structure to house the fire department, council rooms, a meeting hall and the village hall.

W. A. White is village president and the following are members of the board: Ferguson Harkness, Albert Prehm, Henry Schaefer, Henry Branding, Herman Buesching and William Bahr.

Prehm is village clerk and Miss Alice Tonne is village treasurer.

Street and Bridge Work Approved by Highway Engineers

The state highway department approved the placing of a cement step at the high curbing on the east side of Hough street, north of the Main street intersection, and on the north side of Main street near the intersection and along the north side of Main street from Railroad street east towards Elm street, according to information received last week by A. C. Burandt, village clerk, and Trustee Rudolph Berg, chairman of the streets committee, who instituted the improvement.

Mr. Burandt also informed the village board Monday night that the state department has agreed to go ahead with the improving work on the Flint creek bridge on North Hough street. The state department, according to Joseph Miller, who is in charge of that type of improvement in this district, will make an extension on the west side of the bridge and will place a sidewalk on it, thus removing the necessity of walking out near the road to cross the bridge, and also completing the link of sidewalk that was laid last fall by the village.

Work on the bridge improvement will start in October, according to Mr. Burandt, who stated he was seeking to have the state place the walks on both sides of the structure. The cost of the improvement will be borne by the state.

Following a motion made by Trustee Berg and seconded by Trustee John Daeschler, the board Monday night voted to have the village engineers prepare plans for the placing of a step on Main and Hough streets. The cost of the project is to be taken from the state gas tax fund credited the village of Barrington.

Omission
Owing to necessary omission of several columns of news in the special cooking school edition last week, several readers were disappointed by a lack of details in the stories. A resume of the history of music by Mrs. L. T. York and two piano selections by Mrs. York and Mrs. Elden Gieske comprised the program for the delightful musicals enjoyed by members of the Christian Companionship class.

Rainfall Up to 4.25 Inches
Rainfall during the month of September increased in total to 42.23 inches this week when two readings were recorded at the village treatment plant. On the 17th the fall was 40 inches and on the 19th there was 19 inches. Prior to the last two rains, the amount of precipitation was 2.93 inches.

Clocks Return to Central Standard Time Sunday A.M.

All Schedules to Operate on Later Time; No Major Railroad Changes

Sunday morning at 2 o'clock will officially mark the end of daylight saving time in the village of Barrington this year. Clocks are to be set back one hour to central standard time.

All schedules of churches, schools, business houses and the local theatre will function on standard time starting Sunday morning.

The Chicago & North Western railway is working on a new suburban train schedule to go into effect Sunday. According to information received so far, there will be no major changes in the schedule. Approximately the same number of trains are to be run. It was learned, and they will leave from and arrive at Barrington the same hour on standard time as they did on daylight saving time.

At the request of Village President Earl Hatje, the village board Monday night passed a resolution requesting of the railroad that the fast train now leaving Chicago at 5:11 p. m. be retained or moved back to 5:20 p. m. Motion for the resolution was made by Trustee R. F. Koehler Sr. and seconded by Trustee Rudolph Berg.

Mr. Hatje reported the train, which makes the run to Barrington in 41 minutes every evening, is to be taken off the schedule Sunday. It was put on for the summer months and went as far as Pell Lake, Wis., for the convenience of vacationers.

Killing Attacks on Jewel Sheep Cease

Stopping as quickly as they started, the raids and killing of sheep owned by Jewel Tea Co. and pastured near the plant building, have ceased since no more losses were reported this week. A week ago, on two raids, dogs or other animals were responsible for the killing of 58 sheep and the wounding of 46 more.

A watchman has been maintained over the flock each evening and it is being kept in pens to prevent a further recurrence of the attacks.

Five Couples and Five Girls the First Day

"I had grand results from my want ads in The Review Sept. 8," Mrs. N. J. Puffer reported. She had placed one for a couple wanted and one for a girl. Five girls and five couples answered the ad the first day after it was published and several more the following days, she said.

Grand Jury Votes True Bill Against Mrs. Nellie Scott

To Be Arraigned on Larceny Charges Today; Indict Palatine Man

A true bill on two charges of grand larceny was returned Tuesday by the September grand jury of Cook county against Mrs. Nellie Scott of Barrington, who was bound over to the grand jury last month charged with having taken valuables and jewelry from local homes where she was employed as cook and housemaid.

She was to be arraigned before Chief Justice Michael McKinley in superior court today, Thursday, and the case will then be assigned for trial.

Mrs. Scott was ordered tried under two counts of grand larceny by the grand jury.

Testifying against Mrs. Scott at the hearing were Mrs. A. C. West, 617 Sycamore avenue, who testified that Mrs. Scott had taken a \$250 bar pin from her home, and Mrs. W. D. Horne, 615 Oak, who testified that she purchased at \$50, \$20 in cash and a \$2000 diamond ring were taken by Mrs. Scott. Bond was set at \$5000 in each count.

Gabliock is charged with running down with his car and fatally injuring Nicholas Harbus, 21 years young, 3233 Hamilton avenue, Chicago, and Miss Jean Szalko, 21 years old, also of Chicago, on August 28. The accident occurred on Milwaukee avenue near Wilmette.

Michael Harbus was the testifying witness against Gabliock at the grand jury hearing which was also held Tuesday.

Tag Day Planned to Raise Finances for Club's Tree Program

Saturday, Oct. 28, was designated as "tag day" by the ways and means committee of the Village Garden club at a meeting held in the home of Mrs. V. D. Hawley, chairman of the committee Monday night. Proceeds from the sale of tags will be used to purchase and plant trees in the parkways, Mrs. Hawley said.

Some of the work may be started this fall. The civics committee, headed by Mrs. Frank C. West, man, inspected some American elm trees on the Herbert L. Bell estate west of Barrington Tuesday morning.

Mr. Bell had offered the trees for sale to the club through Village Trustee Rudolph Berg, chairman of the streets committee. The Garden club committee is to meet Friday evening to further discuss the tree purchase, which is part of the program instituted earlier in the year.

Trustee Berg reported to the village board Monday night that the action being taken by the club, and trustees voted to give the group all the financial assistance possible. The board, in preparing plans for a WPA project to trim and remove dead trees in parkways, engaged F. Geary, local tree surgeon contractor, to make a survey of the trees in town and to prepare the necessary material for the application.

Assisting Mrs. Hawley in the tag day plans are the following members of her committee: Mrs. E. A. Beerman, Mrs. Everett Sprout, Mrs. R. G. Piagge and Mrs. Julian Collins.

Chicago Firm Given Route 12 Paving Job

A contract for the paving of 1.5 miles of U. S. route 12 (Rand road) between Lake Zurich and the Cook-Lake county line road was awarded to the Central West Construction company of Chicago on a bid of \$155,836, the state highway division at Springfield announced Saturday. A provision for the project by a Lake county contractor was rejected by the state highway department as being "too high."

To Give Schick Test to School Children

In order to determine if toxoids given to pupils of the Barrington public school last spring to establish immunity to diphtheria were successful, the Schick test will be given to all children whose parents indicate a desire to have the testing done.

The tests will be given in room 107 at the public school on Tuesday, Sept. 27, at 10 a. m., according to Miss Lillian McLeish, R.N., who is in attendance at the public school. The program is sponsored by the Barrington Woman's club, P.T.A., local physicians, E. S. Smith, superintendent of schools, and the Tuberculosis Institute of Chicago and Cook county. It was reported.

The Schick test is for those pre-school and school children who received toxoid shots last spring for diphtheria. It helps to determine if immunity to the disease has been established in the child. A small charge is made for the test. A consent slip will be given to each child to be taken home for signature by the parents if the test is wanted.

Warm Argument at Panel Discussion of P-T.A. Tuesday

J. Haffner Denounces "Frills"; Psychiatrists and Faculty Talk

"This hall is certainly packed with dynamite," Lee Smiley of the local faculty told 175 members and guests of the Parent-Teacher association during a panel discussion of the "Home-school relationship" in the auditorium of the new school addition Tuesday evening.

James Haffner, representing parents, had no question "frills" courses.

"I had another year of Latin to the curriculum, more mathematics, two new history courses, ancient and modern, and French, Spanish, Italian or German. I'd make every school pupil have four years of English, four years of one foreign language and more mathematics than required at present. After all, high school is for the training of his mind, for mental discipline which he won't get later."

Mrs. P. R. Drover, another parent, testified as to the advisability of building trades courses for certain types of pupils.

Dr. Irene Josselyn, child psychiatrist of Chicago and Highland Park, stressed the fact that high school work should "stimulate an enthusiasm for study" and that "pupils who face failure throughout their school lives cannot face adult life successfully."

Marion Taylor Boyd, psychologist and psychiatrist of Chicago, related the importance of mental tests to determine a child's course of study and argued with Dr. Josselyn that highly scholastic courses were not practical for the majority.

Miss Agnes Welch of the local faculty enumerated eight standards on each child in the local school and T. C. Hosford, served as mediator whenever targets were hurled too thick and fast.

Mr. Smiley and Charles Roselle of the faculty described the advantages of the courses they teach and D. W. Titterton came to Mr. Haffner's aid with a few remarks on the necessity of studying for the enrichment of adult mental life, rather than concentrating entirely upon work relative to earning a living.

Prior to the panel discussion, Mr. Edwin L. Erickson, the new president, welcomed the assembly and presided, calling on Rev. Charles Drussel to open the meeting with prayer. A. C. Lines of the school board led chorus singing.

H. K. Tucker presented a sail boat to the P.T.A. to be used as a reward for children in the room with the largest P.T.A. membership. Reports by committee chairman and a social hour during which high school mothers served refreshments completed the program.

Plan Retreat

The Albright Brotherhood Retreat of the Evangelical churches of Illinois will be held Saturday and Sunday, Sept. 24 and 25, at the Albright retreat center. A splendid program is scheduled for Saturday morning, afternoon and evening. Bishop Epp will conduct a special program for the men Sunday afternoon.

H. Kelsey Resigns as Supervisor of Cuba Town Tuesday

To Become Effective November 30; Board Will Name Successor

H. D. Kelsey, supervisor of the town of Cuba, handed his resignation from that office to the Cuba town board Tuesday noon to become effective November 30. His resignation was placed on file by the town board and will be acted on at a future date.

Mr. Kelsey's action follows his successful candidacy last spring for the nomination, which is tantamount to election, as representative of the eighth senatorial district in the Illinois general assembly. He is forced by law to resign his local office to accept the state office.

Sometime between now and the first of the year the town board will have to appoint a successor to Mr. Kelsey. Those on the town board which will make the selection, are Andrew F. Grom, town clerk, J. J. Claude and Edwin Grom, justices of the peace.

A number of residents of the town of Cuba have declared themselves as candidates for the post. Among them are Village Trustee Rudolph Berg, Leo L. Riley, Elden Gieske, Henry Frelking. Several other local persons were said to be interested in the office but have declined to make a definite statement of candidacy.

The appointment will be for the unexpired term which runs until April 1941.

Mr. Kelsey served 11 years as supervisor and was chairman of the county board of supervisors for one term as well as serving on many important committees. He stated he would devote all the time needed between the appointment of his successor and the time he goes to the state assembly in helping the new man become acquainted with his duties.

After presenting his resignation to the board Tuesday, Mr. Kelsey thanked that body, other town and local officials and the residents of Cuba township for their cooperation and courtesy during his time in office. He expressed his gratitude and the desire that his successor would meet with the same kindness.

Following is his resignation: "To the Board of the Town of Cuba, Barrington, Illinois:

"Please be advised that I was elected to the office of Supervisor for the Town of Cuba, Lake County, Ill., on April 6, 1937, taking said office May 3rd, 1937, and have served continuously to the present. One to the fact that I have been nominated as a candidate for the General Assembly for the State of Illinois, I wish to tender my resignation as such supervisor to be effective at 12 o'clock noon on November 30th, 1938.

"May I extend to you my sincere thanks for the splendid cooperation, which has always been extended to me during my incumbency in office and our associations have been most pleasant. Yours very truly,

H. D. Kelsey, Supervisor, Town of Cuba"

See Flooded Areas of West Wisconsin

Driving through southern and western Wisconsin Sunday, Monday and Tuesday, Mr. and Mrs. Ed J. Lindl saw much of the flooded areas of the Wisconsin and Mississippi river valleys.

At Boscomb they had to drive through water two and one-half feet deep, and at LaCrosse they viewed the state park island, usually a haven for many persons, swept by the flood waters of the Mississippi.

Mr. and Mrs. Lindl left early Sunday and returned Tuesday evening after visiting LaCrosse, Baraboo, Sparta, Madison, Milwaukee and other cities.

Announces New Sunday Mail Pick-Up Schedule

Southbound Sunday mails from the Barrington post office will close at 5 p. m. central standard time beginning Sunday, Sept. 25, according to L. B. Faddock, postmaster. The post office lobby will be open from 4 to 5 p. m. and there will be a pick-up from all collection boxes at approximately 4 p. m.

Request Ordinance Preventing More Gas Stations Here

E. Miller, E. Erickson and B. Hoffmann Appear Before Board Monday

Some kind of legislation will be adopted to control the establishment of business in the village of Barrington if the request made at the village board meeting Monday night in the interest of local gasoline service stations is adopted.

E. J. Miller of Miller Oil Co., E. Erickson of Pure Oil and Burton Hoffman of Hoffman Gasoline station appeared before the board and requested that some measure be adopted to prevent any trackside of "cut-rate" gasoline retailers from locating in Barrington.

Mr. Miller appeared as spokesman for the group and urged the board to take action to restrict the number of gasoline stations and thus prevent any group or organization setting up a business which would feature a "lower than retail price" sales policy. It was contended that there are a sufficient number of stations in the community at present, and the coming of a "cut-rate" business would seriously affect the local operators to such an extent that many would be forced from business.

Mr. Miller stated that a number of operators in the village are local men who have an investment to protect and asked that the board take steps to give them some assurance.

Village President Earl Hatje expressed doubt that the village board would have power to restrict the number of businesses. However, the village of Elmhurst and the city of Elgin have ordinances regulating the number of gasoline stations. It was pointed out.

Those ordinances were made effective by licensing gasoline stations and thus in turn restricting the number. It was reported. Mr. Hatje stated he did not think the village could license only one type of business. If any action were to be taken by the board it would have to cover all business in the village in order to be legal, he felt.

Considerable opposition is expected to come from local businessmen if a licensing plan is proposed. On several other occasions such a plan has been opposed by merchants.

The village board is taking the request of Mr. Miller, Mr. Erickson and Mr. Hoffman under advisement and A. C. Burandt, village clerk, was instructed to secure copies of the ordinances at Elmhurst and Elgin for discussion at another hearing.

A check in the village Tuesday revealed that there were 14 gasoline service stations and four garages serving the motoring public from sidewalk pumps.

It was also brought out at the meeting Monday night that one or two "low-price" gasoline stations are planning to move here. And it was in an effort to prevent such moves that the local dealer appeared before the board. One C. C. Quabert, who was attempting to secure a local outlet while another local dealer was reported as contemplating a change in price policy.

Theatre Doors for Cooking School to Be Open at 1:30

Guests Will Come Early to Register for Gifts; Tickets Free

Preparations have been completed for showing "Star In My Kitchen," motion picture cooking school, sponsored by the Barrington Review and cooperating merchants at the Catlow theatre Thursday, Friday and Saturday afternoons of this week. Admission is free.

The doors will be open at 1:30 p. m. each day to give the guests time to register for the grand prizes before the picture starts which will be promptly at 2 o'clock. The guests should arrive as early as possible in order to get their tickets. The grand prizes will be given following the Saturday performance, from registrations taken prior to 2 p. m. each day. These awards will include toastmaster breakfast set, indirect reading lamp, loose leaf cook book with aluminum cover, and a pair of silk stockings.

Daily prizes will be given out at the end of each showing to holders of admission tickets which have been distributed to local stores. Persons who have not obtained admission tickets already can get them at the theatre. The daily prizes include bags of flour, packages of cheese, Foley's food mill and other items, foot lever garbage can, large can of Spiced assorted packages of breakfast foods, a quart of fly spray, a box of delicious candy, canned baked ham, assorted boxes of soap, cake flour and many other items.

The gifts are donated by manufacturers, local merchants and The Review. Local merchants who are donating gifts are Good Housekeeping Shop, Bob and Betty Shop, Public Service Co., Shinner's Market, Gamble Store and Miller Oil company.

"Star In My Kitchen" is a talking motion picture with romance and humor and plenty of suspense to make it interesting throughout. However, several scenes of cooking instruction are worked into the play with at least 30 recipes with good close-up views. Cook books printed at The Review with all of the recipes used in the picture will be distributed to the guests.

Scholarship Loan Fund Bridge Date Set for Sept. 30

The Barrington Woman's club will hold its annual scholarship loan fund bridge party at Barrington Hills Country club on September 30, according to an announcement made by the committee this week.

Those in charge of the event are as follows: Mrs. Harold F. Grebe, Mrs. W. D. Dotterer, Mrs. Elden Gieske, Mrs. Robert Muir, Mrs. Everett Sprout, Mrs. Clayton Watkins, Mrs. Orin Wold, Mrs. Daniel Woodhead and Mrs. L. T. York.

The purpose of the party, it was learned, is to raise funds to be used by the scholarship loan fund committee to assist college students in financing their educations.

Enter Final Decree in Bond Litigation

A final decree was entered in the Lake county circuit court in Waukegan Tuesday in the final disposition of the bond suit of the village of Barrington against Volting and "unknown owners."

The findings of the master in the case concerned \$24,000 in over-issued or forged village bonds in special assessment No. 44.

The master's decree found \$12,000 in bonds not to be valid and he also provided for the cancellation of \$12,000 in bonds and the release of new bonds totalling the same amount.

Waukegan Motorist's Car Doesn't Make Grade

The fact that his car developed two flat tires while he was enroute home Saturday night failed to disturb Mrs. Larsen, Waukegan motorist, but when that self-same car failed to make the grade of the Chicago and North Western railway crossing in North Chicago it was a different matter. Larsen at first wasn't going to be perturbed but the sudden recollection that a fast train was due there in a few minutes stirred him to haste. Running down the tracks he was successful in attracting the engineer's attention in time. The car was towed home to preclude any more exciting incidents.

McHenry Sexton Drops Dead While in Cemetery

Jacob Schneider, 69 years old, caretaker of three McHenry cemeteries, was found dead in the Woodlawn cemetery while at work one morning last week. Jacob Diederich, his nephew, with whom he made his home, had taken him to work in the morning and when Schneider failed to appear at noon, he became alarmed. Going to the cemetery he found the man, apparently the victim of a heart attack while working on a grave. Schneider had been sexton of the cemeteries since 1900.

Libertyville Peddler Badges Put on Sale

First orders for the new Libertyville peddler and house-to-house solicitor licenses were placed on sale last week by C. O. Carlson, village clerk of that community. In addition to receiving a license, each peddler or solicitor will receive a large badge that must be worn conspicuously. The badges are orange color with black letters and are used to notify housewives that the wearer is seeking to make a sale.

School Award Placed on Coffin of Dead Student

The athletic letter that Ralph Cowgill, 19, tried for three years to win at the Highland Park high school was placed on his coffin at funeral services conducted in the family home last Saturday. Young Cowgill, a senior, died in Highland Park hospital last Wednesday night of injuries suffered in a football scrimmage several hours before. The first game of the season was scheduled for the same day that his funeral was held and at that time he was to have realized his ambition, he was to have been in the starting line-up.

Accident Jinx Follows Girl; Hurt Second Time

The same injury that she suffered in an automobile injury seven months ago was sustained by Miss Evelyn Patton, 17 years old, of Waukegan, who was injured in an auto crash Saturday evening. She was with a group of friends from Libertyville when the car in which she was riding skidded on the wet pavement and hit another car on "Coke" highway near Niles Center. Miss Patton was injured about the head in the same spot that was hurt last February in a similar accident.

Earl M. Schwemm Speaks at Houston

Earl M. Schwemm of Summit street, left Monday morning for Houston, Tex., to attend the annual convention of the National Association of Life Underwriters. This is a convention for all life insurance companies all over the United States.

Mr. Schwemm is to speak before the agents' section of the convention on Thursday afternoon, and before the managers' section on Tuesday afternoon. It is a significant honor to be selected to speak before this convention.

Mr. and Mrs. Schwemm motored to Windsor, Canada last week, where Mr. Schwemm addressed the Life Underwriters Association of Windsor.

Naval training station but he and his family are living in Waukegan. Rev. E. Earle, pastor of the M.E. church, has invited the public to hear Dr. Smith.

We'll Try, Try Again, Heights Decides After School Election Losses

Arlington Heights is going through the mental debate a small boy experiences after tossing up a nickel to determine if he shall put the coin in his bank or spend it for candy. If the candy shop loses, he convinces himself the toss was only for practice and tries again.

Last Saturday residents of the Wheeling and Elk Grove high school district 214 went to the polls and voted down a proposal for a \$172,000 school improvement \$48 to \$19. They voted against a bond issue for the project \$46 to \$55, and against an additional tax issue for the project \$57 to \$61. The building was to have been a PWA project with federal grant of \$12,000 and local financing of \$95,000.

Scarcely had the vote been tabulated before the school board reported citizens were preparing petitions for another election. The petitions, signed by 642 persons, have been filed and another election has been scheduled for Saturday, Sept. 24. "Last minute propaganda brought into the district from outsiders," was given as the reason for defeat at the first election.

Tax to Buy Off Invaders England imposed a tax in the Tenth century to provide money for buying off the Danish invaders.

Library News

There are several new books in the library for those interested in glassware, pottery, etc.

"Old Glass, European and American," by N. Hudson Moore, deals with the development of glass making in Europe and America. Beginning with the early Roman glassmakers, the author relates the progress of glass making as a fine art. The color, composition and workmanship of glass products as manufactured in different countries is minutely described. The markings and methods of distinguishing genuine old glass are not only carefully explained, but the book is full of illustrations gathered together by the author from museums, private collectors and other sources. The volume is particularly valuable in its relation to early American glass.

"The Old China Book," also by N. Hudson Moore, describes the choice porcelains no longer made in the old factories and potteries in England. The marks in carefully worded descriptions, with many illustrations of the variations add the collector in choosing his specimens. The book includes Staffordshire, Wedgwood, Lustre, and other English pottery and porcelain.

"History of American Costume," McClellan, describes the costumes chosen and worn by our ancestors from the early colonial days to very recent times. They are described in such a way as to bring every-day life and the American scene of the bygone days before our very eyes. In more than 750 illustrations gathered with diligent research, the dress of the people worn during the busy hours of the workday

as well as the formal wear of more festive occasions is fascinatingly portrayed.

Entertains Junior Club

The board of directors of the Garden club of Barrington gave a tea Monday afternoon at the home of Mrs. P. A. Hecht, Jr. for the Junior Garden club. It was a very pleasant occasion and gave the members of the two clubs an opportunity to get together before the closing of the club year. The Garden Club of Barrington holds its annual meeting the first Monday in October.

Postpone Barbecue

The riding club barbecue party scheduled for last Sunday, Sept. 19, has been postponed until next Sunday, Sept. 26, as it was found that the usual Gymkhana given each year at the James R. Cardwell home. The riding events will be in the Cardwell ring.

Hostesses at Luncheon

Mrs. Hecht Sr. and Mrs. F. A. Hecht Jr. entertained a large group of friends at Barrington Hills Country club last Friday. After a delicious luncheon, Mrs. Hecht Jr. introduced Mrs. Elsie Durand Mower of Chicago, who gave a most delightfully informal talk and readings from a number of Shakespearean plays. Mrs. Mower chose five of them: "Gentlemen from Verona," "The Merchant of Venice," "The Taming of the Shrew," "Julius Caesar," and "Henry VIII," and read passages from each to portray some of their most famous women characters.

Will Start Meetings

The Barrington Infant Welfare society is beginning their work for the winter season next Wednesday, Sept. 25. Members will meet at 10:30 at the Barrington Hills Country club and luncheon will follow the business session.

Miss Esther Lowe and J. Tursky Are Married at Cary

Cary.—Miss Esther Lowe, the daughter of Mrs. George Lowe Sr., and Joseph Tursky, son of Mr. and Mrs. T. Tursky of Algonquin, were united in marriage at a very pretty wedding at the Lowe home on Main street Saturday. Rev. M. J. A. Dalrymple of the Crystal Lake Congregational church officiated, reading the single ring service.

The bride wore a lovely gown of white chiffon velvet, with finger tip length halo veil and carried a colonial bouquet of bride's roses, white gladioli and baby's breath.

She was attended by Miss Florence Kvidera, bridesmaid, who wore a gown of salmon pink taffeta with aquamarine blue accessories, and carried a colonial bouquet of pink roses and gladioli.

Miss Dorothy Lowe, the bride's sister, as maid of honor, wore a gown of aquamarine blue taffeta, with salmon pink accessories to match and carried a colonial bouquet of yellow roses and pink gladioli.

The groom was attended by his brother, Ray Tursky and John Kostka was usher.

After a short honeymoon the young couple will be at home in the Marshall Lowe flat on Main street.

First Foreign Salute to Flag
The first foreign salute to the Stars and Stripes, the new American flag, was rendered February 14, 1878, when John Paul Jones, in command of the U. S. S. Ranger, entered Quiberon bay, near Brest, France, and received a salute of nine guns from the French fleet, under Admiral La Motte Piquet.

Dog Sports Gold Tooth
Australia's proudest dog is the pet of a dentist of Bendigo. He sports a gold tooth. Recently the animal, a trusty waltz dog, developed toothache. His master took him to his surgery, drilled the tooth and capped it with gold. The pet accepted the treatment without a murmur.

**IT TAKES A STAR
TO PLAY THE LEAD**
in the Motion Picture
Cooking School!

The story of "Star in My Kitchen" wouldn't ring true if flour of uncertain quality were used in the baking scenes. It takes a flour like Pillsbury's Best to assure the fine baking results that give point to the story.

And in your own kitchen, it's just as important to use fine flour if you want your baking to turn out perfectly—every time.

Pillsbury's Best gives superior results because the wheats that go into it are tested and blended with scientific precision—and because its quality never varies.

Why take chances when Pillsbury's Best Flour costs so little more per recipe? Ask your grocer for Pillsbury's Best!

RECIPE LIST

for
"Star In My Kitchen"

The following list of recipes will be demonstrated at "Star In My Kitchen," motion picture cooking school, at Cawthra theatre, Thursday, Friday and Saturday afternoons of this week. The picture is sponsored by Barrington merchants and The Review.

DANISH COFFEE BREAD

(Recipe makes 3 cakes, 7x11 in.)

Temperature: 400° F.

Time: About 30 minutes.

1 cake compressed yeast.

2½ cups lukewarm water.

¼ cup milk, scalded and cooled.

¼ cup melted Spry.

¼ cup sugar.

1½ teaspoons salt.

18 to 20 cardamon seeds, crushed (1½ teaspoons).

Grated rind of 1 lemon (1 tablespoon).

2 eggs, well beaten.

6 cups Pillsbury's Best Flour.

¼ cup butter.

1. Soften yeast in lukewarm water.

2. Add remaining ingredients in order given, except the last ¼ cup butter reserved for steps 4 and 5. Mix well.

3. Place in greased bowl; cover and let rise in warm place (80 to 85° F.) until double in bulk (about 2 hours).

4. Turn out dough on floured board; knead until dough is smooth and elastic. Roll out ¼ inch thick; dot center with small bits of butter, using ¼ cup.

5. Fold over one-third of dough to cover butter; dot top of this fold with remaining butter; fold unbuttered dough over this, pressing edges together firmly.

6. Roll out ¼ inch thick; fold each end to center; fold again making 4 layers of dough.

7. Pat and roll out ¼ inch thick. Spread center of dough with cooled Fruit Filling.

FRUIT FILLING

1 cup sliced dates.

¼ cup currants.

¼ cup raisins.

¼ cup water.

¼ cup sugar.

1 teaspoon cinnamon.

Few grains of salt.

Put all ingredients together in saucepan; stir and cook until thick. Cool.

8. Fold one end of dough to center to cover filling; fold over remaining end; fold dough to center with edges meeting but not overlapping.

9. Pat or roll out ¼ inch thick; cut into 3 sections. Place each in greased pan, or place side by side in large pan with melted butter brushed between the sections.

TOPPING

1 egg white.

1 tablespoon water.

¼ cup sugar.

¼ teaspoon cinnamon.

1 cup chopped or sliced almonds.

10. Stir egg white and water together. Use to brush over top of each cake.

11. Combine sugar and cinnamon; sprinkle over dough. Sprinkle almonds on top.

12. Cover and let rise about 45 minutes. Bake in moderate oven. When cool, cut crosswise into ½ inch strips to serve.

BEAUTY CARE FOR THE HANDS

When your hands look rough and red from washing dishes with ordinary soap switch to Lux in the dishpan. You'll be amazed at the results—your hands will grow softer and whiter—dishpan hands will disappear.

Lux doesn't dry the oils of the skin because it has no harmful alkali which ordinary soaps may have. That's why it's like beauty soap right in the dishpan. The economical big box costs surprisingly little, too.

ONE CRUST PIE OR BAKED PIE SHELL

1½ cups sifted Pillsbury's Best Flour.

¼ teaspoon salt.

¼ cup Spry.

3 tablespoons cold water (about).

Sift flour and salt together. Add ¼ of Spry to flour. Cut in with pastry blender or two knives until mixture looks like meal. Add remaining Spry and continue cutting until particles are size of a navy bean. Sprinkle water. 1 tablespoon at a time, over mixture. With a fork, work lightly together until all particles are moistened and in lumps. Add just enough water to moisten. Press dampened particles together into a ball. Do not handle

dough any more than necessary. To make one crust pie with Spry Pastry Mix, use 1½ cups of the Mix.

BANANA COCONUT ROLLS

6 firm ripe bananas.

2 tablespoons lemon juice.

Shredded coconut.

Peel bananas. Roll in lemon juice and then in coconut. Place in well-greased baking dish and bake in a moderately hot oven (400° F.) 15 to 20 minutes or until coconut brown and bananas are tender. Serve hot with hot lemon, orange or other fruit sauce. Six servings.

BANANA TEA BREAD

1½ cups sifted Pillsbury's Best Flour.

¼ teaspoon soda.

1¼ teaspoons cream of tartar.

¼ teaspoon salt.

¼ cup Spry.

¼ cup sugar.

2 eggs, well beaten.

1 cup mashed banana (2 to 3 bananas).

Sift the flour, soda, cream of tartar and salt together 3 times. Rub the shortening to a creamy consistency with the back of a spoon. Stir the sugar, a few tablespoons at a time, into the Spry and continue stirring after each addition until light and fluffy. Add eggs and beat well. Add four fourths alternately with banana, a small amount at a time. Beat after each addition until smooth. Pour into a well-greased loaf pan and bake in a moderate oven (350° F.) about 1 hour or until bread is done. Makes 1 loaf, about 8½x4½x3 inches.

LEMON MERINGUE PIE

¼ cup water.

7 tablespoons cornstarch.

¼ cup water.

¼ cup sugar.

3 egg yolks, slightly beaten.

1 lemon (grated rind and ¼ cup juice).

1 tablespoon butter.

1 baked pie shell.

3 egg whites.

1 tablespoon sugar.

1 cup lukewarm water.

Mix ¼ cup water and cornstarch to thin paste. Combine 1½ cups water and sugar in top of double boiler and bring to boil over direct heat. Add cornstarch paste and cook until mixture begins to thicken; return to double boiler and continue cooking until thick and smooth (15 minutes). Pour over slightly beaten egg yolks, return to double boiler, and cook 1 minute longer. Add lemon rind and juice and butter and blend well. Cool, stirring occasionally. Pour into pie shell. Beat egg whites until stiff but not dry. Add sugar gradually (1 tablespoon at a time), beating constantly. Add lemon juice and beat. Spread meringue lightly on filling and bake in slow oven (325° F.) 20 minutes, or until firm and delicately browned.

CARMALLOW FROSTING

¼ cup granulated sugar.

¼ cup hot water.

3 tablespoons Spry.

2 tablespoons butter.

¼ teaspoon salt.

¼ teaspoon vanilla.

¼ cup caramelized sugar syrup.

¾ cups sifted confectioners' sugar.

1 egg yolk, unbeaten.

6 tablespoons scalded cream (about).

Place granulated sugar in skillet and stir constantly over medium heat until sugar is melted and rather dark. Remove from fire, add hot water gradually, and stir until dissolved. Combine Spry, butter, salt, vanilla, and caramelized sugar syrup and blend. (Remaining sugar can be used for future use.) Add ¼ cup confectioners' sugar gradually, creaming well. Add egg yolk and mix well. Add remaining sugar, alternately with cream, beating smooth and stiff enough to spread. Add just enough cream to make a nice spreading consistency. Makes frosting enough to put between layers and on top of slices of Carmallow Chocolate Cake.

CARMALLOW CHOCOLATE CAKE

¼ cup Spry.

¼ teaspoon salt.

1 teaspoon vanilla.

1 cup sugar.

3 ounces, unbeaten.

3 ounces chocolate, melted.

2 teaspoons baking powder.

½ teaspoon soda.

2 cups sifted Sno-Sheen Cake Flour.

1 cup milk.

2½ marshmallows.

Combine Spry, salt and vanilla. Add sugar gradually and cream until light and fluffy.

Add eggs, one at a time, beat-

Geew Whiz—That's Easy!

Phoebe Abernethy is showing Dedece Abot, in "Star In My Kitchen," how a lemon meringue pie should look.

ing thoroughly after each addition. Add melted chocolate and blend well.

Add baking powder and soda to flour and sift 3 times. Add small amounts of flour to creamed mixture, alternately with milk, beating after each addition until smooth.

Pour batter into two 8-inch layer pans greased with Spry.

Bake in moderate oven (350° F.) 30 to 35 minutes.

Cut marshmallows in halves with scissors. Pressing cut sides against cake, arrange on top of each layer. Spread Carmallow Frosting between layers and on top and sides of cake.

HOT TEA

The best way to make hot tea is as follows: Use an earthenware or crockery teapot. Rinse the teapot with boiling water. A teaspoonful of Lipton's Tea for each cup and one for the pot is sufficient for most tastes, although some like it stronger. Pour on freshly boiling water (it must be boiling), let steep from 5 to 8 minutes and pour off. Add sugar and milk or lemon to taste.

CRISP OATMEAL COOKIES

3 cups Quaker Oats.

1 cup brown sugar.

¼ cup boiling water.

¼ teaspoon salt.

1 cup Pillsbury's Best Flour.

1 cup Spry.

1 teaspoon soda.

Mix the Quaker Oats with the sugar and flour; add melted Spry and mix well. Dissolve soda in boiling water and add to mixture. Form the dough into a roll and chill thoroughly. Slice thin and bake in moderate oven 5 to 10 minutes.

ASPARAGUS—VELVETA SAUCE

¼ lb. Kraft Velveta.

½ cup milk.

Hot cooked asparagus.

Slowly melt the Velveta and milk in the top of a double boiler, stirring occasionally until Velveta is melted. Serve a generous portion of this hot sauce over each portion of asparagus.

BANANA FRITTERS

Melted Spry.

4 medium bananas.

¼ cup Pillsbury's Best Flour.

Fritter batter.

For shallow frying, have 1 inch of melted Spry in frying pan.

For deep-fat frying, have deep kettle ¾ to ¾ full of melted Spry.

Heat Spry to 375° F. (or until a 1-inch cube of bread will brown in 40 seconds). Cut bananas crosswise into quarters, halves or 1-inch thick pieces. Roll pieces in flour, then dip into fritter batter, completely coating the banana with the batter. Shallow fry or deep-fat fry in the hot Spry 4 to 6 minutes or until brown and tender. Drain on unglazed paper. Serve very hot. Six to eight servings.

BANANA FRITTERS

Fritter Batter.

1 cup sifted Pillsbury's Best Flour.

¼ cup sugar.

1½ teaspoons salt.

2 teaspoons baking powder.

1 egg, well beaten.

¼ cup milk.

2 teaspoons melted Spry.

Sift together the flour, sugar, salt and baking powder. Combine egg and milk, and add gradually to dry ingredients, stirring until batter is smooth. Then stir in Spry. This is a stiff batter.

POTATO SALAD

4 cups sliced cooked potatoes.

2 cups sliced celery.

1 cup capers.

Salt, pepper.

Miracle Whip Salad Dressing.

Boiled or baked ham.

Stuffed olives.

Soak together the potatoes, celery, capers, seasonings to taste, and salad dressing to moisten well. On a round chop plate place a border of crisp lettuce. Add a row of sliced ham, then all the center of the plate with potato salad to

Combine peaches, sugar, tapioca, and salt. Let stand while pastry is being made.

Roll ¼ of pie dough and line a 9-inch pie plate. Roll remaining dough and cut in narrow strips (about ¼-inch).

Place fruit mixture in pastry-lined pie plate and dot with butter. Arrange pastry strips across top to form attractive lattice. Trim pie, moisten edge, and place wider strips (¼-inch) around rim. Press with finger tips to seal edge. Bake in hot oven (425° F.) 30 to 40 minutes. . . . To use Spry Pastry Mix, use 2½ cups of Mix and about 5 tablespoons water.

AUNT JEMIMA WAFFLES

Measure 2 cups Aunt Jemima Ready-Mix for Pancakes into mixing bowl. In another bowl beat 1 egg and combine with 2 cups milk or water. Pour liquid and 2 tablespoons melted Spry into flour. Beat smooth. This makes 6 waffles.

Have waffle iron hot enough to bake a waffle perfectly in three minutes.

Grease iron lightly. An electric iron requires no greasing at all; paraffin has been brushed lightly on it before its original use.

Serve waffles as soon as done. Never stack. Stacking spoils crispness.

SPRY PIE CRUST

2½ cups sifted Pillsbury's Best Flour.

1 teaspoon salt.

¼ cup Spry.

5 tablespoons cold water.

Sift flour and salt together. Add ¼ of Spry to flour. Cut in with pastry blender or two knives until mixture is as fine as meal. Add remaining Spry and continue cutting until particles are size of a navy bean. . . . Sprinkle water, 1 tablespoon at a time, over mixture as fine as meal. Add remaining 1 lb. Spry and continue cutting until particles are size of a navy bean. Put Spry Pastry Mix in a covered container and store the pastry shell for use as needed. Do not keep Spry Pastry Mix in the refrigerator—it will stay fresh and sweet at room temperature for an indefinite period. . . . This amount of Spry Pastry Mix will make:

17 one-crust pies, or

8 two-crust pies and

1 one-crust pie, or

8½ dozen 3-inch tart shells.

SPRY PASTRY MIX

4 lbs. (16 cups) Pillsbury's Best Flour.

2 tablespoons salt.

2 lbs. (4½ cups) Spry.

Sift flour and salt together into a large bowl. Add 1 lb. Spry to flour and cut in. Add remaining 1 lb. Spry and continue cutting until particles are size of a navy bean. Put Spry Pastry Mix in a covered container and store the pastry shell for use as needed. Do not keep Spry Pastry Mix in the refrigerator—it will stay fresh and sweet at room temperature for an indefinite period. . . . This amount of Spry Pastry Mix will make:

17 one-crust pies, or

8 two-crust pies and

1 one-crust pie, or

8½ dozen 3-inch tart shells.

FEATHER SPONGE CAKE

(Recipe fills 16-inch tube pan)

Temperature: 350° F.

Time: About 1 hour.

6 egg yolks.

1 cup sugar.

Grated rind of 1 orange (1 tablespoon).

Julie a large orange (¼ cup).

Boiling water (about ½ cup) see step 2.

2½ cups Pillsbury's Sno-Sheen Cake Flour.

1 tablespoon baking powder.

¼ teaspoon salt.

6 egg whites.

1 cup sugar.

1. Beat egg yolks until very thick and light; gradually beat in 1 cup sugar. Stir in orange rind.

2. Measure orange juice; add boiling water to make 1 cup liquid. Add gradually to egg yolk mixture, beating constantly with rotary egg beater.

3. Sift flour, baking powder and salt together; add, from sifter, cutting and folding into batter.

4. Beat egg whites until stiff but not dry; gradually beat in remaining 1 cup sugar to make a thick, lustrous meringue.

5. Cut and fold carefully into batter.

6. Bake in large, ungreased tube pan in very moderate oven.

7. Invert and cool cakes in the pan.

8. When cold, cake may be frosted or not as desired. It is delicious split into 3 layers crosswise and put together with orange cream filling after which the top is sprinkled with powdered sugar or covered with a icing made by moistening powdered sugar with orange juice to a spreading consistency.

LATTICE TOP PEACH PIE

¾ cups canned sliced peaches, drained.

¼ cup sugar.

1 tablespoon quick-cooking tapioca.

¼ teaspoon salt.

1 recipe Spry Pie Crust.

1 tablespoon butter.

estimate how much soap is needed (it's really very little) for rich hotting ends in hard or soft water.

White clothes should be soaked at hour or two or overnight. If you soak your white clothes even in moderate to hard water, the results will be amazing. If there are badly soiled spots, sprinkle a little dry Rinsio on them, roll the garment and push it well under water.

The wash water for white cottons and linens should be as hot as is available, preferably around 140 degrees. Several loads of clothes may often be washed without changing the water in the machine. When the suds die down, the cleaning power of the soap is spent. Either add more Rinsio or if the suds have become very dirty, make a fresh solution.

The more completely the dirty suds are wrung or spun out of the clothes, the easier the rinsing is, and the less hot water is required.

Have water for the first rinse as hot as the wash water. In the second and third rinses, use as hot water as convenient.

In washing machine or tub, Rinsio and lukewarm water washes colored cottons and linens so they keep bright as new. To avoid fading and streaking, never use hot water, harsh bar, chipped or powdered soaps. Never soak colored clothes longer than 20 minutes, and then only provided they are color-fast.

Shake Rinsio into tub and add lukewarm water. Sprinkle dry Rinsio on soiled spots, roll garments and push well under water.

Wash in lukewarm Rinsio suds. Rinsio in lukewarm to cool water.

SALAD BOWL

Local Delegates to Attend Convention of Woman's Union

The North Illinois district convention of the Woman's Union of the Evangelical and Reformed church will be held at St. Peter church Elmhurst, Wednesday and today, Thursday. Dr. F. Frankendorf is the pastor.

The theme of the convention is to be "Living Creatively in the Home." The convention address was given by Mrs. Ethel Goefeney, president of the Michigan district of Evangelical and Reformed Women's Union, who spoke on "These Three—the Church, the School, the Home; But the Greatest of These is the Home."

Dr. Silas Bittner of Kansas City, Mo., will speak on "Ministerial Pension and Relief." Mrs. Herbert Gass, foreign missionary, will speak on "Health and Home Life in India." Dr. and Mrs. Gass have just arrived from Baitalpur-Chan Kuri, India on a furlough.

H. P. Hauser, president of the Interdistrict Council, Evanston, will speak on "The Problems of the Negro Home Life."

A tour through Elmhurst college is also to be part of the program. The closing challenge: "The Lord Has Need of You," will be given by Mrs. J. C. Voeks of Pal-

atine, north Illinois district president.

Mrs. John Mollenkamp and Mrs. Eva Hay are delegates from the Woman's Union of St. Paul church and Mrs. A. L. Wiedenbeck is attending as a delegate for the Arlington Heights Federation.

Straka Family Is Here From Poland

Mr. and Mrs. Jerome A. Straka and family of Poland, former residents of Barrington, visited here Tuesday. Mr. and Mrs. Straka are guests of a friend in Edgebrook and will return to Barrington next week before leaving for Ann Arbor, Mich., where they will be guests of Mrs. H. Hayes, who is Mrs. Straka's sister. The children, who were infants when the family left Barrington, are now five years old. The Strakas will sail for Poland October 29.

A Tortoise Paradise
Tortoises in India are considered sacred and they are not only protected from harm, but are fed at the expense of the state. At certain locations along the rivers, men are employed to take care of them. They go down to the edge of the water with a bag of food and a pile of scales, with which they weigh the food so that one tortoise will not get more than another.

Kissing Wife Costs Husband \$25,300

A day's fishing trip in Lake county and kissing his own wife cost Edward Ruff of Chicago \$25,300.

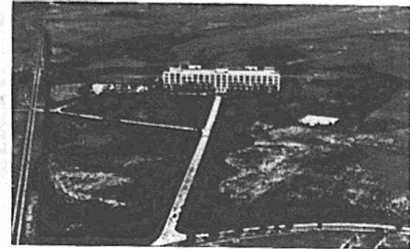

300 in the circuit court of Lake county Tuesday night.

Mr. and Mrs. Theodore Grimm of Chicago who were seriously injured June 24, 1937, when the Ruff car left the road, smashing into a culvert as Ruff leaned over to kiss his wife were awarded that

amount. A jury brought in a verdict of \$12,800 for Grimm and \$12,500 for his wife. They are a sister and brother-in-law of Ruff.

The Ruffs have been married more than eight years and have three children.

CAR DESIGN SLATED FOR MAJOR SHIFT IN '39?

Noted Designer Declares End of Current Style Cycle is Now Overdue

By JOE BARBER

Five years ago two radically different schools of automobile design met head-on in the market. The public evinced momentary interest and curiosity in the blunt-end school of streamlining, then swung over and approved the flying-wedge type of design.

The style cycle set in motion by this choice now appears to be nearing completion. Indeed, the question really is, if its end is not overdue, for while major style shifts cost hugely to accomplish, they cost far less than not to sell cars in satisfactory volume.

Which car ushers in the distinctive design that is to prevail during the next style cycle is of course enormously important, since to that car will accrue the advantages of setting the pattern for years to come. It is perhaps too early to forecast, but my advice from Michigan convince me that Buick, pioneer member of the General Motors family, will in 1939 be styleblazer of the new automobile mode.

Second Cub Pack Is Needed Here, Scout Committee Is Told

The necessity of organizing a second cub pack in the village of Barrington was one of the chief topics of discussion at the northern district executive committee meeting at the home of Hugh H. Calkins, chairman, Thursday night.

During the meeting, it was reported that the present pack, No. 209, which is sponsored by the American Legion, is filled to capacity and has a long waiting list. Scoutmaster J. H. Calkins, in order to organize a pack, Mr. Calkins stated, it first will be necessary to find a sponsoring organization and a cub pack leader.

The lack of scouts, persons interested in scouting in Barrington was also discussed at the meeting. The executive committee is making plans to try to interest a number of local men in attending the scouting university to be held at Camp Doddridge at Libertyville on October 29 and 30.

The program for boards of review, the committees for which are being organized, will be held in Barrington, was revised at the meeting Thursday night. Starting in October boards of review will be held on the second Tuesday of every month. This change will afford many scouts the opportunity of progressing rapidly with their merit badge work.

Chairman Calkins reported to the committee that the northwest suburban council scout camp, Camp Oh-Da-Ko-Ta, enjoyed its most successful season this year. Attendance was increased over 85 per cent, he said.

Miss Marjorie Brown and Donald Titus of Evanston were Saturday luncheon guests of Tommy Tucker, 526 Grove avenue.

Funeral Friday for Frank Cady Sr., 86

Funeral services for Frank A. Cady Sr., 86 years old, resident of Barrington for 30 years, will be held at the funeral home, 145 W. Main street, at 2 o'clock Friday afternoon.

Mr. Cady died Wednesday noon at the late residence, 442 N. Cook street, after having been in ill health all summer.

He was born on July 21, 1852 in Palatine township, the son of Mr. and Mrs. John Cady. He engaged in farming all his life until retirement. Mr. Cady married Miss Clarissa A. Smith in Barrington on January 1, 1875 and they farmed the property now known as the Vanhook estate until coming to Barrington 30 years ago. Mrs. Cady died in 1931.

Surviving him are four children, Mrs. Amber Wells of Chicago, Mrs. Maude Weiss, Fred S. and Frank W. Cady of Barrington, and five grandchildren. Two children preceded him in death.

Told Funeral Rites for Mrs. Hattendorf

Mrs. Caroline Hattendorf, wife of William Hattendorf, and a lifelong resident of Schaumburg, died at her home Saturday morning. She was born September 23, 1850 in Rodeburg and spent nearly all her life in the Schaumburg community.

Funeral services were held Tuesday afternoon at the home and at St. Peter Evangelical Lutheran church. Rev. C. Potenhauer officiated and burial was in St. Peter cemetery.

Surviving her besides her widower are six children, Mrs. Herman Winkelhake and Mrs. William Kastning of Schaumburg, Miss Martha Hattendorf of Marengo, Henry Hattendorf of Schaumburg, John of Marengo and Martin of Schaumburg; 15 grandchildren and two great grandchildren.

Share in Estate

John and Leo Meller of Barrington were left inheritors in the \$12,000 estate of their late brother-in-law, Arthur Nelson, who died August 9, according to the will entered in Cook county probate court Monday. They are each given a one-sixth interest in his summer home at Wonder lake and a one-thirteenth interest in the residue of his estate after some bequests to other persons.

Mrs. M. W. Frouty, Former Resident, Dies; Rites Today

Mrs. Francis Lois Frouty, 49 years old, wife of Merrill W. Frouty, 439 Douglas avenue, Elgin, died Tuesday morning at the family residence following a short illness.

Funeral services will be held this afternoon, Thursday, at the Norris mortuary in Elgin with Rev. J. B. Martin of Waukegan and Rev. J. C. Spencer of Elgin officiating.

Mrs. Frouty was born in Barrington township on August 21, 1869, the daughter of Mr. and Mrs. D. N. Haven. She was one of a family of ten. On April 3, 1888, she was married to Mr. Frouty and in 1909 they moved to Elgin where they resided continuously with the exception of two years spent in California. They observed their golden wedding anniversary several months ago.

Surviving her besides her widower are two sons, Earl P. Frouty of Brookfield and Glenn M. Frouty of Elgin; one sister, Miss Mary J. Haven of Glendale, Calif.; a brother, Dr. H. Haven of Nashville, Tenn.; also three grandchildren.

Annual Farmers' Institute at Lake Zurich Sept. 29

Programs Thursday, Friday Nights; Large Premium List Announced

Plans have been completed and awards announced for the annual Lake County Farmers' Institute opening Thursday, Sept. 29 at Lake Zurich and continuing through Friday evening. A record number of exhibits are expected this year due to the increased prize list that is being offered by the committee.

The program of the institute will be held in the parish hall of St. Peter Evangelical church. Thursday's program, which starts at 8 p. m., will include the following: entertainment by Evelyn Keiser; "My Impressions of the State Fair School," Evelyn Allanson; music by the Elia township high school glee club, directed by Miss Evelyn Tharnstrom; "Globe Trotting," Mrs. Julia Bock Howard.

Friday afternoon will be devoted to a program for grade school pupils and their teachers. The program is being furnished by W. C. Petty, Lake county superintendent of schools. At the same time as the children's program there will be an adult meeting which will include the election of officers for the institute, with Clarence Setafager presiding, and a cooking demonstration by Mrs. Grace Viall Gray.

The program Friday evening will feature music by the Elia township high school band under the direction of M. Elde, a talk, "My Impressions of the State Fair School" by Evelyn Clings, an accordion solo by Richard Hollander, entertainment by Charles Reimer, a talk, "My Impressions of the State Fair School" by Evelyn Clings, an accordion solo by Richard Hollander, entertainment by Charles Reimer, a talk, "My Impressions of the State Fair School" by Evelyn Clings, an accordion solo by Richard Hollander, entertainment by Charles Reimer.

Claim Driving Time Saving on Proposed Elevated Highway

A possible saving of 18 minutes in driving time for local motorists going to Chicago on Northwest highway was pointed out at a meeting of representatives of communities in this region at Des Plaines Tuesday noon. The meeting was sponsored by the Chicago Motor club as part of a publicity drive to have the state of Illinois and the City of Chicago join together to create an elevated highway on Avenida avenue from Foster avenue at the city limits to the loop.

The proposed highway, four miles in length, would parallel the Chicago and Northwestern railway track, and could be constructed at a cost of \$1,000,000, it was reported at the meeting. Motorists using Skokie highway, Milwaukee avenue and Rand road would also benefit with similar time reductions it was claimed. All four roads enter the city in the vicinity of the proposed highway and the commuter traffic could be speeded up with an elevated highway, officials of the club pointed out.

Attend Anti-Cruelty Meeting
Mr. and Mrs. Harry Muhlbradt of Lake Zurich attended a meeting in the auditorium of the Anti-Cruelty Society in Chicago Wednesday evening and heard talks by Captain Will Judy, Buell Patterson, radio commentator, C. E. Harrison and Bob Becker, dog authority. Martin J. Hogan of Barrington was also present at the meeting with one of his famed Labrador retriever dogs. Mrs. Muhlbradt also attended a luncheon meeting of the National Dog Week committee at the Medinah club in Chicago Saturday.

Attends Coffee Convention
Clayton W. Watkins, of Elm avenue, attended the Associated Coffee Industries convention at French Lick Springs hotel on Monday, Tuesday and Wednesday of this week. International leaders in the coffee business attended.

Reports Good Crop

1933 1932

A very successful crop in the first year that he experimented with hybrid corn is the report made by James McGraw, prominent Cuba township farmer, who is shown above in the act of estimating the per acre yield. Estimates place the yield at between 75 and 90 bushels of corn to the acre. Hybrid corn, first introduced here several years ago on a large scale, has been meeting growing popularity. McGraw's hybrid corn has firm, strong stalks with ears that are well-filled and even. Most of it is going into ensilage to be fed to his dairy herd. He ships more than 8000 pounds of raw milk a day from his farms.

Barrington Polo Team Defeats Lake Forest for Title
Bowen Scores in Overtime to Take Cup Tuesday Night at Onwentsia, 5-4

Scoring one goal in a "sudden death" overtime period, the Barrington polo team won the Suburban Polo association championship Tuesday night at Onwentsia by defeating Lake Forest 5 to 4.

The locals spotted Lake Forest a one-goal handicap and the teams were tied at 4 and 4 at the end of the fourth and final period. It was necessary to play another chukker to determine the winner as Barrington scored first to take the title and cup, which will remain in its possession this year. Three wins are necessary for permanent possession. Players on the winning team received individual trophies.

Riding for Barrington were C. Buckley, who scored the tying goal in the fourth period, Paul Corbett who netted two scores, J. Bowen who got two markers, one being the decisive point in the overtime, Harold Smith and Tony Bateman. For Lake Forest, Bob Cudaby was at No. 1 position, W. J. Schmidt at No. 2, Dave Williams at No. 3 and Otis Carney at No. 4. The score at the end of the first period stood 2 to 1 in favor of Lake Forest, including the one-goal handicap, and Barrington still trailed during the second and third periods by scores of 3 to 2 and 4 to 3. In the closing minutes of the last period Buckley scored the tying goal and in the first few minutes of play in the overtime, Corbett set the ball up in front of the goal for Bowen's winning shot.

The benefit dance for the polo team and Barrington Riding club at Barrington Hills Country club Saturday night was very successful committee heads reported, although complete financial returns were not available. Plans are being made to make it an annual event. The proceeds of the dance will be used to construct a turf polo field on the H. Freking farm on Buckley road.

May Attend State Townsend Meeting

O. D. Eiters, 403 N. Cook street, president, and other officers and members of Townsend club No. 1 in Barrington are expected to attend the state-wide Townsend national recovery club conference in the national guard armory, Decatur, Saturday and Sunday, Sept. 1 and 2. It was announced by Roy J. Webb, Illinois representative of the Townsend movement. The conference will bring together 6000 delegates and members of Townsend clubs in Illinois for the two day meeting, which has been arranged to unify political action of the clubs between now and the general election in November. Robert C. Townsend, national secretary-treasurer of the Townsend organization, and son of Dr. Francis E. Townsend, founder of the movement, will be one of the principal speakers.

Ralph Bennett Jr. Bemoans Death of U.S. Foods in S.A.

"Owing to heavy import duties, people in Chile eat things grown in their country and we from the United States surely miss them from home—just think of it: no weiners, no hamburgers, no pop, no ice cream," Ralph Bennett Jr., 19-year-old son of the Ralph Bennett who has just returned from a year in Valparaiso, Chile told Barrington friends last week.

Ralph called on a few local people and spent the night with the Roy Williams before going on to Onarga, a boys' military academy in southern Illinois where he is to have his junior year of high school work. His mother and father and small brother Billy are still in Chile where Mr. Bennett is engaged in an engineering project which is not due to be finished for another year.

"We live as a galvanized tin house there, company-built," said young Bennett. "It's not in summer and heated only by six electric heaters on cold days so we spend most of our time in one room and accumulate the heat there."

Going to a movie is quite an event in Chile, he reported, although he disparaged the local custom of matinees, "perfectly lousy shows" for children and "all the good pictures at night, no kids admitted."

"Whenever a part of the picture causes an audience to laugh, the scene is repeated, sometimes three or four times for one performance," he said, "and each showing included at least one intermission so the gentlemen may have a smoke before seeing the rest of the picture."

"The ladies sure have an easy time of it there—houses so small there is much work—all they do is play bridge and have tea parties."

Bennett made the trip back to the United States alone and enjoyed the novelty of third class passage so many Chinese and South Americans to watch. "At first I didn't like eating with them, they never bother to wash before a meal, but I finally got used to it. And saving money on my passage gave me that much extra to spend here," he said.

As soon as Mr. Bennett's work is completed, the family plans to move back to Barrington, Ralph said. When they lived here, Ralph was elected by boy scouts of troop 21 to receive the Colonel and John Roberts' award, consisting of a trip to the national scout jamboree in Washington, D. C. June 30 to July 5, 1937.

Returns From Abroad
Miss Ida Pedersen of St. Louis who left for Europe in July, returned to the United States Monday on the Queen Mary. Miss Pedersen toured Europe visiting Italy and Denmark. She will be in Barrington several days this week. Mrs. C. Beckelman and Miss Louise Pedersen who accompanied Miss Ida Pedersen to Europe, are still abroad. Mrs. Beckelman is visiting in Italy and Miss Pedersen is in Denmark.

"The Amazing Dr. Clitterhouse" Is Week-End Feature

"The Texans" to Begin Three Day Showing at Catlow Wednesday

Heralded as giving Kay Francis the most human appealing role in her career, the picture, "My Bill," based on Tom Barry's stage play, "Courage," comes to the Catlow theatre Thursday with a cast that also includes Bonita Granville, Anita Louise, Bobby Jordan, John Lill and Dickie Moore.

The role played by the star marks a radical departure for her, since it is designed to enlist the audience's sympathetic appreciation rather than to impress with the glamour of personality.

It is that of a woman nearing middle age, but still young and beautiful in appearance, who has been left a widow with four children in a small New England town and has proceeded carelessly to dissipate the small fortune left her by her husband.

Edward G. Robinson and Claire Trevor, stars of the popular "Big Town" radio serial, make their first screen appearance together in "The Amazing Dr. Clitterhouse," a new comedy-drama, which comes to the Catlow theatre Sunday.

Followers of the Tuesday night radio program know Mr. Robinson and Miss Trevor as the two leading lights of a big metropolitan tabloid and strictly on the side of law and order. In "The Amazing Dr. Clitterhouse," however, the tables are definitely turned. Robinson is a Park avenue surgeon, and respectable enough on the surface, but his intense interest in the physiology of criminals leads him into a double life.

Some idea of the preparations necessary for a one-year motion picture safari can be had from the fact that on his trip to Malaya to film "Boo!oo," coming to the Catlow theatre on Tuesday, Producer-Director Clyde E. Elliott included among his supplies six cases of shaving cream, 20 cases of talcum powder to combat the steaming heat of the jungle, ten gallons of iodine to disinfect insect bites, two thousand bars of soap and five hundred tubes of anti-snake venom!

Double feature Tuesday with "Boo!oo," is "Condemned Women," with Sally Eilers, Louis Hayward and Anna Shirley.

To film the giant stampede scenes in "The Texans," epic of the Lone Star state, opening on Wednesday for three days at the Catlow theatre, Director James Hogan assembled 2500 longhorn steers on his Texas location. Cattle experts in the neighborhood said that this was without doubt the largest number of such animals collected on one spot since the roaring days of the 1880's.

Plan "Promotion Day" for Salem Sunday School

Salem Evangelical church will hold promotion day for its Sunday school, all departments meeting in the main auditorium at 9:30 a. m. Sunday, Sept. 25. There will be installation of Sunday school teachers and presentation of awards for perfect attendance.

Autumn's Annual Harbinger

Since early in September, local residents have been enjoying the color display of the harbinger of autumn at Cook and Russell streets. While other trees in the community remained as green as in June because of the summer long rainy season, the leaves on all but two branches of this hard maple turned a vivid cardinal about the first of the month. Since then they have deepened to maroon. The other two branches have remained green and probably will turn color when other maples in this district turn. This is an annual occurrence here.

The above picture shows the leaves on two branches light and the others dark. The light leaves were green and the other red when the picture was taken.

Sutherland Corps at Palatine Holds Annual Advance Night

Sutherland Woman's Relief Corps held its second annual advance night last Friday evening in the Odd Fellows hall. Mrs. Evelyn Schmidt, senior vice president of Sutherland Corps, presided. The meeting was called to order by the president, Mrs. Fanny Thompson, who introduced Mrs. Schmidt.

The guests of honor of the evening were: Mrs. Hattie Karr of Le Roy, Ill., department senior vice president; Alpharetta Hartway of Aurora, instituting and installing officer; Elsie Gaffney of Geneva, chairman of the department executive board; Margaret Beagle of Chicago, district president; Elmer Foster, past department president; and Anna Brockway, past member of the executive board.

The following presidents were present: Grace Rudolph of Des Plaines, Louise Anderson of Dundee, Lily Walgren of Barrington, Jennie Jenkins of Waukegan, Carrie O'Neill of Woodstock, Bernice Hipp of John A. Logan Corps of Aurora and Gertrude O'Connor of Julius White Corps of Chicago. The officers of the evening were: Grace senior vice president of neighboring corps. They were: Margaret Tarnow, Sutherland junior vice advanced to senior vice; Junior vice president, Cella Cooby of Waukegan; treasurer, Vera Erbin of Glen Ellyn; secretary, Nellie Hollinger of Aurora; chaplain,

Grace Cook of Dundee; conductor, Mary Leonard of Butler Corps in Chicago; assistant conductor, Marie Jahne of Barrington; guard, Stella Cain of Julius White Corps in Chicago; assistant guard, Mildred Arbliss of Geneva; patriotic instructor, Carrie O'Neill of Woodstock; press correspondent, Alice Moberly of Farmer City; color bearer No. 1, Kate Steininger of Geneva; color bearer No. 2, Anna Hayes of Des Plaines; color bearer No. 3, Alpharetta Hartway of Aurora; color bearer No. 4, Pearl Eckert of Woodstock; musician, Jennie Jenkins of Waukegan.

The regular meeting was followed by a social hour at which time a delicious lunch was served by the committee. Mrs. Schmidt was presented with an umbrella and each guest was presented with a gift. The hall was decorated with fall flowers from the garden of Mrs. Mae Howes, president of the garden club.

Young Members of St. Paul Church to Attend Youth Rally

A delegation of young members of St. Paul Evangelical church is expected to represent the church at a youth rally at Bensenville Sunday, Sept. 25. The rally will be held on the grounds of the Evangelical Home for Children and Aged, and will include young people from the churches of the Arlington Heights region of the Evangelical and Reformed church. Two addresses have been scheduled for the afternoon program which will begin with registration at two o'clock. Dr. Frederick Frankenfeld, pastor of St. Peter church, Elmwood, will speak on "Youth and the Crisis." The other address will be "Youth and the Way Out" by the Rev. Glen G. Gumm, pastor of the Edison Park Evangelical and Reformed church.

The rally will be in the nature of an organization meeting of the proposed Young People's federation of the churches represented. Officers will be elected and a "skeleton constitution" will be adopted during the afternoon meeting.

A period of supervised recreation will follow the afternoon meeting and will be followed, in turn, by a banquet. Rev. William Reest, pastor of St. Paul Evangelical and Reformed church, Elgin, will be toastmaster.

A three act play, "The Tinker," by Fred Eastman, will be given in the evening. The play has an unusual cast of characters in that all male parts are played by ministers, two Methodist Episcopal, one Congregational and one (Rev. George P. Ellerbrake, Barrington), an Evangelical. Mrs. Ellerbrake also appears in the cast.

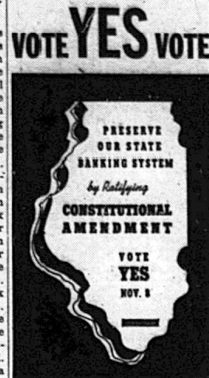

During his pastorate at Harvey, Rev. Ellerbrake was chairman of the Thornton Township Ministerial association drama committee and it is through him that the Tinker cast, which gave several performances of the play last spring, has been obtained for the Bensenville program.

A mass choir will sing several numbers, and other vocal and instrumental selections will round out a helpful and interesting day's program.

Finance Committee for Cuba Township Club Named Friday

The Republican club of Cuba township met last week to elect a finance committee to handle the election campaign this fall. Those selected for the work were as follows: Selden F. White, Rudolph

I WANT TO KNOW
IF THE ROOF ON
MY BUILDING IS
ABSOLUTELY SOUND

ASK FOR OUR FREE
ROOF INSPECTION SERVICE

Just pick up your phone and ask us to send a roof inspector to check the roof on your building. There's no charge or obligation.

Our inspector will make a thorough check of all the danger spots—report to you if repairs are necessary or advisable, or if the roof is in first class condition. He is a trained roofer and you can rely upon him.
