Begin Tree Checking for Removal Later As Village Project

Paul Purrelli, superintendent of streets, and F. Geary, local tree surgeon contractor, began Wednesday morning's work by checking trees to be removed by the village when the WPA project gets underway. This work is being done by the village in cooperation with the Village Garden club.

Mr. Purrelli and Mr. Geary are marking trees that are diseased, short lived or in general are undesirable. They will be replaced later with elm trees, according to Village President Earl Hatje.

In addition to removing the marked trees, the village also proposes to trim other trees in the parkway.

Receives Face Injury

Mrs. John Skillman, residing on West Main street, received several lacerations about the face when the car driven by her husband overturned on Spring Creek road early Sunday morning. She was taken to the Sherman hospital in Chicago for treatment but later returned to her home. According to reports, the car failed to make a sharp turn and overturned in the gravel.

Receives Legal Opinion on Course of Filling Cuba Supervisor Post

A legal opinion on the proper course for the Cuba town board to take in filling the vacancy created by the resignation last week of H. D. Kelsey as supervisor was obtained this week by Andrew F. Grom, town clerk. Mr. Grom had written Charles E. Mason, state's attorney of Lake county, requesting the information on the manner in which the vacancy is to be filled.

Following is Mr. Mason's reply to Mr. Grom:

"Andrew F. Grom, Clerk, Town of Cuba.

"I have your inquiry with regard to the manner in which a vacancy is filled by resignation of a supervisor of your town.

"In reply, I refer you to Section 96, Paragraph 3 of Chapter 139 of the Revised Statutes of Illinois, Smith-Hurd 1937, which provides in substance that in the event of failure to elect sufficient officers or when a vacancy occurs by death, resignation, removal from town or other cause, it shall be the duty of the Town Board of Appointment to appoint and fill the vacancy all as

set out in Sections 96, 97 and 98 of Chapter 139.

"The Board of Appointment consists of the Supervisors, the Town Clerk and the Justices of the Peace of the town. Section 97 of Chapter 139, provides that in the event of a vacancy in any one of these members of the Board of Appointment, the remaining members of the Board of Appointment, will fill the vacancy except in the offices of the Justices of the Peace and Constables which shall be filled by special election, in the event that there is more than one to serve. If, however, in the case of Justices or Constables there is less than a year to serve, the vacancy is filled by the County Board of Supervisors. Any other action by the Town Board in filling this vacancy as enumerated in the Statute, and the officer appointed in any other manner, would be without any authority to act.

"Hoping this answers your inquiry and if at any time you need any other information this office is at your service.

Very truly yours,
(Signed) Charles E. Mason,
State's Attorney"

Bond Issue at Lake Zurich Wins Out by Small Vote Margin

116 Favor Proposal; 109 Are Opposed to New Village Building

A proposition for the approval of a \$14,000 bond issue for a new village hall narrowly won out at a special election held at the village hall in Lake Zurich Monday. The vote tallied was 116 in favor with 109 opposed.

The issuance of bonds will be delayed until approval of the proposed work is received from the public works administration, which has been asked to make a grant for 45 per cent of the cost of the construction.

The estimated cost of the building is placed at \$25,000, with the remaining \$11,000 above the bond issue coming from the federal government.

Plans for the building include the village fire department, council room and jail on the first floor and a general meeting place on the second floor. The structure, if the project is carried through, will be erected on the site of the present Lake Zurich village hall.

Maybe They Are Only Making Grape Juice

This is not the cognac region of France, but home-grown grapes have been much in demand the last two weeks. Bellwood Farms advertised grapes for sale with a 3-line Review want-ad, inserted two weeks and sold all that they could not sell. A. F. Reichman advertised with a 3-line ad also. He reported that one customer bought 10 bushels.

Broncho Football Team Gets Trimmed in Game—Then Trimmed Again

An interesting sidelight of last Saturday's grid game between the Barrington high school Bronchos and Warren township high school Blue Devils concerned a player between member or the local heavyweight squad and P. E. Clark, athletic director and football coach.

It was agreed that if Barrington won the game, Mr. Clark was to get a "Harvard" haircut, that is to have it cut off very short. However, the Bronchos lost the game 7 to 0 and now the team members are beginning to appear with their locks short.

A fan gleefully desired to know if the bet was to last for the duration of the football season. For it if did, he pointed out, the locals might soon get the title of the "hairless" as well as the "underdogs." Another contended the wager was a mistake in strategy, pointing out the historical case of Sampson vs. Delilah, the outcome of which is familiar to everyone.

Chicago Produce Man Reports Loss of \$350 to Two Gunmen Here

Paul Wadsworth, 5784 Ridge avenue, Chicago, informed state highway police officers last Thursday afternoon that he had been held up and robbed of more than \$350 by two gunmen on Northwest highway, two miles west of Barrington.

Wadsworth, a produce broker, reported he had delivered a load of eggs and was returning to Chicago with a cargo of empty crates when the robbery occurred. The police officers, when he slowed down for an intersection, a black sedan drew abreast of him and ordered him to pull to one side of the highway and stop.

When the vehicle was stopped, both bandits climbed out with drawn guns and ordered Wadsworth to get out of his truck. They took his money which contained approximately \$387 in currency and about \$50 in change, he stated.

After the robbery the bandits sped east on Northwest highway. Wadsworth stopped State Highway Patrolman Anthony Seleser of the Elgin district shortly afterwards and reported the robbery. He said the bandits were about 30 years old, about 5 feet 8 inches tall and were well dressed.

The state highway department ordered a broadcast made but was unable to locate the men.

Mrs. Nellie Scott Gets 1-10 Years on Larceny Charges

Local Woman Sentenced to Serve Term at Dwight Reformatory

Mrs. Nellie Scott, 46 years old, of Barrington, Wednesday received a sentence of 1 to 10 years for larceny in the court of Chief Justice Michael L. Kinley in Chicago.

At the same time Justice Kinley announced he would recommend her discharge from Dwight reformatory after she had served a minimum of 11 months.

Mrs. Scott appeared on the charge made by Mrs. A. C. West, 617 Sycamore avenue. She had taken a bar pin valued at \$250 while employed as a maid and cook. Other complainants charged theft of articles worth several thousand dollars, among them Mrs. W. D. Horne, 618 road, who alleged that a \$2500 diamond ring had been taken by Mrs. Scott.

Assistant Public Defender Marion A. Anderson, her attorney, requested the court to be lenient, stating his client had suffered a mental illness. Mrs. Scott was accompanied at the hearing by her two sons, Delos of Waukegan, and Dalton of Barrington. They asked the court that her sentence be confined to the misdemeanor count, stating that she took the articles to gain money needed for the support of a sick husband in Colorado and for her children.

Former Fox River Grove Man Is Sought; Charge Money Taken

George Kotaska, former Fox River Grove resident, is being sought by various investors in Berwyn, where he had recently been operating as a real estate broker. A warrant for his arrest was issued last week charging him with embezzlement.

He is specifically charged with embezzling \$2000 from Mrs. Anna Voelmik, 2119 S. 58th court, Cicero, but other similar complaints, reported under investigation by the state's attorney's office, were expected to swell the total to \$15,000.

Thinks Time Is Ripe For New Automobile Style Cycle

Noted Viennese Designer Points Out That Better Cars Should Soon Bring Smarter Styles

BY MME. IDA JOLLES

All of us appreciate the constant change that is the rule in the world of fashion; too few, perhaps, realize what is behind such change, or what change marks the inauguration of a true style departure.

The fact is that the best style is the style that best expresses purpose. This is true whether you deal with automobiles or the important accessories of women's dress. Whether it's a car or a handbag, it must have logic as well as loveliness if it hopes to start a style. Personally, I expect automobile design to embark upon a new road in the very near future. Too much attention, of late, has been going to the detail of decoration and too little to expressing the constant improvement that has been marked in automobile construction.

From all I hear, the car most likely to establish such a new style cycle appears to be the new Buick which will soon be announced. Reports that reach me point it out as something that derives its smartness from its improvement in functional design. That will be sufficient to make it a car that at last starts us on a new style cycle.

The Crowd Roars! Coming to Catlow Sunday, Monday

"You're Only Young Once,"
With Hardy Family,
Here Saturday

The general store pictured in the opening scenes of "The Texans," the Southern epic at the Catlow Thursday and Friday is as authentic a set as Hollywood has produced this year. Most of the "props" were borrowed from the Pony Express Museum at Arcadia, Calif., which contains some of the best trophies of the period to be found anywhere in the West.

Dramatizing the everyday problems which face the father of an American family, "You're Only Young Once" comes to the Catlow Saturday night, for one night only, as a picture every member of the family will enjoy.

Lewis Stone, as Judge Hardy, father of Mickey Rooney and Cecilia Parker, is constantly beset with internal problems arising from his children's proclivity for getting into trouble. It is his duty to rescue them from these difficulties without breaking their spirit or making them rebellious.

Because the ringside bell failed to sound the end of the round, Robert Taylor took a two-minute beating from Patsy Perrelli that the script didn't require.

The two were fighting the final bout of "The Crowd Roars," which comes to the Catlow Sunday for two days. It was the seventh round and Taylor was taking the Catlow called for. He had received for leather flying from all angles, had picked himself up twice from the canvas, and had been knocked into the ropes again and again. The ringside timekeeper became so excited at watching the bout that he completely forgot to attend to his job.

The comedy antics of Stan Laurel and Oliver Hardy refuse to be confined to a story or a screen play, no matter how near perfection either may be. "Blockheads" starring the famous comedy pair coming to the Catlow theatre on Tuesday, is based on an

7½ Pound Mushroom Is Shown Here; Principals Refute Ownership Claim

A very large mushroom was shown here Saturday, probably the largest ever found in this vicinity, but it was an orphan. Nobody took the credit for owning it.

At least Dr. B. E. Graber said it wasn't his and insisted it belonged to Dr. E. A. Beerman, who remained very non-committal and disclaimed any ownership.

Although it was allowed to be a waif, the mushroom certainly possessed gargantuan proportions. It weighed 7½ pounds and measured 43 inches length and 36 inches around the middle.

Their friends advanced the theory that either Dr. Graber or Dr. Beerman wished to acknowledge ownership for fear that he might have to buy sufficient steak to go with the mushroom.

original story written in collaboration by Charles Rogers, Felix Adler, James Parrott, Harry Langdon and Arnold Balgord, all veterans in the field of comedy writing. But Stan's and Oliver's habit of a lifetime would not be derailed. Following the practice laid out by the pioneers of funmaking, they persist in doing a lot of their work "off the top of their heads."

Double featured, with "Blockheads," is "Bunker Drummond in Africa," with John Howard, Heather Angel, Reginald Denny and J. Carroll Naish.

Local Group Attends Missionary Meeting

The annual meeting of the Women's Foreign Missionary society of the Methodist church was held Tuesday at the Epworth church in Chicago. Those attending from Barrington were: Mrs. P. C. Kirchman, Mrs. P. R. Dwyer, Mrs. Ward Olmsted, Mrs. Edward Mitchell, Mrs. W. Dotterer, Mrs. Sanford Riecke, Mrs. Howard Harnden, Mrs. H. L. Eagle, Mrs. B. W. Dawson and Miss Sarah Ann Dawson.

From the excellent attendance at all sessions of The Review's moving picture cooking school last week-end, we judge Barrington women are intensely interested in the art of concocting delicious meals.

Perhaps you have some tomatoes left in your garden and could use the following recipes for chili sauce and uncooked tomato relish. For good measure, we'll include data for two marvelous desserts—perfect for either a desert party or the finale to a luncheon or dinner. Both are decidedly rich so portions need not be large.

Don't forget to send in a few of your favorite recipes. This column is for the exchanging of culinary ideas.

CHILI SAUCE
24 tomatoes (skinned).
6 onions.
2 teaspoons salt.
1 teaspoon each: allspice, cinnamon, cloves.
Pinch pepper.
Boil together for 2 hours, stirring very often to prevent scorching. Add 2 cups vinegar and 2 cups sugar, boil another hour. Put in hot sterilized jars and seal.

UNCOOKED TOMATO RELISH
1 peck ripe tomatoes (skinned).
3 large onions.
5 green peppers.
3 stalks celery.
Chop fine, add one cup of salt and drain over night.

Boil together: 1 qt. white vinegar, ½ lb. sugar, 1 tablespoon celery seed, 10c pkg. mustard seed. Pour over tomato mixture. Let stand two hours, stirring often. Put in hot, sterilized jars and seal.

GRAHAM-DATE ROLL
½ lb. graham crackers.
½ lb. marshmallows.
1 cup walnut meats.
1 cup dates.
1 cup (thin) cream.

Quarter marshmallows and mix with cracker crumbs, broken walnut meats and chopped dates. Stir in cream, mix well and form in a roll. Wrap in wax paper and place in an ice box or refrigerator for six to eight hours. Slice and serve with whipped cream. Serves 12.

1 cup chopped nuts.
1 cup crushed pineapple.

High School Project Voted at Second Election Saturday

The proposed \$172,000 addition and improvement of the Arlington Heights township high school was agreed Saturday when nearly 2000 voters went to the polls in two precincts and cast their selections. However, it was only by the narrow margin of 61 votes in favor of the improvement, 20 votes in favor of the bond issue and 15 votes for the additional tax. All three propositions had to win in order that the school board could proceed.

The school board will now issue bonds amounting to more than \$97,000 to pay for the district's share of the project, provided it is approved by the PWA.

At an election two weeks ago, the proposition to make the improvement was defeated by 27 votes.

Sanitarium Owners Named in Court Suit

Robert Peele and his wife Agnes, owners of two sanitariums in Palatine township, were ordered to appear in Cook county superior court Saturday to answer charges they had held a patient as hostage for unpaid treatment costs.

The charges were preferred in a petition filed Friday by W. F. Behrens, a farmer of Carlinville, Ill., who said he had been refused permission to see his mother, Mrs. Jeanette F. Behrens, 65.

Behrens told Judge Francis B. Allegretti the Peeles informed him he could not see his mother unless he paid \$2500 allegedly owed them.

Cook County Farmers Attend State Meet

The sharp decline in prices of corn and wheat to present unsatisfactory levels is a natural result of not having an acreage adjustment program for these crops last year, coupled with the failure of about 50 per cent of the corn producers to cooperate and make adjustments in 1937, Earl C. Smith, president of the Illinois Agricultural association, told a state-wide meeting of Farm Bureau leaders at Springfield this week.

"Even under present conditions," Smith said, "cooperators are assured of being well compensated for their efforts through the 57c corn loan plus the 10c per bushel adjustment payment which gives their 1938 crop a value of approximately 67c per bushel."

Gold Seekers Take Gold "Nuggets" From Theatre

Impressed by the old saying "gold is where you find it," some zealous wealth seekers spoiled the display of H. C. Ryhan, Waukegan theatre manager, last week when they took away part of a lobby display. Ryhan had gone to the Lake Michigan beach and collected a number of bags of stones and sand to be used in connection with the movie "Gold is Where You Find It," and glided the stones. The sand was placed in currency bags and placed on a table along with the nuggets. Apparently the gleaming stones appeared too real, for some movie patron "struck pay dirt" and went home with the major part of the display. All of which caused Ryhan considerable meditation as he spent long hours gliding additional stones.

Earl M. Schwemm of Barrington was elected last week as national director of the national chapter of Chartered Life Underwriters, which confers the degree of C.L.U., the highest academic honor awarded life insurance men. Mr. Schwemm was awarded this in 1932. Previous to being named national director, he was president of the Chicago chapter of Chartered Life Underwriters. The national directors were elected at the annual convention at Houston, Tex., a week ago. Mr. Schwemm attended the sessions and was a convention speaker.

Live 20 Miles Apart But Meet Once in 52 Years

H. L. Bockelman, Palatine hardware merchant, and Fred Voelker of Mundelein went to school together many years ago. In fact 52 years ago, but had not met since that time. This fact might pass unnoticed except for the fact they live only 20 miles apart. The best plausible explanation might be that they never leave their home towns. However, Voelker was in Palatine on business last week and when he saw Bockelman's store sign, he did spend a few extra minutes in reunion conversation.
