Most Overcoats Are Bought at Clothing Stores, But Not All

This is a good time to be to be thinking of overcoats. The conventional way to buy an overcoat is to go to the store and make a selection, but several persons recently shopped for a boy's overcoat through the want ad columns of the Barrington Review, answering an insertion made by Mrs. F. Epstone. One of the persons bought the coat that was advertised.

Mrs. Fannick of Palatine advertised furniture for sale in the September 13 issue of the Review. She had five calls from men who wanted to see the furniture and sold several pieces of furniture to them as reported.

Will Celebrate 50th Anniversary

Mr. and Mrs. H. A. Lesberg, well-known residents of Palatine, will observe their golden wedding anniversary at a family dinner at their home, 44 N. Benton street, Monday evening, Oct. 17. On Tuesday, the actual day of the anniversary, they will hold open house from 2 to 5 and from 7 to 9 p. m.

Mr. Lesberg was born February 19, 1865 in Palatine and Mrs. Louisa Lesberg, nee Thies, was born December 3, 1863, also in Palatine. They were married October 18, 1888, and settled on the old homestead about a mile and a half south of Palatine where they lived until 18 years ago when they moved to the village where they built a brick bungalow at 44 N. Benton street. They have five children: two sons, William and George of Palatine, three daughters, Mrs. Lillian Hinesberg, Mrs. Amanda Brown, of Palatine, and Mrs. Eleanor Wendt of Barrington; two granddaughters, Pearl and Irene Lesberg, and one grandson, Raymond Wendt.

Ela Township Man Dies Friday; Funeral Services Held Here Monday

Last rites for Calvin Luce, 30-year-old resident of Ela township, who died Friday in Palatine community hospital of injuries received in an automobile crash Thursday evening at the intersection of U. S. route 15 (Rand road) and route 53, were held at the funeral home, 149 W. Main street, Monday afternoon. Rev. J. Newcomb of Chicago officiated and burial was in Randall Park cemetery in Wheeling township.

Luce died of a fractured skull, lacerated brain and shock. It was reported at a coroner's inquest conducted here Friday. Verdict of accidental death was voted by the jury.

The Ela township man lived on Rand road. He was returning home from his work with Kaffa Roofing Co. of Cicero when the crash occurred. Driver of the other car was Emil Danco, 1629 N. Drake avenue, Chicago. Luce was going north on route 15 and Danco was going south on route 53, testimony at the inquest revealed. The cars collided nearly head-on.

Robert Fletcher, 3011 Prairie avenue, Chicago, a passenger in Danco's car, received multiple lacerations about the head while Danco escaped with lesser injuries. The men were removed to the Palatine hospital by the Cook county sheriff's squad.

Mr. Danco, who was born December 27, 1907, at Flint, Mich., is survived by his widow, Charlotte Luce, a son Calvin Jr., seven years old, and several brothers and sisters.

Improved Broncho Team Loses Grid Contest to Niles Center, 12 to 6

Arlington Heights Is Next Opponent for Local Eleven

Eby, Trojan Right Half Back, Is Star of Game Here Saturday

In the most exciting game of the 1933 football season, the Barrington Bronchos lost a hard fought battle at Northside park Saturday to the Niles Center Trojans, 12-6. In the second half, and especially the last quarter, the Bronchos exhibited drive and aggressiveness that had not been shown all season. The Barrington team was somewhat handicapped by the loss of the regular right guard, Ray Hodgdon, but the substitutes in his place played a fine game.

In spite of Shepard's consistent running plays and Church's beautiful kicking, the real star of the game was the Trojan right half back, Eby, who passed, kicked and ran in great style. The climax came early in the third quarter, when, with Niles having their ball on their own 21 yard line, Eby started around left end and then cut down the center of the field dodging past the whole Barrington team and running 75 yards for Niles' second touchdown of the game.

The first half of the game was uneventful until the last two minutes of play. Before this the ball stayed pretty much between the 20 yard lines. But with the half almost ended, Church fumbled a lateral from Herren, and Niles Center recovered the ball on the Barrington's 8 yard line. Then Eby threw an incomplete pass over the goal, but on the next play Heininger passed over right end to Eby for a touchdown. The drop kick for the extra point was unsuccessful. The half ended after the kick.

Early in the third quarter, Eby made his spectacular 75 yard touchdown run. The try for extra point failed. Several plays later Church made a beautiful quick kick from back in his territory which went over the head of the Trojan safety man. The safety fumbled and Wilkins recovered for Barrington on the Niles' 19 yard line. On a series of running plays, Shepard carried the ball to the 2 yard line, but Herren was stopped on fourth down, giving the ball to the Niles team which promptly kicked out of danger.

The Bronchos travel to Arlington Heights Saturday to meet the Cardinals in their homecoming game. Heights has a strong team, defeating Lake Forest last Saturday by a score of 12 to 7, and are rated high in the conference.

Pony Football Team Loses Game to Lake Forest Monday, 7-6

On Monday afternoon, in the second game of the season, the Barrington lightweight football team lost a close battle to the Lake Forest eleven, 7-6. The game was evenly played, but the ball changed hands often because of the great number of fumbles. The Ponies' plays clicked better than in the last game, but there is still room for plenty of improvement.

The Barrington touchdown was set up at the beginning of the game, when Long returned Lake Forest's kickoff to its own 25 yard line. Lake Forest took possession of the ball, but Eagan returned their punt to the 13 yard line. Then Meyers and Long carried the ball on several plays to the 1 yard line. On the next play Long carried the ball over the goal for a touchdown. The try for the extra point failed. This failure to convert later proved to be the difference between a tie game and a defeat.

Then, early in the third quarter, Lake Forest got the ball on downs on its own 25 yard line. On the next play, Lake Forest's star left half back, darted through the center of the line, and ran down the field for a touchdown. In the try for placement, the ball sailed right over the cross bar, putting Lake Forest into the lead, 7-6. From this point to the end of the game neither team came near scoring.

"Boy Meets Girl" Is Week-End Hit on Catlow Screen

"Carefree," Starring Ginger Rogers and Astaire, Here Wednesday

Anne Shirley, Ruby Keeler, James Moran and young Donnie Dunagan play the quadruple title roles in "Mother Carey's Chickens," the pictureization of the noted modern classic by Kate Douglas Wiggin, presented as a benefit by the Circle "B" of the Methodist church Friday and Saturday at the Catlow theatre.

The charming story, beloved by American readers for a quarter of a century, traces the heart-tugging experiences of a fatherless New England family. James Cagney and Pat O'Brien, one of the most popular film teams of recent years, have been reunited and they will come to the screen of the Catlow Sunday and Monday, as the co-stars of "Boy Meets Girl," film version of the comedy of the same name which has so big a hit on the stage.

Robert Young, last seen in a dramatic role in "The Toy Wife," has a brand new comedy part and a brand new leading lady "Rich Man, Poor Man," the mirthful comedy coming to the Catlow Tuesday.

Double featured with "Rich Man

Poor Girl," is "Over the Goal." How a young and beautiful lady acts when she is scientifically released from her inhibitions, is amusingly depicted in "Carefree," co-starring Fred Astaire and Ginger Rogers, starting a three day run Wednesday.

Astaire is cast as a psychiatrist, Miss Rogers as an actress-patient. When the latter becomes unbalanced through the doctor's influence, she embarks upon a series of wild adventures even telling a radio audience what she thinks of her sponsor's product.

Star Performer ushers in new Style Cycle with stunning designs that keynote next year's mode

IT all started with "catwalk-cooling," on the costly racing cars of Europe.
They were shooting at better aerodynamics, not new styling—but they touched off something that will re-pattern cars everywhere before it's done.
Not that looks alone ever come first with Buick. What's really Buick is underneath all that, down deep in the good true metals, the split-hair precisions, the tough alloys.
But everyone goes for beauty, and you would be less than human if you didn't thrill to an eye-ful of the smartest dressed automobile you ever saw.
So let your gaze take it in. Spot the radiator grilles... down low. They're the key to new-day design.
They're also placed where air pressure's greatest—your engine cools under forced draft!
Under that comely bonnet is the engine with more abundant life—that quick quiet Dynaflex valve-in-head straight-eight!
Under that roomy Body by Fisher are the great slow spirals of Buick Coil springing to give you the true "full float" ride. And in that body, is new wide-paned visibility—up to 413 more square inches of glass.
The whole staunch, firm, beautiful car looks like what it is—a car to love and live with.
Come see it. Just as it stands there, tuned for your service, it seems to be ready to fly!
