

St. Paul Church Will Celebrate Anniversary

Diamond Jubilee Will Be Observed From Nov. 6 to 13

Congregation to Observe 75th Birthday With Special Programs

St. Paul Evangelical church will celebrate its diamond jubilee at services starting Sunday morning and continuing through Sunday, Nov. 13. Since its formation in 1863, the church has grown from a small unit until it has a congregation numbering upwards of 600 communicant members.

St. Paul church has been located at its present site since its founding and the present church structure is the second edifice erected by the congregation. At one time a school was also conducted. The present parsonage is also the second one of its kind.

Five non-resident pastors, beginning with Rev. Albert in 1863-64 and Rev. Bond in 1864-1865, and 15 resident pastors have served at St. Paul church. In keeping with the diamond jubilee, Rev. Eugene P. Wilkins, who served here in 1909-1915, and Rev. Hermann E. Koenig, who was pastor from 1915 until May, 1936, will be guest speakers at the commemorative services.

The church records for the 75-year period are as follows: baptisms, 1941; confirmations, 1261; weddings, 419; funerals, 773; communion guests, 19,898.

Elaborate plans for the celebration have been made by the anniversary committee, consisting of Arnold H. Sasa, chairman, Herman Wente, Mrs. Ed Wichman, Mrs. Ray W. Jones, Howard Brintlinger, Mrs. Herman Steward, Mrs. George Dablow, A. L. Wiedebach and Rev. George P. Ellerbrake. The history of the church has been compiled and is given in an anniversary booklet which will be ready for distribution during the anniversary week. The committee has also provided small anniversary souvenirs which will be presented free of charge to all who attend the services.

The complete program of services during the anniversary will be found on page 5.

Seize Schiller Park Man; Confesses to Hold-Up Here Jan. 3

Clayton Curtis, 38 years old, who was seized early Friday morning by state's attorney's police under Capt. Dan Gilbert and Lieut. Tom Kelly at his home on Kolbe avenue in Schiller Park, was reported to have confessed participating in the \$1000 hold-up of the C. & N. W. passenger station agent here last January 2.

Curtis and an accomplice are believed to be the men who slugged C. W. Seymour, local agent, and escaped with the cash. John James Van Buskirk of Chicago, who was sentenced to 15 years in the penitentiary last summer for other crimes, was said by police to have been with Curtis at the time.

In addition to the local hold-up, Curtis is alleged to have confessed kidnapping a dozen mail carriers in Lake county and renting them out in Will county. The slot machine revenues, he was reported to have admitted, enabled him to make a \$1000 payment on his Schiller Park home a few months ago.

Wanted by the police for many alleged crimes, this is the first time Curtis was ever reported to have confessed to any criminality. His record extends back over the last 18 years, police said.

192 Children Win Awards From Club for Garden Plots

Recognition for Plantings Are Given at School Program

Grand prizes for garden plantings were given to 12 local school children and a package of bulbs to each child who had planted flower seeds at a program in the school auditorium Wednesday afternoon under the direction of Mrs. John Bell. A total of 192 children received recognition.

Seeds and prizes had been furnished by the Garden club of Barrington, and nominations from the latter as well as from the Village Garden club of Barrington and Countryside Garden club had visited all of the children's gardens in Barrington. The children, who were given the seeds and directions for planting.

Final decisions as to prize awards for the various gardens were made by out-of-town judges, Mrs. Alicia Oatman and Miss Etta Norton of Dundee.

The first prize for each of three divisions was a 2 1/2 foot Japanese weeping tree and the second a 2 foot flowering almond.

Winners, according to grade classification of last year, were as follows: first division, kindergarten, first and second grades; girls: Barbara Schauble, first; Joy Paulson, second; boys: Robert Bedewke, first; Harry Boobyer, second.

Second division: third, fourth and fifth grades, girls: Jeannine Klusack, first; Lols Bedewke, second; boys: Bill Somerfeld, first; Leonard Bateman, second.

Third division, sixth, seventh and eighth grades, girls: Irene Boobyer, first; Barbara Harnden, second; boys: Bill Somerfeld, first; Robert Hansen, second.

Prior to distributing the prizes, Mrs. Bell told the basis of awards, neatness and amount of bloom. The package of bulbs which will multiply rapidly if put where they will not have to be moved, she told the children, was given to each child who had planted the seeds distributed in spring by the Garden club of Barrington. Bulbs were awarded to 180 children.

Tag Sale Nets Club \$60 for Tree Work

A total of \$60 was netted from the sale of tags sponsored by the Village Garden club Friday afternoon and Saturday, according to a report made by Mrs. J. M. Friedlander, chairman pro-tem of the sales and means committee, to Mrs. H. R. Brintlinger, club president. This amount of money will be sufficient to cover the club's expenses in the planting of trees in parkways this winter, Mrs. Brintlinger said.

Following are the children who received cash prizes for selling the greatest number of tags: Ruth Emerick, Betty Foreman, Billy Lustig, Charlene Schnef, Billy Friedlander and Joan Kinead.

Will Observe Holidays
The First National Bank of Barrington will be closed Tuesday, Nov. 8, due to the general election holiday and also on Friday, Nov. 11, which is Armistice Day, and Saturday, Nov. 12, which is Thanksgiving. There is a movement on foot to have the local store close on Armistice Day from 10 o'clock until 12 o'clock. There are not many merchants committed as yet.

Plan Dedication and Open House of New School Wing

Former Board Members to Be Honored at Dinner November 15

A dedication, open house for alumni and open house for the general public are being planned for three evenings at the Barrington public school starting November 15, according to early reports from E. S. Smith, superintendent of schools.

The programs are being arranged as a dedication for the new south addition that was completed this fall. The dedication will be part of a program Tuesday evening, Nov. 15, while on the evening following a program is being planned for members of the high school alumni association. The building will again be thrown open on the Friday night of the same week for general inspection.

A feature of the Tuesday night plan is a dinner that is to precede the auditorium program. Members of all past boards of education will be invited to the dinner as well as the present board and their wives. Mr. Smith stated the purpose of having former board members present was to honor them for their service to the school. Keeping with the building expansion program of the local public school since 1905, when the original brick building, whose main wing is the present structure, was constructed.

Former board members who are expected to attend are: A. G. Boehmer, George F. Stiefenhof, Frank Alverson of Madison, Wis., William Solt, A. Kettel, Charles Miller, W. Gottschalk, Mrs. Frank Seaverns and Dr. A. Weichelt.

The dinner will be served by the food service of the building. An inspection tour of the building, N. J. Puffer, Cook county superintendent of schools, will be the principal speaker of the evening and Charles E. Miner, state administrator of WPA, will be here as a representative of the federal department, which assisted in the construction of the new wing. A. D. Church, president of the board of education, will preside at the meeting. The school orchestra and glee club are expected to furnish the musical portion of the program, which will begin at 8 o'clock and is open to the public.

Willard M. Watson, assistant principal in the junior high school, is chairman of the committee planning the program for the alumni night, November 16. He is being assisted by T. C. Hooford, L. Van Winkle, Miss Ames Welch and Miss Mary Reller.

Representatives of various classes in the school's history are expected to take part in the program as those who were prominent in extra-curricular activities, music, sports and dramatics.

Assn. Plans Meetings
The Barrington Cemetery association of the North church will observe its annual meeting Sunday, Nov. 13. There will be a meeting at 3 p. m., followed by a covered dish supper at 5 o'clock. There will be a program in the evening.

Directing Rally Friday Night

LEO LAPOINTE

John J. Treut and Leo LaPointe, democratic precinct committees for Cook township, are directing plans for the mass meeting to be held at the Pottier parish hall in Lake Zurich, Friday evening, Nov. 11. Secretary of State Edward J. Hughes will be the main speaker of the evening and other state and county candidates will speak also. Democrats from Cook, DuSable and Waukegan townships are expected to attend. Progressives have been asked to act as a counterforce for the democratic committee for the township.

Interest at High Point Campaigns Near End

Ending Campaigns

The dramatic club of the Barrington senior high school entertained at an all-school party in the gymnasium Saturday night. Guests were dressed in costume and prizes were awarded to Jack Shepard and Hazel Esh, who were dressed as Adolf Hitler and a German maid, and Shirley Blechle and William Long, who were dressed as Negroes.

The gymnasium was decorated in fall colors, with shocks of corn and pumpkins adding to the Halloween atmosphere. Mr. and Mrs. Truman Chiles and Mr. and Mrs. J. W. Langdale were chaperons. A number of members of the faculty and board of education were also present.

20th Anniversary of Armistice Will Be Observed Here

Plan Community Program on Nov. 11; Auxiliary to Hold Annual Dinner

The 20th anniversary of the signing of the Armistice of the World war on November 11, 1918 will be observed here on the anniversary date with local patriotic groups participating in a community service. The program will be designed to pay respect to American soldiers who were killed during the conflict.

There is to be a parade composed of the following lineup: Legion color guard, school band, firing squad, Legion members, Legion Auxiliary, Relief Corps, cub pack, girl scouts, campfire girls, scouts and school children. All groups will assemble at the public school at 10:30 and at the firing of the first bomb salute at ten minutes before 11, the parade will march to the community flag pole in the village park at Cook Park avenue and Main streets.

At 11 o'clock the assemblage will stand in silence and face the east for one minute. Legion Commander Harry Coffman has requested that all places of business halt activities during this one minute period also to pay respect to the dead.

Following the silence period, Rev. W. A. Stauffer will give the invocation to be followed by a selection from the school band. "America" will be sung by the assemblage and the pledge of allegiance to the flag will be given under the leadership of Legionnaire Cecil Paxton. "The Star Spangled Banner" will be played by the band and the firing squad will fire three volleys.

The program will be closed with the playing of "Taps" by Paul Pohlman, adopted post bugler.

The annual Armistice Day dinner given by the Legion Auxiliary for ex-service men will be held at the Biltmore Country club Friday, Nov. 11, at 6:45 p. m. Mrs. Harry Brandt, who is in charge of invitations, has invited all ex-service men who have not received invitations as yet to contact an Auxiliary member. As in the past, there will be a dinner for women guests. Reservations should be made with Mrs. Brandt.

Master Clock Gift of the Class of 1939

A master clock, the purchase of which is being financed by the local high school senior class of 1939 as its graduating gift, will be installed in the main floor of the public school building near the office of E. S. Smith, superintendent of schools, he announced this week.

Workmen have already started making wall space available for the clock, which will regulate all clocks and bells in the building, awaiting the arrival of the mechanism.

The class is pledging itself to the extent of \$300 to obtain the clock. Revenue from various class activities will be used to pay for it.

Twin Calves Are Born in Community Again; This Time They Live

Bonniebelle, 3rd, 'milkling' shorthorn, gave birth to twin calves October 28 on the Wins farm, Palestine township. They have been given the names of Apollo and Diana. They were sired by shorthorn bull Nerkam Royalist, purchased by Mr. Wins at the International stock show last year. Mother and calves are doing fine.

Attention Centers

on Senator Fight; Election Nov. 8

Polls Open From 6 a. m. Until 5 p. m.; Polling Places Announced

A political campaign which started slowly but has gained momentum rapidly during the last two weeks will come to a close next Monday night.

The lack of a presidential or gubernatorial race accounts for the early apathy in this year's battle to gain ballots. But the bitter feeling for and against the new deal has increased interest in the last few weeks to a degree which surpasses that of any off-year election since Wilson's memorable fight to retain control of congress in 1918.

Candidates for national, state and even county offices have been doing more talking on the new deal issue than on their own individual political affairs. The center of the battle in Illinois is the effort of state representative Dick Lyons to gain the seat in the 10th district. He is opposed by William Dietrich. He is opposed by Scott W. Lucas, congressman, who has pledged allegiance to President Roosevelt. The fact that Lyons is a Lake county man and has put on a state wide campaign of intensity almost beyond parallel in Illinois political history, has greatly increased election interest in this part of the state.

The republican and democratic candidates for Lake county offices and some of the candidates for Cook county offices told their members the voters in announcements in this issue of The Review.

In Barrington township the registration of voters is the highest it has ever been for an off-year election and the report of the registration in Cook township counted Tuesday indicates a similar high peak. In precinct 1 of Cuba township there were approximately 475 voters registered and in precinct 2 the number was said to be 650.

Regardless of the township or precinct, the polls will open at 6 a. m. Tuesday and will close at 5 p. m.

Following is the list of the polling places in this community:

Barrington Township
Precinct 1—Gold Star Motor building. Mrs. Edith Paddock, V. D. Hawley and Irvin E. Landwer, Judges; Mrs. Ruth Koehler, Mrs. Alma Plager, clerks.

Precinct 2—Lageschulte village hall. Leroy DePlomb, D. B. Pomeroy and C. Cadwallader, judges; Mrs. Olga Roloff and Mrs. Ruth Coffman, clerks.

Precinct 3—Lageschulte school, intersection of Barrington and Dundee roads. Mrs. Marjorie Frye, Allen Beckhart and Myron Lageschulte, judges; Mrs. Sylvia Rostek and August Reuter Jr., clerks.

Precinct 4—South church on Penny road. Miss Kitty Loomis, Carl Dorwaldt and Walter B. Homuth, judges; Florence Trimble and H. S. Spanhake, clerks.

Cuba Township
Precinct 1—Standard Motor garage. C. Miller, A. Grom and Leo LaPointe, judges; Mrs. John Daeschler, Mrs. Walter Wolfe and Mrs. Helen Hase, clerks.

Precinct 2—Lageschulte Electric shop. William Hoffman, John Petrak and Alfred Treut, judges; Mrs. Bernice Berg, Mrs. Theresa Kelley and Mrs. William Drauden, clerks.

Ela Township
Precinct 1—Ela town hall. Harry Washo, August Grever and Harry Branding, judges; August Froelich, George Berghorn and Arthur Leuthesser, clerks.

Precinct 2—Frank's Confectionery. A. G. Schwerman, E. Umbdenstock and J. D. Pink, judges; Irving Daeschler, Ira Ernst and James Break, clerks.

In Els township the division has been made as follows: precinct 1 is that part south of route 22 and west to the sea wall and around the lake to the intersection of Henry Lake road. Precinct 2 is that portion north of route 22 and the lake.

Route 22 is the division of the precincts in Cuba township, precinct 1 being east of the road and precinct 2 being west.

Halloween Party at Biltmore Brings Out Many Costumes

A beautiful array of costumes was seen at the Biltmore Halloween dance Saturday evening, the major social event of the club's 1933 season.

Winners of prizes were: Mrs. Frank Smith of Chicago, dressed as Aunt Jemima, who received the award for the most original costume; James R. Murphy of Barrington, dressed as "Dopey," the funniest; Mrs. Reginald Voorhes as a court herald of the 15th century, the prettiest.

Judges for the evening were: Mrs. Karl Engelhard, Mrs. Mark Fox, A. H. Polley and Irving Johnson.

Miss Eunice Woldhausen and her guests represented a group of artists with pallets and brushes. R. E. Stearns was garbed as a Chinese mandarin and his daughter, Miss Stearns, wore a sheba costume.

Mrs. Madeline Muhlbradt's Hawaiian dancing ensemble included a fresh flower bodice, var-colored leis and nardiums in her hair.

Walter Moeller wore a comic gopher's outfit. Reginald Voorhes wore the uniform of a French major general, Ed Ericson the garb of a Spanish gentleman. L. Norman Frank was "Tizzy Lish."

Mrs. Claire Cummings came as a harem lady and Mrs. Catherine Kapke wore a black forest wedding gown and headress.

The club house was decorated in the traditional Halloween manner; cornstalks, illuminated pumpkins, yellow and orange streamers—and was presided over by the resident manager, Roy Smith. A midnight buffet supper was served to the guests.

The entertainment committee consisted of Mr. Frank, chairman, Mr. and Mrs. Harry Muhlbradt, Mr. and Mrs. Earl Virden and Mrs. Clarence Withans.

There were a number of cocktail parties before the Halloween dance. Among those who entertained were the Harry Muhlbrads, the Karl Engelhards, the Walter Garrys, the Norman Franks, the Ed Ericsons, the Len Berliks, the Ben Audettes, the Frank Smiths and the Enzweilers.

F. Plagge, Veteran Elgin Florist, Dies

Fred E. Plagge, 63 years old, veteran Elgin florist and father of Floyd A. Plagge of Barrington, was buried following funeral services held at the North mortuary in Elgin Tuesday afternoon. Rev. William E. Grote, pastor of the

First Evangelical church in Elgin, officiated at the burial was in Bluff City cemetery.

Mr. Plagge died at his residence, 956 Bluff City boulevard, Elgin, Sunday morning. He had been in ill health several months.

He was born on a farm in Palestine township on November 27, 1874. When he was 24 years old he moved to Elgin where he established a greenhouse business at its present location on Bluff City boulevard.

Besides the widow, Mrs. Bertha Plagge, he is survived by two daughters, Miss Florence Plagge of Onarga, Ill., and Miss Ruth Plagge of Elgin; two sons, Floyd of Barrington and Alvin L. Plagge of Elgin; a sister, Miss Minnie Plagge of Los Angeles, Calif., and a brother, Walter of Barrington.

Barrington Woman's Club

The Child Welfare committee is giving a benefit dance Saturday, Nov. 5, at Biltmore Country club. Dancing will be from 9 to 12:30 to music by Jimmie Orend's Commodore Orchestra. Everyone is welcome. The proceeds are to be used for the continuance of the Child Welfare Clinic which is held in the council room of the village hall the second Wednesday of each month from 1 to 3 in the afternoon.

The next meeting of the clinic will be held Wednesday, Nov. 8, with the same doctor in attendance. There is no charge, and mothers are urged to bring their infants and small children.

Reciprocity day of the Des Plaines Woman's club is to be November 14. The meeting will be held at 2 o'clock in the community hall at the Congregational church at Grand and Marion streets in Des Plaines. Will all members of the Barrington club who plan to attend please notify Mrs. Lines by November 9.

The next board meeting will be held Thursday, Nov. 10, at 9 a. m., at the home of Mrs. E. T. Schutt, 239 Coolidge avenue.

"From Double Eagle to Red Flag" on November 8 at 2 o'clock in the library. The public is cordially invited.

At the November meeting of the club, to be held at 8 o'clock in the evening, Nov. 15, the husbands of the members are to be guests. A trio composed of Olive Dobson, Verna Kumble and Elsie Brittan will sing accompanied by Helen Jura. D. M. Ladd, of Chicago, special agent in charge of the Federal Bureau of Investigation will speak on "The G-Men's War on Crime."

Admit Will to Probate

The estate of the late Henry P. Schuber of Chicago, who died intestate April 25, has been admitted to probate according to Mitchell C. Robin, clerk of the Cook county probate court. The value of the estate is unknown at present. The heirs are his widow Catherine and a daughter, Margaret Romano, both of McHenry. Charlotte Racoon, a daughter, of Cary, and Elmer Schuberth, a son, of Chicago.

Rev. W. Meyer, 78, Dies Friday; Former Pastor at Hanover

Rev. William Meyer, 78 years old, a former pastor of the Evangelical Reformed church of Hanover township, died Friday in the home there from Fairbault in 1919. He had made his home since retirement from the ministry in 1923.

Rev. Meyer was the pastor in the Hanover church for 14 years, coming there from Fairbault in 1919. He had also held a pastorate in Sedalia, Mo.

Besides the widow, he is survived by seven children, Miss Hannah Meyer of Fairbault, Mrs. William Riemann of Minneapolis, Rev. Karl Meyer of Chicago, Rev. Walter Meyer of Peoria, William Meyer of Philadelphia, Pa., Dr. Paul Meyer of Fairbault and Armin Meyer, the last named a missionary in India.

Funeral services and burial took place at Fairbault Monday afternoon.

H. Mendelsohn, 101, Dies at Waukegan

Henry Mendelsohn, 101 years old, Lake county's oldest resident, died Monday at the St. Theresa hospital in Waukegan. He was born in Posen, Germany in 1837 and came to Chicago in the late 1850's. He had made his home in Waukegan for 19 years.

An upholsterer and carpenter by trade, Mr. Mendelsohn laid the yards of carpet for the Chicago

World's fair in 1893. He cast his first vote in the United States for Ulysses S. Grant for president. Five children, 10 grandchildren and eight great-grandchildren survive.

Seek Commission's Approval on Merger

The Interstate Commerce commission was asked Saturday to approve a proposal calling for the merging of the Chicago, Lake Shore and Eastern Railway company and the Joliet & Blue Island Railway company with the Elgin, Joliet and Eastern railway.

The plan provided for the E. J. & E. to issue \$1,000,000 in new stock which would be exchanged on a stock basis for the outstanding obligations of the other two roads.

The E. J. & E. now leases the other two roads. Their joint mileage totals slightly more than 1900 miles.

Making Trip Through South

Mr. and Mrs. Roy Upton and children of Barrington township and Mrs. S. L. Landwehr of Barrington returned this week following a 1760-mile trip through the South. They visited the Blue Grass region in Kentucky, the Smoky Mountains of Tennessee and the Indian reservation in North Carolina. They returned by way of Chattanooga, Nashville and Louisville, Ky.

Hospital Patient

William Jacobson of Barrington was taken to the Conwell Memorial hospital in Libertyville Friday where he received medical treatment.

Farm Bureau Will Hold Tax Meetings

At a series of farm meetings to be held in various townships, the Cook County Farm Bureau will present its part in the revaluation for tax purposes in 1935.

In addition to reviewing revaluation work of the past, an effort will be made by Farm Bureau officials to establish a more equitable taxing system. It was stated by those in charge of the meetings.

Meetings, which will begin at 7:30 p. m., are announced for the following dates in this vicinity:

November 10—Elk Grove town hall, State and Higgins road.

November 14—Hanover twp. District 44 school, Irving Park and Bartlett, Barrington road.

The Fords Tell Their Plans for 1939

IF WE KNEW anything better we could do for the country than make good motor cars, we would do it.

By every one doing his best in the job he thinks most useful, this country is going to regain its momentum. We have tried to do our best in our job.

When business was suddenly halted in its recovery more than a year ago, we determined that we should keep going anyway, if not at full-volume motor car production, then at getting ready for greater motor car values that would help future production.

EXPANDING FOR THE FUTURE

We began to build 34 million dollars' worth of new plants and equipment. We felt that if we could not employ all our men building motor cars, we would employ as many as we could building better production facilities.

We were told, of course, that this was no time for expansion, that a wiser business policy would be to "hold everything"—which means, stop everything. But no one ever got anywhere standing still.

Besides, we are not defeatists. We do not believe this country has seen its best days. We believe this country is yet in the infancy of its growth. We believe that every atom of faith invested in our Country and our People will be amply justified by the future. We believe America is just beginning. Never yet have our People seen real Prosperity. Never yet have we seen adequate Production. But we shall see it! That is the assurance in which we have built.

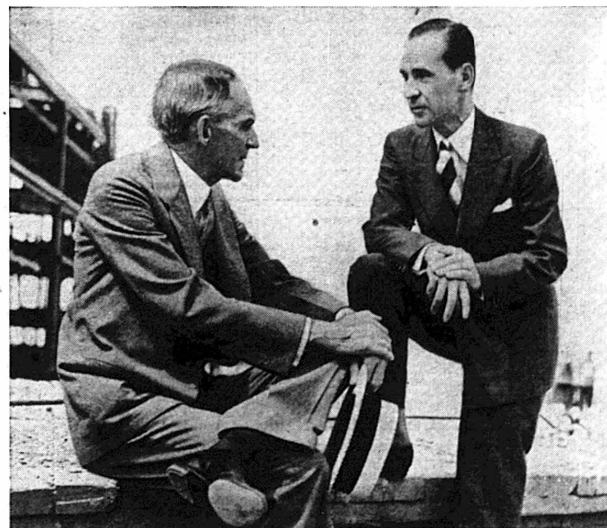

Business is not just coming back. It will have to be brought back. That is now becoming well understood in this country; for that reason 1939 will be a co-operative year. Manufacturers, sellers and buyers will co-operate to bring back the business that is waiting to be brought back.

This construction program is almost completed. It has increased activity and payroll in a number of related industries. It has given us better facilities for building better cars and trucks, and eventually our new tractor which is being perfected.

THIS MEANS MORE VALUE

The current program has provided a new die plant, which will turn out a part of our tire requirements... a new tool and die plant that will help us cut the cost of dies... and a steel-press plant that will enable us to make more of our own automobile bodies. These are in addition to the plants we already had for producing glass, iron, steel, plastics, and many other things.

We don't supply all our own needs, of course, and never expect to. The Ford engine is one thing

Henry and Edsel Ford, on the occasion of the 35th anniversary of the founding of the Ford Motor Company, June 16, 1938

that no one's hand touches but ours. Of nearly everything else we use we build some quantity ourselves, to find, if possible, better and more economical ways of doing it. The experience and knowledge we gain are freely shared with our suppliers, and with other industries.

We take no profit on anything we make for ourselves and sell to ourselves. Every operation, from the Ford ships which first bring iron ore to the Rouge, is figured at accurate cost. The only profit is on the finished result—the car or truck as it comes off the line. Some years, there is no profit for us. But we see to it that our customers always profit. A basic article of our business creed is that no sale is economically constructive unless it profits the buyer as much as or more than the seller.

Our new plants have helped us build more value into all our cars for 1939. That means more profit on the purchase to the purchaser.

We have not cut quality to reduce costs.

We simply will not build anything inferior.

NEW TESTING EQUIPMENT

While we were putting up new plants to produce cars, we constructed new equipment to test them. The first weather tunnel of its kind ever built for automobile research went into operation at our laboratories this year.

It makes any kind of weather to order. The weather it delivers every day would take months to find in Nature. Our cars are weather-tested to give you good service in any climate anywhere.

In other tests, every part of the car is punished unmercifully. Then our engineers tear it down to see if they can find abnormal wear or any sign of weakness.

The money we spend on tests saves you money on repairs. And your family car is safer and more dependable when we put it in your hands.

THE NEW CARS

We have two new Ford cars for 1939—better cars and better looking—but we also have an entirely new car.

It's called the Mercury 8. It fits into our line between the De Luxe Ford and the Lincoln-Zephyr. It is larger than the Ford, with 116-inch wheelbase, hydraulic brakes, and a new 95-horsepower V-type 8-cylinder engine.

We know that our 1939 cars are cars of good quality. We think they're fine values in their price classes.

With new cars, new plants, new equipment, the whole Ford organization is geared to go forward.

"My Lucky Star" Is Week-End Hit on Catlow Screen

Sonja Henle Star of Feature Showing Sunday and Monday

Harold Lloyd, the bespectacled comedian, returns to the screen after an absence of over a year and a half in "Professor Beware," coming to the Catlow theatre Saturday. Lloyd plays the part of an absent minded professor whose ability to get into trouble provides the chief comedy in the new film.

With 14,000 American youngsters already enrolled in the "Sonja Henle Junior Olympics club," grammar and high school students today are on the way to becoming as ice-skating conscious as their predecessors ten years ago were Lindbergh and airplane conscious.

Her deep interest in skating prompted Sonja Henle to start a crusade among the youngsters of her adopted nation to win their over to the sport. She conducted the campaign from the studios in Hollywood, where she recently completed her newest film, "My Lucky Star," with Richard Greene sharing star honors; the picture opens on Sunday at the Catlow.

Joe E. Brown, the mighty-mimed comedian, appears as a scientifically-created superman in his new comedy opus, "The Gladiator," coming to the Catlow Tuesday.

Returning to Webster college as a sophomore, Joe soon becomes the innocent subject of a professor's experiment in increasing the normal human strength. The hilarious aftermath sees Joe become a national gridiron sensation, a record-breaking track and field athlete and the hero of every co-ed from coast to coast.

Double featured Tuesday with "The Gladiator," is Buck Jones' latest, "The Stranger From Arizona," with Dorothy Fay and Hank Mann.

"Four's a Crowd," with Errol Flynn, Olivia de Havilland, Rosalind Russell and Patric Knowles making up the stellar quadrangle, is the highly hilarious newspaper comedy which comes to the Catlow Wednesday and Thursday.

When Rosalind Russell, a newspaper reporter, wins Patric Knowles, a playboy publisher, over to

hiring Errol Flynn, a whirlwind press agent, as his editor, Flynn picks Walter Connolly, a piratical captain of industry, as the butt of a circulation-building campaign. Then he makes love to Olivia de Havilland, Connolly's granddaughter, which in turn makes everybody hopping mad—Rosalind because she is in love with Flynn, Patric because he's in love with Olivia and Connolly because he likes to get mad. From there on it's a free-for-all, with high comedy sustained throughout.

Republicans From Country Towns Are Valuable on Board

The fight of the republican candidates, campaigning for re-election to the county board of commissioners, to prevent any repetition of the Switzer-Zink scandal by the establishment of a monthly audit system in all county offices is regarded as their most

important accomplishment during their past terms in office.

On their swing around the suburbs and Barrington these men, William Busse of Mt. Prospect, George A. Miller and H. Wallace Caldwell of Oak Park, William N. Erickson of Evanston, and George

F. Nixon of Glenview, are warning taxpayers that continued vigilance by republican commissioners is required to maintain safeguard over millions of dollars in county funds.

Here's one worth going after!

COMING at you, it looks like a million. Going away, it looks like good fortune you've missed.

A lot of fussy care went into the way it looks from the rear—you know, that's the angle from which it's oftenest seen.

Going or coming, it moves like a honey bee about its business. Better look quick if you want to see it—no sudden "who-o-o-sh!" and it's gone!

How about it—is this stunning 1939 Buick really as lively as it looks? Well, just try it and see—you'll find it the car and the value of the year!

Maybe a bullet gets off faster.

Maybe a rabbit can beat it on the jump or a skyliner lead it from point to point.

But you'll never want a highway cruiser that answers quicker to the green light's "go"—that slips more deftly through the holes in traffic—with keener relish eats up the miles.

That bonnet houses a full complement of eight cylinders, and Dynaflex cylinders at that. All four wheels dance on Buick Coil springing of stout spiraled steel; no quiver or shiver shakes the luxurious body in its flight.

You'll see the world—lots of it—for this slightly Buick now parades the passing panorama through windows with up to 413 more square inches of outlook than before.

Other things you'll like: A gearshift out of knee-way. Front wheels that "bank" the curves for you. Brakes that stop on a dime—and leave nine cents change.

Go see this lovely lively traveler. Drive it—feel its

magic yourself, first-hand.

You'll find it beautiful in action as in aspect—you'll go for the way it goes for you.

You'll find it obedient and willing, a car that holds its marks in crosswinds, bears sharp around curves without slide or slew.

In fine—we think you'll like all of it—from its looks to the way it lives up to them. Won't you try it out—

and see?

County Clerk Michael J. Flynn Deserves Re-Election

EFFICIENT HANDLING OF REDEMPTION MONEY WINS COUNTY CLERK PRAISE

On his record alone, County Clerk Michael J. Flynn again deserves your active support. Under Michael J. Flynn's able direction, the many and varied services the county clerk makes available to the public have been vastly improved and facilitated. Following the lead of their chief, the assistant clerks temper politeness with a willingness to help solve even the smallest problems presented by Joe and Jane Public.

Through his honesty and efficiency in handling public funds, Michael J. Flynn has reduced taxes in the communities he serves. Newspapers have echoed words of commendation heaped on Michael J. Flynn by civic organizations, village officials, and individual citizens who are pleased with the knowledge that the county clerk's office has never before been handled in a more business-like basis. Hail to Michael J. Flynn—may there ever be public servants of his calibre!

Honor Michael J. Flynn by giving him the support he deserves—

FLYNN COLLECTS OVER 4½ MILLION; DISBURSES 99 PCT.

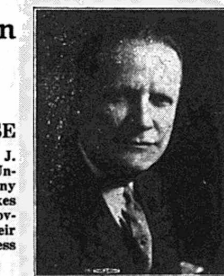

In less than three years County Clerk Michael J. Flynn has collected \$4,618,935.25 in tax redemptions and to date has returned over 99 per cent of this amount to the respective cities, villages and towns in Cook county.

Flynn's System of Registration Is Fraud-Proof

"Finest System in Country," Say Experts Viewing the Cook County Set-up

Michael J. Flynn, county clerk of Cook county has just completed installation of a permanent registration system that is termed by experts "not the first, but the finest system in the country." After extensive study and observation of "honest ballot" plans operating in other parts of the nation, Mr. Flynn incorporated the best features of each into his own fool-proof, fraud-proof system.

Chicago has had its permanent registration in effect for over a year but the rest of the county initiates its own set-up in the forthcoming elections. "Already it has eliminated deadmen's votes, dual registrations, and other illegal votes from the election lists," Flynn said, "and above all has disclosed that thousands of aliens have heretofore been casting ballots regularly."

St. Paul Evangelical Church Prepares to Celebrate 75th Anniversary

Former Pastors to Be Speakers for Diamond Jubilee

Services Will Start Sunday; to Hold Community Night for Churches

Organized in 1858, the St. Paul Evangelical church of Barrington, Rev. George P. Ellerbrake, pastor, will observe its Diamond Jubilee in special services beginning Sunday, Nov. 6, and continuing through the week and the following Sunday.

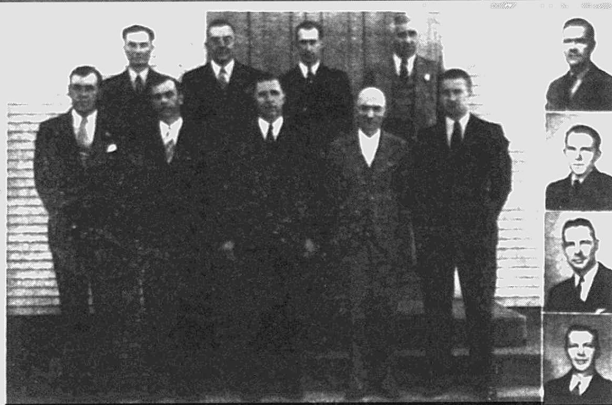

The church has extended a hearty invitation to the people of the community to unite with its members in celebrating this festive event. People of the community are especially invited to attend the service which will be held the evening of Tuesday, Nov. 8, and is designated "community night" service.

The complete schedule of anniversary services follows:

Sunday, November 6
10 a. m.—Combined service for the Sunday school and congregation. Guest preacher: Rev. Hermann E. Koenig, pastor of Salem Evangelical church, Chicago, and pastor of St. Paul church from November, 1928 to May 21, 1933. Sermon subject: "Christian Loyalty." New members will be received into the fellowship of the church at this service.

7:45 p. m.—Evangelical night. Special invitations have been extended to the Evangelical churches of the Arlington Heights region. Guest preacher: Rev. Armin H. Blier, pastor of the Evangelical Neighborhood church, Northbrook, and president of the Arlington Heights region. Sermon subject: "The Man With the Withered Hand." Guest choir: A mass choir composed of Evangelical young people from churches of the Arlington Heights region. Other pastors on the program will be Rev. John C. Voeks of Palatine, and Rev. B. F. Freese of Lake Zurich.

Tuesday, November 8
7:45 p. m.—Community night. Special invitations have been extended to the congregations of other Barrington churches. Guest preacher: Rev. George T. Newirth, pastor of the Barrington Methodist Episcopal church. Sermon subject: "The place of the church in the community." Guest choir: The choir of Salem Evangelical church, Barrington. Mrs. Lillian Mitts, director. Other local pas-

tors will also have a part in the program.

Thursday, November 10
7:45 p. m.—Church organizations and fellowship night. There will be no formal worship service, but members and friends of the church will gather in the church parlors for a fellowship hour. The various church organizations will give brief reports of their activities. The new members of the church will be guests of honor.

Sunday, November 13
10 a. m.—Anniversary service with Holy Communion. Guest

preacher: Rev. E. H. Plassman, pastor of Immanuel Evangelical church, Peotone, and vice president of the North Illinois district of the Evangelical Synod of North America. Sermon subject: "Memory, Hope and Effort."

2:30 p. m.—A German worship service. Guests of honor: All persons who have been members of St. Paul church for 50 years or more. Guest preacher: Rev. Eugene F. Wilking, pastor of St. Paul Evangelical church, Cecil, Wis., and pastor of St. Paul church here from 1908 to 1915. Sermon subject: "Remember the Days of Old."

Guest choir: The choir of the Immanuel Evangelical church, Hanover township. Rev. J. H. Ellerbrake, pastor of the Hanover township church, and father of the present pastor of St. Paul church, will also have a part in the program.

7:45 p. m.—A religious drama service. The drama, "The Lost Church" by Dorothy Clarke Wilson, will be given under the direction of Mrs. Gordon Dablow and Mrs. George P. Ellerbrake.

Auto Crash Suit Is Settled for \$3700

Settlement of \$3700 in the litigation against Albert S. Swanson of St. Charles was completed just

before a decision was to be handed down in the Lake county circuit court Wednesday. The action concerned an automobile accident which occurred last April 1 at the intersection of routes 59-A and 13 near Diamond Lake. Swanson had made a counter-claim of damages. Plaintiff, who received the cash settlement, were Dr. T. B. Childs of Glenview, who had sued for \$3000; his daughter Adelaide, who sought \$5000; and Warren Beecher, a minor, whose personal injury claim was \$20,000.

Countryside Group Working to Prevent Cheapening of Area

Statement by Committee to
Be Reported at Next
Meeting

The Barrington rural area will be maintained as a high grade residential and farm community protected from undesirable commercial enterprises and other ventures which might tend to impair property valuations, if the work of the Barrington Countryside Property Owners association is successful.

A committee headed by Andrew Dalstrom has been doing some important work along this line during the last few months.

"The committee has met a number of times during the summer and fall and has made a careful exploration of the subject and will have a report to make within the next 30 or 40 days," Frank A. Hecht, president of the association, stated in a report to the members. "The fact that the committee members have made great progress is due to their diligence, and I am sure every member of the association will want to know the details when announced."

"In addition, Mr. Sidney George and his committee have taken a most active interest in improving transportation facilities and will, at our fall meeting, have a complete report as the result of their study at first hand of transportation needs and other public service facilities."

"There are other matters which also have had attention, including the preparation of an area map requiring a great deal of detail work, and we feel sure our members will be interested in all this work when it is finally brought together for their approval."

"Meanwhile, we hope each one will continue in his own way to stimulate and keep alive the interest that has brought us together. We have important work to do for our mutual interests, and in the final analysis it will best be done through the cooperative efforts of all of us."

Dr. Vom Bruch to Conclude Series at Salem Sunday Night

Dr. Harry Vom Bruch will conclude a series of special evangelistic meetings now being conducted at the Salem Evangelical church each evening with a final program Sunday evening. Capacity crowds have heard Dr. Vom Bruch since the series began on October 23. He is being assisted by Mrs. Vom Bruch and Jimmie Davis, pianist, tenor soloist and trumpeter.

Dr. Vom Bruch will speak on "The Devil Goes A-Flaming" at the Friday evening service, and on Saturday night he will offer his usual "surprise" feature. Last Saturday evening, a Chicago Italian boy singer and an ex-gambler of Fairfield, Ia., were the surprises. Both gave the layman's viewpoint on the meaning of Christianity.

His sermon for the closing program Sunday evening has not been announced.

Local Post Office Enters Parcel Post Jubilee Celebration

Post offices throughout the nation are observing this month as National Parcel Post Month in celebration of the silver jubilee of the parcel post service, according to an announcement made by L. E. Paddock, postmaster.

According to Mr. Paddock the parcel post system was inaugurated in 1913 in response to a persistent public demand for a transportation system for merchandise between the rural areas and the centers of industry. The service was extensively patronized from the beginning, and its early success assured. The C.O.D. and insurance services were soon added. Limits of weight and bulk increased, rates modified, and facilities generally expanded.

In this brief span of twenty-five years the parcel post system has developed into a vital artery in the field of merchandise transportation and has assumed a place in the postal scheme second only to first class mail. Receipts from parcel post and its collateral services—insured and C. O. D. mails—last year were \$144,000,000, twenty per cent of the gross postal revenues. This represented postage and fees on approximately 700,000,000 parcels, an average of more than two and a quarter million each working day, Mr. Paddock said.

Local Man Receives Father's Share of Associate Business

The will of the late John A. Granger, who died October 12 in Kalamazoo, Mich., has been admitted to probate and dispose of an estate estimated to be worth \$5000 plus.

All property is given to his wife with the exception of the business and effects of John A. Granger & Son which is given to Robert A. Granger of Barrington, who was associated with his father. The latter and his mother are made executors. There is another son, John A. Granger Jr., who resides in Upper Derby, Pa.

Births

Mr. and Mrs. J. Goldman, 307 E. Main street, are the parents of a son born Tuesday night at the Sherman hospital in Elgin.

Will Address Club

D. M. Ladd will be the speaker at the November meeting of the Barrington Woman's club to be held at 8 p. m. November 15. Husbands of members are to be guests of honor.

Mr. Ladd, special agent of the federal bureau of investigation, will discuss "The G-Man's War on Crime."

He was born at Fargo, North Dakota and is a graduate of George Washington university, where he received an LL.B. degree. He is a member of the District of Columbia bar. Mr. Ladd has been with the federal bureau of investigation since 1928 and has been special agent in charge of the New Orleans, St. Louis, St. Paul and Chicago field offices of the bureau. He has worked on such cases as the kidnapping of August Luer (Alton, Ill. banker), "Machine Gun Kelly," the kidnapping of Edward G. Bremer and the Dillinger case.

Ditches Truck to Avoid Hitting Car Parked on Highway

A charge of violating a state traffic regulation filed against John Meinze, 40 years old, 5734 Winthrop avenue, Chicago, was continued for one week by Justice of the Peace Tene at the Morton Grove station of the Cook county police Wednesday afternoon. Mr. Meinze was arrested on a complaint signed by Roland Vaughan, truck driver for the N. L. Simmons Trucking Co. of Chicago, following an accident on Northwest highway near route 53, 1/4 mile north of Palatine, early Monday morning.

Because Meinze's car was parked on the highway diagonally with traffic, Vaughan told deputy sheriffs that he was forced to swing his truck off the concrete and into the ditch, where it overturned. There was a very heavy fog early Monday morning and Meinze claimed that he thought he had pulled off the road.

Expect 100 Acts in Fire Department's Show Nov. 4 and 5

Auditions and interviews were held Monday and Tuesday, and final preparations have been made for the cash prize amateur contest which the Barrington fire department is sponsoring in the high school gym Friday and Saturday night, Nov. 4 and 5, at 8 o'clock. Many new acts from near and distant towns came in unexpectedly. It was first planned there would be around 50 acts but the additional contestants have raised the number nearer 100, according to Miss Wilda Weaver, director.

Rites Saturday for Mrs. Coral Winters

Funeral services were held at Liddy's Funeral Home, Chicago at 3 p. m. Saturday for Mrs. Coral Winters of Briggs's Lake. Burial took place at Mt. Olive cemetery.

Mrs. Winters, a former resident of Chicago, was owner and manager of the Coral Beauty shops in Chicago. Death came Wednesday, October 26 after an illness of one and one-half years.

She is survived by her husband, Charles. They made their home at Briggs's Lake for the past year.

Preston Bradley paid a brief tribute to Mrs. Winters during his radio broadcast Sunday.

The following recipes may prove welcome additions for the enjoyable oven dinners so popular during the crisp fall days.

CORN PUDDING WITH MUSHROOMS

2 cups canned corn, puréed.
5 eggs
1 1/2 cup milk
1 1/2 teaspoons salt
8 large mushroom caps
1/4 cup sausage meat
1/4 cup cracker crumbs
Mix the eggs yolks with milk, stir in the corn, salt and cracker crumbs and fold in beaten egg whites last. Turn into a buttered baking dish and bake in 350° oven for 35 minutes. Wipe the mushroom caps with a clean damp cloth. Use large white mushrooms for this dish. Turn the mushrooms hollow side up, fill the cavity with seasoned sausage meat and place them over the top of the corn pudding for the last 20 minutes of the baking time. Dot with butter and sprinkle with paprika and chopped parsley.

GRAPENUT BREAD

1 cup sugar
2 eggs
2 cups sour milk
1 cup grapenuts
4 cups flour
1 level teaspoon baking soda.
2 teaspoons baking powder
1 teaspoon salt

Let stand about 20 minutes before baking. Walnuts improve this bread. Bake in moderate oven 350° about 35 minutes. Yield: 2 average size loaves.

GRAPENUT PUDDING

1 pint hot milk and 1/4 cup grape nuts, let stand 10 or 15 minutes.
2 or 3 eggs
2 tablespoons sugar
2 tablespoons flour
Pinch salt

Beat eggs well, add dry ingredients gradually for a smooth mixture and add to grapenuts and milk. Beat thoroughly, flavor with vanilla, or a dash of nutmeg. Bake in 350° oven about 30 minutes. Serve with lemon sauce or whipped cream.

Damages Car in Collision

The car owned and operated by L. E. Van Winkle, 561 E. Cook street, was damaged in a collision south of Yorkville Sunday evening. According to reports, Mr. Van Winkle swung out to avoid hitting another car directly in front of him and in so doing struck a passing machine. The left rear of the car was damaged but none of the occupants were injured.

Attend District Convention

The Northhalf district convention of the Women's Relief Corps was held Monday at Commandery hall in Chicago. Those attending from Barrington were: Mrs. Ethel Reuter, Mrs. Emma Murphy, Mrs. Leona Wewetter and Mrs. Mathilda Kuhlman. Mrs. Kuhlman, a district officer, was first color bearer.

Elected to Chorus

Mary Samson, daughter of Mr. and Mrs. T. W. Samson of 227 W. Lake street, Barrington, has been chosen as a member of the soprano section of the Oratorio society of Cornell college, Mt. Vernon, Ia. The chorus is composed of 150 voices.

265 Jewel Employees at Halloween Party

The spirit of Halloween went to Jewel Park last Thursday evening and some 245 Jewel employees celebrated in gay style with jack-o-lanterns, noise makers, confetti, games and dancing.

The 1933 edition of the all-company fall party was named the Daphe—for dancing, apple bowling, pumpkin board, skits, haunted house, and cats—and when the guests left for home they were assured that it was one of the most successful "good times" in history. Amid decorations of the season

everyone enjoyed the informal skits and stunts, the thrills of the haunted house, a variety of games, a splendid supper, and robber's dances to the excellent music of Carl Griggs' Colonial Club orchestra.

Among the high lights of the evening was a baby picture contest in which everyone was given an opportunity to identify infant photographs of Robert Hilton, Ernst Anderson, Mrs. Helen Jamison, William Washo, M. H. Karker, Miss Georgiana Behrens, Miss Bernice Wolf, Mrs. Loretta Adams, Miss Katharine Speck, Clarence Melier, J. M. Friedlander, F. C. Fleming,

C. Q. Wright, Miss Virginia McDonald, and Thomas Owens. First prize in this game was won by Miss Rose Levinson.

Headed by Robert Lindstrom, the committee in charge of the

Daphe included Margaret Williamson, Nelle Hollingsworth, Marion Kessel, Ralph Hendrickson, Russell Paulson, Thomas Owens and William Kinchloe.

During the course of the evening five humorous skits were presented in the auditorium. Each of these was prepared and enacted by a separate department of Jewel Tea Co., Inc., and proved to be highly entertaining to the guests.

Robert P. Sullivan
FOR
County Judge

Robert P. Sullivan in his campaign for election as county judge is making it clear to the citizens of Lake county that, if elected, he will not permit party politics to play any part in his conduct of the county court.

He also pledges that he will insist upon honest elections and that he will appoint only those persons to the board of review who qualify beyond all question to pass upon the assessments of taxes on property owners, whether they be rich or poor.

A resident of Prairie View, Mr. Sullivan was graduated from the Harvard Law school. Subsequently he became an instructor at St. Johns Military academy, Delafield, Wis., where he taught civics and history.

The statutes wisely provide that a county judge may be retired after a period of years on a pension which is ample for his needs. The present county judge although believed to be a man of much means is qualified for this position.

"If elected," Mr. Sullivan says "I will conduct the affairs of this office justly, honestly and efficiently. I will not permit politics to enter upon the affairs of this court."

Philip W. Yager, as a candidate for the office of judge of the probate court, is well equipped by education, and with a well balanced temperament to hold this important office.

Mr. Yager graduated from Carleton College with a degree of bachelor of arts and obtained his law training in the Northwestern University Law school from which he was graduated with a degree of doctor of jurisprudence. Formerly a member of the law firm of Chetlain and Yager with offices in Chicago he has maintained an office under his own name at 7 So. County st., Waukegan, since July of 1927.

A resident of Waukegan since birth this young man early attracted attention for his sterling qualities, his high character and his scholastic abilities.

"If elected," he says "I will enter upon the duties of this office with the thought of keeping humanitarian ideals ever uppermost in my work. I will at all times follow the principles of protecting the rights and interests of all citizens, far and near, and, unfortunately, to the fullest degree."

Charles F. Heblor
FOR
Clerk of the Probate Court

Good citizenship is akin to good government. Good citizens always make good public officials.

Charles F. Heblor of North Chicago is known to the people of Lake county and especially to his neighbors a good citizen of high moral character and many capabilities. His popularity was proven six years ago when as one of the pioneer candidates of the revived Democratic party he came within one ace of defeating the then most dependable vote getter in the Republican party for the office of clerk of the circuit court.

He will give to the office of clerk of the probate court the same conscientious and honest service that he has exerted in his every day life. He will enter office with the belief that there should be but one type of government—honest government.

"Some candidates for public office lose sight of the fact that politics is, in fact, a high expression of principle," Mr. Heblor says. "They permit their greed for personal gain and selfish prizes to know that every candidate on the Democratic ticket is in accord with the pledge of the party to give the people of Lake county a clean and honest administration."

ELECT THESE MEN

☒ **SCOTT W. LUCAS**
For United States Senator

Scott W. Lucas during his years in public office has always followed his own convictions. As a member of congress he has at all times championed the cause of the small business man, the worker and the low salaried man and the farmer.

His candidacy has been endorsed by business, labor and agricultural organizations as an exponent of the objects and principles of each.

A war veteran and former commander of the state department of the American Legion his devotion to true American principles in government is well known. There is in him not a trace of bigotry or ill-will for any class of people. He is dead earnest when he says:

I am opposed to communism, Fascism, or any other "ism" effecting government except Americanism. I can have no truck with dictatorship, here or abroad."

Russ Alford
FOR
County Clerk

Perhaps the greatest compliment that has been paid to the record established by Russ Alford during his first term in the office of county clerk of Lake county, lies in the efforts of his opponents to tear it down.

But like the character of this sincere public official his record is unassailable.

As a candidate for re-election Mr. Alford can point to his first term in office as being an example of the utmost in honesty and efficiency. He has fulfilled every pledge that he made to the voters in his first campaign.

"Every candidate on the Democratic ticket," he says "is running on a platform of cleanliness, decency and efficiency in public office. We intend to adhere to these principles."

James McMillen
FOR
County Treasurer

The record of Bart Tyrrell as a crime investigator and as a fearless and honest law enforcement officer is well known to the citizens of Lake county.

The practices resorted to in the last campaign and election of sheriff to prevent him from assuming this office are still ranging in the minds of citizens of Lake county.

He will not have such conditions to contend with in this election. There is every indication that he will be elected by a large majority of votes that will preclude any doubt as to the outcome.

"My election as sheriff of Lake county" he discloses "would be made much easier if I would consent to bow to the dictates of those who desire to run the office of sheriff. This I refuse to do. I will be subservient in this office only to the wishes of the law abiding citizens of Lake county."

Although Jim has attained international fame as an athlete he regards his achievements during his senior year at the University of Illinois as being outstanding in his career.

His unusual mental and physical capacity was proven in that year when although he attained all-American distinction as a football player and successfully defended his title as an inter-collegiate mat champion he also, by hard studying, graduated with one of the highest scholastic ratings in his class.

A practical dirt farmer Jim owns and personally operates one of the most successful farms in Lake county. This with ownership of a number of valuable pieces of business properties in his home community of Antioch makes him one of Lake county's largest taxpayers.

"If I am elected," he says "I will strive to make everyone who cast their ballot for me proud of their choice. I will work to make all remember my term in office as one of honesty, and efficiency."

T. Arthur Simpson
FOR
Superintendent of Schools

It is not necessary to introduce the name or achievements of T. Arthur Simpson to the thousands of men and women of Lake county who owe the high standards of their elementary education to the competency, ingenuity and tireless energy of this veteran educator.

His record as an educator attained during the many years that he served as superintendent of schools of Lake county won for him an appointment as state assistant Superintendent of Instruction. As head of the Lake county schools he won the distinction of having developed more rural schools into the class known as "superior" schools than any other county superintendent of county schools in the state.

Mr. Simpson intends to use his recognized ability in again placing the rural schools of Lake county in the forefront of the vanguard of such educational institutions in the state.

"This movement for good government is the healthiest thing that has happened in Lake county in a generation," Mr. Simpson says.

Libertyville Wildcats Claw Bronchos Here Saturday to 24-6 Score

Will End Season in Contest With Grant Saturday

Locals' Mistakes Pave Way for Football Loss to Opponents

Weakened by losses due to injuries and still further handicapped by an inability to do some common sense thinking, the Barrington Broncho football team was dumped by the Libertyville Wildcats in what was to have been a homecoming game here Saturday. The final score was 24 to 6 but the game was lost early in the first half.

Libertyville scored its first touchdown when the Barrington boys forgot that an opponent could reverse his field. That is exactly what Enevold did when he came around his own right end on a reverse play from the 37 yard line. The play was set up when Libertyville recovered a Barrington fumble.

After receiving the kick-off following the touchdown, the Bronchos made several attempts to advance, but failing, then pulled the prize "boner" of the afternoon. With the ball on the 20 yard line and fourth down, Church attempted to punt from a quick kick formation. The try was blocked by the Libertyville line and Woodall, Wildcat guard, fell on the ball on the goal line and the officials promptly acknowledged it as another touchdown.

The best play of the day for the Bronchos was the forward pass that scored their lone touchdown. This was accomplished late in the second quarter. By a series of passes, the most effective weapon used by the locals all day, the ball was brought down to the Libertyville 20-yard marker. From there Church heaved a toss to Shepard who made a fine catch although surrounded by Libertyville players. The try for the extra point was blocked. The half ended with the score 12 to 6.

At the beginning of the third quarter Barrington kicked off to Libertyville and on the next play, Enevold again broke loose and ran 59 yards to score. The last score of the game came when Brown, Libertyville half back, intercepted a pass and went down the field for a touchdown.

The Bronchos made nine first downs to the visitors' five, mainly by passes and penalty gifts. Seven out of 16 passes were completed by Barrington while Libertyville failed to click on any of their six attempts. The Wildcats were penalized 55 yards while Barrington

lost 25 by the referee's whistle. The last game of the season will be played with Grant township high school at Fox Lake Saturday. There is the possibility that Barrington may win this game and finish the season with one victory.

Church League Will Hold First Practice

Players representing the six teams of the Barrington church basketball league will have their first practice session in the high school gymnasium Monday evening at 7:30, according to David Capull, league president. The six churches in the league are: First Baptist, Methodist Episcopal,

St. Anne, St. Matthew, St. Paul, Salem Evangelical.
The second practice session will be held November 21 and the league will begin its official schedule on November 28. There will be two games played each night during the regular season, Mr. Capull said.

Pony Grid Team Wins Season's Final, 13-6

In the final game of the season, the Barrington high school pony football team defeated the Libertyville second team by a score of 13 to 6. The game was played at Libertyville Wednesday afternoon. Barrington scored early in the first quarter when Long started from the 22 yard line and raced through left tackle for a touchdown. The try for extra point failed.

Libertyville immediately started a long drive and with the ball on the nine-yard line, Mulcahey broke through for a touchdown.

Barrington's second and the deciding score of the game came late in the third period when Meyers broke through center and raced 27 yards across Libertyville's goal line. The try for extra point was good, making the final score 13 to 6.

The Ponies made eight first downs to their opponent's five and neither team completed a pass.

Building Activity Drops in October; Permits for \$2950

Building activity in Barrington during the month of October slumped in comparison with September's total and also the same period of the last 1 year. Permits issued by Herman Garblich, building commissioner for October amounted to \$2950 compared to \$9100 in October of 1932 and \$23,300 in the same month in 1936. Work amounted to \$18,550 during September.

With the exception of a new coal storage bin built by Lageschulte and Hager on Franklin street at an estimated cost of \$500, the remainder of the permits covered remodeling work. A permit was issued to the First Baptist church to remodel the church boiler work at an estimated cost of \$1000. Edward Schroeder received a permit to remodel a residence and erect a garage at 302 Grove avenue at a cost of \$1000 and Clarence Lyons received a similar permit to remodel a residence at 217 W. Station street, estimated cost \$450.

Returns From West Coast
H. R. Brintlinger, 404 Dundee avenue, returned Wednesday noon following a nine-day trip to California. He went on business to Fresno, Calif., and stopped over to visit a relative at Long Beach. While at Long Beach, he had the opportunity of riding on the U.S.S. Pensacola, 10,000 ton government destroyer. Mr. Brintlinger made the round trip on the City of Los Angeles, new streamlined express train.

and Keep Down

Taxes on Property

The following are sound reasons for his re-election:

1. He discontinued the assessment of all ordinary household furnishings and necessities of life.

2. He assessed \$148,000.00 of industrial stocks and bonds, which lowered the taxes on all other property.

3. He lowered the assessments of farm lands approximately \$85 per acre.

4. He completed assessments on time, saving approximately \$4000 a day in interest charges on tax anticipation warrants.

5. His plans for the 1939 quadrennial assessment of real estate call for study of income so that every single property will be valued with the greatest possible accuracy.

6. Ninety-five per cent of his staff is under civil service.

7. In all problems of assessment he calls upon representatives of farmers, labor and business to assist him.

WHAT'S GOING ON IN WASHINGTON

(Courtesy The United States News)

Seventy hard-pressed workers in the Washington office and 20 more in the field are being overwhelmed in the task of interpreting and enforcing the wage and hour law which affects a million employers and 11 million workers.

So ceaseless has been the barrage of questions concerning application of the law that this small staff is described by the administrator as hopelessly inadequate to provide the answers.

Likewise, the legal staff, even with "loan" lawyers from the department of labor, is hard-pressed to provide all the necessary interpretations.

Employers who have come to Washington seeking information about the law are reminded of the early days of national recovery administration, when the same hectic activity prevailed.

The staff of less than 100 per-

sons is attempting to do a job which the administrator says will require 1000. And adding to the turmoil is the fact that the offices recently were moved from one floor to another and desks and filing cabinets are not yet in place.

Therefore, the confusion in the wage and hour offices is transmitted to business men who cannot obtain answers to their many questions.

And as the law becomes effective, observers predict enforcement will become a major problem and the turmoil will increase.

For enforcement, the administrator will rely on the automatic provisions of the law and on the cooperation of business men. He says, as he says, "Twenty men can't police the United States."

Employers who are paid less or worked longer than the law allows may sue their employers for double

the amount lost through failure to obey the law, plus legal fees and court costs.

Official forms have been expressed privately that this automatic enforcement provision will attract unscrupulous lawyers and that "nuisance" suits may be initiated.

If this sort of action does develop, the courts soon will be clogged with wage-hour suits, and the administrator is looking to the labor organizations for protection. Employees will be advised to bring suits through unions, and both American Federation of Labor and Committee for Industrial Organization will be requested to aid by weeding out groundless actions.

Just as serious as these problems confronting the administrator, are those confronting the many employers who do not yet know whether they are covered by the law or not.

Interpretations issued by the Wage and Hour division necessarily are general because it is impossible to predict how the courts of last resort will interpret the law.

The courts will provide official interpretations, and the administrator warns that his interpretations can serve only as a guide and are issued with the "grave warning" that they may be overturned by the courts.

EXPLANATION OF PROPOSED AMENDMENT

- Proposed section 5, like present section 5, provides that the State shall not be interested in any bank.
- The amendment omits the provision from present section 5 requiring submission to the voters of acts of the General Assembly relating to banking. It provides in proposed section 6 that acts of the General Assembly relative to banking shall not go into effect unless such acts receive the affirmative votes of not less than two-thirds of the elected members of each House of the General Assembly.
- Proposed section 8 repeals the provision of present section 6 making stockholders of a State bank liable to the creditors of the bank over the amount of stock held by such stockholders for liabilities of the bank.
- Proposed section 7 provides that no bank shall hereafter be permitted to issue money or bills to circulate as money and replaces sections 7 and 8 regulating the issuance of money by banks.

Cuba Republicans Listen to Lyons Talk Over Radio

A half hour broadcast of Dick Lyons speech given at the Colliseum was a feature of the Cuba town republican meeting held in the Schroeder building Tuesday night. The well attended gathering turned in on the speech at 9:45 p. m. and listened until the speech went off the air at 10:15 o'clock.

The county court is conducted honestly and efficiently, Judge Perry L. Persons declared in a short address at the meeting. He branded as pure election propaganda the charge that the democratic candidate for sheriff was not given a fair count in the closely contested election in 1934. Judge Persons reviewed the several contested elections which had come before

the court including the one for clerk in which democratic Russ Alford was found to be the winner over Law Hickey.

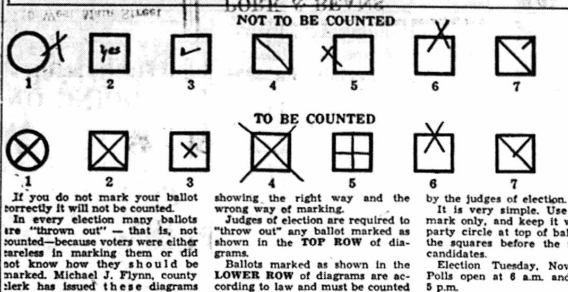

W. C. Petty, candidate for reelection to the office of county superintendent of schools, reviewed the accomplishments of his office. C. Mason, son of Charles Mason, county attorney, T. E. Davis, chairman, and Earl Hatje were the other speakers.

The republicans present were invited to attend the home coming celebration for Dick Lyons at his home town of Libertyville Monday night.

William Tell's Town

It was at Alford, near the south end of Lake Lucerne, Switzerland, that William Tell shot the apple off his son's head. Tell was born in Burglen, a mile distant from Alford. Rosalind composed most of his opera, "Guillaume Tell," at Brunen, Switzerland.

Proud Groom in Hungary Gets Engagement Gifts

In the region of Mesokovod, about eighty miles from Budapest, Hungary, the prospective groom, not the bride, fares the better when a couple becomes engaged. For the happy occasion the girl presents her fiancé with a beautiful shirt, elaborately embroidered in red and blue, a black "engagement apron," also heavily embroidered, two plates loaded with a roast duck, a stuffed chicken, a tart, cigarettes, apples, nuts and gingerbread.

Nor is this all. She is even expected to give the young man 40 to 50 pengo, or about ten dollars, with which he treats all his friends to a bachelor party. The bride does not receive presents from her fiancé until the wedding, when he gives her a pair of shoes, a silk kerchief and the wedding ring.

Engagements in this section last one to two months, and in old times the wedding was a three-week affair, but later it was shortened to a mere day. The ceremony is one of the most picturesque travelers see in all Hungary, for the families of the couple turn out in their finest costumes. An inevitable part of the ceremony is the sobbing of the bride; if she does not weep loudly, it is considered very bad form indeed.

First Requefort Cheese

A French shepherd left his black bread and milk in a cave some 300 years ago. Returning a fortnight later, he found that it had turned into what is known as Requefort cheese. This variety of cheese is still made in that manner.

Local Republicans at Big Meeting in Chicago for Lyons

Cook county republicans held a general rally at the Coliseum in Chicago, Tuesday evening. There were about 18,000 people in the building and several thousand gathered outside listening to the speeches of the state candidates and Richard J. Lyons.

Mr. Lyons speech was broadcast over radio station WBBM at the same time.

The crowd was one of the most enthusiastic at any campaign rally in years. The enthusiasm was sincere in that there were no payoffs present.

Among those attending from Barrington were Dr. A. G. Gieske, Wallace Henderson and H. G. Piagge. George Howes and G. Rederke of Palatine were also present.

Speed of Large Rivers

Depends Much on Depth

Most large rivers travel at only walking speed. As rivers usually have their sources on very high ground, their velocity is greatest at the beginning of their course, which is for many streams a succession of rapids and waterfalls.

The velocity of falls, which is often enormous, cannot very well be included in any estimate of the velocity of rivers, although the impetus given by rapids, as well as the general inclination of the bed of the stream, has a most important influence on the rate of its current.

But the velocity of a river does not altogether depend on the slope of its bed. Much is owing to its depth and volume, says an authority in the Cleveland Plain Dealer. Most rivers, therefore, flow with varying velocity at different seasons of the year. Furthermore, bends in the course, jutting peaks of rock, or other obstacles, interfere with its speed, so that the water of a river flows at different velocities at different parts of its bed; it moves slower at the bottom than at the surface and at the sides than at the middle.

There is no stream which has a regular current of 30 miles an hour, or even 25 miles an hour. The lower Amazon flows at a rate of three miles an hour. The Mississippi, in its lower course, has a velocity of about three and a half miles an hour. The Congo has for many miles above its mouth a current of about seven miles an hour, the impetus of its great falls extending for a great distance below them. The Nile, similarly influenced, moves for a long distance at nine miles an hour.

Probably the most rapid river in the world, with the exception of some small streams which are nearly torrens or cataracts, is the River Rhone, in France. At some seasons the current of this stream reaches a speed of 40 miles an hour. In the dryer season, however, it drops to a rate of six miles an hour.

Seven Persons Want to Buy a Good Corn Crib

At least seven persons near Barrington and Lake Zurich are in the market for a corn crib. Last week Fred Van de Vere advertised a crib for sale in The Review want ads, and received eight answers, selling it to one of the persons who answered. The others, presumably are still in the market for a crib. Ward Flock completed a three weeks insertion October 27 of livestock Criers taken. He reported getting a good response from the ads.

William R. Boerman, 303 Grove avenue, underwent a tonsillectomy at the Sherman hospital, Elgin Tuesday.

E. W. Plagge, 200 W. Russell street, who had been ill, has returned to work for a few hours each day.

Mrs. V. D. Hawley, 523 S. Cook street, who has been a hospital patient for several weeks returned home last week and is reported improving gradually.

Andrew Nelson of Barrington received treatment for an infected finger at the Sherman hospital in Elgin this week.

Barbara Jean Welch, 4-year-old daughter of Dr. and Mrs. A. D. Welch, 293 W. Russell street, underwent a tonsillectomy at Sherman hospital Monday.

Mrs. Harold Grebe, 109 Harrison street, returned home from the Sherman hospital in Elgin Sunday.

Mr. and Mrs. W. U. Bardwell of Barrington township have rented the H. S. L. Reno home, 614 Division street, for the winter and will move to the village next week.

Odd Relationship

An odd relationship existed between Peter Tchakovsky, the Russian composer, and his patron, Nadejda von Meck, a wealthy widow from 1877 to 1890. On condition that they never meet, she gave him, during these years, sums of money which totaled about \$75,000, notes a correspondent in Collier's Weekly. The agreement was never violated, although they lived close by, passed each other on the street and wrote each other love letters several times a week.

Postpones Auction Sale of Palatine First State Bank

Federal Judge Sullivan this week postponed the auction sale of the First State Bank building in Palatine in order to allow creditors additional time to obtain pledges for a proposed bid entry. To-date there has been a bid of \$9000 made for the property, entered by W. Kehe of Palatine.

Since the first auction last summer, creditors have interested themselves in the sale of the building and are attempting to bid it. A flaw in the legal handling of the first sale caused Judge Sullivan to order a second one.

Arabs First Recognized Strength of Gibraltar

Even in the days when military science was in its infancy the Rock of Gibraltar, rising sheer from the Mediterranean to a height of 1,400 feet, appealed to the imagination of the ancients, who called it, together with its surrounding, Gebel Musa, on the African coast, the Pillars of Hercules. In all other respects they left the solitary giant alone to his meditations, observes a writer in the Los Angeles Times.

The Arabs were the first to recognize the rock's strategic value. As Moors they crossed the strait in 711, claiming it Gebel-el-Tarik, or the mountain of Tarik, their leader's name. They constructed a castle, which is standing, and eventually conquered the whole peninsula.

Nine hundred years later the last Moor was expelled from Spain, and he left it where the original one had landed, in the Bay of Gibraltar.

On the decline of the Spanish empire, the rock passed into British hands.

Napoleon tried to take it when he was building his empire but failed. This was created the phrase "as strong as the Rock of Gibraltar."
