Miss Greeneisen to Address P.T.A. at Afternoon Meeting

Pupils Will Present "Book Parade" and Program of Music

Miss Wanda Greeneisen, director of the Glesco Farm school, will address the Parent-Teacher association in the school auditorium Tuesday afternoon, Nov. 15, at 2:15 o'clock.

The importance of play and education in education will be the theme of her address. Miss Greeneisen is from a winter school and she has an unusual message for her audience, it was reported.

Mothers of pre-school age children will find her part of the program especially helpful.

A book parade will be given by pupils of the kindergartens and first three grades under the direction of Miss Louise Laird.

It will include pantomimes of various stories popular with the children.

Among those to be portrayed will be "Old King Cole" by the kindergarten, "Little Black Sambo" and the Indian story "The Little Weaver" by second graders and "Dr. Doolittle" and "Snow White and the Seven Dwarfs" by pupils in third grade.

The girls' glee club will sing, accompanied by violin and piano, and a solo solo will be given by Jean Lovendahl.

A display of new books, to be exhibited by the Barrington public library, will conclude the program.

Favors for the party are being made by members of the Auxiliary. Dinner will be served at 6:45 p.m.

There will be musical numbers by the high school orchestra which has been engaged to play for the reception, dinner and dinner hour and by Jean Lovendahl who will give some accordion numbers. There will be cards for those who do not care to dance.

The programs will open with the posting of colors by scouts under the direction of R. E. Willmington and the pledge of allegiance. Mrs. G. R. Drusel will tell a story to the younger group at its program earlier.

Rev. George T. Nesmith is the speaker for the junior and senior high school programs, which will also consist of the "Barrington Address" by Richard Watson, tribute to an unknown soldier, a junior high school verse chorus, the playing of "Taps" by Paul Pohman, and a vocal selection by Lorett Langendorf.

Depressed by Loss of Barn by Fire, Farmer Ends Life

Anton Hudek, 57, Commits Act in Garage Tuesday; Rites Friday

Despondent over the loss of his dairy barn, which was destroyed by fire Saturday night, Anton Hudek, 57, a Cuba town farmer, committed suicide by hanging himself in his garage Tuesday afternoon while members of his family were away.

His body was discovered by a son, Ludwig Hudek who entered the garage to store a sack of salt. Testimony presented at a coroner's inquest conducted Wednesday morning by Dr. John L. Taylor of the funeral home, 223 N. Ela street, said Hudek had been considerably depressed by the financial loss of his farm burning. Ludwig and his brother Joseph, Hudek, who operated the farm with their father, and Joseph's wife and some friends had visited the farm shortly before the accident, testified at the inquest concerning the circumstances.

A note containing directions for his funeral, was found near the body. A verdict of death by hanging while despondent over financial losses was returned by the coroner.

The public school will observe Armistice day with two programs this afternoon. The first six grades will hold their program in the auditorium starting at 1:15 and the junior and senior high schools will meet at 2:15.

The programs will open with the posting of colors by scouts under the direction of R. E. Willmington and the pledge of allegiance. Mrs. G. R. Drusel will tell a story to the younger group at its program earlier.

Republicans Roll Up Big Majority in Barrington Region

Sweep Lake County; Poll Heavy for Church, Kelsey, Lyons

Following the trend of 1935, voters of the Barrington Lake Zurich district registered heavy turnout Tuesday for the republican candidates whose names were on the off-year election ballot. The G.O.P. always in the majority here, increased its margin materially.

In Barrington township republicans led the democrats nearly 3 to 1 in straight votes cast. There were 704 straight republicans ballots and 248 democratic out of 1265 total votes.

In Cuba township, the republicans, pacting the election of H. D. Kelsey for state representative, polled 734 straight ballots against 156, nearly 5 to 1. The contest was closer in Ela township where the republicans polled 400 straight ballots compared to 186, about 2 to 1. The total vote in Cuba township was 1181 and in Ela township 788.

In Ela and Palatine townships the margin of straight ballots was reduced to less than 2 to 1 by the democrats while in Ela Grove and Schaumburg townships it was slightly more than 2 to 1.

Although the entire state ticket was defeated, the republicans in this vicinity made a strong showing. The election of Mr. Kelsey was assured, and what was proposed to be a strong contest between Republican Ralph E. Church and Democrat John L. Johnson was decided in favor of Mr. Kelsey.

"Three Loves Has Nancy" at Catlow Sunday, Monday

"Spawn of the North" Opens Wednesday for Three Day Showing

Starring Edward G. Robinson, "Spawn of the North" is a gripping drama of big-city racketeering and gang warfare. It opens Friday at the Catlow for a two day showing. Supporting the star is a strong cast including Wendy Barrie, Barbara O'Neill, Otto Kruger, John Beal, Arthur Loft, Gene Morgan, Robert Middlemass, Douglas Woods and Marc Lawrence.

Smartly dialogued, brimming with laughs and offering unabashed and unashamed sensationalism by such stellar performers as James Cagney, Robert Montgomery and Franchot Tone, "Three Loves Has Nancy" comes to the Catlow Theatre on Sunday and Monday as one of the most refreshing and original comedies seen here in some time.

The story is that of a sly, sly novelist who gets into difficulties with a Broadway actress. In an endeavor to escape the overtures of the too eager admirers he persuades his publisher to send him on a lecture tour of the South. Here he meets Nancy, a small-town girl. Casually inviting her to seek his help should she ever get into trouble in New York, he forgets all about her and finds her waiting at the seedy apartment he shares with his friend, the publisher, upon his return. The ensuing complications provide some of the fastest and merriest comedy seen this season.

One of the happy features of the Jones Family is that there are no favorites, either within the group itself or in story treatment. Each successive member of the popular series gives prominence to different members of the family, but the others are never far in the background. A well-rounded company, the Joneses get along famously.

"Safe in Numbers," latest of the series, comes to the Catlow Tuesday as part of a double feature offering.

The other feature is "Freshman Year," with Dickie Moore, William Lundigan and Constance Moore.

In his latest picture, "Spawn of the North," Alton Tamroff, the famed character actor, worked under the direction of the man who gave him his first big chance in Hollywood, was Henry Hathaway, maker of many screen successes, who several seasons ago cast Tamroff as the Indian emir in his "Lives of a Bengal Lancer" and started the Russian star on his climb to fame.

When "Spawn of the North" opens at the Catlow Theatre next Wednesday for a three day engagement, Tamroff will be seen as the swashbuckling leader of a gang of Alaskan sea raiders.

It's got looks- and so have you!

EYE OPENER! With all its extra value, this Buick sedan lists at \$51 less than last year.

IT makes the eye glad and grateful—you spot that the instant your gaze takes in this sparkling Buick for 1939.

It's sleek and swift and businesslike, lean and clean in every line, the trim bonnet low-set, the graceful upper-structure light-and-air looking, neat and fine.

Will you step in, please, and look it over closer?

Why, it's almost like being in an open car, with the outlook you've got here!

The long nose tapers quickly out of eye-way, the pillars

modestly retire to the background, overhead stop lights drop into easy vision—ahead, to right, to left, to you see!

The ruler will tell you there are as much as 413 added square inches of safety glass in this Buick, and these inches are placed where they count.

It has a lot to do with making Buick beautiful, this grand expanse of openness!

And like "catwalk-cooling": radiators low where air pressure is greatest—and the lines of the bonnet: broad, clean, aerodynamically better—

Erg on the go—easy to buy—General Motors Terms!

Buick's stepped-up visibility both sets a pattern and fills a function.

So take a good look into its bigger, better, broader outlook. It's one thing among many that Buick's got that you'll want in your next automobile.

Within the last few weeks, residents of the district have reported blooms found in several varieties of early summer plants and a second crop of evergreens, such as fresh garden vegetables which had produced in July or August.

The last second crop reported was cabbages late in October in the garden of Louis E. Thacher, 218 W. Station street.

Plan Motor Trip

The Misses Agnes Welch, Annette Sheel, Grace Wandke, Athene Christensen, and Georgia White of the school faculty, will spend Armistice Day and the week-end visiting historical points of interest at Springfield, Vandalia and New Salem.

Sabin, loving his country and his monarch, is true to his ideals all through his life, but tragedy and horror follow him. His wife, one of Rasputin's victims, commits suicide; his sixteen year old son joins Sabin's regiment much to his despair and is killed in his first battle. In his father's stead, he becomes a leader of the revolutionaries and is finally executed by them.

"From Double Eagle to Red Flag" strikes altogether a somber note but gives a vivid word picture of the horror of the Russian revolution.

Will Entertain Guests

Members of the club bands and members of the Junior Woman's club will hear D. Ladd, the Federal agent of investigation discuss "The G-Men's War on Crime" at the Methodist church Tuesday evening. The program will begin at 8 o'clock and will include music by a trio, the Misses Olive Dobson, Verna Kumle and Elsie Brittan accompanied at the piano by Miss Helen Jurs.

Star Red Cross Drive

Armistice Day will see the opening of the annual Red Cross drive and Thanksgiving Day will be the peak of the campaign. Proclamation

Each year Americans in every state and nation called upon to take part in a great national movement to relieve human suffering and raise health standards in this country. I refer to the work done by the American Red Cross.

It is not necessary to remind citizens of our community that the work of the Red Cross is vital to the welfare of our community welfare. Disaster relief, the fight against epidemics, public health nursing for isolated communities, assistance to service men or disabled veterans and all other forms of Red Cross aid to those needing help have proved their worth.

The Red Cross is a community that has shone in this work through its contributions to the annual membership Roll Call of the Red Cross, held from Armistice Day to Thanksgiving. Your renewed support in this year's Roll Call will insure a continuation of Red Cross work here and in other parts of the country.

I am pleased, therefore, as President of the village of Barrington, to designate the period from Armistice Day to Thanksgiving as the time when all members of the Red Cross are urged to renew their memberships, and those who have not yet enrolled are urged to add their names to the Red Cross membership roll.

"SLAVERY OF THE PURSE"

Congressman Celler of New York has proposed a constitutional amendment to limit the federal government's now complete power over the purse of the people.

Almost all state governments have limited, by constitutional provision, the taxing and borrowing powers of local governments, as well as the states themselves. Only the federal government, through the income tax amendment, has the legal authority to take all or any part of the earnings of its citizens.

The Celler amendment would limit the income, gift and inheritance taxes to a maximum of 25 per cent. It would thus guarantee to every citizen 75 per cent of his earnings and possessions. It would do away with what the American Taxpayers league dramatically but accurately terms, "slavery of the purse."

Some protection such as this must be placed in the basic law of the land if ruinous taxation—taxation that destroys jobs, opportunities and progress—is to be prevented. No issue is more vital today. And Mr. Celler has performed a tremendous public service by bringing it to the fore.

The Review wishes to express appreciation for the following recipes, mailed in by a contributor who failed to include her name.

The ice cream shells sound like a particularly fine idea for dessert parties while the ham loaf, salad, hot rolls, coffee and frosted apple sauce cake would be ideal for a buffet supper.

HAM LOAF

1 lb. smoked ham, ground.

1/2 lb. fresh lean pork, ground.

1 cup bread or cracker crumbs.

1/2 cup milk.

2 eggs.

Bake in moderate oven and baste often with a sauce made as follows:

1 cup brown sugar.

1/4 cup water.

1/4 cup vinegar.

APPLESAUCE CAKE

1/2 cup shortening.

1 cup sugar.

1 egg.

1/4 tea. salt.

1/2 teaspoon cinnamon.

1/2 teaspoon soda.

1/4 teaspoon cloves.

1 cup uncooked applesauce.

1 cup raisins.

1/4 cup chopped nuts.

1 1/4 cups flour.

Cream shortening and sugar together thoroughly. Add egg and bread. Sift flour, measure and sift with salt, soda, cinnamon and cloves. Add to creamed mixture alternately with the applesauce. Add raisins and nuts. Bake in a greased 8-inch square pan—350° for 1 hour. Not necessary to use cake flour for this recipe.

CARAMEL FROSTING

1/2 cup light brown sugar.

1/2 cup granulated sugar.

1/2 cup corn syrup.

1/2 cup butter.

1/2 teaspoon vanilla.

Combine first 4 ingredients in a saucepan. Cook until syrup forms a soft ball in cold water—238°.

Remove from fire, pour into a bowl containing the butter and let cool

until warm. Do not stir while cooking. Add flavoring and beat until smooth.

ICE CREAM SHELLS

2 eggs.

1/4 cup powdered sugar.

1/4 teaspoon vanilla.

1/4 cup salt.

1/4 cup flour.

1/4 cup melted butter.

Food coloring.

Beat eggs until light. Gradually add sugar and blend well. Add vanilla, salt, flour and melted butter. Tint with any desired shade of food coloring. Mix well. Grease and flour baking sheet. Drop batter by teaspoons and spread thin to make about a 3-inch square shell. Place in oven only a few at a time to allow for cooling. Take slow oven about 12 minutes. Remove from baking sheet with large spatula and mold over outside of custard cups while hot. Cool and fill with a scoop of ice cream. Makes about 10 shells.

Broncho Eleven Scores First Grid Victory of Season in Final Game

Defeat Grant Team by 21-0 Margin at Fox Lake Saturday

Locals Pile Up Three Touchdowns in Closing Tilt to Escape Last Place

In their final game of the season, the Barrington Bronchos overcame the Grant high eleven in a crushing defeat, 21-0 at Fox Lake Saturday afternoon. It was their first victory of the season, and after the first quarter there was no doubt of Barrington's superiority. It was the last game of their high school football career for 14 seniors, and they came through in grand style.

During the first quarter, the ball was kept entirely in Barrington territory. On the second play of the next quarter, Church punted from the middle. Grant fumbled the ball near their goal line, and Watson fell on the ball on the Grant one-inch line. Then Kamper went over for the score. A lateral from Shepard to Herren scored the extra point, the first one of the season for the Bronchos, making the score 7-0.

The score remained thus until the third quarter when Grabenkort blocked a punt and recovered it on Grant's 38-yard line. On two plays the ball was moved to the 20-yard line. Then Church passed to Wilkins over the goal for the Broncho's second touchdown. Shepard passed to Wilkins for the extra point, putting Barrington in to the lead, 14-0.

Grant threatened to score early in the late quarter, when they succeeded in advancing the ball to the Broncho 10-yard line. At this point, however, Shepard recovered a pass and moved the ball down and dashed down the field and ran to the Grant 12-yard line, a gain of 56 yards. The Bronchos could get no farther and the ball exchanged hands a number of times.

Later in the quarter, Church punted from his own 45-yard line. Grant again fumbled the ball, and Kamper recovered it for Barrington—on the home team's 3-yard line. On the next play Church took the ball in for a touchdown; Shepard missed the extra point right between the bars, making the score 21-0, as it remained throughout the game.

The Bronchos made five first downs to Grant's three and completed three out of twelve passes

to the home team's record of three out of seven. Grant intercepted one pass but the Bronchos intercepted six, this being one of the reasons Grant failed to score. The Bronchos punted eight times while Grant made five kicks.

Pheasant Season Is Opened Today; Will Close November 15

The annual battle of hunting pheasants got underway today, Nov. 10, and will continue until November 15. In previous years, hunters are only permitted to shoot two cock pheasants each day and are only allowed to have six birds in their possession at any time during the season.

Several years ago the number of hunting violations were numerous but since the game department introduced a plan whereby constables no longer get half of the fines assessed, the number of arrests and convictions has dropped sharply.

The reduction in the number of arrests, may be laid also to the fact that most farmers and estate owners have their land well posted.

On the democratic ticket, Noble J. H. Hargrave, who was re-elected supervisor of schools, received a majority in Barrington township on his ticket and John S. Clark, county assessor, fared better than most of the democratic candidates.

Following is a table of total votes cast:

BARRINGTON 1260 Cuba 1181
BARRINGTON 1260 Vandalia 788
WHEELING 2327 Palatine 1149
ELK GROVE 1307 Hanover 736

RICHARD J. Lyons, unsuccessful candidate in his contest for United States senator against Scott Lucas, led all local tickets, piling up large majorities in all precincts.

Enjoy Good Crowds

Capacity crowds estimated at approximately 800 to 900 persons at the annual meeting of the Barrington fire department's amateur contest at the school house Friday and Saturday nights. The venture proved successful for the department, according to reports.

Will Serve Supper

The Ladies Aid of St. Matthew church is sponsoring a supper Wednesday evening, Nov. 16, starting at 6 o'clock. The meal will be served in the church parlor.

Births

Mr. and Mrs. Fred Johansen of West Russell street, are the parents of a son born Saturday at Sherman hospital in Elgin.

Suffers Leg Infection

William Nestle, 15-year-old son of Mr. and Mrs. Norman L. Nestle of Cuba township, and a junior at the Barrington public high school, was taken to the Sherman hospital in Elgin Monday evening where he was treated for an infected leg. His doctor, Edward Gleek and Harry H. Wewetzer will tell of the first football team here and Jack Shepard will talk on the present high school. Harry Wiedenfeld, alumna president, will preside.

Following the program, there is to be a tour of inspection followed by refreshments in the cafeteria.

Has License Blanks

Driver's license application blanks with information on the subject are on hand at the office of Harry O. Johnson, 122 W. Main, Elgin.

He was dismissed from the hospital Tuesday, but is unable to participate in any school activities.

Republicans Roll Up Big Majority Locally

Continued from page 1

and Democrat Joseph Edward turned out to be an easy victory for Church who received more than a 30,000 majority.

All of the republicans candidates for the various offices won, excepting wrestling back from the democrats the office of county collector held by Russ Alford. Jay B. Morse was the successful republican candidate. Other republicans on the ticket won easily.

The Barrington and other country town republicans in Cook county succeeded in keeping their own fire departments independent.
