## Men's Get-Together to Be Held at M. E. Church Tues. Night

### Personnel Directors Are to Speak Following Banquet

"Human Relations in Business" will be discussed at the men's banquet and after-dinner program to be held at the Methodist church Tuesday evening as the winter get-together of Methodist men and their neighbors.

Paul Merts, personnel director of Sears, Roebuck and Co., and J. T. Currie, personnel director of Jewel Tea Co., will be the principal speakers.

All men of the community have been invited to attend and may make reservations by calling Donald Titterton, chairman of the event. It was reported.

Ladies of the church will serve the dinner at 7 o'clock.

Mr. Merts is director of company training for Sears, Roebuck and Company, with headquarters in the national organization in Chicago. He is a native of Pennsylvania and spent 17 years in educational work in that state and New Jersey before entering retailing 12 years ago.

In the educational field he has been successively a high school teacher, a college administrator and a university professor.

Mr. Currie taught industrial psychology at Harvard and at the University of Wisconsin and had been personnel director at Jewel Tea for five years. He became personnel director at Jewel three years ago.

## Fred Carl Reese, 73, Lifelong Resident of Ela Town, Dies

Funeral services for Fred Carl Reese, lifelong farmer of Ela township, will be held at 1:30 at the funeral home, 149 W. Main street, and at 2 o'clock at St. Paul Evangelical church Sunday afternoon. Rev. G. P. Ellerbrake will officiate and burial will be in St. Paul cemetery.

Mr. Reese died Wednesday afternoon at his home following a brief illness.

He was born April 26, 1865 on the same farm on which he spent his entire life. His parents, Mr. and Mrs. Henry Reese, were early settlers in this vicinity.

Surviving him are his widow, the former Sophia Schrage; a son, Walter at home; a daughter, Mrs. Leslie Bauman of Barrington; a sister, Mrs. Henry Miller of Barrington, and two brothers, William of Nebraska City, Neb., and August of South Haven, Mich.

## Creditors Purchase Palatine Bank With Outstanding Claims

Arrangements have been completed for the purchase of the First National Bank building in Palatine by a group of creditors of the former bank. Thomas C. Hart, as trustee of the creditors' organization, will take title to the building.

A group composed of many of the creditors of the institution pooled their interests by depositing with the trustee their claims against the closed bank. A substantial payment is expected to be made in the near future by the receiver, these claim certificates were used as collateral for a loan by the creditors, and the bank building now passes into their possession.

## Cuba Republicans to Give Public Party

The Cuba township republican club will hold a public good will party and dance at Barrington Country club Saturday evening, Dec. 3, starting at 8 o'clock, according to an announcement made by officers of the club this week.

H. D. Kelsey and Joseph Welch are in charge of the music committee. Lloyd Graham is in charge of invitations to county officials, C. P. Miller is handling publicity and R. C. Smith, manager of Barrington Country club, is handling the party and refreshments arrangements.

The general public has been invited to be the club's guests Saturday evening.

With Influence

Mr. and Mrs. Frank Greenwood and family of Elmhurst township have all been ill with influenza.

## Two Girl Scouts Win Golden Eaglet Award

The Golden Eaglet, highest award in girl scouting, will be presented at the scout cabin this afternoon to Charlotte Adams, 540 S. Cook street, and Betty Lee McCray of Jewel Park.

The Golden Eaglet award is an honor conferred by the national girl scout organization upon the girl scout whose character, physical and mental fitness, preparedness for service, and spirit of good will mark her as a first class scout exceptional in achievement and personal development, in the judgment of both her community and the national organization.

The candidate must have earned at least 21 proficiency badges covering the fields of homemaking, nature, health, citizenship and first aid.

Both scouts have earned more than the required quota. Miss Adams having won 32 badges, and Miss McCray 36 badges.

Miss Adams is a graduate of the Barrington high school, has been a member of girl scout troop 2 for six years, and is now serving as lieutenant in that group.

Miss McCray is a senior at Barrington high school, has also been connected with troop 2 for about six years, and at present is acting lieutenant in the troop. Both girls have attended Camp Hickory Hill, the girl scout camp near Edgerton, Wis., during the summer and have a thorough background and knowledge of girl scouting.

The first and only other Barrington scout ever to receive the Golden Eaglet was Miss Irene Pilon, who received her pin at the 1937 Barrington fall festival.

## Oak Park Youth Is Fatally Wounded on Hunting Trip

Wm. Bradfield, 21 years old, of 1131 Gunderson avenue, Oak Park, was fatally wounded Thursday morning while hunting rabbits with a party of hunters in the old Watson nursery property on the Herbert Bell estate in Barrington township. Bradfield's gun was accidentally discharged as he attempted to club a wounded rabbit to death. He died three hours later at the Sherman hospital in Elgin.

Bradfield, a former Northwestern university student, was accompanied on the fatal hunting trip by his younger brother Charles Jr., 17 years old, and Donald Brown, 18 years old, 1037 Gunderson avenue.

The trio arrived at the nursery where they joined another group of hunters, including Fred and Louis Reber, Ray M. Jurs, Raymond Wichman and several other local men. The group formed a long line with the hunters about 50 feet apart and started down the field.

Fred Reber was on one side of Bradfield when a rabbit jumped up. Reber took a shot at it. The rabbit, although wounded, ran into some dense undergrowth and Bradfield ran after it and attempted to kill it by striking it with the gun butt.

The stock hit the ground and the weapon exploded. The shot, that from a .410 gauge shot gun, struck him just above the right eye, fracturing his skull and piercing the brain.

He was picked up by members of the hunting party and brought into Barrington for first aid. He was later removed to the Sherman hospital where he died at 12:30 noon.

An inquest was conducted at Elgin Friday morning and a verdict of accidental death was returned by a coroner's jury.

Bradfield's body was removed to Oak Park Friday afternoon and funeral services were held Sunday afternoon at Oak Park church. Mr. and Mrs. C. L. Bradfield, he had been recently employed by the Ryerson Steel Co. of Chicago.

## Junior Woman's Club Will Meet Tuesday

The Junior Woman's club of Barrington will meet at the home of Mrs. Doris Olsen in Barrington, Tuesday, Dec. 6, at 4 p. m. The program will include the initiation of several new members, and Miss Verne Koenig will review the stories of several operas.

Hostesses will be Misses Doris Olsen, Marjorie Kemper and Hazel Howard.

## Funeral Services for R. W. Muir to Be Held Saturday

### Official of Jewel Tea Co. Dies Wednesday in Chicago

Funeral services for Robert W. Muir, head of the legal department and secretary of Jewel Tea Co., Inc. will be held at the Methodist Episcopal church Saturday afternoon at 2 o'clock. Rev. George T. NeSmith and Rev. H. L. Eagle will officiate and burial will be in Evergreen cemetery.

Mr. Muir died early Wednesday morning at the Passavant hospital in Chicago after having been in poor health for several years. He was taken to the hospital Saturday. Death was said to have been caused by cerebral hemorrhages.

He was born at Hunter, N. D., on Oct. 5, 1882. He received his education from the University of Minnesota with A.B. and L.B. degrees. After his graduation he returned to Hunter and began practicing law. He was later named editor of a Hunter newspaper. Mr. Muir later left Hunter to teach law at the University of Minnesota and from there he came to the University of Tennessee at Knoxville where he also taught.

On May 14, 1924 he joined Jewel Tea Co. as special counsel and in 1925 was elected assistant secretary to the company and general counsel. He moved to Barrington in April, 1930 and several years ago Mr. Muir purchased a home at 210 E. Liberty street, which he remodeled into the present family residence. He was a member of Lounsbury lodge, the executive board of the Methodist church and Barrington Country club.

Surviving are his widow, Lucy Burrey Muir, whom he married on June 26, 1914 at Hunter; a son, John, 21 years old, a student at the University of Minnesota; a daughter, Marjorie, 19 years old, a student at the University of Wisconsin; and a sister, Mrs. Marian Simmons of Chicago.

## Committees to Meet and Discuss Rural Fire Truck Expense

A decision to have a committee meeting with representatives from the village board, volunteer fire department and Countryside Property Owners' association present to discuss financing and administration of the rural fire fighting equipment was reached at a special meeting Monday night. Trustee Rudolph Kocher Sr., Rudolph Berg and John J. Carter, a son, represent the village. A date has not been set.

The majority of the fire department and Frank Hecht Jr., president of the association, as well as several other residents were present at the meeting Monday.

Mr. Hecht gave a short talk making an impressive plea for harmony among the residents of the entire Barrington community, clarifying that rural fire protection was greatly desired by the property owners who had reached the original agreement with the village. If a problem has arisen regarding finances, it can be worked out by a committee with general representation, he volunteered. He said he regretted possible community ill feeling developing from any problem which can be worked out satisfactorily by the right representation. Several other persons spoke on the subject.

The plan to hold a committee meeting to discuss thoroughly the financing of the rural department was the only decision reached Monday night.

## Alumni Association Plans Party Dec. 28

The Barrington high school alumni association is planning a party and dance to be held between the Christmas and New Year holidays on December 28, according to Harry Wiedenbeck, association president.

The event is being staged as a get-together for college students and local alumni members. It will be held in the public school gymnasium and will include scheduled entertainment for members not wishing to join in the dancing, he said.

Dorothy Capell, assistant treasurer, is in charge of ticket sales. Other committee chairman are to be announced next week.

Fifteen thousand dollars is being distributed this week to 112 members of the 1938 Christmas Savings club of the First National bank, C. A. Elmer, cashier, announced.

This represents the largest total Christmas savings fund in the history of the bank and the largest average account per person.

An interesting phase of the Christmas fund is that the half of it is left in the bank in permanent savings accounts while the other half is withdrawn for Christmas or other uses.

The 1939 club will be started this week-end.

## Miss Burandt Wins Honors; Will Attend Architects' Ball

Miss Marylouise Burandt, daughter of Mr. and Mrs. A. C. Burandt, 536 N. Hough street, will be one of ten honor guests at the Chicago architects' "Hollywood Ball," to be held at the Drake Hotel Friday evening.

Miss Burandt, who is just 18, was selected from 300 metropolitan young women at preliminary auditions held in Chicago last week under the auspices of the township, was elected to fill the unexpired term of supervisor by the Cubs town board at a meeting Wednesday morning at which H. D. Kelsey, elected to the general assembly, completed his last official act as supervisor by turning over financial books and records.

Mr. Welch's election, which was done in foreign countries. Such parcels have been going forward daily for the past two weeks, and there is still time to reach most European and South American countries, although delivery of parcels before Christmas cannot be predicted with certainty because of customs delays.

Letter mail for foreign countries will be delivered if mailed in Barrington by December 7 for Finland, Greece, Hungary, Norway, Sweden, Portugal, Spain, U.S.S.R., Syria, Turkey, Yugoslavia, and 13 for Belgium, the Canal Zone, England, France, Germany, the Netherlands, Switzerland, Scotland. Inquiry at the post office will obtain particulars as to last dates of mailing to reach other countries, and as to air mail service.

Early mailing of parcels for delivery in this country is welcomed and advised by the postal service, and to encourage mailers to send their parcels in ample time to reach destinations and be delivered without being caught in the last minute holiday rush, it is permitted that parcels be marked "Do not open until Christmas," Mr. Paddock said. Written greetings such as Merry Christmas, Happy New Year, White Christmas, and names and addresses of sender or addressee may be enclosed in parcels. Books may bear simple dedicatory inscriptions not of a personal nature. Other writing suggests parcels to letter rates.

Of supreme importance is the carefully preparation for mailing, parcels should be packed in sturdy double-faced fiber boxes or boxes of equal strength large enough so that articles may be amply cushioned with crushed paper or excelsior. Parcels should be securely wrapped and tied with strong cord, or with typewriter labels, and with return address of sender. The name and address of recipient when bearing the prescribed printed label permitting opening for postal inspection. Other sealed parcels are subject to first class rates.

Returned From Hospital

Mrs. Fred Johanson and infant son of West Russell street, returned from last week from the Sherman hospital in Elgin.

## Joseph P. Welch Is Elected Supervisor of Cuba Township

### Named to Fill Vacancy Left by Resignation of H. D. Kelsey

Joseph P. Welch, 116 Liberty street, a life-long native of Cuba township, was elected to fill the unexpired term of supervisor by the Cubs town board at a meeting Wednesday morning at which H. D. Kelsey, elected to the general assembly, completed his last official act as supervisor by turning over financial books and records.

Mr. Welch's election, which was done in foreign countries. Returned From Hospital

Mrs. Fred Johanson and infant son of West Russell street, returned from last week from the Sherman hospital in Elgin.

## To Conduct Hearings on Revision of 1938 Real Estate Values

John R. Clark, assessor of Cook county, has filed notice that starting on the seventh day of December hearings will be conducted at his office in the county building, 404 Washington street, and at various streets in Chicago, for the purpose of revising the assessments of real estate for the year 1938, and he will continue such hearings from day to day until the revision is completed.

December 7 is the revision time set for the following nearby towns: Barrington, Elk Grove, Hanover, Maline, Niles, Palatine, Schaumburg and Wheeling.

## Farmers Report 45 Chickens, Turkeys, Stolen From Pans

Lake county sheriffs and farmers began a vigilant guard this week against poultry thieves following reports of the loss of 45 turkeys and chickens over the week-end.

A race, residing on Gilmer road north of route 54, told deputies that thieves had broken into his poultry house and carried away 20 turkeys. The fowl were apparently carried from the shed to a waiting automobile 300 feet away. The farm of Gus Stelka, just north of Race's place, was also visited by the thieves who stole 25 chickens.

## Investigate Theft at Summer Cottage

Lake county deputy sheriffs this week were investigating the burglary at the Forest Lake cottage of R. E. Hennessy, 4022 N. Central Ave., Chicago. Hennessy arrived at his cottage Thursday afternoon to learn that an iron stove, three blankets, a bedspread and a mattress were missing. The prowlers were seen entering by prying open shutters and a window on the south side of the place.

## 312 Persons Share in \$15,000 Savings Fund

The Townsend club of Barrington, No. 1 will meet at the home of Mrs. Maud Weigel, 422 N. Cook street, Friday evening, Dec. 2, at 8 p. m. Mr. and Mrs. W. Fredericks of Des Plaines will be guests of the club Friday evening and Saturday. The club will be the principal speaker. Refreshments will be served by the women members of the club, it was reported.

## WPA Park Project Is Abandoned; No Funds Available

### District Doesn't Have Enough Money to Cover Cost of Materials

The Barrington park board will not seek a WPA project for improving north side park.

This startling bit of information was conveyed to the Barrington Lions club by Hugh Calkins, president of the board, at the club meeting Monday evening. Although given as an expression of opinion by Mr. Calkins it reflected the attitude of other members of the board, and as such is equivalent to a statement of fact. This also is an about face in the park board's plans, which originally were to make extensive improvements financed in part by the park board and local organizations but principally by the federal works progress administration.

A study of WPA's plan of operation convinced the park board that the cost of improvements would be too expensive. In a project WPA furnishes pay for all labor and 17 per cent month for material. This leaves most of the material costs to be paid by the local beneficiary district. As any worth while improvement program for a park would require considerable material, the local expense burden would be greater than the district could shoulder. Mr. Calkins explained.

The Lions club, which originally undertook to open an east entrance to the park, later volunteered to donate its improvement funds to the park board to be used for purchase of materials with the provision that the east entrance would be completed as part of the WPA project.

With the project abandoned, the Lions club will install the entrance as originally planned. A Lions club member volunteered to donate its improvement funds to the park board to be used for purchase of materials with the provision that the east entrance would be completed as part of the WPA project.

## Increased Parcel Post Business Is Christmas Herald

### Postmaster L. Paddock Lists Last Dates for Foreign Mailings

A noticeable increase in parcel post at the Barrington post office the last few days heralds the approach of the Christmas season, for the increase is due, chiefly, to the activities of early Christmas mailers. L. Paddock, postmaster, reported this week. These early mailers for the most part are those who are dispatching parcels of holiday cheer to friends and relatives in foreign countries. Such parcels have been going forward daily for the past two weeks, and there is still time to reach most European and South American countries, although delivery of parcels before Christmas cannot be predicted with certainty because of customs delays.

Letter mail for foreign countries will be delivered if mailed in Barrington by December 7 for Finland, Greece, Hungary, Norway, Sweden, Portugal, Spain, U.S.S.R., Syria, Turkey, Yugoslavia, and 13 for Belgium, the Canal Zone, England, France, Germany, the Netherlands, Switzerland, Scotland. ## W. Fredericks Will Speak Here Friday

The Townsend club of Barrington, No. 1 will meet at the home of Mrs. Maud Weigel, 422 N. Cook street, Friday evening, Dec. 2, at 8 p. m. Mr. and Mrs. W. Fredericks of Des Plaines will be guests of the club Friday evening and Saturday. The club will be the principal speaker. Refreshments will be served by the women members of the club, it was reported.

## Study Class to Meet With Mrs. H. Cheney

The study class of the Garden Club of Barrington will meet for its December session at the home of Mrs. C. C. Cheney December 5. Mrs. Robert Work will present the program and her subject is "Myth and Legend of Flowers."

Mrs. Sidney George, chairman of the study class, and Mrs. Frank Hecht Jr. is club president.

Hold Thanksgiving Service at Science Churches Thursday

"Thanksgiving" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Thursday, November 24.

The Golden Text was "Offer unto God thanksgiving; and pay thy vows unto the most High" (Psalms 100:4).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "What shall I render unto the Lord for all his benefits toward me? I will pay my vows unto the Lord now in the presence of all his people. I will offer to thee the sacrifice of thanksgiving, and will call upon the name of the Lord" (Psalms 116:14, 17).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Christians rejoice in secret beauty and bounty, hidden from the world, but known to God. Self-forgetfulness, purity, and affection are constant prayers. Practice not profusion, understanding not belief, gain the ear and right hand of omnipotence and they assuredly call down infinite blessings" (p. 16).

### Masked Gunman Gets 15 Cents in Three Holdups

A masked gunman held up three women within 15 minutes Saturday night in Marengo but obtained only 15 cents for his troubles. The first holdup victim was Miss Orpha Noble, a school teacher, whose purse only contained 15 cents in change. A short while later he stopped two sisters, the Misses Margaret and Nellie Loomis. Margaret Loomis was not carrying a purse and while his attention was directed on her, Nellie managed to slip her coin purse from her pocketbook. The gunman fled with the emptied pocketbook.

### Saddened Driver Learns He Is Intoxicated Man

V. F. Mashek Jr., 30 years old, of 1231 N. Prospect avenue, Milwaukee, was very anxious to uphold the law last week, and when he saw two deputies staggering towards him after they had stopped his car on Skokie road, he immediately assumed they were drunk and should be arrested. The deputies agreed with him when he told them they were intoxicated, and Mashek accepted their invitation that he should take them to jail. When a physician began examining him, the Milwaukee man insisted it was a

mistake and the deputies should be given the test. He was pronounced intoxicated and was held over for a hearing.

### Pony Falls on Rider, Dundee Boy Injured

Jess Lathrop, 13 years old, of Dundee, was injured last week when a pony fell on him. The pony became frightened and reared up on its hind feet. The animal became overbalanced and plumed the young rider on the ground when it fell. Jess was taken to the Sherman hospital in Elgin where it was learned his left ankle was fractured. He was able to leave the institution after the fracture was reduced.

### Methodist Churches to Meet in Memphis

The first meeting of the bishops of the Methodist church South, the Methodist church North and of the Methodist Protestant church will be held this Thursday at Memphis, Tenn. These three churches have voted to unite and the union is to take place in Kansas City next May.

At the meeting held this week music will be furnished by the combined choirs of Vanderbilt university and of Peabody college. There will be a broadcast on the

Columbia network Thursday from 5:45 to 6:00 p. m. Bishop Moore of the Methodist church South and Bishop Hughes of the Methodist church North will speak. M. A. Morrill, 206 Coolidge avenue, who is publicity director of the Methodist church, has arranged for this broadcast.

### Baptist Bazaar Tuesday

The annual Baptist bazaar and supper, sponsored by the Dorcas society will be held in the church parlors Tuesday, Dec. 6. The bazaar opens at 2 p. m. with many lovely and attractive articles. Dinner will be served at 5 p. m.

## "Boys' Town" Is Beginning Run at Catlow Theatre

"Too Hot to Handle," Starring Gable and Loy, Here for Week-End

The dramatic true-life story of Father Edward J. Flanagan and his fight to establish a home for underprivileged boys is the basis of "Boys' Town," starring Spencer Tracy and Mickey Rooney, and opening at the Catlow theatre Thursday for a showing of three days.

With ninety borrowed dollars Father Flanagan founded his first home. Two newsboys and three juvenile delinquents were his occupants. From this modest start, courageous Father Flanagan worked for 21 years to build Boys Town, Neb., an incorporated village of 275, of which 260 are boys. In the history of Boys Town was found a ready-made motion picture. Tracy portrays Father Flanagan, the first time he has played a priest, since his Father Tim in "San Francisco" brought him universal acclaim. Rooney, recently praised for his performances in "Love Finds Andy Hardy" and "Lord Jeff," has the role of an incorrigible boy who thinks he is too tough for Boys Town. Brother of a gangster, he is placed in Father Flanagan's care.

Clark Gable and Myrna Loy as daredevils under fire, provide thrills, romance and action-packed drama in "Too Hot to Handle," story of the daring feats of newsreel cameramen, coming to the Catlow Sunday and Monday. Action gets off to a flying start in Shanghai. War, aviation thrills, the quest of a lost aviator amid savage tribes in South American wilds, the crackup of Miss Loy's plane, are among the high spots of "Too Hot to Handle."

John Howard, who got his first big screen role in "Annapolis Farewell" a few seasons ago, will be seen as a West Point football hero in "Touchdown, Army," when it comes to the Catlow Tuesday. Howard is best known to movie audiences as the "Bulldog" Desmond of the adventure pictures. Double featured with "Touchdown, Army" Tuesday is "Nurse From Brooklyn," with Sally Eilers, Paul Kelly, Larry Blake and Maurice Murphy.

Those astonishing Ritz Brothers—Harry, Al and Jim—have finally found something that taxes even their vigorous talents. They're taking up ballet dancing! The boys took lessons in ballet for two weeks. When they became more or less (mostly less) versed in the routines, they demonstrated their versatility to their hosts in a hilarious sequence in "Straight, Place and Show," their latest comedy.

Based on a play by Damon Runyon and Irving Caesar, "Straight, Place and Show" opens Wednesday at the Catlow with Richard Arlen, Ethel Herman, Phyllis Brooks, George Barbier and Willie Best featured in the cast.

It is a book of "days" rather than dates. The origin of each holiday and noteworthy anniversary, both national and local, is traced with accuracy and customary methods of celebration in all parts of the country are fully described. It contains information about the feast days of the holy men and women of the church and Christian and Jewish holy days.

The days are arranged according to the calendar. Local celebrations such as the Mardi Gras in New Orleans, state holidays, national holidays, church feast and fast days, birthdays of famous Americans, and famous events in American history are all given in this book which is well worth looking into.

## Conduct Search for Woodstock Resident; Gone Since Nov. 15

Police authorities were asked Tuesday to aid in a search for Daniel Desmond, 57 years old, former Woodstock postmaster, who has been missing from his home since November 15, four days before he was to have taken an examination for possible reappointment.

Mr. Desmond left a note in which he stated he was going to Chicago to obtain work. No further word has been received from him since.

He served as postmaster at Woodstock for about three years. He was replaced last June by W. J. Todd, the present postmaster.

Mrs. W. E. Noyes, 437 Washington street, contributes this week's recipes for tasty even dinners and a favorite cooky for the after-school lunch.

## Delivers Talk on Christian Science at Public School

John Randall Dunn, C.S.B. of Boston, Massachusetts, Spoke Friday Night

John Randall Dunn, C.S.B. of Boston, Mass., member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., delivered a lecture, "Christian Science: The Promised Comforter," at the public school auditorium Friday evening under the auspices of First Church of Christ, Scientist, Barrington.

The lecturer spoke substantially as follows:

"Comfort ye, comfort ye my people, saith your God." Thus saith the prophet Isaiah over twenty-six hundred years ago; and devout men and women and children through all the centuries have turned to these words for inspiration and sustaining. Is there in our language a more beautiful, restful, and satisfying word than "comforter"? And was there over a time in human history when mankind was more in need of true comforting than at this disturbed moment? There is no doubt but that we are living in a troublous hour. If you do not think it tedious consult the headlines of the average daily newspaper. Nothing seems worthy of notice but crime waves, scandal, unrest at home and abroad, and a seemingly endless record of discord. The human family, despite its marvelous material achievement and so-called civilization, seems plunged into a maelstrom of mental ferment. It needs comforting. It needs help. It needs light. But where is the comforter? Is it to be found in material systems and schemes? As soon endeavor to cure a child's fear of ghosts with mud-baths as to heal the troubled heart of humanity with a man-made material program of salvation. The race is demanding that practical comforting and solving of its problems which can be found only in a system which goes to the heart and the thinking of mortals. One of the world's foremost electrical engineers, the late Charles P. Steinmetz, was asked some time ago what line of research he thought would see the greatest development during the next 50 years. After careful thought he replied: "I think the greatest discovery will be made along spiritual lines. . . . Some day people will learn that material things do not bring happiness and are of little use in making men and women creative and powerful. Then the scientists of the world will turn their laboratories over to the study of God and prayer, and the spiritual forces which as yet have hardly been guessed at." (From Forbes Magazine).

Now the Comforter would not be a comforter if joy and happiness followed not in its wake. Christian Scientists are becoming more and more known as a joyous people. Many for the first time in their lives are learning to laugh. Turning from the continual contempla-

tion of their bodies, and lifting their thought above material senses, they are finding a joy and satisfaction and freedom hitherto unknown. Truly it is a joyous business to be man, God's man! Even when confronted with the argument of sorrow and separation, the Christian Scientist is learning to claim his joy; for do not mourning and grieving belong to that "evil" cast over the waters? As the "evil" is lifted, as a clearer, truer glimpse of God and man is made possible, one sees not death and separation and sorrow, but all of God's children together, and joyous and free, held in the glorious bonds of everlasting Life and Love. In the presence of such realization one can exclaim with the apostle, "O death, where is thy sting? O grave, where is thy victory?" Surely, "Blessed is the people that know the joyful sound!"

Someone may say: "But I have been trying so long to master my problem and have not yet succeeded. I am far from joyous. How can I keep our discouragement?" Possibly it has not been generally recognized that in the word "discouragement" we have another "absence" or negation. Discouragement really means the absence of courage. Could one picture a person going about deliberately declaring, "Oh, today I have the absence of courage!" Certainly not. God does not give His children the absence of courage. Infinite Mind must eternally be pouring forth inspiration and strength and courage to all of His children. What if there have been struggles and even temporary defeats? Those who have played baseball or cricket know what it means to have a bad inning; but is the game necessarily ruined thereby? By no means. Shortly there comes another opportunity, another inning, and with fresh courage and renewed enthusiasm the tide can yet be turned to victory. Say a familiar verse: "Every day is a fresh beginning. Every day is the world made new; You who are weary of sorrow and sinning."

Here is a beautiful thought for you!

Each morning, therefore, in this great adventure in which the human family finds itself engaged, one has a fresh inning. Attack your problems as though you had never seen them before. Fill your thought with every heartening memory of past victories. Read the encouraging testimonies in the Christian Science Sentinel each

week and in The Christian Science Journal each month. Thank God for each glorious proving of the availability of His law, and know that the good which one has experienced all may experience.

## October Building in Lake County Up 38 Per Cent Over 1937

The year-end approaches with an encouraging residential building situation in Lake county. October contracts included a substantial gain of 38 per cent over the awards in October, 1937, according to T. O. Morgan, Chicago manager of the Dodge reports of F. W.

Dodge corporation. The local gain followed the average of 71 per cent recorded for the 37 states east of the Rocky Mountains.

With the close of October this year's residential building in Lake county neared the year-end figure for 1937.

Last month, residential contract awards totalled \$267,000. In 1937, the contracts of the corresponding month amounted to \$194,000.

The favorable local situation is reflected in a comparison of the current level of residential building with the contracts at the same

point of last year, and with the year-end. Want Ads Bring Results

# High School Cagers Split Twin Bill With Crystal Lake Here Saturday

## To Open Conference Schedule in Games at Heights Friday

Branches Suffer First Defeat, 39 to 24; Ponies Win 17 to 9

In the opening game of the 1938-39 basketball season here Saturday night, the Barrington Branches lost a hard-fought battle to the Crystal Lake, Ill., 39-24. The game was close throughout, but the visitors grabbed an early lead and gradually increased it as the game progressed. Though the Branches lost, they showed a lot of team spirit, which future opponents will have to overcome.

The leader of Crystal Lake's offensive attack was Eiting, who made 17 points, eight baskets and one free throw. The first quarter was evenly played, ending with the score 10-9 in favor of Crystal Lake. In the second quarter the Crystal Lakers strengthened their lead to a margin of six points, 24-18. In the next period, however, Barrington came back with some drive and fancy shots to make the score 25-24. At this point the tide turned again, and the Branches failed to get one tally in the last period, while the opponents added eleven points to their total.

The Branches' next game is at Arlington Heights Friday night.

In their first game of the season, the Barrington Ponies defeated the Crystal Lake seconds, 17-9, Saturday night in the Barrington gym. The Ponies exhibited a great deal of ability and skill in overcoming a fairly good defensive opponent. Although the team worked well as a whole, individual credit must go to Melners, who shows great promise as a forward.

His ability for shooting baskets can be shown by the fact that eight of the total 17 points made by the team were scored by him. There was little action in the first quarter, the visitors making two points and holding Barrington scoreless. After this, however, there was no doubt of the superiority of the Ponies. They tallied 17 points in three quarters, while allowing Crystal Lake to score only seven.

Ship Island, Military Post  
Ship Island in Mississippi was reserved for military purposes by the executive order of August 30, 1847. In 1861 the island was occupied by Confederate troops. In September, 1861, the United States naval forces took possession of the island. The present works on the island were commenced in 1862. Ship Island was used as a base for military operations in the Gulf from that time on. It was sold in 1933 to the Joe Graham post, No. 119, of the American Legion.

## Methodist, Salem Triumph in Church Basketball Opener

St. Anne to Meet Methodist, St. Paul to Play St. Matthew, Monday

Salem and Methodist were winners in the opening church league basketball games, Monday—Salem taking Baptist by a 20 to 17 count and Methodist whipping St. Paul, 26 to 9.

Baptist gave Salem a battle, leading 13 to 7 in the third quarter when Salem opened up with five straight points to take the lead 13-12, increasing this advantage to 20-17 for the game.

St. Paul trailed by only 6-5 in the third quarter but the Methodists were "hot" from then on scoring 13 points while holding their opponents scoreless.

The games scheduled for Monday, Dec. 5, matches St. Anne vs. N. Schauble, 125 to 135; 395; V. Miller, 156 to 170; 493; K. Watkins, 162 to 158; 490; D. Jahske, 164 to 159; 509.

Superstition About Naming Baby  
The superstition about choosing a child's name within nine days of birth, has its origin in the days when people first heard the Gospel preached. They learned that the Redeemer's name was chosen before His birth, and bestowed upon Him in the Temple when He was eight days old. The early Christians tried to follow this Biblical precedent, and as the years passed what was first heard of the Gospel belief developed into superstition.

Firstborn's Right of Inheritance  
Primogeniture, a legal term, means that the eldest son has the sole right to inherit his father's title and property. There was reason for this law in days when family safety lay in great wealth. If a lord's estates were divided among all his sons, and later his sons, the family lost its power. Primogeniture made the eldest son head of his family and tacitly implied that he would protect his poor relatives.

## Lowering Assessed Valuations Is Cutting School Finances

Real estate, personal property and railroad property assessments in Cook county as a whole, outside the city of Chicago, are less able to support education today than they were either in 1927 or 1930, according to a study of school associations made by the Lake Shore division of the Illinois Education association.

Assessed valuations per pupil in average daily attendance, the 1927 figure, averaged \$5.47 in 1927, \$5.44 in 1930 and \$4.82 in 1932, in the country towns in general. In the Barrington school district the assessed valuations per pupil amounted to \$7.64 in 1927, \$5.95 in 1930 and \$2.57 in 1932.

The figures for 1932 show that the average school child in the United States received an educational program costing \$74.30. If Illinois is satisfied with an average educational program it will require \$4.45 in assessed valuation behind each child to raise \$66.80 (at a tax rate of 1.4c for each \$100 of assessed valuation) from the present tax sources, which, when supplemented by \$7.50 from the state distributive fund, will provide an average educational program for Illinois boys and girls. (While Illinois theoretically distributes \$11 per elementary school child, in Cook county only an average of \$7.50 reaches the school, the association has found.)

In making its study of assessed valuation trends in their relation to Cook county school finances, the association found that railroad property as a source of revenue for schools is rapidly disappearing. That many school districts are now finding it necessary to tax the local limit and finance a part of their budget from delinquent taxes and that if the present general trends continue budgets must either be reduced or new sources of revenue must be found. Thirty-four states, it was pointed out, are meeting the problem by providing more state funds for education than does Illinois, the national average being more than \$26 as compared with Illinois' \$11 per child.

The association found that in the Barrington school district, which had an average daily attendance of 391.8 in 1927, the total assessed valuation of \$2,998,128 included \$2,550,592 of real estate, \$423,416 of personal property and \$233,820 of railroad property. In

1920, with an average daily attendance of 359.95, the total assessed valuation was \$3,594,146, which included \$3,159,324 of real estate, \$439,445 of personal property and \$255,377 of railroad property. In 1932, with an average daily attendance of 388.49, the total assessed valuation amounted to \$1,958,427, including \$1,808,352 of real estate, \$250,641 of personal property and \$99,434 of railroad property.

Expressed in percentages of the 1927 figure, these figures show that the real estate valuation was 134 per cent in 1930 and 43 per cent in 1932, that the personal property valuation was 118 per cent in 1930 and 70 per cent in 1932 and that the railroad property valuation was 105 per cent in 1930 and 40 per cent in 1932.

#### Flag at Half-Mast

The display and use of the flag are governed by tradition and not by law. The federal government has by statute provided only against the desecration of the flag. The army and navy have their own regulations, but have no authority to enforce them in civilian use. Civilian regulations are embodied in the Flag code, adopted in 1923 and enforced of patriotic and educational organizations under the auspices of the National Americanism commission of the American Legion. The rules have no official government sanction. The origin of the custom of displaying the flag at half-mast as a mark of mourning and respect dates back several centuries. According to flag etiquette, when a national flag is placed at half-mast as a tribute of respect to the dead, it is first raised to the top of the staff or flagpole, and then slowly lowered to a position at or near the middle of the staff.
