## Primary Contests Bring Out Heavy Vote Here Tuesday

Set New Highs in Cuba and  
Ela Townships Through  
Local Interest

Party registrations reached a new high in Cuba and Ela townships and fell short of the 1936 total in Barrington township at the primary elections held Tuesday, at which time local campaigns carried the brunt of vote-getting.

In Cuba township the total number of ballots cast reached a new high of 970 when republican party members turned out en-masse to support the candidacy of H. D. Kelsey, successful candidate for nomination for state representative, and when democratic party members came out on three candidates.

In Ela township also reached a new high, pulling in 577 against 500 in 1936. In this instance the republican voters turned out in large numbers to support the candidacy of John Froelich, a supporting hand in his unsuccessful campaign for nomination for Lake county sheriff in the republican ticket.

Although there was a strong township committee contest in the democratic ranks in Barrington township and the republican party was canvassing earnestly in the state senator, state representative and county town commissioner contests, the total of 896 ballots cast was below the mark of 1936 when 991 were counted. Kelsey, R. F. Koehler Sr. was successful in being elected democratic committee man of Barrington over Kenneth P. Scherr by a vote of 247 to 89. Although John Hilgenberg Jr. had withdrawn from the race in favor of Mr. Koehler, he was given five votes in the tallying. The office was left vacant recently by the resignation of H. R. Brintlinger.

A. G. Gieske received a good complimentary vote in the four precincts of Barrington township by being re-elected to the republican group with a total of 455. The democrats had 380 votes cast in Barrington township compared with 514 in 1936 and the republicans had 516 compared with 598 two years ago.

In reaching a new high in Cuba township 781 republican ballots, compared to 646 in 1936, were cast Tuesday and 159 democratic ballots recorded, against 160 in 1936. Rudolph Berg received a high vote as he ran unopposed for the office of republican precinct committee man, getting 560. John J. Treutle was re-elected democratic precinct committee man with 112 votes over V. J. Gallagher who received 62 votes. Cornelius Snyder who was given six.

In Ela township there were 422 republican ballots cast compared to 332 in 1936 and 176 democratic votes as compared to the former mark of 168. Arthur Froelich received 342 votes for republican precinct committee man and Ferguson Harkness received 152 for democratic committee man. Both men were unopposed, but Mr. Harkness was seeking re-election while Mr. Froelich was a candidate to fill a vacancy left by C. Sneltinger.

Following is a chart of voting statistics for the three townships:

Leading the third place candidate by 2000 votes, Harold D. Kelsey of Barrington was a republican nomination for representative from the eighth district running with Nick Keller of Waukegan in a close and interesting primary election Tuesday.

The Barrington man also led the field in Waukegan, Fox River Grove and Cary, all neighboring communities where he is known personally by a large number of voters—a source of genuine satisfaction to Mr. Kelsey and his friends.

The unofficial total vote for republican candidates follows:

Returns are based on 87 out of 78 precincts in Lake county; in McHenry county the totals include 26 out of 24 precincts; Boone county figures are incomplete.

Radolph Berg, who was re-elected republican precinct committee man of Cuba township Tuesday, has been mentioned as a candidate for the vacancy which is certain to be created on the county board next fall. Mr. Kelsey's nomination for the legislature is tantamount to election, as only three were nominated by both parties and three vacancies are to be filled in the fall.

## Plans Are Completed for B Club Banquet

Final arrangements were completed this week for the annual Barrington high school B club banquet at the Methodist church Wednesday night, April 21, at 8:45 o'clock. Jay Berwanger, graduate of the University of Chicago several years ago, and All-American football player, will be the guest speaker.

Mr. Berwanger should prove to be a highly interesting speaker, being one of the greatest halfbacks ever to be produced in this area and on the university's football squad.

Ernest Rice will be the toastmaster of the evening. Committees arranging the event are as follows: J. Church, E. Mitchell and J. Mountain, dinner; E. Grabenhorst, J. Speck and G. Wilkins, program; Robert McLaughlin, publicity.

Alfred D. Church, president of the board of education of Barrington high school, will also be a guest speaker as the father of one of the B club members. Several reels of movies on sports will be shown at the conclusion of the dinner.

## High School Graduates Stress Vital Facts in Securing Work

With graduation and summer vacation approaching soon, high school students have one thought uppermost in their minds—whether or not—"How can I get a job?" Perhaps the advice of B. H. graduates can be of help to puzzled students. Some of the varied data gathered from the questionnaire sent to B. H. graduates of classes '32-'37 are tabulated by Miss Althea Christenson, commercial instructor in the high school, are given here in the graduate answers to the question asked.

"What suggestions do you consider most important in getting a job?"

"Be yourself! A person must be neatly dressed and well groomed. One must sell his or her personality to the employer. As a rule letters will not suffice; a personal interview is necessary. Do not be boastful."

"A pleasing personality, poise, ability to do work and ability to give others confidence in you, confidence in yourself, ambition."

"A good personal appearance and a sincere desire to be of benefit to your employer."

## Trees and Shrubs to Be Given as Prizes in Improvement Contest

A ten dollar order of trees or shrubs good at Hill's Nursery and donated by the nursery, will go as a prize to the home winning first place for clean-up and improvement in the annual plant, build and clean-up campaign to be conducted by the Barrington Review cooperating with the village and with contractors and business places in May.

Additional prizes of trees and plants will be announced next week. The Review's annual spring plant, build and clean-up edition will be published April 25 preceding the village clean-up week of May 2 to 7.

Judges will be selected by The Review to inspect the homes at the end of clean-up week and near the end of May shortly before Memorial Day. All homes in Barrington and Lake Zurich will be automatically entered in the campaign, although there will be a separate contest for each of the two communities.

"Plant a Tree" is the slogan for the campaign this year. It is believed that the donation of trees for prizes will stimulate interest in the planting campaign which has already received impetus from the worthy and comprehensive project of the Village Garden club of setting out Moline elms in the parkways.

"I believe it is impossible to stand still in Chicago without a pull." I suggest that pupils looking for jobs should be ready to work they want to do, be equipped for it, concentrate on a certain company, and someone in their acquaintance who can introduce them, and lastly and most important, be honest.
