

Mrs. Elzo Schutt Re-elected Head of Woman's Club

Luncheon Meeting Is Held
at Country Club
Wednesday

Mrs. Elzo Schutt was re-elected president of the Barrington Woman's club during a brief business meeting which followed the club's annual luncheon, held at Barrington Hills Country club Wednesday afternoon.

Officers elected to serve with Mrs. Schutt were as follows: Mrs. Robert Muir, first vice president; Mrs. Leslie McClure, second vice president; Mrs. John B. Haggard, secretary; Mrs. Max Lines, corresponding secretary; Mrs. Cecil Kellam, treasurer.

Mrs. Harold Grebe and Mrs. Lester Higgins were elected directors. Delegates to the state convention will be Mrs. Schutt and Mrs. Muir; alternates, Mrs. McClure and Mrs. Bell.

Mrs. Raynor Olson and Mrs. Charles Forsberg were named delegates to district meetings and Mrs. W. A. Fanning and Mrs. Joseph Friedlander, alternates.

Reports by committee chairmen and a message from the club president concluded the business session.

The program of the afternoon was in the capable hands of Lucille Calvert, associate professor of speech at De Pau university.

After sketching the background and girlhood of Elizabeth, Miss Calvert read the dramatic scene of "Mary of Scotland" by Maxwell Anderson, the garden scene from Schiller's "Maria Stuart" and the tower scene where Lord Essex goes to his death from Anderson's "Elizabeth, the Queen."

A buffet luncheon was served to 52 members and guests preceding the program. Mrs. P. C. Fleming and Mrs. Lester Higgins were in charge of the floral arrangements.

Tax Books for Cook County Towns Will Be on Hand in May

The Cook county 1937 tax books for Barrington, Palatine, Schaumburg and Hanover will be at the local collectors' offices early in May. Barrington Deputy Collector Ben Schroeder reported after returning from a meeting of county town collectors at the Sherman hotel Friday.

Mrs. Pearl F. Adams, collector, and Mr. Schroeder, will call on the office in the First National bank for receiving collections on real estate and personal property during the early part of the month and assisting property owners to avoid the penalty on first half payments.

The penalty date will be June 1. Last year first half collections were made in July and the year before they were made in September. Subsequent to the Chicago real estate assessment scandal of 1928, Cook county tax payments were held up and a re-assessment ordered. When the regular tax receipts channels were cleared up, the county was 16 months behind schedule. After that, collections were made every nine or ten months until now they are only two months behind. It is anticipated that payments will start on the 1938 taxes next March, the regular month for it.

Cuba Town Tax Books Here Until May 30; Over \$23,000 Paid

Emil Schaefer, tax collector for the town of Cuba, announced this week he would have the tax books in his possession until May 31, and local property owners can make payment here until that date.

Mr. Schaefer is maintaining a collection office at the First National bank during banking hours on Tuesdays, Thursdays and Saturdays. To-date more than \$23,000 has been collected in 1937 real estate and personal property taxes, with over \$1000 distributed locally already. Funds received here up to closing date will be proportionately spread before making the final report to the county building in Waukegan. Mr. Schaefer said.

Real estate taxes are payable in two installments while personal property taxes are payable in full.

Junior Class of Elia High School to Give Play Friday Night

"Charley's Aunt," a three-act play, will be presented by the junior class of Elia township high school in Lake Zurich Friday evening, April 22, at 8:15. The production will be given in the school auditorium. Miss Edythe Stone is directing rehearsals.

Members of the cast are as follows: Spencer Loomis, Harold Stelling, Mitchell Kane, Herbert Gleason, Dorothy Herschberger, Elvira Schroeder, Edward Anderson, Herbert Gohrke, James Weber, Violet Hager, Elizabeth Wolhausen and Ruby Boegen.

383 Trees Planted Under Projects to Beautify Village

Work of Village Garden Club
and Board of Trustees
Completed Friday

Three hundred and eighty-three trees were planted in the village of Barrington during the past two weeks as part of a civic program to beautify the community. Of these, 136 were planted along Hillside avenue by the Village Garden club. The trees, mostly elms, were planted by crews working under the direction of Paul Purcell, superintendent of streets, and work was completed Friday.

The remaining 347 trees were planted at the village treatment plant to landscape grounds around the new buildings. This was made possible by J. R. Cardwell, who donated the trees. Trustee John H. Blanke supervised the work at the plant. It also was finished Friday.

The Village Garden club's project was started this year, and it is proposed that it will be continued yearly. Only sufficient funds were available at this time to do the planting on Hillside avenue. The club reports donations of \$50 from the Lions club, \$15 from the Barrington Women's club, \$15 from the American Legion and \$25 from Jewel Tea Co., to assist in purchasing the trees.

The club president is Mrs. H. R. Britzinger. The club was instituted by the civic committee, Mrs. Frank Kirchman, chairman, and Mrs. John Prentice, Mrs. Earl Schwamm and Mrs. Elzo Schutt, members.

Included in the evergreen trees planted at the treatment plant were: 40 mugo pines, 38 scotch and white pines, 23 pfitzers, 44 Norway spruces and 100 Japanese junipers. J. L. Bell planned the landscaping.

As a further step in beautifying the community, the village board accepted the suggestion of Earl Hatje, president, and ordered the planting of 100 Chinese elms to be planted along the roadway at the village dump. They will be placed in the ground soon. It was learned.

A resolution was adopted by the Garden club turning over the planting to the village at a recent meeting and the village board Monday night adopted two resolutions, one to the Garden club and one to Mr. Cardwell, thanking them for their interest in the community's betterment.

Junior High School Speech Class Will Give Three-Act Play May 6

Rehearsals are being conducted for the three act play, "The Princess and the Swineherd," to be presented by the junior high school speech class in the school auditorium May 6. There are 55 members in the class. Willard Watson is business manager, Miss Annette Sheel director and Misses Agnes Welch and Beatrice Dean are in charge of costumes.

Following is the list of cast and characters: Jane Shepard, Jane Herrens; Nancy Bradley, Margaret Plock; Lorraine Haggens, Betty Foreman; Lorraine Schroeder and Gloria McCray, children of the court; Mary Ellen Gellatly, King Blago; Phyllis Horenberg, Queen Caroline; Thelma Herron, Princess Potentilla; Betty Witte, the swineherd; Wayne Rudelet, the prince; Laverna Martens, Prince Phipps; Vernon Anderson, Prince Pumpkin; James Rieker, the Lord Chamberlain; Edward Tichy, James; George Hager, Hodgdon; John Hargrave, the second guard; Jeanette Collins, the first guard; John Lovendahl, the third guard; Charles Welty, the musician; Ray Graber, the town crier; Robert Landwer, the messenger; Willard

RETURN ENGAGEMENT of the CLEAN UP-PAINT UP-FIX UP CAMPAIGN

MAY 2-7, INCLUSIVE

A Request Performance

\$14,700 Dividend Declared for Bank; Total 60 Per Cent

Checks for Ninth Repayment
to Depositors in Mail
Shortly

Checks for a 5 per cent dividend, amounting to \$14,700, will be mailed out within a few days to depositors of the closed First State Bank of Barrington, C. H. Albers, receiver for closed state banks, announced Wednesday.

The repayment, which is the ninth, brings the total liquidation to 60 per cent. Mr. Albers stated the money was received through the ordinary liquidation of the bank's assets. The last dividend was made in May of 1937. Added to the previous amount of \$154,339 paid to depositors in the eight installments, this one will raise the total to \$169,039. Compared with other closed banks in this vicinity, the percentage of repayment here is high and payments have been made more often.

Township Meeting Friday
The Barrington Township club No. 1 will meet Friday evening, April 22, at 8 o'clock. Arthur Kaneles of Chicago, will be the speaker. The club meeting place is in Landwer hall, 202 E. Station street.

Plan Basket School
Pupils of Ryan school, district 10, will hold a basket and card party Friday, April 22, in the school house.

Resolution

Whereas, the Village Garden Club of Barrington has shown outstanding civic interest by inaugurating a tree planting program for Barrington, and Whereas, the Village Garden Club of Barrington has been most generous in starting to effectuate this program by furnishing to the Village 136 elm trees which have been planted on Hillside Avenue, now therefore

Be It Resolved, that the Village Board of Barrington extend to the Village Garden Club of Barrington the sincere thanks and appreciation of this community for the Club's thoughtfulness and generosity.

EARL HATJE,
Village President

Promise Action on Stop and Go Lights

Installation of the new stop and go lights at the intersection of Main and Jough streets, postponed for the past three weeks, will be started by the first of next week. A. C. Burandt, village clerk, reported to the village board at the meeting Monday night.

The reason for the delay, Mr. Burandt said, was that A. A. Electric Co. of Cicero was engaged in completing a large contract outside the state, and because of that he had not the trained men available to do the work here.

Assurance was given the village clerk by officials of the company that the traffic control project here will be taken care of soon.

Additional Prizes Listed for Garden and Home Contest

Starts May 2; Annual Clean-up
Edition of The Review
Next Week

Several families in Lake Zurich and Barrington are going to win some beautiful trees and flower plants for their homes this May. The annual improvement drive will start May 2. In addition to just plain old fashioned civic pride to stimulate efforts for a more beautiful community, the awards of valuable plantings will add additional incentive to the campaign which is being conducted by the Barrington Review cooperating with village officials, merchants, contractors and nurseries.

A five dollar order for flowering plants donated by Plague Nursery and a fine specimen Norway spruce donated by J. R. Cardwell have been added to the prize list since last week when it was announced that Hills Nursery of Dundee had offered a ten dollar order of tree and shrubbery plantings.

Additional awards and the full details of the contest telling how to win them will be announced in the annual Plant-Build-Repair and Clean-up edition of The Review next week.

The annual campaign will combine buildings, remodeling, house decorating, yard and garden improvement.

Continued on page 5

Largest Oak Is 60 Feet High

What is believed to be the oldest and largest oak tree in Cuba town is the spreading giant (pictured above) which stands guard over the Hobson home along Northwest highway west of the village. The hardwood stands 60 feet in height, measures 90 feet across the widest spread of branches and has a trunk 13 feet in circumference just above the ground. It has been estimated to be more than 150 years old.

A natural beauty such as this can well be an inspiration for "Plant a Tree" program of Plant, Build, Fix-up and Clean-up week which starts May 2.

P.T.A. Lists Date to Examine Children of Kindergarten Age

A free physical examination of children entering kindergarten next fall will be held in the nurse's room at the public school on May 12 from 10 a. m. until 12 noon. It was reported this week. The project is sponsored by the P.T.A. summer round-up committee.

Three local physicians, two local dentists and the school nurse are combining in the campaign. According to information received, the free examination is held in order that parents may learn of any physical defects their children might have before the start of kindergarten.

Proposal on Extra Parking Space Is Reported to Board

Plan Subject to Approval of
C. & N. W. Railroad; Near
Passenger Depot

Space estimated as sufficient for 25 or 30 automobiles may be available for parking purposes if the plan is agreeable to the C. & N. W. railway. Trustee R. Berg reported to the village trustees Monday night. The plan, he said, was first suggested by Harry Hammond, local agent for the railroad.

The parking lot would be installed near the water tower on the southwest side of the tracks, and south of the drive, it was reported. According to the proposal outlined, if accepted by the railroad officials, the cinders needed to fill in that area would be supplied by them.

The street committee, of which Mr. Berg is chairman, was given authority to proceed with the plan for a quick solution, following motion made by Trustee John Carroll and seconded by Trustee John Blanke.

By creating additional parking space for 25 or 30 cars owned by commuters, it was felt that the number of cars parked on the business and residential streets during the day would be reduced, and the street parking lot became effective the village board and local police department have been endeavoring to eliminate a number of parking problems. The greatest of these that of commuters' cars being forced out of the business district into the residential sections, where property owners complained of all-day parking.

The regulation requiring parked cars to have lights burning after 1 a. m. until sunrise has been noticeably effective.

Elden Gieske to Be Candidate for Cuba Supervisor's Office

Another name was added to the list of possible or prospective candidates for the office of supervisor of the town of Cuba when it becomes vacant, when Elden Gieske, former village trustee and village president, admitted he had decided to be a candidate. Many other names have been mentioned but no statements have been made.

Although there is no vacancy, and will not be until H. D. Kelsey, present supervisor, turns in his resignation to the town board, rumors have been circulated freely. Last week Rudolph Berg, republican precinct committeeman of Cuba township, announced he would be a candidate.

Mr. Kelsey's resignation is expected in July to become effective in the fall and after that it will be up to the town board to take action. At the annual meeting held several weeks ago, it was learned that the majority of members favored an election rather than filling the vacancy by appointment.

In addition to the talk by Mr. Berwanger, who attained national fame for several seasons while a member of the University of Chicago's football team, several reels of motion pictures will be shown.

Both Jobs and Workers Are Available Locally

Both employment and employees are available in and around Barrington. E. J. Legault of Wauconda placed a situation wanted ad in The Review on April 7. He received three offers and accepted one of them.

The following was inserted by Arns Miller of Oak Knolls farm in The Review want ad column April 14: "Man experienced in garden work wanted." One of eight applicants for the job was selected.

Daylight Saving Time Into Effect Sunday, April 24

Clocks to Be Moved One Hour
Ahead; Churches on
New Schedules

Clocks will be moved ahead one hour Sunday morning to start the annual daylight saving time season, according to the village ordinance now in effect. The matter was discussed at the village board meeting held Monday night where the change in time was acknowledged. As in other years the time schedule for local churches will be daylight saving time. Local business houses and the public and parochial schools will maintain their schedules on the earlier time also. New railroad time tables are being prepared and will be at the local C. & N. W. passenger station the latter part of the week, Harry Hammond, agent, announced Tuesday. Suburban runs will be moved ahead one hour to conform with the time changes and commuters' convenience, Mr. Hammond stated, although official time of the railroad will remain central standard.

On express through train runs, going up into the north where daylight saving time is not generally adopted, there will be some changes in train times but not many, he indicated.

Special Cachet for Barrington Planned for Air Mail Week

Barrington Lions club will sponsor a special Barrington cachet for National Air Mail Week, May 15 to 21. J. C. Cadwallader, secretary of the club, who is a member of the air mail week publicity committee in charge of cachets, and Charles A. Kelsey, cashier of the First National bank, who has what is probably the best collection of first flight covers in the community, are collaborating on the design for the cachet.

The Barrington cachet will be applied to all air mail dispatched from the Barrington post office. Local collectors and all others who want to receive and save the local cachet, will obtain it by properly addressing an air mail letter to themselves and mailing it postage prepaid at air mail rates, which are 8 cents an ounce—three cents more than ordinary letter mail.

To add special interest and philatelic value to cachet covers for local collectors, Postmaster Leslie B. Paddock announced today, arrangements will be made to transport such letters over a special air mail pick-up line and flight from an air mail field in Lake Zurich on May 19. Letters carried on this special flight will be appropriately endorsed, in addition to the cachet, to show that they have been so carried. It will be impossible to have a flight direct from Barrington for lack of a landing field. The post office department will not authorize flights from other than a licensed air port.

Jay Berwanger Will Talk at High School Club Dinner Tonight

Jay Berwanger, member of the publicity department of the University of Chicago, and former All-American football star, will be the principal speaker at the Barrington high school B club banquet in the Methodist church this evening, Thursday, at 6:45 o'clock.

A. D. Church, president of the board of education, will also be a speaker, representing the fathers of B club members. Ernest Rice will be toastmaster. Those attending the event are: C. Church, E. Mitchell, J. Mountain, E. Grabenhorst, J. Speck, G. Wilkins and Robert McLaughlin.

In addition to the talk by Mr. Berwanger, who attained national fame for several seasons while a member of the University of Chicago's football team, several reels of motion pictures will be shown.

Planning Dance

The Mothers' club of Deer Grove school, district 12, is sponsoring a dance at the school house Saturday evening, April 23. Luncheon will be served and prizes awarded, it was learned. Mrs. Eilfeld is the teacher.

Travel West

Mr. and Mrs. O. G. Walgren, 214 Franklin street, will leave Saturday for a 16-day vacation during which they will visit San Francisco, Los Angeles, and other points in California, and Salt Lake City, Utah.
