

## Galaxy of Stars Featured in "The Goldwyn Follies"

Screen Hit Coming Sunday;  
"Mannequin" Billed  
for Wednesday

America's most picturesque city, New Orleans, during its most colorful period, the years just after it had been purchased by the United States from France, is the setting for "The Buccaneer," which is playing at the Catlow theatre Thursday and Friday.

It is a New Orleans that has all vanished in the bustling commercialism of our times. It is a city where Jean Lafitte, the pirate king, whose part Fredric March plays in the film, can sell his contraband openly in defiance of the customs authorities and get away with it.

Franciska Gaal, glamorous importation from Budapest, makes her American debut in "The Buccaneer."

Stark terror grips the screen in soul-consuming fury in "Penitentiary," showing at the Catlow Saturday. Blasting through an inferno of blazing bullets to bare the breaking hearts of a boy braced as a killer—and of the warden's daughter who dared to love him!

The most amazing story of staling talent ever assembled in a single production is presented in "The Goldwyn Follies," which begins a two day engagement at the Catlow Sunday.

Drawing from every field of entertainment to augment a screen cast headed by Adolphe Menjou, The Rita Brothers, Andrea Leeds, Ella Logan, Jerome Cowan and The Gorgeous Goldwyn Girls, the producer secured radio's Edgar Bergen and "Charlie McCarthy" Phil Baker, and Kenny Baker; grand opera's Helen Jepson and Charles Kullman, the dance's Zorina and George Balanchine's American Ballet, and the musical stage's favorite comedian, Bobby Clark.

When youngsters reach that "certain age" they shoot up like beanstalks, as any doting parent will tell you. Typical of these dotting parents and their beanstalk-like offspring is America's famous Jones Family, whose middle daughter, June Carlson, has just reached the age where she is "entitled" to permanent waves and her own room at home.

Jane's advent into "young-ladyhood" is one of the hilarious side-ights of the family's latest hit, "Love on a Budget." It will come to the Catlow screen Tuesday.

Playing the double feature bill on Tuesday is "Prairie Thunder" starring Dick Foran, the singing cowboy, with Ellen Clancy and Frank Orth.

Spencer Tracy, for the first time in his screen career, competes with debonair William Powell, polished Adolphe Menjou, and others of the film's sartorial favorites for the title of "Hollywood's best-dressed actor." Making a complete about-face from such roles as the humble Portuguese fisherman in "Captain's Courageous," and the priest in "San Francisco," Tracy plays

a wealthy steamship magnate in "Mannequin," which co-stars him with Joan Crawford, opening at the Catlow Wednesday for a three-day engagement. The wardrobe chart for the picture listed no less than twenty outfits for Tracy, including the latest in morning, afternoon, evening and sport togs.

Mrs. Orville Meiners suggests a Lenten luncheon that is simple to prepare yet attractive and delicious.

Her main dish is the following:

### MOCK CHICKEN PIE

1 small can tuna fish.

1 cup cooked peas.

1 small bunch carrots (diced).

1 onion.

2 small potatoes.

Cook onions, potatoes, carrots until tender. Make 1 cup cream sauce and combine with all ingredients. Put in buttered casserole. Top with biscuit crust. Bake in moderate oven (350°) until crust is brown.

With that Mrs. Meiners serves a "deep sea salad" which gives a foamy effect glimpsed through clear green.

1 pkg. lime jello.

Put one tablespoon of clear jello in small for clear base.

To the rest add 1 pkg. cream cheese, 1 small can crushed pineapple. Whip. Pour into mold. Serve on a lettuce leaf.

A delectable dessert to complete this meal is made as follows:

1 pound graham crackers.

1 pound dates.

1/4 pound marshmallows.

1 cup nuts.

1 cup whipping cream.

Roll crackers and combine with the other ingredients. Chill in mold or in square pan for cutting in squares. Serve with whipped cream and garnish with cherries or strawberries.
