

Capacity Crowd to Be Entertained at Jewel Tea Picnic

Employees and Families Will Gather for 7th Annual Outing July 17

A crowd of 1500 is expected at the all-Jewel county fair on Sunday, July 17, when Barrington and Jewel Food stores employees of Jewel Tea Co., Inc., and their families gather for the seventh annual company picnic at Jewel park in Barrington.

The county fair will be of a rural and rustic nature, with decorations and entertainment keyed to the farm spirit. Poultry and livestock will be on exhibit; cowboys and bandanas will be proper dress; and the good old square dance will be revived to "mountain music." Hay racks, plows, pitch forks, and other farm equipment will add color to the all-day outing in the country. A cake and cookie contest will be one of the features of the day.

An order for 750 chickens has been placed and half a fried chicken will be included in each lunch to be enjoyed by the guests on Oak Knoll, picnic grounds on the east side of the company property. A public address system will be installed for announcements and music throughout the day.

In addition to dancing in the air conditioned auditorium of the home office building, there will be games for children and adults, exhibits and contests, and series of athletic events. In competition for permanent possession of the Jewel athletic plaque, Food stores employees will battle Barrington representatives in girls' and men's baseball, tennis, bowling, ping pong, horseshoes, and putting. The first event of the day is scheduled to begin at 9:45 a. m.

J. P. Currie, C. E. Watkins, R. M. Johnson, and G. A. Garnett will be in charge of the county fair, assisted by the following committee heads: L. D. Smith and A. R. Wolf, girls' baseball; A. Heitman, horseshoes; K. E. Johnson, putting; Mary Rowan, cards; Elizabeth Hosford, children's games; K. E. Lilien, prizes; C. W. Meyer, emergency; W. M. Kinchloe, publicity; D. A. Nagata, information; M. G. Kuhlman, bowling; M. H. Mundy, tennis; C. B. Myers, ping pong; R. M. Lindstrom, entertainment; A. C. Forrest, games; H. E. Welter, farm displays; Marion Kessel, bakery contest.

Park Avenue Barber Shop Announces New Service to Patrons

The Park Avenue Barber shop announced this week the opening of a new service to its patrons with the purchase of a Crowley-Kearney machine to be used in stimulating and aiding the growth of hair.

The machine, one of the newest inventions on the market, operates on a pressure-vacuum system and by stimulating the flow of blood in the scalp increases the growth of hair, it was stated. Normal blood circulation, manufacturers claim, is created by using the machine and conditions surrounding the loss of hair are then eliminated.

Notice to Scratchers—Here's Simple Remedy for Mosquito Bites

Mrs. John Griesheimer, 148 N. Hager avenue, comes to the assistance of tormented readers this week with a time-tested remedy for the prevention of mosquito bites. After using it for 30 years she states she is convinced the idea is practical and gives thanks to the old physician who first told her how to use it.

The simple remedy prescribed is the dilution of one tablespoon of epsom salt in a tea cup of water and patting the solution on the arms and face. Mrs. Griesheimer states the solution should be put on quite liberally and allowed to dry.

Neither she nor her family were ever bothered by the insects during any of their many summer trips in the last 30 years, she said. Something about the solution prevents the mosquitoes from biting, although they will come near the individual using it.

Presents Figures on Traffic Count to Board Monday

Total of 17,842 Vehicles Is Checked at Hough St. and Highway

A report of the traffic count conducted Friday, Saturday and Sunday at the intersection of Hough street and the Northwest highway was presented at the board meeting Monday night by Trustees John Daeschler, chairman of the police committee, E. W. Baade, chief of police, conducted the count and compiled the final figures.

During the 21-hour counting period a total of 17,842 automobiles and trucks passed the intersection. The count was made from 2 p. m. until 9 p. m. each day.

The figures for the amount of traffic on Hough street were reported as follows: Friday 1829, Saturday 2245, Sunday 2578, or a total of 6749. On Northwest highway the three-day count was as follows: Friday 2264, Saturday 2685, Sunday 2764, or a total of 11,693.

There were 4344 more cars counted on the highway than on Hough street. The hourly average of cars counted was 649.6.

The figures were turned over to A. C. Burandt, village clerk, and they will be incorporated in a resolution asking for the installation of traffic control signals at the intersection. After the resolution is presented to and approved by the board of trustees, it will be forwarded to the state highway department for consideration by that body.

The traffic count was ordered by the village board when it was learned that it was the approved method of procedure in requesting the state organization to consider placing lights at the crossing.

Public Hearing Is Called for School District 4 Budget

Board of Education Announces Meeting for Thursday, July 21, at School

Notice of a public hearing Thursday evening, July 21, on a tentative budget ordinance and tentative appropriation for school district No. 4 was announced at a meeting of the board of education held in the public school Monday evening. Notice of the meeting will be found on page 5 in this issue of The Review.

The public hearing, new to residents of district 4, was made necessary by a bill passed at the last session of the general assembly, and known as the Municipal Budget Act. It is administered by the Illinois Tax commission.

The tentative budget and appropriation ordinance are now on file at the public school building for inspection by taxpayers of the district prior to the meeting next Thursday night. The session will begin at eight o'clock.

According to reports received at the office of E. S. Smith, superintendent of schools, the finance committee of the board is expecting a reduction of between \$10,000 and \$15,000 in the new tax levy. Last year the total cost of running the school amounted to \$113,000, and the levy was \$90,000, which was later reduced to \$89,000. It is estimated the expenditures for the coming school year will be slashed to bring the total down to the \$100,000 mark.

The purpose of the public hearing, it was learned, was included in the Municipal Budget Act in order to permit taxpayers the opportunity of discussing proposed expenditures prior to the adoption of the annual tax levy.

Resolution Favoring New Post Office Is Approved By Board

A resolution directing the federal government's attention to the need for new post office facilities in the village of Barrington was approved by the board of trustees following its presentation by Trustee John H. Blanke Monday night.

The resolution, which the two congressmen in the local district be asked to co-operate and urged to have the matter given immediate attention. The congressmen are Ralph E. Church and Leonard Schuetz.

Village President Earl Hatje stated also that he was going to dispatch a letter to the proper authorities in Washington asking for the improvement.

The resolution approved Monday night pointed out that the local post business is constantly increasing and the present post office is inadequate to handle the incoming and outgoing mail.

While traveling by train through Lake county last Friday, Postmaster General E. H. Rasmusen gave assurance to Joseph P. Howard, democratic candidate for the house of representatives, that he would direct special attention to the need of additional post office facilities in Lake county, according to a dispatch received from Mr. Howard.

Permit Denied for Apartment Building

An application for a permit to erect an eight-room apartment building on Grove avenue was rejected by members of the village board Monday after discussion of the zoning ordinances. The application had been presented by H. Scherer, local realtor. The location is just south of Hillside avenue.

It was proposed to utilize a large barn standing on the property, it was reported at the meeting. The application was rejected on the condition that the property be zoned for class A residences and the ordinance did not permit the erection of apartment dwellings.

Trustee John H. Blanke recommended that all contractors in the village be given copies of the building code and zoning ordinances. His suggestion was adopted by the board and Village Clerk A. C. Baad was asked to make the necessary copies.

Mr. Blanke also reported that the board of appeals lacks one member and he thought it advisable that the board be brought up to full strength. Village President Earl Hatje reported he had been studying the matter and expected to have the board of appeals select a new member.
