

Rabid Dog Is Killed Near Marengo After Countryside Chase

At least 20 dogs are being kept under observation in and near Marengo this week and several men were given anti-rabies treatments after officials had received a positive rabies report on a mongrel dog which was slain Sunday after it had run loose several days. The dog, owned by Cornell Bros. farm near Marengo, became vicious Saturday. When it made attempts to attack stock on the Wilson farm nearby, it was captured and locked up in a nearby wooden silo.

While Wilson was notifying the owners of its condition, the animal managed to gnaw its way out of the silo and fled east. It attacked dogs in practically every farm yard, biting at least 20.

Severe Electrical Storm Sweeps Area

Severe electrical storms, swept northern Illinois Tuesday afternoon and evening and Wednesday morning, causing principal damage to corn and spring grains. In this vicinity the damage was less heavy although limbs of trees were broken off by the high winds. The storm began north of the Barrington area and swept south at Mattoon, where it reached cyclonic proportions, it was learned.

Lightning was responsible for fire that destroyed a barn on the Stevenson farm on route 14, two miles west of Crystal Lake Tuesday afternoon. Henry Dunker, the tenant, and his son Donald were in the barn when a bolt set fire to the granary and hayloft. Four horses were rescued but 55 tons of hay were lost.

Barrington Defeats Park Ridge at Polo Sunday by 5-2 Score

The Barrington Polo club defeated the Park Ridge riders by a score of 5 to 2 Sunday to go into the title Lake Forest for the championship of the Suburban Polo association. Both outfits have one victory with no defeats to their credit.

The game, which was played on the local field on Hart road, was keenly contested throughout and it was only in the closing minutes of play that Barrington was able to go into the lead. A goal by Paul Corbett and another by J. Bowen clinched the victory. Townsend of Park Ridge scored the two markers for the out-of-town team.

Although the game was hard fought, only two fouls were called, one on Smith and one on Bateman. The Barrington Polo club will cross mallets with the league-leading Lake Forest five at Onwentaia field next Sunday afternoon. Game time is 2 o'clock.

Sunday's lineup: Barrington Teampos. Pk. Ridge Corbett 1 Popham Bateman 2 Townsend Buckley 3 Bowers Bowen 4 Gloor Spares—Smith of Barrington at No. 1. Goals: Barrington—by handicap 1, Buckley, Smith, Corbett, Bowen; Park Ridge—Townsend 2, Fouls—Smith, Bateman.

Four Motorists Hurt When Autos Collide

Two jockeys of Arlington Heights and two other persons were injured last Thursday night in an automobile collision on route 12 about a mile north of the Lake-Cook county line road.

Paul Ryan, 30 years old, of 204 Highland ave., Arlington Heights, a jockey, was driving south on route 12 when he attempted to pass another automobile. He was unable to stop in time to avoid colliding with a northbound car driven by Phillip Lapring, of 6305 N. Washnaw avenue, Chicago, it was reported.

T. P. Martin, 28 years old, another jockey, and Mrs. Helen Ryan, all of the Arlington Heights address, and both drivers received severe lacerations and bruises. They were removed to the Palestine hospital.

Mr. and Mrs. Robert E. Johnson, 2430 Clinton street, Minneapolis, Minn., and their daughter, were bruised Saturday night when their car went into a ditch and overturned on route 14, west of Barrington. Mrs. Johnson was taken to the Sherman hospital in Elgin for treatment but was able to leave the institution Sunday morning. Johnson told authorities that he took the ditch to avoid being struck by another car.

Automobiles driven by A. W. Stahnke, 5540 N. Artesian avenue, Chicago, and A. L. Vanderlike, 1000 N. Kedzie avenue, also of Chicago, collided at the intersection of Irving Park boulevard and Barrington road Saturday. Mrs. Vanderlike was slightly injured.

Annual Camp Meet Is Concluded Sunday

The annual camp meeting of Evangelical churches in this district closed at Barrington park Sunday with a large attendance being reported at the afternoon and evening sessions. Bishop C. E. Epp, D.D., was evangelist of the meeting and other ministers in the district assisted.

Anniversary Day was observed last Friday and special honors were given persons over 70 years of age. Among those from Barrington who were so honored were: George Steffenhofer, August Boosch, George Hanson, Rev. G. F. Roloff, Carl Neuber, Mrs. Emma Richardson, Mrs. Louise Sott, Mr. and Mrs. George Heinrich and Henry Hobelin.

Hold Services Today for Mrs. Emma Miller

Funeral services will be held at the Danielson Funeral chapel in Palestine this afternoon, Thursday, for Mrs. Emma Miller, 69 years old, a resident of Schaumburg township, who died Monday evening at the Sherman hospital in Elgin. Burial will be in Oakwood cemetery.

Mrs. Miller had been in ill health for a long time but had only been in the hospital one day. In addition to two sons working in Barrington, Edward and Henry Miller, she is survived by four sons and two daughters. Her husband, William Miller, died in 1917.

Grand Jury Quiz on Co. Gambling Seen

A grand jury investigation into charges of wide-open gambling in the county may grow out of the county-wide raid last Saturday evening. Circuit Judge Ralph Dwyer took under advisement Wednesday a motion to have a special prosecutor named. Five affidavits, three of them signed by ministers, were presented by the complainants' attorneys. Judge Dwyer is expected to give a decision either Friday or Monday.

The threatened grand jury quiz is the outgrowth of the raid on places of business having slot machines, pin games or operating horse betting books.

A large number of raiders, divided into several squads, visited Barrington and other communities almost simultaneously last Saturday night. Machines were found in Barrington but none were removed. Local persons believed the county-wide "clean up" a political maneuver as it did not originate in either the sheriff's office or the state attorney's office—the usual source of county police activities.

Favor Purchase of Power Weed Cutter

Purchase of a new all-power operated weed cutter for village use was discussed by trustees at the board meeting Monday night. A. C. Burdick, village clerk, reported a machine had been satisfactorily demonstrated to Trustee Rudolph Berg, chairman of the street committee, and Paul Purcell, superintendent of streets, by the Worthington Midwest Co.

The mower most suited to the village's use would cost \$190. Mr. Burdick stated, and there is a possible trade-in allowance of \$50 on the present mower, which has a power operated cutting bar but requires a man to push it. The new machine demonstrated here is entirely power operated.

Following a motion by Trustee Berg and seconded by Trustee John J. Carroll, Mr. Burdick was instructed to complete the negotiations for the purchase.
