

Kenosha Nine Wallops Barrington Baseball Club Sunday; Score 14-2

DeKalb Will Be Opponent Sunday for Local Outfit

Loose Fielding Responsible for Lopsided Defeat at Kenosha

The Barrington Baseball team took a 14 to 2 drubbing from the hard-hitting Kenosha nine Sunday afternoon, making the defeat the worst during the season. The local team practically fell apart. Numerous errors, lapses in base running and other faux pas were counted. The game was played at Kenosha.

Barrington kept the slate clean until two were out in the third inning when two runs scored. Geyer or was safe on a single and an error by B. Condit allowed Cruthers to reach second while Geyer scored. Cruthers scored the second run on a hit by Beaster.

E. Altenburg was on the mound for Barrington to start the game. He was forced from the game in the first half of the fourth inning with an injured ankle, received when he slid into second base. With the exception of the two runs scored in the third he had progressed satisfactorily.

Earl Eiters went to the mound in the fourth and was tapped for one run and one hit, making the score three to nothing in favor of Kenosha.

Barrington's first marker was produced in the fifth when W. Altenburg received a pass. While Paulsen was also watching four balls being pitched, Willie stole second and then third. A delayed steal, Paulsen drawing the throw on his steal to second, allowed Altenburg to score from third.

Apparently incensed by the bravado of the locals, Kenosha retaliated with a batting and run scoring spree in their half of the fifth. Six runs were tallied in this frame on three hits. The entire team batted around. Two errors during that inning helped Kenosha.

The opponents picked up one more marker in the seventh and four more in the eighth to conclude their scoring. Barrington made its other run in the seventh when Reuse started the inning with a single and came home on a single by Helms.

During his stay on the mound E. Altenburg gave up two hits, allowed two runs, walked two, struck out four men, and there was one error. Eiters allowed seven runs, gave one walk, struck out two batters, gave up five hits and there were two errors. Meiners gave up four hits for four runs, struck out three and walked two batters. There were two errors during the time he presided.

Reuse was top man for Barrington, getting three hits, two for extra bases, in four trips to the plate as well as scoring one of the two runs. Geyer led the Kenosha nine

at the plate, getting three out of five and scoring three runs. Barrington travels to DeKalb Sunday in hopes of improving last Sunday's performance.

Junior Class Wins Interclass Track Contest Thursday

Two Records Fall as Third Year Group Gathers 57 1/2 Points

Two records fell out at Northside park last Thursday as the juniors won the annual interclass track tournament. The scores by classes were: Juniors, 57 1/2; seniors, 42; freshmen, 31; sophomores, 23 1/2. The juniors scored heavily in the track events, taking five firsts, four seconds, one third, and four fourths. In the field events they only took one first, one second, three thirds, and a fourth. The seniors topped first in all field events but one. The juniors were also responsible for two new records. Clyde Church broke the javelin record with a toss of 140 ft. 9 3/4 in. The old record of 124 ft. 10 in. was established by Rieck in 1936. Three-tenths of a second were clipped off the 880 yard relay mark by the juniors who were timed at 1:55.4. The seniors of 1936 held the old record. Running for the juniors were Norm Nestlerode, Jack Shepard, Bill Saul, and Bob Herren.

Bob Collins of the senior class established a record in the discus, this being the first year that the new type discus was used. His distance was 101 ft. 5 in. High point men of the meet were Church (J), Herren (J) and Wilkins (S) with 11 points each. This meet finished up the track

season at the local school.

Engage 2 Grammar School Instructors

L. S. Van Winkle, who has been employed at the Palatine grammar school for the last two years, has been elected to instruct the fourth, fifth and sixth grades of the Barrington grammar school next fall. E. S. Smith, superintendent of schools, reported this week. He is a graduate of the University of Illinois and has had considerable teaching experience. Mr. Van Winkle and his family are now residing in Barrington.

Miss Edna Wallace has also been engaged to teach in the primary grades of the Barrington public school next year. She will teach in the first and second grades. Miss Wallace graduated from the State Teachers' college at Duluth, Minn., which is her home community. She has had a number of years' experience, Mr. Smith said.

MILLER BROS. FUN & FACTS

VOL. 50 Barrington, Illinois, Thursday, June 9, 1938 NO. 22

June—the month of brides, strawberries, and the first mosquitoes.

Is your lawn mower dull and hard to push? If so, bring it down and let the boys in our shop give it the once over.

Friends, like money, are usually scarce when needed most.

Are the little chicks running all over the place and getting underfoot? We have some fine chick fence down here that will keep them out of mischief. Come in and get some.

Here's a fore-sighted Barrington woman for you—

She wrote a letter on the 15th, but dated it the 25th since she was going to give it to her husband to mail.

These Speed Queen washing machines of ours are certainly tops for performance. And do they have style! Come on in and look them over. Washing is made a pleasure by using Speed Queen.

Somewhat we're always afraid the coffee percolator is going to strangle.

Boys: School will soon be out and that means plenty of time for baseball. We have some mighty fine gloves, bats and balls here. Drop in and look them over.

Then there's the Barrington youngster who sneaked off fishing one day last week and didn't catch anything until he got home.

Don't take a chance on having your plants eaten up by bugs. Give them a frequent spraying of Acme plant spray and have no bugs devouring your plants.

Hell hath no fury like the woman who has waited an hour for her hubby on the wrong corner.

Outdoor sports are now in full swing and one popular sport around here is croquet. We have several fine croquet sets here that will give many enjoyable hours.

"WHAT'S THAT FUNNY NOISE?"

That "funny noise," young man, is a very important part of your life. A sound just like that awakened the doctor in the middle of the night—when you were born.

That "funny noise" gave your Father the breath-taking news that you had just said "Daddy" out loud for the first time. It's a noise that gives Mother more chance to enjoy your growing up.

You see, that "noise" jingles for the grocer, too, and the drug store, and the laundry, and the department store, and brings to your house

all those smiling people and strange boxes while Mother stays right at home and plays with you. Haven't you noticed how much Mother talks into it on those rainy days when people outdoors carry those queer things over their heads?

It will be a few years yet, we imagine, before you realize that there is an organization of 25,000 men and women—people like Mother and Daddy—who are devoting their lives to making sure that always, night and day, "that funny noise" shall ring for you.
