The older scouts in troop 2 had a delightful surprise picnic supper for their leader, Miss Bonnie Jean Clark, after the regular meeting last Thursday. They drove to the beautiful Kane county forest preserve where they built a campfire and ate the supper which the girls themselves had prepared.

During the evening they presented a clever skit, written by Deborah Durbin, of the progress of girl scouting in Barrington since its beginning here six years ago. A number of other scouts contributed to the entertainment which was successfully concluded by Jean Parental playing the accordion. Miss Virginia Cardwell, treasurer in the troop also, accompanied the group on the picnic.
