

Attractive Prices Are Offered on New Refrigerator Units

Barrington refrigerators dealers are now offering well known makes of refrigerators at particularly attractive prices and terms. The average family size box can be bought for a price between \$100 and \$150 and payments can be arranged so that only a small portion of the family's monthly budget need be set aside for the purchase of a refrigerator.

Dealers point out that the great sales volume of refrigerators during the last few years make it possible for manufacturers to produce refrigerators more efficiently, and to pass on these savings.

Another factor that makes it easy to buy a modern refrigerator is the fact that the owner of a refrigerator makes special savings in food costs, enough in most cases so that the refrigerator pays for itself. Housewives may buy in quantities, take advantage of special bargains and save loss of left-over foods when they have refrigerators in which they may safely store large amounts of food food several days.

New Series 1-Cent Stamp Put on Sale

The new series 1-cent ordinary postage stamp is now available at the Barrington office, Postmaster Leslie B. Paddock, announced today.

The new stamp, first issued of a series which will embrace all denominations from the 1/2-cent to the \$5 stamp, is of regular size, printed in green with a flat background and no border. The likeness of George Washington in profile is shown in the left center of the stamp, facing to the right.

Purchases 270-Acre Farm in Lake County

Jens Ager, vice president of the Chicago Rawhide company, has purchased 270 acres in Lake County a half mile north of Grass Lake and just south of route 173, near the Wisconsin state line. From G. W. Gale he bought 200 acres and from H. M. Cole he bought 70. There is a full set of farm buildings on the land but Ager proposes to erect a new residence in which he will live during the summer. David W. Williams, Wauconda, was broker.
