### Brandt Dairy Plans Formal Opening in

Formal opening of the new Northwest highway, will be held Saturday afternoon, with visitors invited to inspect the plant and the new ice cream and dairy serfor the dairy

vice store which is an innovation for the dairy

Brandt Dairy was started in 1934 by Ray Brandt as a retail milk route. The following year a pasterniant plant was installed in the building at 202 James street which became the home of the building at 202 James street which became the home of the building was constructed and last fall work was started on the large new brick and tile structure along Northwest highway.

The dairy moved its aquipment to the new home the week of March 28. Included was a new condenser and two pasteerising units which had been purchased during the previous year, in addition to several other teams.

The building includes the rooms for pasteurising and bottling equipment, refrigeration room office, retail siore, and garge for hossing the squadron of wholesche and retail route tracks.

In addition to large local and rural delivery routes, the company pasteurises and bottles constant pasteurises and bottles constituted way by three large tracks for sale in other communities.

sale in other communities.

The retail store is a new fea-ture. Ice cream, sundace, etc., will be sold at retail in this store conveniently located slong the much traveled Northwest highway.

#### Sky Line Gun Club Opened by Tucker on H. Kelly Farm

A gun club with three standard trap equipment is being installed at the Harry Kelly farm, three miles east of Barrington along the Northwest highway, by H. K. Tucker, 536 Grow aweng. Mr. Tucker announced that the new club, to be known as the Sky Line Gun club will be open to the public Saturday afteranoons and Sundays starting this Saturday. Shoots will be conducted the year around with special events by year around with special events by arrangement, he said. Announcement of the new club is made in an advertisement in this issue of The Review.
