

Barrington Baseball Team Wins Season Opener Sunday; Score 6 to 4

Elgin Parkside Are First Victims of Revamped Team

Will Play Bartlett Nine This Sunday; No Home Games Before June 1

The Barrington Baseball team opened its 1938 season by defeating the Elgin Parkside by a score of 6 to 4 at Trout Park in Elgin Sunday afternoon. Bartlett is next Sunday's game opponent and the contest will be played there. No home games are being scheduled before June 1. William Behringer, manager, announced this week. The new baseball diamond in Northside Park is expected to be completed at that time.

At Hattman and Howard Meiners were on the mound for Barrington. Hattman pitched five innings, allowed three hits, gave four passes and struck out seven. Meiners struck out three, walked two men and allowed two hits during the four innings he worked. Vanderford and Funk were on the mound for the Parkside and were pitched for nine base hits, including a double and triple by B. Condit and a double by Workman.

There are a number of new faces in the Barrington lineup this year, which consists of men employed in Barrington, with the exception of Helms, who resides in Palatine. Reuse, stellar first baseman for the locals, is also a Palatine product but is employed in Barrington. Some of the newcomers in the game are Chuck Elmer, who worked out at third base as last season, another new man Art Workman was sharing catching duties with Helms.

J. Condit, brother of B. Condit, and R. Rieck took care of right field while R. Altonberg and B. Condit, veterans of several seasons and dangerous at the plate, were in center and left field, respectively. W. Altonberg was in at short stop and Klopferstein covered second base. Reuse handled the first base assignment.

The locals went into the lead in the third inning when two runs were scored. The game was knotted up in the last of the fourth by Elgin. Barrington picked up a singleton in the fifth and Elgin made the tally 4 to 3 by getting two in last of the seventh.

Barrington overcame matters in the first of the eighth with one run and scored two more in the ninth for the final score of 6 to 4. B. Condit and E. Altonberg led the locals with two hits apiece while B. Rieck of Elgin also collected two safeties to lead his teammates. Box score:

Broncho Golf Team Defeated By Niles

The Niles Center golf team defeated the Barrington Bronchos' golf squad in the local's first match of the season at the Barrington Hills Country club last Monday. The score was 11 to 1.

Capt. Bill Saul, in the No. 1 position, took the lone Broncho point of the day. Bruce of Niles Center had the low score of the afternoon, 43-41-34. The matches were as follows: O'Connell (N), 45-46-31, 2 points, defeated Saul (B) 43-44-31, one point; Horvath (N), 41-40-37, 3 points, defeated Wilkins (B), 53-52-104; Hirsch (N), 43-41-34, 3 points.

Naperville and Geneva Winners of Classes at Palatine Relays

Naperville and Geneva emerged as winners of Classes A and B at six records fell at the sixth annual Palatine Relays held at Palatine last Saturday. Geneva, with 49 points, led the entire field of 19 schools and took the class B cup. Naperville took the class A trophy, collecting 34 points. Had not Lake Forest been disqualified for illegal cutting in during one of the distance races they would have taken the class A trophy. Before the start of the 880 relay Naperville had 31 points and the Lake Forest Scouts had 30. A win would have given the Scouts 35 points and Naperville would have finished with 33. Lake Forest's time was the best for the event but the bad break disqualified them.

As for the Bronchos none of the qualified in the morning preliminaries. The only local points scored during the meet were taken by the Frosh-Soph relay team which placed fourth in class B. The team consists of Ray Myers, Wilbur Veath, William Long and Harold Lipofsky.

Records fell in six events during the finals in the afternoon. Folkman of Arlington set a new record of 53.4 for the 440 yard dash, bettering the old record of 54 which was held by Osborn of Barrington and Rohlfing of Arlington. Zacco of Naperville set a new record of 54.1 in the 110 yard dash, bettering the old record of 54.1 which was held by Osborn of Barrington and Rohlfing of Arlington.

Geneva captured the 880 class B relay in the record-breaking time of 1:38. The old record, 1:44.8 Phil DuPaul of Grant was individual point winner by collecting 11 points in his three events: the shot, discus and javelin.

Friday, the Barrington thinsy clads will go to Highland Park to participate in the Lake country track meet. It is expected that they will do better there than they did at Palatine last week.

Summaries

Class A	Class B
Naperville 34%	Lake Forest 30%
Arlington Heights 28%	Crested Lake 20%
Batavia 17%	Libertyville 12%
Leyden 9%	Woodstock 5%
Argo 5%

DO YOU KNOW ILLINOIS?

By EDWARD J. HUGHES
Secretary of State

The secretary of state of Illinois is the state librarian ex-officio. Much information concerning your state. Any questions which are the state library and archives division under his jurisdiction contain of particular interest to readers and which are not covered in this series will be answered immediately. Address all communications: Edward J. Hughes, Secretary of State, Public Information Department, Capitol, Springfield, Illinois.

Q. When was the "Kaskaskia-Detroit" trail made?
A. About 1701, soon after the founding of these two cities. The trail was made by Frenchmen connecting their cities.
Q. Where did the white settlers take refuge during the Black Hawk war?
A. At Naperville in DuPage county. The city was erected in 1832.

Q. What explorer intimately connected with Illinois history was called the "Columbus of the West"?
A. LaSalle.
Q. What was the most frequent of the early Indian trails in Illinois?
A. The "Portage Path," bridging the gap between the headwaters of the Chicago and Illinois rivers.

Q. How many free tax supported public libraries are there in Illinois?
A. 280.
Q. When was the first regular mail service established in Illinois?
A. About 1802. When Fort Dearborn was established the nearest post office was 150 miles distant and the mail was brought to the fort every month by a foot messenger.

Q. Over what famous Indian trail did Marquette and LaSalle travel when on their journeys through Illinois?
A. Over the "Portage Path," later known as the Chicago Path.

Q. What was Lake Peoria originally called?
A. Lake Pimitoewy.
Q. What was the attitude of the Indians when the white men first came to Illinois?
A. The Indians were friendly because they hoped for protection from the savage Iroquois.

Q. When were the "Free Postage" laws passed in Illinois?
A. In 1819, by the first general assembly, in the second session, at Kaskaskia. This law authorized the governor of the state of Illinois to transmit postage free, to the executives of other states the session laws of Illinois.

Q. Did the Illinois legislature ever pass a law for the protection of wild flowers in this state?
A. Yes. This law was passed by the general assembly in 1923.
Q. What wild flowers are protected?
A. The Trillium, Lady's Slipper, Gentian, Bloodroot, and Columbine.

Q. When was the Servus Trail made?
A. About 1701, soon after the founding of these two cities. The trail was made by Frenchmen connecting their cities.
Q. Where did the white settlers take refuge during the Black Hawk war?
A. At Naperville in DuPage county. The city was erected in 1832.
