Proclamation

Each year Americans in every community are called upon to take part in a great nationwide movement to relieve human suffering and raise health standards in this country. I refer to the work done by the American Red Cross.

It is not necessary to remind citizens of our community that the work of the Red Cross is a vital contribution to our community welfare. Disaster relief, the fight against epidemics, public health nursing, assistance to service men or disabled veterans and all other forms of Red Cross aid to those needing help have proved their worth.

For many years our community has shared in this work through its contributions to the annual membership Roll Call of the Red Cross, held from Armistice Day to Thanksgiving. Your renewed support in this year's Roll Call will insure a continuation of Red Cross work here and in other parts of the country.

I am pleased, therefore, as President of the village of Barrington, to designate the period from Armistice Day to Thanksgiving as the time when all members of the Red Cross are urged to renew their memberships, and those who have not yet enrolled are urged to add their names to the Red Cross membership roll.

(Signed) EARL HATJE
