The Junior Garden club met Monday afternoon at the home of Mrs. F. William Mott Jr. The subject was "Trees" and was illustrated with slides.

Deer Becoming Traffic Problem for Motorists

Deer are getting to be quite a traffic problem in northeastern Illinois with their seeming penchant for traveling on the highways. Two weeks ago Ernest Spaulding Jr. of Huntley killed a buck deer with his automobile on a county road near Gilberta. And over the week-end near Aurora, three youths, Richard James, Elmer Hutchison and Bob Christianson, all of Aurora, struck a deer as it bounded across the highway and into the path of their car. The animal suffered a broken leg and had to be destroyed by Harry Keeley, Aurora game warden.
