

## Final Registration Day in Lake County Is Tuesday, Nov. 1

Figure in Cook County Hits  
New High for Off-Year  
Election

Tuesday, Nov. 1, is the last day in which residents of Cuba, Elia and other Lake County townships may register in order to be eligible to vote at the November 8 election. Particular emphasis has been laid this year on the necessity of Cuba township voters seeing that their names are in the proper place in the new polling books of the two precincts, which were created last summer.

The books have been at the polling places, Standard Motor garage for precinct one, and at Lageschulte Electric shop for precinct 2, since October 17. Residents may examine them to be certain that they are registered. A general registration day will be held Tuesday with election officials present. The poll books in Elia township are at Elia town hall.

Registration figures compiled after the closing of the lists in Cook county October 11, revealed that a new high had been reached for an off-year election. There are 1,711,555 registered voters in Chicago and 314,459 in the remainder of Cook county, or a total of 2,026,014.

Following are the registration figures of nearby townships:

Barrington	1012
Chicago	34,500
Elk Grove	1583
Evansville	32,901

New Trier	13,454
Niles	5390
Northfield	3299
Norwood Park	2044
Oak Park	33,249

Election interest has not reached its highest peak here, although only two weeks remain before voters will go to the polls.

The Barrington Township Republican club has been holding weekly meetings with county and district candidates present and the Cuba Township Republican club will hold its last general meeting Tuesday evening.

A combined democratic rally is being planned by the democratic organizations of Cuba, Elia and Wauconda townships, to be held at St. Peter Evangelical church parish hall in Lake Zurich Friday evening, Nov. 4. County candidates will be present and a state speaker is slated to appear, according to J. J. Treath and Leo LaPointe, local precinct committeemen assisting in arranging the event.

JOHN GRIESHEIMER

will retire from duty as watchman of the Elgin, Joliet and Eastern railroad crossing on West Main street.

Born at Chillicothe, O. on September 1, 1875, he first began working at the car repair and inspecting shop of the Chicago & Eastern Illinois at Danville, Ill. in 1891. After 11 years there he left and in 1902 he began working for the C. & N. W. Ry. first in the car repairing shop and later as brakeman.

Mr. Griesheimer started working for the E. J. & E. railroad at Waukegan in 1911. After 11 years spent with the yard's switching crew at Waukegan, he was forced to give up that work when he became ill with rheumatism. He and his family moved to Barrington in 1922 where he began his present duties.

He and Mrs. Griesheimer, the former Stella Robinson, whom he married at Danville, on June 22, 1898, are planning a trip to California during the latter part of the winter.

## Evangelist Series Well Attended

The special evangelistic meetings under the leadership of Evangelist Dr. Harry W. Vom Bruch, opened at the Salem Evangelistic church Sunday morning. About 100 were present to hear Dr. Vom Bruch's first sermon. In a practical and forceful manner Mr. Vom Bruch stated that three things are necessary before there can be a successful revival. There must be an audience, people must attend and with regularity. There must be pledges, and there must be prayers, and prayers that are followed up by action. He is assisted by Mrs. Vom Bruch and Jimmie Davis, pianist, tenor soloist and trumpeter. The Salem choir is also assisting in the services.

A well-dressed church was present again in the evening at the 7:30 hour to hear the evangelist. The evening sermon was of special interest and helpfulness to the youth of our present day.

Services will be held at the Salem church each evening from Monday until Sunday evening, Nov. 6. Mr. Vom Bruch will also preach on the two Sunday mornings, Oct. 19 and Nov. 6. Some of the favorite subjects upon which he will preach are: "Why Pray When You Can Work?" "Dance Halls," "Where Do We Go From Here?" "The Persecuted Man," "Remember the Slave," "Drifting," "Why?" (Jimmie Davis' favorite sermon).

Dr. Vom Bruch is a well-known evangelist and has been successful in many places. He is a member of the American Evangelical Association and the National Association of Evangelists.

## Personal Property Assessment Drops; Cuts Taxing Bodies

Total in Barrington Township  
\$340,000; Reduction  
of \$104,000

A further decline in the taxing powers of local government bodies in Barrington township was revealed with the release of personal property assessments for 1938 by County Assessor John Clark this week.

In Barrington township the total dropped from \$440,000, the board of appeals final figure in 1937, to \$340,000 as the assessor's valuation in 1938. Assessed valuations in both Barrington townships have decreased steadily in the past few years and local bodies now levy at the full rate.

Based on the reduction made by the board of appeals in 1937, when the assessed personal property was cut from \$644,000 to \$440,000, a reduction amounting to nearly 16 per cent, it would appear that a further slash might be forthcoming when the board of appeals starts its work next week.

Following are the personal property assessed valuations in Barrington township and other nearby townships with the figures in the thousands and the first row the 1937 assessor's total, the second row the final board of appeals total in 1937 and the last row the 1938 assessor total:

Barrington	644	444	340
Elk Grove	204	192	178
Evansville	18,028	15,417	9,691
Hanover	262	187	183
Maine	1,798	1,712	1,579
Niles	2,231	1,162	1,188
Norwood Pk.	59	69	64
Palatine	502	500	270
Schaumburg	95	82	81

There will be many kind of musical instruments, singers and dancers, according to Mrs. Weaver.

Chief Victor Rieks of the fire department called a special meeting Monday night at the village hall to give out advance sale tickets to members of the department and to discuss with O. Thomas Forrester, amateur show promotion manager, arrangements to add to the success of the event. Chief Rieks and the department expressed satisfaction with the general promotional work done to date.

## Car Crashes Into Plagge Greenhouse Sunday; Man Hurt

Miss Roberta Agnew Loses  
Control of Auto After  
Rounding Curve

An automobile driven by Miss Roberta Agnew, 149 Bellwood avenue, Bellwood, got out of control after rounding the curve on the Northwest highway Sunday morning and crashed into the Plagge greenhouse, causing several hundred dollars worth of damage to the structure as well as wrecking the automobile. William Armstrong, 6330 Madison street, Chicago, a passenger in the Agnew car, suffered a fractured pelvis and was removed to the Sherman hospital in Elgin.

Others with Miss Agnew, who was driving the car owned by her father, R. E. Agnew, were Miss Roberta Reitz, 308 Bellwood avenue, Bellwood, and William Collins of Chicago.

It is believed that Miss Agnew was traveling at a high rate of speed when she rounded the turn in the highway going north, and that the high winds Sunday were also a factor in her losing control of the machine, which climbed the bank and after rolling over several times, hit the greenhouse. A hot bed box was struck and damaged. The machine crashed into the greenhouse with sufficient force to become enmeshed with the top of the structure where it hung.

With the exception of Mr. Armstrong, the occupants of the car escaped unhurt, with only shock and minor bruises and cuts.
