Youth Counts Traffic

Wayne Connelly of Woodstock was greatly pleased last week when he was given the opportunity of counting weblec traffic in that city under a program planned by the city street department and financed by the national youth administration. Wayne, who is confined to a specially constructed wheel chair, was reported very embusiastic about his first job and prepared complete statistics of traffic in Woodstock.

Did You Ever Buy a Fall Hat Sitting Down?

You're going to do a lot of sitting in your new hat ... in your car, we mean. And here are about the best looking blocks you ever saw driving along Grove Ave., or in a Gen-eral Motor's advertise-ment.

The first thing a man like you finds out when he sees himself in these Fall hats is that he's a better looking man here than he was on his way down.
