

Woman Hurt in Auto Crash Sunday; Book Driver on Charge

Mrs. Nellie Marquadt, 330 Nagle avenue, Chicago, received a fractured left shoulder and cuts about the face when the car in which she was riding was struck by a machine driven by K. L. Oberland, 1420 Garden Place, Waukegan, at the intersection of Northwest highway and Hough street early Sunday morning.

Oberland, who admitted to Chief of Police E. W. Blaine, who investigated the crash, that he failed to observe the stop sign as he was traveling south on Hough street, was booked for reckless driving and will appear before Police Magistrate A. D. Church Saturday.

Mrs. Marquadt was a passenger in the car owned by her son-in-law, George Eichman, 32 W. Main street, Lombard. Eichman's car was hurled by the impact into the side of a car owned by Dr. A. G. Gieske, 312 Grove avenue, and driven by Dr. Wayne Blinn, associated with Dr. Gieske. The Gieske car halted at the intersection waiting for traffic to clear when the accident happened.

Mrs. Marquadt, after receiving medical aid here, was taken to the Sherman hospital in Elgin.

No one was injured when a Brandt Dairy truck driven by Joseph Shabo of Barrington and a car driven by Orville Wetmore, 20 E. Cedar street, Chicago, collided at

Review History of Fire Department

Continued from page 1

Fire station that stood where the
pump station is now located on
East Station street. The first vil-
lage water mains were laid in 1898
and were responsible for the for-
mation of the company.

Whenever a fire occurred, it was
necessary to go to the station and
sound the fire bell. Upon arrival
of the fire fighters the first team
of horses located on the streets
was pressed into service and used
to haul the hook and ladder truck.
The hose cart was pulled by hand
by the volunteers.

Veterans of the group, who lived
some distance from Station street,
were forced to run to the station in
order to be ready for service. By
the time they arrived, they often
times were too fatigued to be of
much assistance.

The first gasoline truck was
purchased in 1919 and this was
replaced with the present truck in
July of 1926. The rural commu-
nity truck was purchased on June
15, 1935. The rural equipment
was purchased from subscriptions
collected in the country area while
the village equipment was bought
with finances received from the
village board.

Highlights in the 40-year history
of the department were the great-
est amount of damage. They in-
cluded the Bowman Dairy build-
ing, Pomeroy and Co. mill, Bar-
rington Laundry, Plagge and Co.
elevator, Scott building, M. Peck
building, M. T. Lamey building,
Shinner market, Jewel Tea ex-
plosion, Groff building, Public Service
Co. substation, Sweeney barn, Hol-
mes farm barn, Locomotive
Terminal plant.

There were several other major
fires in this community, the burn-
ing of the Landwer block and the
Lamey property on East Main
street, but they occurred before the
organization of the depart-
ment, which boasts that not a
single residence in town was lost
by fire.

Honors were paid to H. T.
Schroeder at the celebration Fri-
day evening for his 40 years of
continuous service in the depart-
ment. He served as chief for sev-
eral terms and was secretary for
a number of years. Honored with
Mr. Schroeder was Sam Landwer,
also one of the charter members,
who has 30 years of service to his
credit. Mr. Landwer withdrew
from the department during the
time he served as rural mail car-
rier.

Both Mr. Schroeder and Mr.
Landwer were presented with lea-
ther billfolds by members of the
unit. They also were materially
responsible for the collection of
historical data of the department
that was presented at the party.

Victor Rieke, chief of the de-
partment, was chairman of the
program and Walter Seaverns as-
sisted him. Walter Abrens, chair-
man, Kenneth Grebe and Orville
Wente prepared the steak fry.
In addition to Mr. Rieke and
Mr. Seaverns, other officers are:
Oliver Hollister, assistant chief and
H. E. Kuhlman, treasurer.

There were six men who died
during the time they were mem-
bers of the department. They were:
Emil Naehner, who was electrocuted
while working at the Robertson
and Plagge power plant in 1907,
August Miller, Walter Lageschulte,
Henry Rohlmeier, Ernest Rieke
and Herbert Homuth.

State Inspectors Here
J. W. Thompson, supervisor of
the state board of vocational
education, and G. W. Cuihane, as-
sistant supervisor, visited the
Barrington public school Wednesday
morning and inspected the voca-
tional arts department. They ex-
pressed their satisfaction at the
work being done here.

Local Girl Reports Being Held Up Near Half Day Thursday

According to a report filed with
the Lake county sheriff's office,
Miss Jeanette Kamp, 26 years old,
of 405 Spring street, had an un-
usually distressing time early last
Thursday morning.

Miss Kamp, according to the
report, went out riding with Clif-
ford McCoy, 19, of 411 E. Wash-
ington street, and Edward Hometh
of Des Plaines, all in McCoy's car.

Following an argument between
the youths while they were riding
near Libertyville, both McCoy and
Hometh got out and started walk-
ing along the highway while Miss
Kamp drove the automobile her-
self, the report stated.

Somewhere near Half Day three
men in an automobile stopped her
and held her up, getting a \$10 bill
and \$5 worth of jewelry. One of
the bandits, she reported, wasn't
a gentleman, for he struck her and
gave her a black eye.

She was unable to furnish the
police with any description of the
hold-up men or the car in which
they were riding.
