. and scores of other

It's a smart car to see, all right—what you're discovering there behind the wheel is how much more there is to this beauty than a look or two will

You're feeling the eager power that a straight-eight can pour-when it's a Dynaflash eight with a cyclone in each cylinder to give life, liftand thrift-to every smooth-flowing

You're finding out that bumps can be tamed, that car riding can be level as flying-when all four wheels, not

is to look out through windows en-larged as much as 412 square inches. But you don't have to pay a premi-um! Instead, this great-eight beauty And you're enjoying that very spe-cial Buick "feel," firm and taut and ere any skittery l steady, nowl s, or wind wander, or hunt!

In a word, you're beginning to realize that, smart as it is to see, this

rter for the extra contentment you'll get from owning it-sms even if you had to pay a pres

is today priced lower than some sixes. Costs are below those of a

year ago. Total outlay-counting in-

cluded equipment you'd pay extra for elsewhere-is often less than for

some cars with lower advertised

und, head for the showroom, get

down to the details of trade-in terms,

Even there you'll find your Buick dealer ready, willing, eager to serve—just like

othly payments, all that!
